The Cursive Handwriting Practice Book for Kids

Would you so much like your child to learn cursive writing in a fun and adorable way? Then you happened to be in the right place! This workbook is the most educational and fun way with over 100 pages for learning italic writing. This workbook follows modern methods to teach children of any age, and is made unique to both male and female children for a fun dot-to-dot to understand letter drawing and for funny coloring images between letters, so as to engage and make children happy and not make them bored. Let's see how the cursive handwriting workbook for kids is structured: - Part 1: learn cursive letters by tracking the alphabet of each letter. The animals can help you. There is a path within each letter with arrows and numbers to follow, so as to make this beginning very easy. The letters are both uppercase italic and lowercase italic. The exercise is repeated until the student has a mastery of the letter. - Part 2: learn to write words. After learning the skills in Part 1, the student will have to connect the letters and form the words, from the simplest to the most complex. Do not worry if you don't know how to do it, there will be the animal there to explain how to do it. Words and letters are dashed and traceable. - Part 3: learn to write very funny sentences. There will be plenty of room for practicing. - Part 4: there will be blank pages with plenty of space to write. The purpose of this book is to familiarize yourself with italic writing, making calligraphy also improve. It (the book) is full of fun so you don't notice that they are learning! Mark my word! With over 100 pages of

This workbook, Wacky Sentences Handwriting Workbook, is designed to inspire interest in cursive handwriting. This workbook focuses on writing complete sentences in cursive. Kids enjoy writing wacky sentences like, "Two rabbits slept on a fox's head," and, "Six elephants jumped over a giraffe." Exercises like these help to make learning fun, even at home. Four sections of this workbook help students develop their cursive writing skills at a variety of levels: Part 1 is the basic level. Students practice handwriting motions by tracing dotted sentences. Part 2 advances to help students begin to write on their own. In this section, students first trace a dotted sentence and then copy the sentence onto a new line. The three traditional horizontal lines are included as a guide - solid top and bottom lines plus

a dashed middle line help students master the relative heights of the letters, and to write across the page in straight lines. Part 3 gives solid sentences instead of dotted sentences. At this stage, students practice their handwriting without first tracing the letters. Part 4 is the most advanced stage. The given sentences are now printed and students must now rewrite them in cursive. Beginners may wish to start out with a more basic book that offers practice with individual letters before advancing to complete sentences, such as the Letters, Words, and Silly Phrases Handwriting Workbook. May your students or children improve their handwriting skills and enjoy reading and writing these wacky sentences.
