Handel's Messiah

Messiah

Introduce your middle school mixed choir to the joys of singing Handel's "Messiah" with this carefully scored edition of the beloved chorus. The reconfigured piano part lends support to this rewarding choral experience for younger singers.

Joyful Noise

The Messiah

G. F. Handel: Messiah: A sacred oratorio arranged for SATB with piano part. Edited, with piano reduction, by Watkins Shaw.

Immersion Bible Studies: Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, Malachi

An authority on eighteenth-century music explores the background and composition of Messiah and gives the complex subsequent history of the work. Paintings, engravings, caricatures, and facsimiles of Handel's autograph score illustrate the text. A Helen and Kurt Wolff Book

The National Drawing Master, on a New Principle Greatly

Facilitating Self-instruction

Drawing on the work of leading figures in biblical, religious, historical, and cultural studies in Ireland and beyond, this volume explores the reception of the Bible in Ireland, focusing on the social and cultural dimensions of such use of the Bible. This includes the transmission of the Bible, the Bible and identity formation, engagement beyond Ireland, and cultural and artistic appropriation of the Bible. The chapters collected here are particularly useful and insightful for those researching the use and reception of the Bible, as well as those with broader interests in social and cultural dimensions of Irish history and Irish studies. The chapters challenge the perception in the minds of many that the Bible is a static book with a fixed place in the world that can be relegated to ecclesial contexts and perhaps academic study. Rather, as this book shows, the role of the Bible in the world is much more complex. Nowhere is this clearer than in Ireland, with its rich and complex religious, cultural, and social history. This volume examines these very issues, highlighting the varied ways in which the Bible has impacted Irish life and society, as well as the ways in which the cultural specificity of Ireland has impacted the use and development of the Bible both in Ireland and further afield.

Judas Maccabaeus

In eighteenth-century London, a young orphan who sings like an angel but is unable to speak is befriended by the great composer, George Frederick Handel, and finds his way home. 18,000 first printing.

The Etude

Journey inside the pages of Scripture to meet a personal God who enters individual lives and begins a creative work from the inside out. Shaped with the individual in mind, Immersion encourages simultaneous engagement both with the Word of God and with the God of the Word to become a new creation in Christ. Immersion, inspired by a fresh translation--the Common English Bible--stands firmly on Scripture and helps readers explore the emotional, spiritual, and intellectual needs of their personal faith. More importantly, they'll be able to discover God's revelation through readings and reflections.

Triumph of Time and Truth as originally published as part of the Deutsche Handelgesellschaft, Band 20, in 1864, with introduction in German. Performer's Reprints are produced in conjunction with the International Music Score Library Project. These are out of print or historical editions, which we clean, straighten, touch up, and digitally reprint. Due to the age of original documents, you may find occasional blemishes, damage, or skewing of print. While we do extensive cleaning and editing to improve the image quality, some items are not able to be repaired. A portion of each book sold is donated to small performing arts organizations to create jobs for performers and to encourage audience growth.

And the Glory of the Lord

Introduce your young students to the music and lives of seven great composers with The Magnificent 7: The Sequel. This unison collection by well-known composers John Carter and Mary Kay Beall can be used in many ways. It's effective as a songbook, or a series of musical history lessons, or add the informative narrative verse to create an enjoyable 20-minute program. The Teacher's Handbook also includes 11 reproducible activity sheets for classroom use. Both the teacher and student books contain biographical information and portraits of the seven featured composers. The CD features full performances (using children's voices) and accompaniment orchestrations arranged by Alan Billingsley. The clever lyrics describing the composers' lives are set to their most famous melodies. Turn kids on to the classics while studying the music and lives of Handel, Schubert, Mendelssohn, Liszt, Verdi, Prokofiev and Joplin. Grades 3 and up. Approximately 20 minutes.

Spiritual Lives of the Great Composers

inch. This work is likely to become a standard work very quickly and is to be recommended to all schools where recorder studies are undertaken inch. (Oliver James, Contact Magazine) A novel and comprehensive approach to transferring from the C to F instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard treble repertoire of Bach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.

Blessed are They that Consider the Poor

Title: Judas Maccabaeus Composer: George Frideric Handel Original Publisher: G. Schirmer - 1909 Vocal Score This concertized version of Judas Maccabaeus shortens the production slightly and makes Judas Maccabaeus palatable for a concert performance. Orchestral parts and a conductor's score are also available to match this version. Performer's Reprints are produced in conjunction with the International Music Score Library Project. These are out of print or historical

Handel's Messiah

At long last, a definitive edition providing an authentic and fresh perspective on this time-honored oratorio. Since the page layout remains identical to the old Schirmer/Spicker edition, you can now replace worn copies with this new publication that has been entirely reedited. Based on Handel's autograph and conducting scores, Van Camp corrected over 100 notational and textual errors which appeared in the Spicker edition and also provided fine keyboard accs comfortably under the fingers with the original bass line fully restored. Singers will rejoice now that the music pages are no longer cluttered with editorial footnotes and annotations. Instead, endnotes are used to provide comprehensive and practical information. Other features included the addition of text sources, breath marks, measure numbers, timings, rehearsal and performance suggestions, and much more. The pagination and layout of the vocal score match the old Spicker edition, so you can use the two of them together without confusion.

The Triumph of Time and Truth

Joshua

The second edition of A Catalogue of Vocal Solos and Duets Arranged in Biblical Order serves as a companion volume to A Catalogue of Choral Music Arranged in Biblical Order (Second edition, 1996, and supplement, 2001, both published by Scarecrow Press). It is a necessary tool for the church musician to coordinate music with the scripture readings and/or the sermon topic and a valuable aid to the vocal soloist seeking a work using a particular biblical text. The work serves as a working document for the church musician, soloist, or voice teacher. Titles are arranged in the same order as found in the Bible. Each entry contains title, composer, voice range/type, and publisher information. Two indexes are also included: a title index and a composer index.

The Psalter, Or Psalms of David, Divided for Chanting, According to the Present Use in the Cathedral Church of Lichfield

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The Messiah

A planning guide for the selection of hymns, songs, and anthems, for the three-year liturgical cycle following the Revised Common Lectionary.

The sacred oratorio of the Messiah, set to music by G.F. Handel, to be performed at the Theatre, Oxford

G. F. Handel: Messiah

This is a compelling and inspiring look at spiritual beliefs that influenced some of the world's greatest composers, now revised and expanded with eight additional composers.

Messiah

During his lifetime, the sounds of Handel's music reached from court to theater, echoed in cathedrals, and filled crowded taverns, but the man himself—known to most as the composer of Messiah—is a bit of a mystery. Though he took meticulous care of his musical manuscripts and even provided for their preservation on his death, very little of an intimate nature survives. One document—Handel's will—offers us a narrow window into his personal life. In it, he remembers not only family and close colleagues but also neighborhood friends. In search of the private man behind the public figure, Ellen T. Harris has spent years tracking down the letters, diaries, personal accounts, legal cases, and other documents connected to these bequests. The result is a tightly woven tapestry of London in the first half of the eighteenth century, one that interlaces vibrant descriptions of Handel's music with stories of loyalty, cunning, and betrayal. With this wholly new approach, Harris has achieved something greater than biography. Layering the interconnecting stories of Handel's friends like the subjects and countersubjects of a fugue, Harris introduces us to an ambitious, shrewd, generous, brilliant, and flawed man, hiding in full view behind his public persona.

George Frideric Handel

In 1712, a young German composer followed his princely master to London and would remain there for the rest of his life. That master would become King George II and the composer was George Freidrich Handel. Handel, then still only twenty-seven and largely self-taught, would be at the heart of music activity in London for the next four decades, composing masterpiece after masterpiece, whether the glorious coronation anthem, Zadok the Priest, operas such as Rinaldo and Alcina or the great oratorios, culminating, of course, in Messiah. Here, Jane Glover, who has conducted Handel's work in opera houses and concert halls throughout the world, draws on her profound understanding of music and musicians to tell Handel's story. It is a story of music-making and musicianship, but also of courts and cabals of theatrical rivalries and of eighteenth-century society. It is also, of course the story of some of the most remarkable music ever written, music that has been played and sung, and loved, in this country—and throughout the world—for three hundred years.

Handel's Sacred Oratorio, "The Messiah,"

Magnificent 7 - the Sequel

The Messiah was composed during a tumultuous period of George Frideric Handel's life and molded through many unlikely circumstances. This chronicle tells of how this musical masterpiece was crafted and how it became a glorious production that is now performed around the world every Christmas season. Images of significant sites and artifacts of note, including the church where Messiah was first performed, accompany the text to accurately place this rich tale in its historical context.

George Frideric Handel - Messiah - HWV56 - A Full Score

George Frederick Handel is in trouble: his last opera flopped, he is no longer in favor with King George II and preachers are raging that his latest work is blasphemous. In this climate, he struggles to present "The Messiah." Handel's travails are linked with those of his leading soprano. Forced into retirement because of a scandal, she is slated to make her comeback in his new masterpiece

and fears a nasty reception. A malicious, back stabbing alternate is waiting in the wings to replace her. A devious bishop and Handel's bulky librettist add to the conflict in this true story of the politics and passion that nearly prevented "The Messiah" from ever being performed.

The Book of Common Prayer, and Administration of the Sacraments, Together with the Psalter

Handel's oratorio Messiah is a phenomenon with no parallel in music history. No other work of music has been so popular for so long. Yet familiarity can sometimes breed contempt and also misunderstanding. This book by music expert Calvin Stapert will greatly increase understanding and appreciation of Handel's majestic Messiah, whether readers are old friends of this remarkable work or have only just discovered its magnificence. Stapert provides fascinating historical background, tracing not only Messiah's unlikely inception but also its amazing reception throughout history. The bulk of the book offers scene-by-scene musical and theological commentary on the whole work, focusing on the way Handel's music beautifully interprets and illuminates the biblical text. For anyone seeking to appreciate Handel's Messiah more, this informed yet accessible guide is the book to have and read. (Handel's Messiah: Comfort for God's People is the newest volume in the flourishing Calvin Institute of Christian Worship Liturgical Studies Series, edited by John D. Witvliet.)

Hallelujah Handel

Publisher Description

Handel: Messiah

Exceptionally full, detailed study of the man, his music and times. Childhood, music training, years in London; analysis of Messiah and other works; much more. Introduction. Includes 35 illustrations.

The Messiah

From Handel's renowned biographer, the story of one of the most celebrated compositions of Western classical music, Handel's famous oratorio, Messiah In the late summer of 1741, George Friderick Handel, composed an oratorio set to words from the King James Bible, rich in tuneful arias and magnificent choruses. Jonathan Keates recounts the history and afterlife of Messiah, one of the best-loved works in the classical repertoire. He relates the composition's first performances and its relationship with spirituality in the age of the Enlightenment, and examines how Messiah, after Handel's death, became an essential component of our musical canon. An authoritative and affectionate celebration of the high-point of the Georgian golden age of music, Messiah is essential reading for lovers of classical music.
