### **Abrázame fuerte**

Fresca, actual, divertida y tremendamente romántica. Silvia, Estela, Bea y Ana son las Princess. Un grupo de amigas que pensaban que estaban tan unidas que jamás pelearían por nada. Hasta que una cita de Messenger, un perro llamado Atreyu, un grafi ti, una entrada en un blog y una canción cambiaron sus vidas para siempre. Juntas descubrirán el amor y lo sencillo que es hacer feliz a alguien con un simple y fuerte abrazo. Reivindico el abrazo como fuente de inspiración del amor porque cuando se da un buen abrazo, no se olvida fácilmente. Puedes abrazar a una nube, a un árbol, a tu hermano, a tu hermana, a un chico, a una chica pero ¡abrazala! Y hazlo como quieras pero si algún día notas que me voy ¡abrazame fuerte!

Amigas y rivales (Friends and Rivals) is a Mexican telenovela, which was produced by and broadcast on Televisa in 2001. Seen twice on Univision in the United States, the series first debuted on July 30, 2001, replacing that year's Abrazame muy Fuerte, and ended on May 10, 2002, itself being replaced by 1998's El privilegio de amar (which finally made it to novela prime-time after a 3-year feud about its airing on Univision, that novela later being switched with the later hour's Salome). It aired a second time as part of Univision's late night Grandes Historias lineup, beginning on May 24, 2005 (replacing 1999's Alma Rebelde) and ending on April 1, 2006 (being replaced by 1998's Soñadoras).

Chapters: Abrazame Muy Fuerte (song), Amame, Amor Prohibido (song), Bidi Bidi Bom Bom, Donde Quiera Que Estes, El Chico del Apartamento 512, Last Dance/The Hustle/On the Radio, La Carcacha, La Llamada, No Me Queda Mas, Puede Ser, Si Una Vez, Que Creias?. Excerpt: "Amor prohibido" (Forbidden Love) is a song recorded by American recording artist Selena from her fifth studio album of the same name (1994). It was released by EMI Latin on February 11, 1994, as the album's lead single alongside "Bidi bidi bom bom." "Amor prohibido" was inspired by the true story of Selena's grandparents, and was first drafted when Selena began to hum a tune in her tour bus. A.B. Quintanilla III Selena's brother and music producer, and Pete Astudillo, formerly a backup singer

with Selena y Los Dinos, wrote down the melody. "Amor prohibido" is a Spanish-language mid-tempo corrido composed by Selena, Quintanilla III and Astudillo, and has influences of dance-pop. The song's central theme and lyrical content convey a Romeo and Juliet-based narrative about two lovers who are given negative criticism by society because they come from two different socio-economic groups; they ignore everyone and continue on with their relationship, while overcoming parental disapproval and poverty. "Amor prohibido" was released as the album's lead single in the United States, while it was released outside the US as the third single. As of 2005, the single has sold more than 500,000 copies in the US. "Amor prohibido" peaked at number one on the US Hot Latin Tracks and number five on the Latin Regional Mexican Airplay charts. "Amor prohibido" received positive criticism from music critics who claimed that it is Selena's most famous song. It was nominated for a Grammy Award during the 37th Grammy Awards, won the "Pop Ballad

«El amor no es la fuerza mística y misteriosa que sugieren las canciones. Es nuestro mismísimo código de supervivencia y contiene una lógica impecable que

por fin somos capaces de comprender. Por eso, una relación de amor duradera y satisfactoria no es un sueño, sino una realidad al alcance de todos.» Sue Johnson ¿Por qué es tan difícil sacar adelante una relación? ¿A qué se debe que algunas personas cambien a menudo de pareja? ¿Por qué los enamorados suelen hablar de sus problemas de relación en términos de vida o muerte? A diferencia de lo que siempre ha defendido la Psicología, la doctora Sue Johnson ha demostrado en sus investigaciones que los adultos, lejos de ser autosuficientes, también forjan relaciones de apego: «necesitamos a nuestro ser amado tanto como el pequeño necesita el cuidado, el cariño y la protección de la madre para crecer y desarrollarse.» A partir de este enfoque, la autora ha desarrollado la Terapia Focalizada en las Emociones, definida por The New York Times y la revista Times como «la terapia de pareja con mayor porcentaje de éxitos». La propuesta es muy sencilla: olvídate de aprender técnicas de negociación, de analizar tu infancia o de experimentar nuevas posturas en la cama, y admite que dependes emocionalmente de tu pareja. Con reveladores ejemplos, ejercicios y propuestas prácticas, Abrazame fuerte no sólo enseña a amar y a amar bien. También constituye un apasionante viaje al encuentro de nuestros más profundos anhelos y nuestros miedos más arraigados.
