Seed-time and Harvest

In Thrive: Eliminating Lack from Your Life, Richard Roberts meets these questions head on with faith-filled, Bible-backed, time-tested principles that are designed by God to help any believer in Christ overcome in times of trouble and thrive abundantly. You'll discover how:

- Believing what God says about your situation is the key to turning your situation around for good
- Aligning your words with God's Word opens up the flood gates of Heaven into your situation
- Giving is an essential, continual way to tap into God's abundance to meet your needs

Be encouraged, empowered, and equipped to rise above what the world is telling you and what your situation looks like right now and step into the world God has for you a world of abundance, solutions, hope and life!

How to Have Faith in Your Faith

The words you speak will either put you over in life or hold you in bondage. Many people have been held captive in their circumstances by their own words. The

absence of God's Word in your life will rob you of faith in His ability.

Success Motivation

Angels, first published in 1984, has sold over 250,000 copies. This classic message provides a foundational introduction to one of the most widespread spiritual phenomena of our age. Now with a fresh new cover design, this important book takes readers on a fascinating journey of angelic intervention in biblical times and tells how to activate angels in our modern day lives as well.

Home Life in Colonial Days

Oral Roberts was barely making ends meet when he discovered the three key principles of Seed-Faith in God's Word. "They have never failed me," he shares. "When I had no earthly source or person to turn to, when I was alone with nothing but big problems and challenges facing me, these principles showed me God is my Source. They showed me how to use my giving as a seed I was planting, and to expect God to multiply it even if it took a miracle." The Miracle of Seed-Faith has revolutionized the lives of millions of people. As you read it, let God show you how you can get your needs met through His eternal plan of seedtime and harvest, sowing and reaping, giving and receiving. Man's economic systems may fail, but

God's plan never does. By getting into the rhythm of Seed-Faith living, you'll learn that His more-than-enough resources are always available to you.

Law of Confession

Author Capps argues that God has restored mankind's authority in the earth through the rebirth of the human spirit. He has given back to man that which Satan stole from Adam.

Seedtime and Harvest

Reverse the Curse in Our Body and Emotions

Reproduction of the original: Life and Literature by J. Purver Richardson

Angels

The principle of calling things that are not as though they were is the spiritual principle through which everything physical becomes manifest. God created the light by calling for "light" when only darkness was there. Jesus used this same

method, calling the lepers clean, and the dead to life, and peace to the storm. You must call for what you desire. if you want your dog to come, you call the dog, not the cat. You call for what is not there. Whatever you call in the natural will come. Call what does not exist and continue to call until it manifests.

God's Creative Power for Healing

The heart is true to the demands placed on it. Surely no one would be foolish enough in natural things to argue with you when you turn the thermostat to 70 degrees, but they will when you set your goal on God's promises. Hope, like a thermostat, is simply a goal-setter with no substance. Faith, which comes from the heart, is the substance of what you desire. The heart (spirit) of man is like the heart of the heating-cooling unit. Designed by God to produce the very thing you plant in it. You plant it or set the goal by speaking it!

Quantum Success

There is no question whatsoever that it is God's perfect will for us to prosper. The 50 Days of Prosperity study series began with the two week teaching on the Believer's Voice of Victory broadcasts done by Pastor George Pearsons. At the same time Pastor Pearsons was teaching a prosperity series at Eagle Mountain

International Church. It was no surprise when the Lord spoke to Pastor Pearsons spirit and told him to teach a television series titled, 10 Days of Prosperity. This teaching material is a direct result of those television broadcasts that Gloria Copeland and Pastor George Pearsons did on the Believer's Voice of Victory broadcasts. You are encouraged to immerse yourself in your own 50 Days of Prosperity or take whatever time necessary to thoroughly study each outline. This study guide could also be used to conduct your own Bible study with friends and family. God wants you to prosper. But, as we all know, a transformation of the mind takes total immersion in the Word. So, get out your Bibles and notes, and get with the program! The results of this Bible study may be found in Psalm 25:13 (NIV): "They will spend their days in prosperity, and their descendants will inherit the land."

Metaphysical Bible Dictionary

Discover the Source of Lasting Success. Many books have been written on the subject of positive thinking and success, but they focus on the mental realm only and lack a spiritual connection. There is only one way to achieve true and lasting success and that is found through the Word of God. The image that God's Word builds inside you can become the most powerful force in your life. That image causes you to succeed when others fail. God's Word motivates you to a positive and successful life. It is spiritual motivation to the human spirit. It will bring you

success in every part of your life- spiritually, physically, financially and socially.

T.D. Jakes Devotional & Journal

The Blessing of the Lord

Why settle for adequate when you can be first-rate? There is no shortage of ministers who desire to achieve excellence. But only a few dare to demand it of themselves. In this clear call for action, Kenneth Copeland shows how to turn that inner desire into a firm decision to be all that God has called you to be. No matter what area of God's service you're in, don't stop short of these Six Steps to Excellence in Ministry.

God's Inspirational Promises

This book is written for children to learn about relationship with God. God is always ready to listen and answer when we pray. He is a very Good God.

The Miracle of Seed-Faith

Just like natural laws, there are spiritual laws with cause and effect. God set the universe in motion with the power of His words and established the law of confession, but many believers have suffered needlessly by misunderstanding the power of their words. Dr. Bill Winston, pastor, Bible teacher, and host of the national television program Believer's Walk of Faith broadcast to over 100 million homes, reveals scriptural examples and vital teaching on the importance of the spoken word. Believers will uncover the enemy's deceptive plan to use their own words against them and what they can do to turn their situation around. 'One of the best things that ever happened to me, my family, and my church, was the revelation of the law of confession - we learned that the moment we win the battle over our words, we win the battle!' Dr. Bill Winston Controlling your words is one of the biggest challenges anyone will face in this life; the Bible reveals that the power of life and death are in the words you say. As you begin to change the words you speak, you will rewrite their future and revolutionize your life.

Pursuit of His Presence

Master's Thesis from the year 2012 in the subject Theology - Systematic Theology, grade: B, , course: Theology - Systematic Theology (Ethics), language: English,

abstract: This thesis conducts a biblical and theological analysis of the prosperity theology's (PT) impact amongst the poor. The main problem is to seek ways of effectively responding to the biblical, theological, and ideological problems raised by PT in Namibia, without overlooking the social issues of poverty and suffering, which this theology claims to be solving. The subject under discussion is found in various denominations but especially amongst neo-Pentecostal churches and it is not a standardised theology. Through interacting with the various views of the proponents and opponents this research proposes that although PT may have certain positive aspects, it is a theology established upon faulty hermeneutics and is not helpful in providing biblically and theologically sound solutions to the problem of poverty. The research aims to show that Christians have a biblical mandate to care for the poor and to work towards assisting the poor to help themselves. However, we do not foresee a time in the here and now when poverty will be totally abolished. Living with this painful reality, we have the duty of continuously pointing people to the future hope in Christ. On the other hand, our looking to the future hope does not exempt us from doing our best in helping people in the here and now as God enables us. The research shows that the gospel is the hope for humanity and we should do away with methods and practices that do not have their roots in Scripture. Moreover, the church has a duty to warn against any theology that is conducted in an irresponsible manner and is given to reductionist arguments when it comes to providing solutions to human problems. Therefore, the research seeks to suggest biblical, theological and practical ways of

responding to the issue of poverty and ministry to the poor.

Six Steps to Excellence In Ministry

How does quantum physics relate to the Bible? Can words move mountains? How did Jesus supersede the laws of physics? There are amazing similarities between the teachings of Jesus and the discoveries of the new physics, quantum theory. The concept of speaking to mountains and trees may not be religious metaphor, but laws of a new physics that have not been fully understood. Jesus taught that our words are powerful enough to move physical matter. Quantum physics has discovered that subatomic particles respond to the observer. In this book, you will discover that your words and your faith (beliefs) are unseen forces that affect everything in your world. You are the one giving substance to your world through words!
