Gods of War

Cutting across class, race, religion, and gender, *A Woman's Worth* speaks powerfully and persuasively to a generation in need of healing, and in search of harmony. With *A Woman's Worth*, Marianne Williamson turns her charismatic voice—and the same empowering, spiritually enlightening wisdom that energized her landmark work, *A Return to Love*— to exploring the crucial role of women in

Read Online Illuminata A Return To Prayer

the world today. Drawing deeply and candidly on her own experiences, the author illuminates her thought-provoking positions on such issues as beauty and age, relationships and sex, children and careers, and the reassurance and reassertion of the feminine in a patriarchal society.

Illuminata

Would you like to know the secrets to attracting your soul mate and feeling profound love every day? With this hip and fun guide, you'll learn to use the rules of attraction, magic, astrology, and your intuition to attract the man of your dreams and experience true, soulful love. practical magic that will work for anyone ready to connect with great love."—Holiday Mathis, author of *Rock Your Stars* Watch Jessica's interview on KRON Channel 4 (San Francisco). Also watch the book trailer for *A Love Alchemist's Notebook*, [here](#).

Illuminata

On the fifth anniversary of her death and written during Debbie Ford's long battle with cancer, *Your Holiness* is a thoughtful and poignant exploration of the godliness that resides in all of us. The extraordinary way in which the manuscript to this book was found sets the foundation for its incredible message: medium James Van Praagh received a message from Debbie Ford's spirit telling him that she had an unpublished manuscript saved on her computer. James passed on the news to Debbie's sister, Arielle Ford, who found the manuscript exactly where it was said to be. Infused with Debbie's trademark frank honesty and keen insight, *Your Holiness* is a blueprint for recognizing and accepting our latent spirituality. Debbie combines motivational prayers with deeply personal stories about her own spiritual journey - how she struggled and eventually found her internal faith - and translates her experience into a practical path for transformation. Engaging and accessible, clear and unwavering, philosophical yet practical, *Your Holiness* is a gift to the soul that both guides and nourishes. At a time when so much in our world feels uncertain and suffering is widespread and persistent, Debbie's voice is more essential than

ever. Your Holiness grounds us in the here and now while delivering a timeless and empowering message of relentless love and strength.

Emma and Mommy Talk to God

Back by popular demand -- and newly updated by the author -- the mega-bestselling spiritual guide in which Marianne Williamson shares her reflections on A Course in Miracles and her insights on the application of love in the search for inner peace. Williamson reveals how we each can become a miracle worker by accepting God and by the expression of love in our daily lives. Whether psychic pain is in the area of relationships, career, or health, she shows us how love is a potent force, the key to inner peace, and how by practicing love we can make our own lives more fulfilling while creating a more peaceful and loving world for our children.

The Law of Divine Compensation

Offers ecumenical meditations on love, perception, forgiveness, eternal life, and theoretical concepts in theology

Dare To Be Great

Read Online Illuminata A Return To Prayer

Now updated with new material by #1 New York Times bestselling author and 2020 Democratic presidential candidate Marianne Williamson, the twentieth anniversary edition of *Healing the Soul of America* shares her timeless, visionary message of political healing. In the twentieth anniversary edition of *Healing the Soul of America*, Marianne Williamson reclaims her powerful voice for social conscience in American society. This is a time, according to Williamson, for Americans to return once again to our first principles, both politically and spiritually. Here, Williamson draws plans to transform the American political consciousness and encourage powerful citizen involvement to heal our society. With updated material throughout, Williamson explores the current state of American politics, reminding us of her theory of holistic politics—the convergence of political activists looking toward spiritual wisdom and spiritual contemplatives extending their service into the political landscape. She believes that a morally concerned American must now take an active stand in turning this country away from its current identity as a nation obsessively in love with its money to a nation more seriously invested in all of its children and the potential brilliance of every citizen. “Marianne Williamson...is attempting to...help not only her followers but an entire nation” (People). In the wake of the current political dysphoria, with countless tragedies consistently on the nightly news, America is facing a time of immense division. Political parties that completely polarize friends and family, mass shootings, threats of nuclear war, and a lack of confidence in our governmental leaders show that the country is in desperate need of restoration.

Read Online Illuminata A Return To Prayer

We need a new paradigm of political understanding, a moral commitment to express it, and a new kind of activism to bring it forth. Healing the Soul of America is a blueprint for all three and there has never been a more urgent need.

Illuminata

Presents a compilation of contemporary prayers and meditations for people of all faiths, covering such topics as business, friendship, reconciliation, and anger

Oola for Women

The internationally recognized teacher, speaker, and New York Times bestselling author of *A Return to Love* argues that our desire to avoid pain is actually detrimental to our lives, disconnecting us from our deepest emotions and preventing true healing and spiritual transcendence. Marianne Williamson is a bestselling author, world-renowned teacher, and one of the most important spiritual voices of our time. In *Tears to Triumph*, she argues that we—as a culture and as individuals—have learned to avoid facing pain. By doing so, we are neglecting the spiritual work of healing. Instead of allowing ourselves to embrace our hurt, we numb it, medicate it, dismiss it, or otherwise divert our attention so that we never have to face it. In refusing to acknowledge our suffering, we actually

prolong it and deny ourselves the opportunity for profound wisdom—ultimately limiting our personal growth and opportunity for enlightenment. Frozen by denial, we are left standing in the breach. Whole industries profit from this immobility, and while they have grown rich, we have become spiritually poorer. As Marianne makes clear, true healing and transcendence can only come when we finally face our pain and wrestle with what it has to teach us. Written with warm compassion and profound wisdom, Tears to Triumph offers us a powerful way forward through the pain, to a deeper awareness of our feelings, our lives, and our true selves.

One Day My Soul Just Opened Up

Blending together personal stories, anecdotes, and client readings, the star of TLC's "Long Island Medium" shares her world and her gift of communicating with those who have crossed over to the other side.

How to Analyze People

Presents a compilation of contemporary prayers and meditations for people of all faiths, covering such topics as business, friendship, reconciliation, and anger

The Gift of Change

Explores the power of prayer in our daily lives and explains how prayer can illuminate the soul and transform the world around us.

The Path of Energy

The internationally recognized teacher, speaker, and New York Times bestselling author of *A Return to Love* argues that our desire to avoid pain is actually detrimental to our lives, disconnecting us from our deepest emotions and preventing true healing and spiritual transcendence. Healing the Soul of America

From activist, spiritual leader, New York Times-bestselling author, and 2020 presidential candidate Marianne Williamson comes a book about everyday peace, everyday hope, and everyday grace In these pages, author Marianne Williamson acts as a guide back to the spiritual source, exploring the ways to nurture a thriving soul in a harsh world. The large and small difficulties of our days challenge us to open our hearts and minds. With an attitude of hope, a call to forgive, and a celebration of miracles, Williamson helps readers to find sacred footing on ordinary ground. For no matter what, there is always an opportunity to be happy. Everyone is entitled to the pleasures of everyday grace.

The Healing of America

An anthology of photographs and stories of multi-generational and multi-cultural women of the Southwest, whose lives and work embody the spirit of community.

There's More to Life Than This

Read Online *Illuminata A Return To Prayer*

Marianne Williamson's bestselling *A Return to Love* ended with a prayer in which she asked God to help us "find our way home, from the pain to peace, from fear to love, from hell to Heaven." Now, in this stunning new collection of thoughts, prayers, and rites of passage, Marianne Williamson returns to prayer. Prayer is practical, Williamson tells us. "To look to God is to look to the realm of consciousness that can deliver us from the pain of living." *Illuminata* brings prayer into our daily lives, with prayers on topics from releasing anger to finding forgiveness, from finding great love to achieving intimacy. There are prayers for couples, for parents, and for children; prayers to mend broken relationships and prayers to overcome obsessive and compulsive love. There are prayers to heal the soul, prayers to heal the body, and prayers for work and creativity. Williamson also gives us prayers for the healing of America, including two prayers that have had powerful effects on audiences at her lectures: a prayer of amends on behalf of European Americans to African-Americans and one to Native Americans. How, Williamson asks, can we expect anyone to forgive when we have made no formal apology? Another section includes rites of passage, ceremonies of light for the signal events in our lives: blessing of the newborn, coming of age, marriage, and death. There is also a ceremony of the elder, for moving into midlife, and a ceremony of divorce, in which a gentle transition is provided for both the couple and their children. "Read my prayers or someone else's," Williamson says. "By all means, create your own." *Illuminata* is a way to bring prayer into practical use, creating a sweeter, more abundant life for yourself and the people you care for.

"No conventional therapy," she says, "can release us from a deep and abiding psychic pain. Through prayer we find what we cannot find elsewhere: a peace that is not of this world."

A Return to Love

Iyanla Vanzant is the much-loved and bestselling author of *IN THE MEANTIME* and *UNTIL TODAY!*. Through her work, millions of readers have found the inspiration to make profound changes in their lives. Calling on both personal experience and her work with others, Iyanla's *ONE DAY MY SOUL JUST OPENED UP* is a message of empowerment both for women and men, encouraging us to tap into our strengths and make our dreams come true. Through a forty day and forty night programme of exercises and readings, Iyanla guides us through our daily obstacles towards greater emotional and spiritual health.

Tears to Triumph

From *THE AGE OF MIRACLES* Sometimes what we appear to have lost is simply something it was time to leave behind. Perhaps our system just lets something go, our having moved through the experience and now needing it no more. A friend of mine was sitting once with two of his best friends, a couple he'd partied long and

hard with during the 1960s. At about ten in the evening, the couple's twentysomething daughter came home, saw them on the couch, and admonished them, "You guys are so boring! You never go out!" To which all three responded in unison, "We were out, and now we're in." The mind is its own kind of dance floor. If in fact the highest, most creative work is the work of consciousness, then in slowing down we're not doing less; we're doing more. Having slowed down physically, we're in a better space to rev up psychically. We are becoming contemplative. We are shifting from the outer to the inner not in order to begin our demise, but to reseed and regreen the consciousness of the planet. And that's what is happening now: We're going slower in order to go deeper, in order to go faster in the direction of urgently needed change in the world. - Marianne Williamson

A Course In Weight Loss

In this stirring call to arms, the activist, spiritual leader, and New York Times bestselling author of the classic *A Return to Love* confronts the cancerous politics of fear and divisiveness threatening the United States today, urging all spiritually aware Americans to return to—and act out of—our deepest value: love. America's story is one of great social achievement. From the Abolitionists who fought to outlaw slavery, to the Suffragettes who championed women's right to vote, to the Civil Rights proponents who battled segregation and institutionalized white

supremacy, to the proponents of the women's movement and gay rights seeking equality for all, citizens for generations have risen up to fulfill the promise of our nation. Over the course of America's history, these activists have both embodied and enacted the nation's deepest values. Today, America once again is in turmoil. A spiritual cancer of fear threatens to undo the progress we have achieved. Discord and hatred are dissolving our communal bonds and undermining the spirit of social responsibility—the duty we feel toward one another. In this powerful spiritual manifesto, Marianne Williamson offers a tonic for this cultural malignancy. She urges us to imitate the heroes of our past and live out our deepest spiritual commitment: where some have sown hatred, let us now sow love. Williamson argues that we must do more than respond to external political issues. We must address the deeper, internal causes that have led to this current dysfunction. We need a new, whole-person politics of love that stems not just from the head but from the heart, not just from intellectual understanding but from a genuine affection for one another. By committing to love, we will make a meaningful contribution to the joyful, fierce and disruptive energies that are rising at this critical point in time. In the words of Abraham Lincoln, "we must think anew, and act anew . . . and then we shall save our country."

A Year to Live

'I know it may not yet look like it, but we are sowing the seeds of greatness for

countless generations to come. That is the Great Work of our times. Yours and mine.' This is a book unlike any other. It does not tell you what you must do, it does not set out a guide for the 10 definitive steps to becoming great by next Thursday. Dare To Be Great is both a playful, inspirational conversation and a heartfelt, lived call, daring each one of us and our society as a whole to become truly great. Celebrated Earth lawyer Polly Higgins was a luminary in the environmental justice movement as she worked to Stop Ecocide across the globe. She was a beacon for how to live the brave, bold lives that, at our best, we imagine for ourselves. This book shares insights from her own remarkable journey, inspiring us to recognise and step into a greatness within – that is not about grandiosity but something far more exciting: aligning with our unique purpose in service of a better world.

Spiritual Growth

If you haven't heard of the 'Oola phenomenon' yet, it's time to catch up. First, though, you need to understand what it is: Oola is that state of awesomeness you experience when your life is balanced and growing in all the key areas of health and well-being. It can be a noun or a verb. It can be a destination or a feeling. It can be as complex as a life growing and balanced in fitness, finance, family, field, faith, friends, and fun (the 7 F's of Oola), or as simple as a sunset, a quiet book on the beach, or a special moment with a child. It is that place we all shoot for in life.

That feeling we experience and that we celebrate in our successes along the way. In short, Oola is cool. Since the first copy of the original book, *Oola: Find balance in an Unbalanced World*, rolled off the presses a few years ago, the Oola Lifestyle has become a literal phenomenon—a dynamic movement. OolaPalooza live events have been routinely sold out since the day they were started, and the Oola message has been taken to countless cities across America and to every major city in the world via 700,000+ Oola fans on social media. In their 1970s VW Surf bus, authors Troy Amdahl and Dave Braun have taken their OolaDream tour on the road, from coast-to-coast, collecting dreams and goals for a balanced life from people who adorn their vehicle with colorful Oola stickers. The OolaGuys know that women are the ultimate multitaskers. While a circus performer might spin seven plates in a single show, women spin seven plates—figuratively—every day. They not only juggle kids, family, and home life, they also juggle work responsibilities, customers and clients, make constant business decisions, handle professional events and so many related activities that it's truly mind-boggling how much a woman can pack into a 24-hour day. In this Oola especially for them, the book shows, through the experiences of 54 inspiring women, how to overcome unexpected hardships, and transform the juggling act of everyday life into a dream lifestyle of simplicity, tranquility, abundance, and opportunity. That's what 'living Oola' means—and it's not only an attainable goal, but a well-deserved reward.

Tears to Triumph

A best-selling author guides a whirlwind tour of successful health-care systems worldwide, disproving American myths of "socialized medicine" to find possible paths toward reform. Reprint.

The Healing of America

Her most controversial book is one you will never forget. An outspoken thinker, a celebrated actress, a truly independent woman, Shirley MacLaine goes beyond her previous two bestsellers to take us on an intimate yet powerful journey into her personal life and inner self. An intense, clandestine love affair with a prominent politician sparks Shirley MacLaine's quest of self-discovery. From Stockholm to Hawaii to the mountain vastness of Peru, from disbelief to radiant affirmation, she at last discovers the roots of her very existence. . . and the infinite possibilities of life. Shirley MacLaine opens her heart to explore the meaning of a great and enduring passion with her lover Gerry; the mystery of her soul's connection with her best friend David; the tantalizing secrets behind a great actor's inspiration with the late Peter Sellers. And through it all, Shirley MacLaine's courage and candor new doors, new insights, new revelations-and a luminous new world she invites us all to share.

A Woman's Worth

Healing That Reaches Beyond the Self In this landmark work, Marianne Williamson reminds us that there is a point in everyone's spiritual journey where the search for self-awareness can turn into self-preoccupation. All of us are better off when contemplation of holy principles is at the center of our lives. But it is in applying those principles in our lives that we forge the true marriage between heaven and earth. In the compassionate but clear-eyed prose that has won her so many avid readers, Williamson shows us that the principles which apply to our personal healing also apply to the healing of the larger world. Calling on Americans to turn the compassion in our hearts into a powerful force for social good, Williamson shows us how to transform spiritual activism into a social activism that will in turn transform America into a nation seriously invested in the hope of every child and in the potential of every adult.

A Politics of Love

When her research is being used to run unmanned drones, Lindsey McKinney and Odin, a Special Ops soldier with an insight into the faceless enemy, must slow the advance long enough for the world to recognize its destructive power.

Everyday Grace

Read Online Illuminata A Return To Prayer

Three of Marianne Williamson's previous bestsellers -- A Return to Love, A Woman's Worth, and Illuminata -- explored the issue of relationships. Now, in this deeply personal collection of essays, prayers, and self-reflection, she turns to romantic love. In Illuminata, Williamson wrote that "we experience God to the extent to which we love, forgive, and focus on the good in others and ourselves." Now, in Enchanted Love, she writes that "enchanted partnership begins with the conscious understanding, on the part of two people, that the purpose of their relationship is not so much material as spiritual, and the internal skills demanded by it are prodigious." High romance, she says, "is not about past or future. It is not about practicality. It is not about society or worldly routines. It is an audacious ride to the center of what is, at the heart of every person. It is a bold and masterful inquiry into what two people really are and how we might become, while still on earth, the angels who reside within us."

Illuminata

"We need to encourage an understanding that inner peace comes from relying on human values like love, compassion, tolerance, and honesty, and that peace in the world relies on individuals finding inner peace." —His Holiness, the Dalai Lama
These six words—please heal my fear-based thoughts—change lives. In this brief and inspiring book, based on Engle's study of A Course in Miracles, she explains how to use the prayer and experience immediate benefits: being less irritable,

Read Online Illuminata A Return To Prayer

more patientlaughing morefeeling like you have more time, more energyworrying lessmaking decisions more easilysaying no without guilt A typical prayer goes something like this: "Please help us find the money to pay our mortgage this month." Saying the prayer may help you feel like the burden of that month's mortgage has been lifted, but the part of you that feeds on fear will simply seek out new financial worries to keep you awake at night. Old patterns remain intact. In contrast, asking, "Please heal my fear-based thoughts about our mortgage" lifts the burden AND relieves the need to re-create that fear and hold onto it. This prayer heals your very desire for burdens, your addiction to fear-based thoughts, freeing you to live without that fear and with greater peace of mind. As a result, your financial situation is also free to improve. That's what makes it so different. One Facebook fan told Engle, "The most blessed aspect of this prayer is all the open space it creates for peace—I never knew how many fear-based thoughts were clogging up in me until this prayer."

A Course in Miracles

The Only Little Prayer You Need

Hannibal vs. Scipio. Grant vs. Lee. Rommel vs. Patton. The greatest battles,

commanders, and rivalries of all time come to life in this engrossing guide to the geniuses of military history. “A compelling study of military leadership.”—James M. McPherson, Pulitzer Prize-winning author of *Battle Cry of Freedom* Any meeting of genius may create sparks, but when military geniuses meet, their confrontations play out upon a vast panorama of states or civilizations at war, wielding the full destructive power of a mighty nation’s armies. *Gods of War* is the first single-volume, in-depth examination of the most celebrated military rivalries of all time, and of the rare, world-changing battles in which these great commanders in history matched themselves against true equals. From Caesar and Pompey deciding the fate of the Roman Republic, to Grant and Lee battling for a year during the American Civil War, to Rommel and Montgomery and Patton meeting in battle after battle as Hitler strove for European domination, these match-ups and their corresponding strategies are among the most memorable in history. A thrilling look into both the generals’ lives and their hardest-fought battles, *Gods of War* is also a thought-provoking analysis of the qualities that make a strong commander and a deep exploration of the historical context in which the contestants were required to wage war, all told with rousing narrative flair. And in a time when technology has made the potential costs of war even greater, it is a masterful look at how military strategy has evolved and what it will take for leaders to guide their nations to peace in the future.

Return of the Corn Mothers

Read Online Illuminata A Return To Prayer

For so many people, whether your addiction is to a substance or merely to a certain way of thinking or acting, a profound humbling occurs when you realize that your problem is bigger than you are. The terror of realizing, even dimly, that you have no control over a self-destructive pattern of behavior that as much as you would want to, you simply cannot stop can mark a crucial turning point in your life. At that point, you go in one of two directions: either way, way down, or way, way up. . . . This book is for you if you know in your heart that you are an addict, and that you are powerless before your addictive behavior. As the title promises, Marianne Williamson looks at weight loss from a spiritual perspective, bringing you 30 lessons that can be done separately or in conjunction with any other serious spiritual path. These 30 lessons are completely separate from anything related to diet or exercise they will retrain your consciousness in the area of weight in order to break the cycle of overeating, dieting, and shame that rules so many lives. Finally, Marianne has brought you what you've been waiting for: help to heal your addiction once and for all!

Enchanted Love

In his new book, Stephen Levine, author of the perennial best-seller *Who Dies?*, teaches us how to live each moment, each hour, each day mindfully--as if it were all that was left. On his deathbed, Socrates exhorted his followers to practice dying

as the highest form of wisdom. Levine decided to live this way himself for a whole year, and now he shares with us how such immediacy radically changes our view of the world and forces us to examine our priorities. Most of us go to extraordinary lengths to ignore, laugh off, or deny the fact that we are going to die, but preparing for death is one of the most rational and rewarding acts of a lifetime. It is an exercise that gives us the opportunity to deal with unfinished business and enter into a new and vibrant relationship with life. Levine provides us with a year-long program of intensely practical strategies and powerful guided meditations to help with this work, so that whenever the ultimate moment does arrive for each of us, we will not feel that it has come too soon.

The Age of Miracles

Marianne Williamson is a bestselling author (Return to Love, Healing the Soul of America), a world-renowned teacher, and one of the most important inspirational thinkers of our time. In *The Law of Divine Compensation*, she reveals the spiritual principles that help us overcome financial stress and unleash the divine power of abundance. A guru to anyone interested in spirituality, Williamson's words ring with power and truth as she assures us that, with faith in God's promise of prosperity for all, we need never fear the future.

A Year of Miracles

Learning to consciously interact in the domain of subtle energy is the next step in personal and planetary transformation. The Path of Energy is a unique handbook of principles, practices and exercises to help you access your energy awareness and live a more empowered life. In the book are 13 meditations that activate patterns of light within your energy body to awaken specific abilities and levels of awareness. Each meditation includes benefits and purpose, step-by-step written directions augmented with line drawings, and an interpretive illustration of the completed energy pattern. Subtle energy is more than life force; it is the substance of reality and the vehicle of consciousness. Your body is wired to navigate this domain. You are equipped with everything needed to engage the world of energy and creatively change your life. You simply need to remember how. The Path of Energy is a guide to living with expanded consciousness. Included are techniques that build energy awareness and use this skill to deepen your spiritual path, intimacy in relationships, align with earth energy, clear space, create protection, manifest goals, facilitate healing, and more.

Healing the Soul of America - 20th Anniversary Edition

97 percent of all communication is nonverbal. Only 7 percent of meaning comes from our words. Have you ever been curious as to what people are thinking about? In this book you will learn the Techniques and strategies that will enable you to recognize certain behavioral patterns. You will learn what people really think about you, You can use these techniques to improve your relationships, career, and self development. The techniques used in this book can be used on anyone at anytime. This book contains proven steps and strategies on how to read other people through their body movements, their head gestures, their posture, their proxemics, and even by looking into their eyes. A greater percentage of modern communication is considered as nonverbal. A tilt of one's head, the thrust of one's lip - all of these provide subtle clues about his personality and the meaning behind his words. Understanding other people on sight and deciphering their messages through their unconscious movements will help sharpen your intuition and develop your critical thinking skills. Often, we tend to judge people in a very biased manner. The fact is that these preconceptions are difficult to get rid of. Many times, this causes us to form inaccurate judgments. This book's goal is to help you see the social world from a whole new angle. Nonverbal Cues will show you the truth There are several factors that hinder an individual's ability to communicate freely. If

Read Online Illuminata A Return To Prayer

you're a parent or a caregiver, it is important to identify nonverbal cues that indicate distress. Being able to analyze a person on sight may also be extremely beneficial to one's career and social life. It helps you to become a better communicator and allows you to build your presence. On an intimate level, being able to decode a person's non-verbal messages will help you determine the degree of their interest towards you. More than that, being able to read a person on sight prevents you from being the victim of deceit. No one wants to go about blindly in this world. By reading this book, not only will you be able to really look at people, you will also be able to perceive them. What you will get from this book

- Learn to differentiate between different Gestures and Kinesics
- Learn what hand gestures and body movements really imply
- Determine if someone agrees or disagrees through Head gestures
- Determine if someone is attracted through their eye contact
- Read true intentions and feelings towards you from facial expressions
- Learn how Proxemics(distance) influence's someone's behavior
- Learn how to read posture and body movements

Benefits this book can provide you

- Build a Stronger Career
- Have a better Social Life
- Have more self confidence
- Have deeper relationships with people

Kill Decision

Bestselling author of *Return to Love* and *Law of Divine Compensation*, Marianne Williamson shows people how to live without fear or worry in *The Gift of Change*. The time in which we now live is more difficult and stressful than people are willing to admit. We live with an abiding sense of collective anxiety. Williamson shows

Read Online *Illuminata A Return To Prayer*

how we are paralyzed in our current state of fear and anger because we are not facing and dealing with the true causes of our anxieties and fears. Williamson reveals that fear and worry do not need to be the only tools in our tool box for dealing with problems in the world. As we learn to trust God and the love that surrounds us and guides us, we will see that what causes us pain is an opportunity for growth, healing, and miracles that can transform us and our world. Williamson delivers hope and healing as she illuminates ten basic changes that each of us can make as we learn to view the world through the eyes of love instead of fear.
