Skinwalker

All hope for stopping the vampiric elite from controlling earth depends on human SOFs (Special Other Forces) and the success of their attempt to recruit Sunshine, the daughter of legendary sorcerer Onyx Blaise.

The Fear Book

Rather than explaining typical strategies for overcoming fear, this book examines how fear is an experience, how to recognize that experience as nothing more than conditioned reaction to circumstance, and how to mentor oneself into letting go of

beliefs about "appropriate" responses to fear. The notion is debunked that fear is anything other than a label we have learned to put on a set of physical and emotional responses, which is a Buddhist view of emotion in general. The revised edition expands on many points and includes a series of exercises and new illustrations for recognizing fear for what it is and overcoming its devastating effects.

Have Stakes Will Travel

It's frustrating when a gadget stops working. But what if the gadget is working fine, it's just "temporally" out of order? What would you do if you discovered your cell phone linked you to a different time? Or that your camera took pictures of the past? In this collection, seventeen leading science fiction authors share their take on what happens when gadgets run temporally amok. From past to future, humor to horror, there's something for everyone. Join Seanan McGuire, Elektra Hammond, David B. Coe, Chuck Rothman, Faith Hunter, Edmund R. Schubert, Steve Ruskin, Sofie Bird, Laura Resnick, Amy Griswold, Laura Anne Gilman, Susan Jett, Gini Koch, Christopher Barili, Stephen Leigh, Juliet E. McKenna, and Jeremy Sim as they investigate how ordinary objects behaving temporally out of order can change our everyday lives.

Broken Soul

This wise book guides readers in discovering what they can—and should—change in their lives, accepting what they cannot, and discovering “the wisdom to know the difference.” Thousands of people have been moved by the famous last lines of the Serenity Prayer: God, give us grace to accept with serenity the things that cannot be changed, courage to change the things that should be changed, and the wisdom to distinguish the one from the other. But how exactly can we know the difference? How can we acknowledge our true limits without negating the possibility for dramatic change? In this inspiring book, Eileen Flanagan draws on her own Quaker faith as well as a range of other religious and spiritual traditions to show readers how they can learn to listen to their own inner voice in determining when a change is needed in their lives or when instead acceptance is the answer. These lessons come to life through the inspiring stories of various individuals, including: · the mother of a fallen soldier in Iraq who talks about the power of forgiveness and her work to end the war; · A Katrina survivor who describes how
