Poison Apple Books: Thrilling. Bone-chilling. These books have bite! Twelve-year-old Emma-Rose Paley has always felt different from her bubbly, outgoing parents. Unlike them, Emma-Rose has pale skin and jet-black hair, is quiet and moody, and prefers gray weather to sunshine. She also hates the taste of garlic, has very sharp incisors, and loves rare burgers. When Emma-Rose uncovers a dark family secret, she has a sudden revelation. Could Emma-Rose be a real, live vampire?

### **Now You See Me--**

When best friends Lena and Abby find an old Polaroid camera at a thrift shop, they're creeped out by the images it produces, which include the shadowy figure of a boy they've never seen before.

### **Switched**

When a skeptical Zoe has her fortune told at a carnival, and the fortune-teller gives her a special necklace, she starts a run of bad luck that leads her to believe she may be under a curse and that something terrible may be about to happen.

### **Midnight Howl**

Sink your teeth into Sienna Mercer's third super-girly vampire story for girls. The secret is out - cheerleader Olivia and vampire Ivy are twins! Now that Ivy and Olivia have told their friends that they're twins, they have to come clean to their adoptive parents. But Ivy's dad doesn't even want to meet Olivia! When the vampire officials realise Olivia knows the truth about vampires, they demand that she pass three tests to prove she can be trusted. But these aren't any old tests - they will really get the blood pumping. Yikes! One thing's for sure - if the sisters can get through this, they can get through anything! These kinds of situations only happen in *My Sister the Vampire*. A vampire book for girls who want to read about young love and innocent paranormal romance.

White or Cinderella, Belle or Ariel. But then we grow up. And life is not a fairy tale. Christine Heppermann's collection of fifty poems puts the ideals of fairy tales right beside the life of the modern teenage girl. With piercing truths reminiscent of Laurie Halse Anderson and Ellen Hopkins, this is a powerful and provocative book for every young woman. E. Lockhart, author of *We Were Liars*, calls it "a bloody poetic attack on the beauty myth that's caustic, funny, and heartbreaking." Cruelties come not just from wicked stepmothers, but also from ourselves. There are expectations, pressures, judgment, and criticism. Self-doubt and self-confidence. But there are also friends, and sisters, and a whole hell of a lot of power there for the taking. In fifty poems, Christine Heppermann confronts society head on. Using fairy tale characters and tropes, *Poisoned Apples* explores how girls are taught to think about themselves, their bodies, and their friends. The poems range from contemporary retellings to first-person accounts set within the original tales, and from deadly funny to deadly serious. Complemented throughout with black-and-white photographs from up-and-coming artists, this is a stunning and sophisticated book to be treasured, shared, and paged through again and again.

### **Poison Apple #2: This Totally Bites!**

When her great-aunt Margo arrives in New York from Romania with her collection of stuffed bats, Emma-Rose Paley, who dislikes sunshine and hates garlic, believes she has discovered a vampire in the family and that she must be one too.

### **Miss Fortune**

They give a whole new meaning to the phrase "Dead Ringers" Identical twins, with the exact same genetic information, are a fascinating study in human behavior. It is a known fact that when separated at birth, they will often end up with very similar lives, without ever having met one another. So it seems to follow that if one twin turns out to be a "bad seed," the other will also go to the dark side. The shocking stories in Evil Twins prove this to be the case time and time again. And even more astounding are stories of twins turning upon each other in furious rivalries that may date back to the womb. Here is just a sampling of the compelling true stories about evil twins: Sins of the mothers: Harvard-educated chemical engineer Jane Hopkins stabbed her two young children to death before killing herself-six years after her twin sister Jean had tried to poison her own two children My brother's killer: Identical twins Jeff and Greg Henry were close as brothers could be, inventing their own language and often exchanging identities. But they grew up to become violent alcoholics, and on one fateful binge, Jeff turned on his own twin brother and shot him in the heart with a shotgun Loathsome Lotharios: Handsome, charming twin brothers George and Stefan Spitzer went to Hollywood to become famous actors. But their movie-star good looks never landed them any parts-except in the lurid home movies they shot of themselves raping the unconscious women they doped up on "Roofies" Evil twins: Double the deadliness with eight pages of shocking photos!

### **The Accidental Cheerleader**

Sink your teeth into Sienna Mercer's first super-girly vampire story for girls. Olivia Abbott is a cheerleader - pretty clothes, pretty hair and pretty perfect. Ivy Vega is definitely not the cheerleading type - black clothes, black eyeliner, pale skin. In fact she seems the exact opposite of Olivia - or she would be if she wasn't her twin! Meeting for the first time since being separated at birth, Olivia is about to discover that her long lost sister may just have some skeletons in her closet. But that won't put her off getting to know Ivy. After all, blood is thicker than water - and it's certainly tastier! These kinds of situations only happen in *My Sister the Vampire*. A vampire book for girls who want to read about young love and innocent paranormal romance.

### **The Land of Stories: The Wishing Spell**

This book has bite . . . When Lena and her best friend Abby find an old Polaroid camera, they never suspect that a creepy ghost story is about to develop! Best friends Lena and Abby love searching through thrift stores for lost treasures. When they find an old Polaroid camera, they can't wait to try it out. But the photos that develop are troubling -- things that weren't really there appear in the pictures. Creepiest of all is the image of a boy, dark and angry looking. He shows up, over
