From #1 New York Times bestseller Oliver Jeffers, comes a poignant and beautiful story about finding joy after loss. There is a wonder and magic to childhood. But what happens when that special someone who encourages such wonder and magic is no longer around? We can hide, we can place our heart in a bottle

and grow up . . . or we can find another special someone who understands the magic. And we can encourage them to see things in the stars, find joy among colors and laughter as they play. Eddie loves going fishing with Granddad and listening to his tall tales about the big snapper. Eddie believes if they catch such a fish, it might change his family's fortune. Mom decides to turn their cabin into a bed and

breakfast. Some of the guests appreciate island life, but many do not. When Granddad falls ill and must go away for treatment, Eddie worries that he too may not come back. Already hurt and confused by his father's disappearance, upset by the attitudes of the tourists, and now missing his beloved grandfather, Eddie goes fishing alone in Granddad's skiff. Soon he is struggling with more than the need to stay afloat.

Grandma Bird

Aston's Grandad Roy played in a steel band and Grandad Harry played the trumpet in a brass band. Aston always enjoyed going to visit them and listen to them practise. But soon he wanted to join in. So he asked Grandad Roy to teach him to play the steel drums and then he asked Grandad Harry to teach him to play the trumpet. He loved practising both instruments. Then the school needs a band to play at the school fair, and both grandads want their own band to play. Finally Aston had an idea - both bands join together to make one big band, and Aston joins in first on steel drums and then on trumpet. This delightful story of a mixed-race family reconciling their very different cultures is a wonderful celebration of diverse cultures. Written by one of Britain's foremost campaigners and media personalities and illustrated by a highly regarded illustrator, this book is sure to build on the success of *My Two Grannies*.

Skellig won the Carnegie Medal and the Whitbread Children's Book Award and is now a major Sky1 feature film, starring Tim Roth and John Simm. On Sudden Hill

A bright, science-minded boy goes to the beach equipped to collect and examine flotsam--anything floating that has been washed ashore. Bottles, lost toys, small

objects of every description are among his usual finds. But there's no way he could have prepared for one particular discovery: a barnacle-encrusted underwater camera, with its own secrets to share . . . and to keep. Each of David Wiesner's amazing picture books has revealed the magical possibilities of some ordinary thing or happening--a frog on a lily pad, a trip to the Empire State Building, a well-known nursery tale. In this Caldecott Medal winner, a day at the beach is the springboard into a wildly imaginative exploration of the mysteries of the deep, and of the qualities that enable us to witness these wonders and delight in them.

The Heart and the Bottle

Everyone on the Isle of Struay is excited about the wedding of Granma Mainland and Neilly Beag, except Grannie Island, until Katie Morag thinks of a way to cheer her up.

All Right Already!

Cry Heart, But Never Break

Be glad your dad is not a dog, because he would lick your face to say hello! Most of

the time, you're glad your dad is your dad, until he gets grouchy, bossy, or just totally gross. Then you wish you could swap him for something else. But be careful what you wish for, because it could be way worse. In this silly what-if story, kids will roar with laughter at the misadventures of a monkey dad, an alligator dad, a whale dad, and even a unicorn dad! But nothing can replace the dads who love them more than anything in the whole wide world. Be sure to check out the fun facts about the animals in the story in the back of the book!

The Power of a Rich Reading Classroom

There is something quite magical about forming a connection to a book: the way in which the words on the page can conjure feelings of excitement, fun, joy, laughter or tears, channeling the part of our being that fundamentally makes us human. The journey that children take as they travel towards becoming a competent and confident reader can be a long, winding and complex road. This book helps teachers understand how to build a quality reading rich curriculum that supports the needs of all the children in their classroom. Starting with a section on choosing texts, the book goes on to explore a variety of essential teaching approaches from a read aloud programme, to drama and storytelling, art and illustration. This is a practical resource that provides teachers and schools ideas to support the embedding of text experience and deliver a reading rich curriculum that leads to higher student attainment and working at greater depth.

The Mystery of Cabin Island

* Indie Next List Selection * Winner of the Oscar's Book Prize * From Benji Davies, the award-winning creator of The Storm Whale and illustrator of the Goodnight Already! series, comes a heartwarming and tender tale about courage and growth, featuring a special tadpole named Tad. Tad is small. In fact, she is the smallest almost-a-frog in the whole, wide pond. That makes it hard for her to do big things like follow her tadsiblings who swim to other parts of the pond when they outgrow the nest. As her tadbros and tadsisters swim up, up, up, they leave poor Tad by her lonesome. That's until Big Blub shows up! He's not only bigger than Tad, but Big Blub isn't exactly what a tadpole would consider friendly. Swimming at her own pace, Tad soon learns how to be bigger than her fears. Benji Davies creates a memorable and timeless tale that proves sometimes the mightiest creature comes in the smallest package.

Tad

'Funny, touching and visually stunning, this really is a book to treasure.' Daily Mail A GIANT story of belonging and friendship from David Litchfield, author of the Waterstones Illustrated Book Prize 2016 winner The Bear and the Piano. "He has hands the size of tables," Grandad said, "legs as long as drainpipes and feet as big

as rowing boats. Do you know who I mean?" "Yes," sighed Billy. "The Secret Giant. But he's not real!" Billy doesn't believe his Grandad when he tells him there's a giant living in his town, doing good deeds for everyone. He knows that a giant is too big to keep himself hidden. And why would he WANT to keep himself a secret? But as time goes on, Billy learns that some secrets are too BIG to stay secret for long This delightful heartfelt story of belonging and friendship teaches the importance of tolerance and acceptance to young children.

A Balloon for Grandad

After the phenomenal success of *The Storm Whale* and *On Sudden Hill*, this new book by Benji Davies deals with the emotional topic of losing a grandparent. Subtly told, this beautifully illustrated book tackles a difficult subject with great sensitivity and depth. At the bottom of Syd's garden, through the gate and past the tree, is Grandad's house. Syd can let himself in any time he likes. But one day when Syd comes to call, Grandad isn't in any of the usual places. He's in the attic, where he ushers Syd through a door, and the two of them journey to a wild, beautiful island awash in color where Grandad decides he will remain. So Syd hugs Grandad one last time and sets sail for home. Visiting Grandad's house at the bottom of the garden again, he finds it just the same as it's always been — except that Grandad isn't there anymore. Sure to provide comfort to young children struggling to understand loss, Benji Davies's tale is a sensitive and beautiful reminder that our

loved ones live on in our memories long after they're gone. Praise for Grandad's Island: 'Davies's elegantly rough illustrations, evoking a child's paintings, tap into the imagination of death with little fuss, and his story declines to offer kids instruction on how to feel. Indeed, Grandad's Island doesn't mention death at all, but is deeply in touch with the ways in which loss and abundance commingle in the mind, correcting and assuaging each other.' The New York Times Book Review 'The creator of *The Storm Whale* (2014) offers another thoughtful picture book guaranteed to spark discussion. Recommend to young families dealing with loss, especially those who prefer to gloss over the scientific realities.' Booklist Online 'As with *The Storm Whale*, Davies offers a story of loneliness and togetherness distinguished by understated, deeply felt emotions and a nautical milieu.' Publishers Weekly 'This book is innovative and useful as a way to talk about the idea of loss—without ever referring to actual death. Parents and educators can use this to talk with a child about how it's normal to be sad and miss loved ones. Cheerful, brightly colored illustrations make this a fine choice to use with the youngest of audiences. Since death isn't directly specified, this title also works for when a child's loved one is moving far away. An excellent vehicle to gently approach the topic of loss. Recommended for collections needing these types of materials.' School Library Journal 'Grandad's Island by British author-illustrator Benji Davies (*The Storm Whale*; *Bizzy Bear* series) celebrates a close grandfather-grandson relationship with warmth and style. Whether it's read as a picture book about love, loss or just missing someone who isn't around anymore, it's a charmer.

Cheerful cinematic spreads invite young readers into all sorts of intriguing places, from a cozy attic full of curiosities like a turtle teapot, to a vast ship's deck, to the deep jungle of an island paradise.' Shelf Awareness for Readers 'A resonant, layered tale that will only gain in texture as its readers get older.' USA Today
