Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Roads and Streets

Interpersonal Skills in Organizations by de Janasz, Dowd, and Schneider takes a fresh, thoughtful look at the key skills necessary for personnel and managerial success in organizations today. Chock-full of exercises, cases and group activities, the book employs an experiential approach suitable for all student audiences. The book is organized into 4 distinct sections (Understanding Yourself, Understanding Others, Understanding Teams, and Leading) that can be used collectively or modularly depending on the instructor's preference and student-audience need. The emphasis in this edition focused on making the text more current along with making the text pedagogically effective for students and instructors.
