Yoga, or Lucid Dreaming in the rejuvenation process; the use of spagyric tinctures as well as mineral alchemy; a little known experiment with antimony; uses of the Middle Pillar exercise in physical and psychic health; the role of blood in personal transformation; and more. The material presented here is not a literary creation or academic theory, but has been demonstrated by those who have undertaken their practice. A cozy, quirky, low-key mystery/adventure set in the Outer Banks of North Carolina. Red City Review Book Awards - FINALIST Best Kindle Book Award - SEMIFINALIST Amazon Breakthrough Novel Award - QUARTERFINALIST When a wealthy developer suspected of murder comes offering money for the land, Ketch is the last to hold out. Ketch's knowledge of the island is professorial, something that will appeal to readers who adore a strong sense of place. The accented dialogue creates the right southern atmosphere A good effort. - Publishers Weekly Garrett Dennis' Port Starbird has everything that a fun, summer weather novel should have - adventure, romance, beautiful beaches, guitar playing, underwater excursions, and, of course, murder mystery intrigue! Storm Ketchum is a retiree who is discovering that life after your career may be even better than the crazy days of your twenties. After settling in Avon, North Carolina and purchasing the house of his realistic, fiscally responsible retirement beach dreams, Ketch is ready to live out the rest of his days quietly. However, his life takes a stressful turn when his home and habits are threatened by Bob Ingram, the dirtiest real estate mogul in Avon. In an effort to avoid Ingram's threats of eminent domain and save his home, Ketch becomes the secret detective that his parents had always hoped he would be. With his faithful canine sidekick by his side and

the good-looking Kari in his bed, Ketch begins a journey that will bring secrets to the surface and make him into a different man with a different view of the world. - Red City Review Tell me a book is a boat-filled adventure, a mystery, or a romantic tale, and I'll start reading. Find me a good story that combines all three, plus a dog, and I'll be recommending the book to others. Port Starbird by Garrett Dennis is the first of what the author promises will be the "Storm Ketchum Adventures." Storm Ketchum (aka Ketch) is the main character of this novel, set in the Outer Banks of North Carolina, and though we're only allowed a few insights into his past, we know that at present Ketch is a water-loving, boat-piloting, scuba diving, authority-fighting guy who loves his dog, Jack.

Whether from his boat, TBD, or the Minnow, owned by his friend The Captain, Ketch hatches plans to save his waterside home from being seized by a shady (and possibly felonious) developer. Perhaps he'll float his home away from the scene, or he'll see the developer tossed into prison for one or more of the crimes Storm suspects he's committed. Either way, Ketch hopes his new love, Kari, will be by his side, and he knows that Jack has his back (and the balance of his breakfast). - BOATING TIMES Long Island What do you get when you combine coastal history and ecology, scuba diving, a love story, and a violent crime? In this quirky low-key murder mystery/adventure, Storm Ketchum, a damaged emigre to the coastal town of Avon on North Carolina's Outer Banks, likes to mind his own business and isn't any kind of detective - until he's forced to become one by extraordinary circumstances. On the verge of losing his modest waterfront home to an

unscrupulous developer, Ketch stumbles onto the scene of a crime that might expose the perpetrator of an unsolved murder and enable him to save not only his own home, but also the similarly threatened bohemian boatyard community he's inexorably drawn into. And in case Plan A fails, he's hard at work on a Plan B that's both laudable and pitiable - if he can't stop them from seizing his property and ruining what's left of his historic town, he's hell-bent on turning the event into a unique kind of political statement. Together with his loyal dog, a salty charter boat captain, the sketchy denizens of the boatyard, and an alluring scuba diving instructor who may or may not have a hidden agenda, Ketch struggles to make sense of his new reality, while trying to save some of the things that really matter along the way.

the Taurians,” translated by Anne Carson; and “Ion,” translated by Ronald Frederick Willetts. Sixty years ago, the University of Chicago Press undertook a momentous project: a new translation of the Greek tragedies that would be the ultimate resource for teachers, students, and readers. They succeeded. Under the expert management of eminent classicists David Grene and Richmond Lattimore, those translations combined accuracy, poetic immediacy, and clarity of presentation to render the surviving masterpieces of Aeschylus, Sophocles, and Euripides in an English so lively and compelling that they remain the standard translations. Today, Chicago is taking pains to ensure that our Greek tragedies remain the leading English-language versions throughout the twenty-first century. In this highly anticipated third edition, Mark Griffith and Glenn W. Most have carefully updated the translations to bring them even closer to the ancient Greek while retaining the vibrancy for which our English versions are famous. This edition also includes brand-new translations of Euripides’ *Medea*, *The Children of Heracles*, *Andromache*, and *Iphigenia among the Taurians*, fragments of lost plays by Aeschylus, and the surviving portion of Sophocles’s satyr-drama *The Trackers*. New introductions for each play offer essential information about its first production, plot, and reception in antiquity and beyond. In addition, each volume includes an introduction to the life and work of its tragedian, as well as notes addressing textual uncertainties and a glossary of names and places mentioned in the plays. In addition to the new content, the volumes have been reorganized both within and between volumes to reflect the most up-to-

date scholarship on the order in which the plays were originally written. The result is a set of handsome paperbacks destined to introduce new generations of readers to these foundational works of Western drama, art, and life.

Spending a quiet Christmas housesitting and reading novels about hot cowboys sounds perfect to Caitlin. Until a stray kitten brings her face-to-face with Noah, her crush from college. Watching the handsome vet in action melts Caitlin's heart and brings back long forgotten emotion. She would be safer back at the house lost in the pages of a book. But a toe-curling mistletoe kiss tempts her to stay. Maybe she won't be spending this Christmas alone. Veterinarian Noah Sullivan isn't a Scrooge, but the Christmas Eve tradition of hanging mistletoe in the clinic's waiting room annoys him. Kissing doesn't belong at the Copper Mountain Animal Hospital. Noah rethinks his position when Caitlin Butler arrives with a stray kitten she found freezing in the snow. All he wants now is to maneuver the pretty preschool teacher under the mistletoe. If he's not careful, he'll wind up on Santa's naughty list. Mistletoe Magic is a short story companion to the Copper Mountain Christmas series.
