The Mandolin

‘Divya writes of difficult times with candour and heart-rending simplicity’ Shabana Azmi
Capturing the beauty of a mother–daughter relationship, Divya Dutta in this moving memoir celebrates her mother’s struggles to turn her into the woman she is today. Divya walks us through the most intimate memories of her life, those that

strengthened her relationship with her mother. The incredible bond she forged with her mother helped her through tragedies and difficulties, discouragements and failures and led her to become an award-winning actor of stature, both in the Hindi as well as the Punjabi film industry. Me and Ma is a celebration of Divya's exemplary achievements. It is also an honest, intimate and heartfelt tribute to the force behind her success—her mother.

A Short History of Literary Criticism

Not since Salman Rushdie's Satanic Verses has the publication of a book provoked such mob violence, public outcries for the arrest and death of the author, and international efforts to secure her safety. The animosity and bloodletting between

Muslim and Hindu extremists on the Indian subcontinent is centuries old. When the Barabri Mosque at Ayodhya, India, was destroyed by Hindu fundamentalists on December 6, 1992, fierce mob reprisals took place against the Hindu minority in Muslim Bangladesh. These incidents form the backdrop for Dr. Taslima Nasrin's explosive and courageous book, *Shame*, describing the nightmarish fate of one family within her country's small Hindu community. Her book so angered Muslim leaders that a fatwa, or holy judgment, was invoked, offering thousands of dollars to anyone who would kill her. The Soldiers of Islam accused her of blasphemy and conspiracy against Islam, while the Bengali government charged her with sacrilege merely for saying that the Koran should be revised. After months in hiding, Dr. Nasrin escaped to Sweden with the aid of American, French, and European Union authorities. Her commitment to eliminating religious extremism worldwide is stated in her preface to *Shame*: The disease of religious fundamentalism must be fought at every turn. I will continue to write and protest persecution and discrimination. I am convinced that the only way the fundamentalist forces can be stopped is if all of us join together to fight their malignant influence. I, for one, will not be silenced. This novel has had serious repercussions for its creator. When it was published in Bangladesh, Muslim leaders in that country placed Nasrin under a fatwa or 'holy judgment' similar to that brought against Salman Rushdie for the *Satanic Verses*. -Washington Post A seething indictment of oppression and religious fundamentalism . . . -Library Journal. . . fiercely felt political novel of Bangladesh (which was a black market bestseller in India) . . . revolves around a Hindu family

and its struggles in the face of retaliatory Muslim fanaticism. -Publishers Weekly

Becoming Sister Wives

Rare edition with unique illustrations. Hans Christian Andersen was a Danish author best known for writing children's stories including "The Little Mermaid" and "The Ugly Duckling." But he didn't just write short stories, and his intended audience wasn't restricted to children. In addition to his fairy tales, Andersen wrote poems, plays, novels, travel books, essays, and more. He hungered for recognition at home (Denmark) and abroad-and he got it! Eventually. Today, his stories can be read in over one hundred languages. But no matter what language they're in,

Andersen's tales have got something for everyone. In them, you'll find beauty, tragedy, nature, religion, artfulness, deception, betrayal, love, death, judgment, penance, and-occasionally-a happy ending. They're complex tales, but since Andersen himself was pretty complex, we like to think that art imitates life. Or something like that. "The Ugly Duckling" is a literary fairy tale by Danish poet and author Hans Christian Andersen. The story tells of a homely little bird born in a barnyard who suffers abuse from the others around him until, much to his delight (and to the surprise of others), he matures into a beautiful swan, the most beautiful bird of all. The story is beloved around the world as a tale about personal transformation for the better.

Gershon Brin examines the development of biblical law, suggesting that it may be due to different authors with different legal outlooks, or that the differing policies

were required in response to different social needs, etc. Biblical laws appearing in the Dead Sea Scrolls literature are treated in a separate unit. Study of this subject can shed light both on the biblical laws as such, as well as on the manner of their reworking by the Judaeen Desert sect. Brin also discusses here questions of the style, the idea, and the historical and ideological background underlying the reworking of these laws in Qumran. The second part of the book presents a comprehensive picture of the issues involved in the laws of the first-born, a subject that has legal, social and religious implications.

The History of Humāyūn (Humāyūn-nāma).

We can each radiate unconditional love. We don't even need to create it - we are love. But the flow of love is blocked in moments of hurt, blame, anger, criticism, competition or insecurity. These emotions have dominated our emotional space, and hardly enable us to feel our own love. So today, we rely on someone else to love us. This book teaches us to think right, enable self-love, feel it and extend it to other people. The central message here is that love is not 'out there', but within us. A spectrum of emotions like attachment, expectations, hurt, worry, stress, fear or anger, which we use in the pretext of love, are analysed. The conversations also explore the fact that the parent-child relationship is not challenging - It does not need to be. As you free yourself from judgments and expectations, as you start thinking right for people, and as you accept people for who they are, you become a Radiator of unconditional love. You are one decision away from vibrating at a frequency of love ... by not needing love or giving love - but just by being love.

Akbarnāma, or The History of Akbar, by Abu'l-Fazl (d. 1602), is one of the most

important works of Indo-Persian history and a touchstone of prose artistry. Marking a high point in a long, rich tradition of Persian historical writing, it served as a model for historians across the Persianate world. The work is at once a biography of the Mughal emperor Akbar (r. 1556-1605) that includes descriptions of his political and martial feats and cultural achievements, and a chronicle of sixteenth-century India. The sixth volume details the twenty-third to twenty-eighth years of Akbar's reign, including accounts of the quelling of rebellions in Bihar, Bengal, and Kabul, and final victory in Gujarat. The Persian text, presented in the Naskh script, is based on a careful reassessment of the primary sources.

Creepy Pair of Underwear!

In this ground-breaking vision document, first published in 1998, Dr A.P.J. Abdul Kalam and Y.S. Rajan offer a blueprint for India to be counted among the world's top five economic powers by the year 2020. They cite growth rates and development trends to show that the goal is not unrealistic. Past successes—the green revolution and satellite-based communication linking remote regions of the country, for instance—bear them out. The same sense of purpose can make us a prosperous, strong nation in a matter of years, assert Kalam and Rajan. This is a book that every citizen who hopes for a better India must read.
