New Progress to First Certificate Teacher's Book

Objective: First Certificate is a brand new exam preparation course from Cambridge University Press. This new course provides an introduction to the Cambridge First Certificate examination, whilst providing intermediate level students with the essential language and vocabulary training they need before starting an FCE-level preparation course.

First Certificate Masterclass Student Book + Online Skills Practice

A clear organization and fresh approach have already made this course a popular route to success at FCE. Thirty short units provide thorough training in exam skills, solid language development, and lively class discussion. The course is written by experienced examiners who have an in-depth knowledge of the FCE exam, and understand the needs of both students and teachers alike.

First Certificate Reading

Designed for students preparing for the Cambridge exams, each book in this series offers both students and teachers comprehensive support, including revision sections, mini dictionaries and appendices in the students' books, and model answers, photocopiable tests and marking schemes in the teacher's books. The books can be used either as free-standing supplementary material, or as a complete exam preparation series. They are designed to develop the essential language skills and sub-skills students need for each exam paper; they also offer specific training and guidance for each part of the exams, with an abundance of practice based on realistic test tasks.

Listening and Speaking

Cambridge Grammar for First Certificate Second edition provides complete coverage of the grammar needed for the Cambridge FCE exam, and develops listening skills at the same time. It includes the full range of FCE exam tasks from the Reading, Writing, Listening, and Use of English papers, and contains helpful grammar explanations and a grammar glossary. It has been fully updated for the updated exam, introduced in December 2008. An edition 'with answers and Audio CD' is also available.

Use of English

Cambridge First Certificate Listening and Speaking combines motivating, varied practice of listening and speaking skills with effective training for papers 4 and 5 of the exam. Listening and speaking units alternate, each introducing and practising specific skills and language areas, which are then followed up by an exam format task. Cambridge First Certificate Listening and Speaking • begins with a Foundation unit to increase awareness of target skills • sets out clear aims at the start of each unit • includes regular Exam Tips' on key exam techniques • builds and recycles topic vocabulary throughout • contains final review units and two practice tests The Teacher's Book provides guidelines on timing and a complete tapescript. As in the rest of the series, it suggests ideas for further activities and contains a comprehensive key to the exercises.

Fce Listening and Speaking Skills

The book provides systematic development of students' listening and speaking skills. It also offers excellent preparation for the revised Cambridge First Certificate Examination for December 2008 or any other examinations at the same level. The book is divided into two parts: Part A consists of ten complete listening tests. The recordings are based on authentic listening material and make use of various accents and sound effects. Part B consists of ten speaking tests and covers a wide variety of topics such as holidays, entertainment, etc. Each Speaking Test is

preceded by a Preparing for the Speaking Test section. In this section, students are familiarised with the essential language (vocabulary, useful expressions, discourse markers, etc) and ideas necessary for the test itself. Students are also trained to organise their speech coherently and to display an appropriate variety of linguistic resources. There are also two additional Speaking Tests at the end of the book to prepare students to meet the requirements of the exam. Class Audio CDs include instructions, pauses and repeats, creating genuine exam conditions.

Cambridge First Certificate Listening and Speaking Teacher's Book

This series consists of three practice test books which provide systematic development of students' listening and speaking skills. It also offers excellent preparation for the revised Cambridge First Certificate Examination or any other examinations at the same level. Each book is divided into two parts: Part A consists of ten complete listening tests. The recordings are based on authentic listening material and make use of various accents and sound effects. Cambridge Grammar for First Certificate with Answers and Audio CD

"The course is designed to maximise the performance of school-age learners. It features eight units covering the core topics, vocabulary, grammar and skills needed for all four exam papers for the revised Cambridge English: First (FCE) for Schools exam from 2015. Two teen-inspired topics in each unit ensure the entire exam syllabus is covered, and can also act as a basis for CLIL-based extension activities and projects. Grammar sections and a Grammar Reference help students build up the accurate language structure necessary for the Use of English parts of the new Reading and Use of English paper, while B2-level vocabulary is targeted, drawing on insights from English Profile, and brought together in a Wordlist based on key vocabulary from the units. 'Exam tips', and grammar and vocabulary exercises teach students to avoid common mistakes identified in Cambridge's unique collection of real exam papers, the Cambridge Learner Corpus."--Publisher description.

Focus on First Certificate

Third edition of the best-selling Cambridge English: First (FCE) course. The Student's Book contains fresh, updated texts and artwork that provide solid language development, lively class discussion and training in exams skills. The 24 topic-based units include examples from the Cambridge English Corpus to highlight common learner errors while vocabulary sections informed by the English Vocabulary Profile ensure that students are learning the most useful language required at this level. A phrasal verb list provides a handy reference for students. The interactive CD-ROM provides comprehensive extra practice of the language and topics covered in the book.

First Certificate Expert

La publicación de este volumen representa un caso relativamente insólito. Un pequeño grupo de jóvenes investigadores de menos de treinta años convence a un grupo mucho más numeroso de la misma edad para celebrar en Salamanca la First Conference of Young Researchers on Anglophone Studies. El resultado es deslumbrante. No solo demuestran una gran capacidad organizativa, sino que los resultados individuales de las aportaciones científicas son sobresalientes. Este volumen, *Current Trends in Anglophone Studies*, recoge una selección revisada de las propuestas presentadas en el Encuentro y gira en torno a una estructuración tripartita clásica: estudios culturales, lingüísticos y literarios. En ella caben todos aquellos que se mueven en el campo de los estudios anglófonos. Cada uno de estos campos podría haber sido suficiente para celebrar un congreso, pero parece razonable que en este tipo de encuentros tengan cabida todos. De ese modo, este

volumen se convierte en un ejemplo de aproximación interdisciplinar a los estudios anglófonos. Desde un punto de vista cuantitativo, los estudios culturales ocupan sin duda un espacio menor. Sin embargo, sobresale la variedad de temas tratados, así como la internacionalización de los autores, dentro de este apartado.

Estudiantes españoles e italianos acometen estudios relacionados con la música, la pintura, el cine, la traducción, la marginalidad social o el impacto de las nuevas tecnologías en la producción artística. Si no pareciera demasiado atrevido, podría decirse que estos jóvenes estudiosos irían más allá de lo que un día ya lejano pudieron imaginar Richard Hoggard o Raymond Williams. Los estudios aquí presentados reflejan, sin duda, la evolución que la propia sociedad ha experimentado en estos últimos cincuenta años y exploran la relación entre las prácticas culturales, la vida diaria, y los contextos económicos, políticos e históricos. No es de extrañar que una gran parte de las contribuciones presentadas en este volumen se centren en el estudio de la lengua, ya que la demanda del inglés se ha incrementado de forma considerable en los últimos años. Sobresalen los análisis puramente filológicos y sobre todo los relacionados con el aprendizaje del inglés como segunda lengua. Por eso, destacan estudios que contemplan rasgos morfológicos, léxicos o sintácticos. Sin embargo, el mayor número de participaciones hace referencia al ya citado aprendizaje del inglés como L2, tanto desde el análisis de materiales, como desde la práctica oral o escrita. Las contribuciones literarias ofrecen una evaluación teórica, formal e interpretativa de distintas tendencias desde perspectivas tanto interdisciplinares como

interculturales. Cronológicamente los estudios abarcan textos desde el siglo XVIII hasta nuestros días, con un acento especial en los autores más contemporáneos y en el género narrativo. En general estos estudios se fijan en textos concretos y los analizan desde perspectivas culturales, sociológicas o psicológicas. Pero abundan menos las aproximaciones desde la teoría literaria, desde la técnica narrativa o, como tal vez cabría esperar al tratarse de estudiantes tan jóvenes, desde la aplicación de las nuevas tecnologías. Por el contrario, se repiten temas como los traumas heredados de la Guerra de Vietnam, las cicatrices del 11 de septiembre o los problemas de género. En definitiva, se trata de una selección de artículos claramente prometedora, que transmite la seguridad de que el futuro de la Filología Inglesa está en buenas manos y podrá experimentar una positiva evolución en los próximos años. Por todo ello, hay que felicitar a todos los participantes individuales y, sobre todo, a los organizadores del evento, y editores de este volumen, que han demostrado una enorme capacidad de trabajo y de saber hacer.
