Sometimes telling a story is just another way to stay alive. Swerving to avoid a hitchhiker out in a whiteout storm, Julie's car ends up wedged in a snow bank. With the inches piling higher on the dark road, she can't escape a man who makes little sense. Stranded in the freezing cold, the two tell stories to pass the time. From the Midwest to India, Denmark and Canada, they offer visions of lives and loves from young to old, far and wide. But as the hours blur together, and the snow and ice set in, it becomes less clear how their own story will end. A tale of love, craziness and impossibility.

A thrilling debut, reminiscent of new fan favorites like One of Us Is Lying and the beloved classics by Agatha

Christie, that will leave readers guessing until the explosive ending. “Welcome to dinner, and again, congratulations on being selected. Now you must do the selecting.” What do the queen bee, star athlete, valedictorian, stoner, loner, and music geek all have in common? They were all invited to a scholarship dinner, only to discover it’s a trap. Someone has locked them into a room with a bomb, a syringe filled with poison, and a note saying they have an hour to pick someone to kill or else everyone dies. Amber Prescott is determined to get her classmates and herself out of the room alive, but that might be easier said than done. No one knows how they’re all connected or who would want them dead. As they retrace the events over the past year that might have triggered their captor’s ultimatum, it becomes clear that everyone is hiding something. And with the clock ticking down, confusion turns into fear, and fear morphs into panic as they race to answer the biggest question: Who will they choose to die?

Myth, Magic & Marketing: An Irreverent History of Branding from the Acropolis to the Apple Store

All Dane Gale ever wanted was to be a successful writer. After a few sessions with his new friends Rose and Sherry at a romance book club, well, the more romances they read, the more they're convinced they can do better. And do they ever! They join their creative forces to become "Pamela Clarice," self-published romance novelist. When they look for a cover model for their first book, Dane sees the photos that will change his life. Paul Musegetes is the world's most popular romance cover model, and the most secretive. Dane soon finds himself obsessed with this supernaturally handsome man, and when he meets Paul at the Romance Writers' Ball on the Summer Solstice, he and Paul connect for one night of passion... After that night, Dane's a writing machine. He can't stop writing romances, and every story he touches turns to gold. But he also finds that he can't write anything but romances. And soon he's spending every waking moment of every day writing another after another. Then Dane finds out that this Midas touch has a heavy price. When the year is over, he'll never write again. Not a romance, not a serious novel. Nothing. Not even a grocery list. And that leaves him with only one option - find Paul, and get him to break the curse. But before he can do that, he'll have to track down Paul's equally mysterious photographer, Jackson da Vinci... EXCERPT: I stopped crying around my third drink. Rose and Sherry patted me on the shoulder, and we'd reshuffled the chairs so that my

back was to the rest of the bar and nobody could see me blubber. “What am I going to do?” I cried. “I’m going to be...nothing. All my life, all I ever wanted to do was write. And then this happened, and I was writing! And I loved it...love it. But the whole idea was that I’d do this till I got rich, and then, I’d write more books like ‘The Doldrums,’ and if they didn’t sell, well, so what?” I finished off my concoction as Rose signaled for another round. “Maybe,” Sherry said, a little wobbly herself after two glasses of wine, “he’s been around forever. Paul.” “What do you mean?” Rose asked. “Maybe he’s been doing this throughout the ages,” Sherry mused. “For all we know, he’s been crowning the Queen of Romance Novels for eternity.” Rose’s eyebrows went up. “You mean, like, he shtupped Barbara Cartland?” This made me laugh at the worst moment, and I choked on my drink. But Sherry took her seriously. “Sure, or even Jane Austen, for all we know. Maybe she got some after all. And where else did all these ladies keep coming up with tall dark and handsome, huh?” “But that implies he’s immortal or supernatural or...” I tailed off. “We should find his old pics, and run them through some kind of facial recognition software. Compare them to the recent ones, see if he’s aged...” Rose shook her head. “No, he doesn’t look a day older, but he hasn’t been around that many years. And look at Elijah Wood! Ever since ‘Lord of the Rings,’ he hasn’t aged a day.” “Maybe he’s not human either,” Sherry speculated.

From the #1 NYT Bestselling author of BIG ROCK comes a hot & hilarious new standalone Just call me Mister O. Because YOUR pleasure is my super power. Making a woman feel 'oh-god-that's-good' is the name of the game, and if a man can't get the job done, he should get the hell out of the bedroom. I'm talking toe-curling, mind-blowing, sheet-grabbing ecstasy. Like I provide every time. I suppose that makes me a superhero of pleasure, and my mission is to always deliver. But then I'm thrown for a loop when a certain woman asks me to teach her everything about how to win a man. The only problem? She's my best friend's sister, but she's far too tempting to resist--especially when I learn that sweet, sexy Harper has a dirty mind too and wants to put it to good use. What could possibly go wrong as I give the woman I've secretly wanted some no-strings-attached lessons in seduction? No one will know, even if we send a few dirty sexts. Okay, a few hundred. Or if the zipper on her dress gets stuck. Not on that! Or if she gives me those f*&k-me-eyes on the train in front of her whole family. The trouble is the more nights I spend with her in bed, the more days I want to spend with her out of bed. And for the first time ever, I'm not only thinking about how to make a woman cry out in pleasure --I'm thinking about how to keep her in my arms for a long time to come. Looks like the real Adventures of Mister O have only just begun. **MISTER O is a standalone romantic comedy and it follows supporting characters first introduced in BIG ROCK**

A fun, light-hearted trip down memory lane. My experiences as a player, coach and avid fan of all Boston sports.

How I Sold 80,000 Books

Learning to trust a man again, yeah sure that sounds so easy. It's hard when you're a single mom with a beautiful daughter you feel you have to protect, as well as a past full of hurt and domestic violence. I barely made it out of my daughter's father's life alive. As much as I'd love to be with a guy again, he's going to have to prove that he's worth it this time. 5 years of being alone would make any woman wonder what happened to the sexy side of her. My best friend thinks I'm ready to move forward, but I'm not sure yet. Meeting a few law enforcement officers who neither of us can resist physically is nice, but it won't make me change my mind.
