of wisdom and honest personal revelation in the areas of discipleship and spiritual formation. The result is *The Kingdom Life*, a book that offers a fresh approach to the spiritual disciplines through a three-pronged focus on transformation, community, and outreach. Connect in a unique way with God and His kingdom by understanding how He sees grace and doctrine, brokenness and obedience, outreach and justice. Includes seven highly practical “process” chapters as well as three theological chapters on the Trinity, the Scriptures, and the Holy Spirit.

How Children Fail

Jesus wants mature disciples. This book shows how to squeeze joy out of sorrow, truth from pain, and make permanent advances for the Savior.

Adventures of Huckleberry Finn

Christ commanded the church to make disciples, to produce people who love and obey God, bear fruit, and live with joy. The crisis at the heart of the church is that we often pay lip service to making disciples, but we seldom put much effort behind doing it. For the pastor who is ready to put words into action, *The Disciple-Making Pastor* offers the inspiration and practical know-how to do so. Bill Hull shows pastors the obstacles they will face, what disciples really look like, the pastor's role in producing them, and the practices that lead to positive change. He also offers a six-step coaching process to help new disciples grow in commitment and obedience and practical ideas to

integrate disciple making into the fabric of the church.

New Century Disciplemaking

"Make Disciples." Jesus' command is clear. But what is a disciple? And how are we to "make" them? Based on decades of experience, this book explains and illustrates the process of disciple-making that Jesus taught and modeled. First published in 1974, its practical, biblical approach has revolutionized the ministry of hundreds of thousands of Christians as they learned how to multiply themselves in the lives of others. Disciple-making is challenging, to be sure. But as we are faithful to Christ's Great Commission, we'll experience the fulfillment that comes from being faithful to the life mission to which God has called us.

Today's Disciple

The Experience the Life Bible study series helps you let your life reflect Jesus' perfect love.

Christlike

What is a Christian? At the most basic level, a Christian is a disciple of Jesus Christ. And yet many Christians today couldn't tell you what a disciple of Jesus Christ is, or would even think of themselves as disciples. And yet in the Great Commission, Jesus specifically called us to make disciples. Everything else is secondary. The Cost of Cheap Grace is an extended, sweeping, bold, and bracing call to repentance for where we've let secondary things

subvert our commitment to discipleship, and a compelling vision for discipleship as the basis of the gospel in all its world-changing, subversive power.

Disciple Making Is . . .

"Every believer in Jesus Christ deserves the opportunity of personal nurture and development." says LeRoy Eims. But all too often the opportunity isn't there. We neglect the young Christian in our whirl of programs, church services, and fellowship groups. And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians. In simple, practical, and biblical terms, LeRoy Eims revives the lost art of disciple making. He explains: - How the early church disciplined new Christians - How to meet the basic needs of a growing Christian - How to spot and train potential workers - How to develop mature, godly leaders "True growth takes time and tears and love and patience," Eims states. There is no instant maturity. This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to develop spiritually qualified workers in the church.

The Complete Book of Discipleship

"How Christians unknowingly rebel against Jesus." It is fair to say that the American gospel teaches that one can become a Christian, go to heaven and not follow Jesus. We have disconnected obedience from faith, producing a default gospel that is eating the life out of our churches. (Bill Hull - Author of "The Disciple Making Church" & "The Complete Book of Discipleship," etc.) As an Army Infantry Officer, father of five, workplace manager, sports teams' leader & umpire, I always expected those under my supervision to obey me. Ed reminds us, in this timely book, that Jesus is no different. He said, "Those who have my commandments and keep them are those who love me." May you hear from Jesus in this book, and simply OBEY Him so that you can experience, with all His disciples, the powerful presence of the risen Christ in your lives. (Gene McGee - Coordinator of Men's Ministries-CityNetMinistries-Philadelphia, PA) "Like wilderness wandering Israel, tested by God, many congregations in America are led by pastors and comprised of people, quick to complain, easy to compromise, confused by our culture's decay, and cynical about survival into the next generation. The hopelessness and the grief of the Holy Spirit are palpable. And yet the remedy, the transformation, the new dawn is a heartbeat away, and contained in this modest, startling book. In the tradition of the reformers both Catholic and Protestant, Ed Gross presents the clear call of Jesus, "Follow me." His prose is frank, knowledgeable, tested and wise. Most of all, Disciples Obey, is prophetic and therefore saturated with urgency and love. Read this book. And get on with the life, the joy, God wants for you! (Rev. Brewster Hastings, St. Anne's Church, Abington, PA)

Disciples Obey

Most of us would answer 'No' when asked if we were like Jesus. How do we become more like Jesus? John Koessler believes the answer is by understanding and developing the marks of a true disciple in our lives. In *True Discipleship and the Companion Guide*, he provides a straightforward presentation of the characteristics Jesus laid out for His disciples. As he offers teaching on the practice of discipleship and the responsibility of being a disciple, readers will be stretched in their thinking and encouraged in their journey.

Complete Clawhammer Banjo Book

Over the last thirty years, many influential church leaders and church planters in America have adopted various models for reaching unchurched people. An “attractational” model will seek to attract people to a local church. Younger leaders may advocate a more “missional” approach, in which believers live and work among unchurched people and intentionally seek to serve like Christ. While each of these

approaches have merit, something is still missing, something even more fundamental to the mission of the church: discipleship. Making disciples—helping people to trust and follow Jesus—is the church’s God-given mandate. Devoted disciples attract people outside the church because of the change others see in their Christ-like lives. And discipleship empowers Christians to be more like Christ as they intentionally develop relationship with non-believers. DiscipleShift walks you through five key “shifts” that churches must make to refocus on the biblical mission of discipleship. These intentional changes will attract the world and empower your church members to be salt and light in their communities.

Conversion and Discipleship

From the author of the best-selling book *The Disciple-Making Pastor* comes a call to Christian leaders to let go of their addiction to secular models of leadership rooted in pragmatic success. Most leadership literature talks about having the “right kind” of leadership personality. You know the type: big-picture visionaries who serve others and get the best out of people. But the popular pattern of doing what works

and getting rewarded for it is actually the enemy of Christian leadership. It thrives on making our work impersonal and exploitive. Far too often, it serves the leader rather than those the leader leads. Sadly, this pattern dominates Christian leadership in the West. We need a different style of leadership — one patterned after Jesus. Jesus influenced others because of who he was, not because he was well-known or a person of power or because he had mastered a set of skills or implemented an effective leadership strategy. He could have completed his mission living in your house, driving your car, married to your spouse, working at your office, and raising your kids because leadership comes down to character. Many who aspire to leadership are looking for the right circumstances so they can lead. Many in positions of leadership find it difficult to lead because of obstacles, such as a lack of funds, authority, and or confusion about methods. Jesus faced all of these — and more — yet he accomplished his mission. This is not a book about improving Christian organizations; it is about changing how Christians lead. It is for anyone with a megaphone, a platform to speak, who wants to lead others in being a witness for truth. It is for people with a pulpit, whether that pulpit be a business or a position of influence in a domain of the culture: entertainment, sports, politics, industry, the arts, academia, or religion. If you are someone to whom others listen— this book is for you. Each chapter begins with a title and statement about Jesus' life. Jesus was a different kind of teacher. The Pharisees focused on doing the right thing. Jesus emphasized becoming the kind of person who wants to do the right thing. Others taught the importance of doing

good; Jesus taught how to be good. He didn't teach behavior modification alone; he taught how to change the sources of behavior. Knowing how to lead others begins by seeing Jesus as your leader.

Lead as Jesus Led Leader's Guide with DVD

Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it. The end result is that the disciple becomes the kind of person who naturally does what Jesus did. How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship. Our doctrines of grace and salvation, in some cases, actually prevent us from creating an expectation that we are to be disciples of Jesus. A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus. Being a follower is seen as an optional add-on, not a requirement. It is a choice, not a demand. Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ. In this ground-breaking new book, pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus. He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion—answering the call to follow Jesus—and discipleship—living like the one we claim to follow.

The Discipleship Gospel

Disciples Are Made Not Born

The purpose of Go and Make Disciples! is to encourage personal spiritual growth and give vision for investing into others. God chose disciple making

as His ultimate means of winning the entire world, but most believers are made into disciples as a by-product of general church ministry; they have not had someone to personally invest in them. If there is a shortcut to maturity in the kingdom of God, it is when mature, godly believers purposefully impart the Word of God to teachable men and women who want to grow in the Lord. Just as Jesus had a strategy for making disciples and developing leaders, so should we. Having a vision for making disciples means understanding the Lord's purposes in spending most of His ministry time with just twelve men. Jesus' disciples received the full explanation of His teachings and the benefit of personal friendship with Him. Because this is still the Lord's heart for those who believe in Him, we who are His true disciples must be willing to invest in others as Jesus did. We need to see that it is "God's normal" for us to intentionally make disciples since Jesus modeled it, commanded it, and trained His men to do it. Strategic disciple making is still the Lord's ordained method for building the Church and preparing ministries. The Lord wants to have an equipped army ready to reap the harvest and conserve it as He again sends revival throughout the world. In the face of the persecution that will accompany the revival, it is disciplined believers who will remain faithful and endure to the end. Therefore, it is expedient that people not only find Jesus as their Messiah, but also that they yield to His lordship, mature into His likeness as His disciple, and invest their lives in discipling others. Our Master's last words should be our first priority! In all four gospels, Jesus commands His followers to evangelize and make disciples as their chief ministry among men. This is

evidenced in the significance of the “net” used to catch fish in the Sea of Galilee in Israel. The net had a twofold purpose: to catch the fish and to keep them in the boat. Catching the fish is equivalent to evangelism and salvation, and keeping them in the boat is equivalent to discipleship and sanctification. Notice the last words of Jesus before He ascended back to Heaven as recorded in the gospels: “Go and make disciples of all the nations...” (Matt. 28:19). “Go into all the world and preach the gospel to every creature” (Mark 16:15). “... repentance and remission of sins should be preached in His name to all nations...” (Luke 24:47) To Peter and to those of us who love Him, He says, “...feed My lambs...tend My sheep...feed My sheep” (John 21:15-17). Reuven and Yanit Ross are international Bible teachers. American-born, they have lived in Israel and South Africa over the last three decades, and have had the additional privilege of ministering in numerous other nations. The Rosses have no natural children; they love the spiritual children that God has allowed them to invest in, many of whom are leaders today. They have authored six other books which are described on their website @ www.making-disciples.net

The Christian Leader

Thomas doubted. Peter denied. Matthew had a shady past. And most of Jesus' disciples had trouble understanding his true message and mission at times. How did Jesus take lowly fishermen and tax collectors and turn them into some of the most influential men that ever lived? And how can modern church leaders

empower regular church members to meet their potential as servants of God? In *Jesus Christ, Disciplemaker*, Hull outlines Christ's methods in training his twelve disciples and presents a biblical pattern that emulates Christ's model for reaching the lost. By taking readers through four growth phases—evangelizing, establishing, equipping, and leading—Hull shows how these principles can be adapted for any discipler. *Jesus Christ, Disciplemaker* is the perfect resource for pastors and church leaders who want to learn how to help others grow in God's service.

Beginning the Christian Adventure

"New Century Disciplemaking challenges us to make discipleship the heart of the church's ministry in the coming century. By observing Jesus, we realize that the principles he taught transcend time and culture, can be applied in any setting, and can be adapted by any discipler. Following Jesus through the Gospels, Hull outlines Christ's methods in training his twelve disciples. He then presents a biblical pattern that emulates Christ's model for reaching the lost and establishing new converts to Christianity. Hull takes you through four growth phases: evangelizing, establishing, equipping, and leading. By following these phases patiently and lovingly, you will be able to cultivate consistent disciples who remain in Christ, are obedient, bear spiritual fruit, and glorify God."--The Publisher.

Dan Billany's *The Trap*, first published in 1950, still stands - in the opinion of M.R.D. Foot - as 'one of the most powerful English novels to come out of the [Second World War].' It echoes the wartime experiences of its author, who is believed to have died in 1943 while on the run from an Italian POW camp, but not before entrusting the manuscripts of *The Trap* to safekeeping. The book's narrator, army lieutenant Michael Carr, tells of his early years in Cornwall, of the girl he met and loved there, and of the hard times her family endured between the wars. These troubles and joys give way to the tragedy of war, and the book's narrative becomes one of comradeship, suspense and fighting in the North African desert. 'The Trap is an outstanding novel by a writer of natural genius written with great force and honesty profoundly impressive.' *Times Literary Supplement*
