MC Addon Maker - simple addon creator for MC windows 10

So far my experience with Integraxor has been one of the best I've had with any software vendor. Very easy to implement, very user friendly, no hiccups with programming, licensing, or integration. I love the fact that it's all in one, no separate OPC server programs needed. If you guys ever need a reference in the United States, just let me know.

DIG | meaning in the Cambridge English Dictionary

HTML5 Reference by MDN. You don't need to know every HTML5 element. I just use this excellent reference all the time. HTML Entity Reference by CSS-Tricks. A Pocket Guide to Typography. Amazing resource to learn about typography. Learn typography basics in less than 30 minutes. Great Colors and Tools.

The HTML5 Canvas Handbook - bucephalus.org

Adding an HTML5 JSON editor with syntax highlighting would be a great future improvement. And I also found a bug when you search an entity to edit or a line of code in the reference guide, when you hit enter, the system forces you back to the main menu.
