### English Pronunciation Made Simple

New Interchange is a complete revision of Interchange, one of the world's most popular and successful English courses. New Interchange is a multi-level course for adults and young adult learners of English from beginning to high-intermediate level. Level One builds on the foundations for accurate and fluent communication established in the Intro Level, extending grammatical, lexical, and functional skills. New Interchange teaches students to use English for everyday situations and purposes related to school, work, social life, and leisure. The underlying philosophy is that language learning is more rewarding, meaningful, and effective when used for authentic communication.

### English Pronunciation in Use. Intermediate. Per Le Scuole Superiori

AutoCAD 2015 for Interior Design and Space Planning helps students understand the commands and features of AutoCAD 2015 and demonstrates how to use the program to complete interior design and space planning projects. Covering both two- and three-dimensional drawings, the text provides abundant exercises that walk students step-by-step through the use of AutoCAD prompts and commands. Using numerous illustrations, the text captures the essence of this powerful program and the importance it plays in the interior design, architecture and space planning professions. Features include:

- Covers new AutoCAD 2015 interface
- Progresses from basic commands to complex drawing exercises.
- Provides over 100 exercises and projects.
- Highlights seven projects appropriate for interior design, space planning and architecture students.
- Includes coverage of the

AutoCAD DesignCenter · Covers solid modeling in two chapters

## **Focus on Pronunciation 1 (Student Book and Classroom Audio CDs)**

Passages, Third Edition, is a two-level, multi-skills course that will quickly and effectively move adult and young-adult learners of English from high-intermediate to the advanced level. The Passages, Third Edition, Student's Books have been updated to offer fresh, contemporary content, relevant speaking and listening activities, comprehensive grammar and vocabulary support, enhanced reading skills development, and a step-by-step academic writing strand. Students will progressively elevate their language ability in both formal and informal communication through a variety of real-world contexts. Frequent communication reviews will systematically consolidate learning, while the popular Grammar Plus and new Vocabulary Plus sections in the back of the Student's Book provide additional skills support.

## **The Dispossessed**

This new, delightfully illustrated, three-level series is written specifically with Asian kindergarten students in mind. Young children are different from other learners. They are still learning so much about their own language and the world around them. They learn by experiencing language again and again, through all their senses. Language should be introduced in a natural, child-centered context and engage the children's minds and emotions.

## **Focus on Grammar 3**

Learning Chinese can be frustrating and difficult, partly because it's very different from European languages. Following a teacher, textbook or language course is not enough. They show you the characters, words and grammar you need to become proficient in Chinese, but they don't teach you how to learn them! Regardless of what program you're in (if any), you need to take responsibility for your own learning. If you don't, you will miss many important things that aren't included in the course you're taking. If you study on your own, you need to be even more aware of what you need to do, what you're doing at the moment and the difference between them. Here are some of the questions I have asked and have since been asked many times by students: How do I learn characters efficiently? How do I get the most out of my course or teacher? Which are the best learning tools and resources? How can I become fluent in Mandarin? How can I improve my pronunciation? How do I learn successfully on my own? How can I motivate myself

An Introduction to Applied Linguistics, Second Edition provides a complete, authoritative and up-to-date overview of the state of the field. Each of the 15 chapters offers an extended survey of a central element of Applied Linguistics and is co-authored by two leading international specialists, thus ensuring a full and balanced treatment of the topic covered. The book is divided into three sections: a description of language and language use; essential areas of enquiry; and the four skills and testing. An Introductory chapter familiarises readers with key issues and recurrent themes whilst hands-on activities and further reading sections for each chapter encourage practical analysis and wider reading. For this new edition, each chapter has been fully revised in line with new research and thinking in Applied Linguistics. With its accessible style, broad coverage and practical focus, this book is ideal for students of applied linguistics, TESOL, and second language pedagogy as well as practicing teachers and researchers wishing to update their knowledge.

## **More Reading Power**

How can teachers make sure that all students gain the reading skills they need to be successful in school and in life? In this book, Karen Tankersley describes the six foundational "threads" that students need to study in order to become effective readers: phonemic awareness, phonics and decoding, vocabulary, fluency, comprehension, and higher-order processing. For each area, the author explains how students acquire the reading skills they need and offers a series of skill-building strategies and activities that teachers can use in the classroom. Although reading is perhaps most intensely taught in the kindergarten and 1st-grade classrooms, Tankersley emphasizes that helping students become lifelong readers is a task for all teachers, including content-area teachers in middle and high schools. The Threads of Reading addresses key questions about literacy, such as \* What makes a difference in reading achievement? \* How much reading time is enough? \* How can teachers use writing to build reading skills? \* How can teachers help students make meaning from their reading? The strategies in this book address many situations, from individual instruction to small- or large-group instruction, from kindergarten to high school. Teachers will appreciate the multitude of activities provided, and administrators will learn to better evaluate the reading programs in place in their districts and schools. Grounded in both research and "teacher lore" from actual classrooms, this book is a solid guide to helping students become lifelong readers. Note: This product listing is for the Adobe Acrobat (PDF) version of the book.

## **Focus on Writing 3 with Proofwriter (TM)**

While most children learn to read fairly well, there remain many young Americans whose futures are imperiled because they do not read well enough to meet the demands of our competitive, technology-driven society. This book explores the problem within the context of social, historical, cultural, and biological factors. Recommendations address the identification of groups of children at risk, effective instruction for the preschool and early grades, effective approaches to dialects and bilingualism, the importance of these findings for the professional development of teachers, and gaps that remain in our understanding of how children learn to read. Implications for parents, teachers, schools, communities, the media, and government at all levels are discussed. The book examines the epidemiology of

reading problems and introduces the concepts used by experts in the field. In a clear and readable narrative, word identification, comprehension, and other processes in normal reading development are discussed. Against the background of normal progress, Preventing Reading Difficulties in Young Children examines factors that put children at risk of poor reading. It explores in detail how literacy can be fostered from birth through kindergarten and the primary grades, including evaluation of philosophies, systems, and materials commonly used to teach reading.

## **New Interchange Intro Student's Book**

## **The Oxford English Dictionary**

Market Leader 3rd Edition has been completely updated to reflect the fast-changing world of business using authoritative and authentic business sources such as Financial Times.

## **English Pronunciation in Use. Elementary. Book and 5 Audio-CDs**

Focus on Writing is an academic writing program that provides students with essential tools to master not only the key steps in the writing process, but also the grammatical structures, lexical knowledge, and rhetorical modes essential for academic writing. This five-level series progresses with students as they grow in confidence and ability from sentence level (Book 1) through paragraphs (Books 1-3) and essays (Books 3-5). Each unit leads writers step-by-step through the process of prewriting, writing a first draft, revising, and editing before producing a final draft. Not only do students write an entire paragraph or essay in each unit, they are also given plenty of practice at the sentence and word levels. Features: Each unit teaches students how to use one or more common organizational structures: narrative, description, opinion, persuasion, compare-contrast, problem-solution, and cause-effect. High-interest readings and a choice of writing assignments provide a springboard for students' writing. Grammar presentation and practice correlated to Focus on Grammar make the connection between grammar and writing clear. Building Word Knowledge mini-lessons and exercises teach students' how to use word forms, collocations, idioms, compounds, descriptive details, phrasal verbs and other types of vocabulary in their writing. Revision and Editing checklists for each writing assignment help students rewrite and polish their first drafts. Online Teacher's Manuals contain model lesson plans, unit overviews, timed writing assignments, authentic student models, and answer keys. ProofWriter™, an online writing-assessment tool from ETS, provides students with immediate individualized feedback on grammar, usage, style, and mechanics.

## **Get Rid of Your Accent**

The world's most trusted English course, now with a new generation of digital support.

## **Clear Speech Teacher's resource book**

This is the Teacher's Edition of Alif Baa, Third Edition. It includes the text, accompanying DVD, and the answer key all bound in to one book. Request a Desk/Exam copy here. The best-selling Alif Baa is the first volume of the Al-Kitaab Arabic language program and is now available in a new third edition. In this new version of the introduction to Arabic letters and sounds, English-speaking students will find an innovative integration of colloquial and formal (spoken and written) Arabic. Together, the book and new companion website provide learners with all the material necessary to learn the sounds of Arabic, write its letters, and begin speaking Arabic, including interactive, self-correcting exercises to enhance learning. The companion website also gives instructors additional online grading options. FEATURES • Four-color design throughout the book features over 100 illustrations and photographs • Gives learners and instructors color-coded options for the variety of language they wish to learn in speaking: Egyptian, Levantine, or formal Arabic (MSA) • Introduces over 200 basic vocabulary words in all three forms of spoken and written Arabic side by side, including expressions for polite social interaction, and activates them in interactive homework exercises and classroom groupwork • Includes video dialogues in Egyptian and Levantine, filmed in Cairo and Damascus • Includes video footage of an Arabic calligrapher, capsules on Arabic culture, and images of street signs from Morocco, Egypt, and Lebanon • Includes new English-Arabic and Arabic-English glossaries, searchable in the companion website • Textbook includes a convenient DVD with the basic audio and video materials (no interactive exercises) for offline study that will play in iTunes and compatible MP3 players • New companion website (sold separately) -- [alkitaabtextbook.com](http://alkitaabtextbook.com) -- features a fully integrated set of interactive exercises with all the video and audio materials and additional online course management and grading options for teachers Alif Baa provides the essential first 20-25 contact (classroom) hours of the Al-Kitaab program, accompanied by 40-50 homework hours. Students who complete Alif Baa should reach a novice-intermediate to novice-high level of proficiency.

## **Increasing Student Learning Through Multimedia Projects**

Focus on Pronunciation 1 gives beginning to high-beginning students the tools, tips, and techniques to help them speak English clearly and accurately. The variety of activities and accessible style makes learning fun. A five-part structure allows focused practice in individual sound areas: Vowels; Consonants; Syllables and Stress in Words; Rhythms; and Intonation. Features Clear explanations and diagrams make the text easy to use. Engaging activities, including games and high-interest listening and speaking tasks, guide students from controlled practice to communicative interaction. Self-study material and audio CDs offer students a wealth of practice outside the classroom.

## **MyEnglishLab**

## **Focus on Pronunciation 2**

Now there is a Spanish program suited to the energy, developmental level, and fun-loving nature of your primary (K-3rd) students! Song School Spanish is patterned after our best-selling Song School Latin curriculum and features thirty weekly lessons peppered with songs, enjoyable vocabulary, illustrations, handwriting practice, stories, games, and activities. A small amount of grammar is introduced mildly throughout the book, with the focus on relevant, everyday vocabulary to engage young students. Each book contains a lively musical CD featuring forty-two songs/chants - a delightful part of the program that reinforces the Spanish taught in the book. Students who learn from Song School Spanish will be more than prepared to continue their studies with the Spanish for Children series. Grade level: Kindergarten through 3rd grade Accompanying childrens music CD (42 songs) bound in to each student text Interactive workbook text with lots of activities 30 weekly lessons including review chapters 100+ everyday vocabulary words Gentle introduction to Spanish grammar The Song School Spanish Teachers Edition is sold separately and includes the entire Song School Spanish student text as well as answer keys, teachers tips, and fun ideas for interactive classroom activities. It also includes over forty pages (plus answer keys) of additional activities and worksheets for advanced students or those who simply want more Spanish study. Classical Academic Press Educators will find all curricula by Classical Academic Press to be created with four important attributes. Each product is classical, creative, relevant, and easy to use. As our company name implies, you will find that we publish classical books and media, seeking to acquaint students with the best that has been thought and said. We also design and present our products with creativity and zest, from beautiful illustrations to engaging storytelling, ensuring that the classical subjects being taught are anything but boring.

## **English as a Global Language**

Mark Hancock's comprehensive pronunciation reference and practice book and audio CD is pitched at an intermediate level. It can be used for individual and class use and the audio material uses a clear model of a standard British English accent for presentation and repetition exercises.

## **Preventing Reading Difficulties in Young Children**

David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

## **Breaking the French Barrier, Advanced Level / Student Edition**

### **Market Leader**

"'More reading power' Second edition, is a student-centered reading skills textbook based on a cognitive skills approach. Its four key sections, designed to be used concurrently, help intermediate to high-intermediate students develop solid reading skills necessary in school, college, or business."--Cover.
