### Words on Bathroom Walls

Mary Pipher, the gifted healer who moved millions of readers with her book *Reviving Ophelia*, shares for the first time what she has learned in thirty years as a clinical psychologist. These intimate letters tackle with honesty and compassion the challenges faced by all of us who struggle with troubled relationships, stressful jobs, too little time, and too much to do. Pipher's warmth and insight shine from every page of

this powerfully engaging guide to living a healthy life.

### **Letters to a Young Therapist**

Follows the adventures of Paul Atreides, the son of a betrayed duke given up for dead on a treacherous desert planet and adopted by its fierce, nomadic people, who help him unravel his most unexpected destiny.

### **Kokoro Connect Volume 4: Michi Random**

In one volume, the screenplays to two contemporary classics, directed by Richard Linklater, and starring Ethan Hawke and Julie Delpy, about the immediate and life-altering attraction between two strangers. On a train from Budapest to Vienna, Jesse, a young American student, at the end of a romance and his European trip, meets Celine, a young French woman. They are immediately attracted. Despite knowing this may be the only time they will see each other, in the next few hours in the city of Vienna, they share everything and promise to meet again. Nearly a decade later, Jesse, now a novelist on a publicity tour, sees Celine in a bookstore in Paris. Again their time is short, and they spend it reestablishing the connection they experienced on their first meeting. Romantic, poignant, understated, and often profound, these two screenplays are sure to become classics in their own right.

### **Picnic at Hanging Rock**

In an inexplicable worldwide event, forty-seven extraordinary children were spontaneously born by women who'd previously shown no signs of pregnancy. Millionaire inventor Reginald Hargreeves adopted seven of the children; when asked why, his only explanation was, "To save the world." These seven children form The Umbrella Academy, a dysfunctional family of superheroes with bizarre powers. Their first adventure at the age of ten pits them against an erratic and deadly Eiffel Tower, piloted by the fearsome zombie-robot Gustave Eiffel. Nearly a decade later, the team disbands, but when Hargreeves unexpectedly dies, these disgruntled siblings reunite just in time to save the world once again.

FEATURING A FOREWORD BY SLASH A new book by the lead vocalist and guitarist of Megadeth, the original lead guitarist of Metallica, and the author of the NYT bestseller, *Mustaine*. *Rust in Peace* details the making of Megadeth's iconic record, which was released in 1990, at an incredible time of flux and creativity in the rock world.elayed by the lead vocalist and guitarist of Megadeth himself, Dave Mustaine, the book covers the process of hiring the band and supporting cast, of trying to handle the ensuing success, and ultimately the pressure of fame and fortune -- which caused the band to finally break-up. In short, it's a true story of groundbreaking anti-pop that was moving toward the mainstream (or the mainstream that was moving toward the band), at a

time of great cultural change, power, ego, drugs, and other vices that went hand-in-hand with Rock N' Roll, circa the late eighties-early nineties. Little did Mustaine know that the birth pangs of the record were nothing compared to the oncoming pain and torment that would surround it. Alcohol, drugs, sex, money, power, property, prestige, the lies the band was told by the industry -- and the lies they told each other -- were just beginning, and much like rust in real life, these factors would ultimately eat away at the band's bond until only the music survived. Rust in Peace is a story of perseverance, of scraping off the rust off that builds over time on everything: ourselves, our relationships, pop culture, art, and music.

There's so much more to the story. Todd and Sonja BurpoÆs almost-four-year-old son Colton made an unforgettable trip to heaven and back during the darkest, most-stressed-out days of their lives. Times were tough, money was scarce and the bills, frustrations, and fears were piled high. The story of ColtonÆs visit to heaven changed their livesùand the book they wrote about it, *Heaven Is for Real*, gave new hope to millions of readers. In *Heaven Changes Everything*, the Burpos share details about their experience and about Colton's visit to heaven that they weren't able to include in the original story or in the Sony Pictures release of the *Heaven Is for Real* movie. Practical and inspiring, the short essays shed light on living with a miracle and the afterlife, each

ending with a relevant scripture. Listen in as Todd, and for the first time ever Sonja, from her perspective as a mom, show you how believing heaven is for real helps us survive hardships here on earth, including the death of a loved one or the loss of a child through tragedy, miscarriage, or even abortion. This newly revised edition offers bonus material including: New foreword Never-before-seen family photos Favorite scenes from the movie Q&A section Come see how heaven can indeed touch earth and change everything.

### **Sorry Not Sorry**

In 1900, a class of young women from an exclusive private school go on an excursion to the isolated Hanging Rock, deep in the Australian bush. The excursion ends in tragedy when four girls and a teacher mysteriously vanish after climbing the rock. Only one girl returns, with no memory of what has become of the others . . . Co-founded by Jane and Glenn McGrath, the McGrath Foundation raises money to place McGrath Breast Care Nurses in communities right across Australia and to increase breast awareness in young women. The McGrath Foundation believes 150 of these specially trained nurses are needed to ensure that every family experiencing breast cancer has access to a breast care nurse, no matter where they live or their financial situation. McGrath Breast Care Nurses offer a unique service to families who can self-refer to this free support. THE INSTANT NEW YORK TIMES BESTSELLER A raw, honest, and revealing co-memoir by Brie and Nikki Bella: twin sisters, WWE Hall of Fame inductees, and stars of the hit E! shows *Total Bellas* and *Total Divas*. As twins, the Bellas have always competed. Legend has it that Nikki drop-kicked Brie in the womb so that she could make her grand entrance first. But the rest of the world often treated them as identical and even interchangeable, so they decided to do something about it. After they made it into WWE, the Bellas accomplished so much together: bringing in young girls and women while building the Bella Army, helping the transition of female performers from Divas to Superstars, starring in *Total Divas* and *Total Bellas*, and founding companies like Birdiebee, Nicole + Brizee Beauty, and Bonita Bonita Wine. Though their early journey began with loss, abuse, and plenty of rough times, these challenges “shined the diamond.” They resolved to be survivors and the heroes of their own stories, and to take control and responsibility for their lives. Eventually, they would come to show girls everywhere that they can do

anything. The Bellas may be identical twins—but as individuals, they have proven themselves Incomparable.

### **The Rest of Us Just Live Here**

A high-school boy is given the chance to write a story for Rolling Stone Magazine about an up-and-coming rock band as he accompanies it on their concert tour.

### **Rust in Peace**

Six starred reviews! A bold and irreverent YA novel that powerfully reminds us that there are many different types of remarkable, *The Rest of Just Live Here* is from novelist Patrick Ness, author of the Carnegie Medal- and Kate Greenaway Medal-winning *A Monster Calls* and the critically acclaimed *Chaos Walking* trilogy. What if you aren't the Chosen One? The one who's supposed to fight the zombies, or the soul-eating ghosts, or whatever the heck this new thing is, with the blue lights and the death? What if you're like Mikey? Who just wants to graduate and go to prom and maybe finally work up the courage to ask Henna out before someone goes and blows up the high school. Again. Because sometimes there are problems bigger than this week's end of the world, and sometimes you just have to find the extraordinary in your ordinary life. Valentine's Day has come, and the members of the Cultural Research Club have been embroiled in yet another supernatural phenomenon. But they're old hands at this by now. How hard could it be to enjoy some normal high school romance for once? Never mind that they can hear each other's strongest sentiments at the most inconvenient times, while their inhuman tormentor is taking on a more direct role than ever. The stress of endless abnormal living may be too much for some, while others start to wonder whether their club is even worth continuing -- which may be out of their hands as end-of-year club presentations and school politics threaten its very

existence! When the place they carved out together is threatened both from without and within, how will they be able to overcome this latest challenge? Everything is on the line in the 4th volume of Sadanatsu Anda's dramedy series.

"Navigating through youth and young adulthood isn't easy, and in *Sorry Not Sorry*, Naya Rivera shows us that we're not alone in the highs, lows, and in-betweens. Whether it's with love and dating, career and ambition, friends, or gossip, Naya inspires us to follow our own destiny and step over-or plod through-all the crap along the way. After her rise and fall from childhood stardom on *The Fresh Prince of Bel-Air* and *Family Matters*, barely eking her way through high school, a brief stint as a *Hooters* waitress, going through thick and thin with her mom/manager, and resurrecting her acting career as Santana Lopez on *Glee*, Naya emerged from these experiences with some key life lessons- Sorry-All those times I scrawled ol HATE MY MOMo in my journal. Moms and teenage daughters will never get along-we just have to realize it's nothing personal on either side. At-home highlights and DIY hair extensions. Some things are best left to the experts, and hair dye is one of them. Falling in love with the idea of a person, instead of the actual person. Not Sorry-That I don't always get along with everyone. Having people not like you is a risk you have to take to be real, and I'll take that over being fake any day. Boob job. People have a lot of opinions about plastic surgery, but more than 10

years after I got my boobs, they still make me happy when I look in the mirror. It might have been the best \$8K I've ever spent. Getting my financial disasters out of the way early-before I was married or had a family-so that the only credit score that I wrecked was my own. Even with a successful career and a family that she loves more than anything else, Naya says, oThere's still a thirteen-year-old girl inside of me making detailed lists of how I can improve, who's never sure of my own self-worth.o Sorry Not Sorryis for that thirteen-year-old in all of us."

Marlene thinks the eighties are going to be stupendous. Her sister Joyce has her doubts. Her daughter Angie is just frightened. Since its premiere in 1982, *Top Girls* has become a seminal play of the modern theatre. Set during a period of British politics dominated by the presence of the newly elected Prime Minister Margaret Thatcher, Churchill's play prompts us to question our notions of women's success and solidarity. Its sharp look at the society and politics of the 1980s is combined with a timeless

examination of women's choices and restrictions regarding career and family. This new Student Edition features an introduction by Sophie Bush, Senior Lecturer at Sheffield Hallam University, UK prepared with the contemporary student in mind. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. As well as the complete text of the play itself, this volume contains:

- A chronology of the play and the playwright's life and work
- an introductory discussion of the social, political, cultural and economic context in which the play was originally conceived and created
- a succinct overview of the creation processes followed and subsequent performance history of the piece
- an analysis of, and commentary on, some of the major themes and specific issues addressed by the text
- a bibliography of suggested primary and secondary materials for further study.

Losing weight has never been easier or more fun than with Leslie Sansone's WALK AWAY THE POUNDS. For over twenty-five years, Leslie has helped more women get off the couch and onto their feet than anyone else in the fitness industry. Her secret? If you can walk, you can achieve the weight-loss goals you dream about with none of the intimidation or negative messages that have stopped you from succeeding before. Whether you are a beginner or have been walking with Leslie for years, whether you are a teen or a senior or somewhere in between, you will see

results. You will lose real weight, and keep it off—twenty pounds, forty, sixty, or even more. All you need is fifteen minutes a day for starters, two feet, and a willing attitude. There is no fancy equipment to buy, no fad diet to follow, and no fitness club to join. The revolutionary program in *WALK AWAY THE POUNDS* is designed to keep everybody on the path to success, especially those who have never been able to complete a weight-loss plan before. It's a simpler approach to fitness, one that can change your life. Leslie's step-by-step workbook format sets up the program day by day. You just wake up, flip open the book, and follow the directions. You'll get a combination of in-home walking (that's right, you can do it right from the comfort of your own living room!), simple strength training, motivational breakthroughs, and commonsense advice to help you burn fat, tone muscle, reduce stress, avoid illness, shake off the blues, and boost your energy level sky high. It's never been easier. Women all across America have dropped between 20 and 150 pounds with Leslie Sansone. Now you can too!

### **The Whisper Man**

Could the story of mankind be far older than we have previously believed? Using tools as varied as archaeoastronomy, geology, and computer analysis of ancient myths, Graham Hancock presents a compelling case to suggest that it is. "A fancy piece of historical sleuthing . . . intriguing and entertaining and sturdy enough to give a long pause for thought."—Kirkus Reviews In *Fingerprints of the Gods*, Hancock

embarks on a worldwide quest to put together all the pieces of the vast and fascinating jigsaw of mankind's hidden past. In ancient monuments as far apart as Egypt's Great Sphinx, the strange Andean ruins of Tihuanaco, and Mexico's awe-inspiring Temples of the Sun and Moon, he reveals not only the clear fingerprints of an as-yet-unidentified civilization of remote antiquity, but also startling evidence of its vast sophistication, technological advancement, and evolved scientific knowledge. A record-breaking number one bestseller in Britain, *Fingerprints of the Gods* contains the makings of an intellectual revolution, a dramatic and irreversible change in the way that we understand our past—and so our future. And *Fingerprints of God* tells us something more. As we recover the truth about prehistory, and discover the real meaning of ancient myths and monuments, it becomes apparent that a warning has been handed down to us, a warning of terrible cataclysm that afflicts the Earth in great cycles at irregular intervals of time—a cataclysm that may be about to recur. "Readers will hugely enjoy their quest in these pages of inspired storytelling."—The Times (UK)

### **Heaven Changes Everything**

An inspiring collection of essays by black women writers, curated by the founder of the popular book club Well-Read Black Girl, on the importance of recognizing ourselves in literature. "A brilliant collection of essential American reading . . . smart, powerful, and complete."--Min Jin Lee, author of the National Book Award finalist *Pachinko* Remember that

moment when you first encountered a character who seemed to be written just for you? That feeling of belonging remains with readers the rest of their lives--but not everyone regularly sees themselves in the pages of a book. In this timely anthology, Glory Edim brings together original essays by some of our best black women writers to shine a light on how important it is that we all--regardless of gender, race, religion, or ability--have the opportunity to find ourselves in literature. Contributors include Jesmyn Ward (Sing, Unburied, Sing), Lynn Nottage (Sweat), Jacqueline Woodson (Another Brooklyn), Gabourey Sidibe (This Is Just My Face), Morgan Jerkins (This Will Be My Undoing), Tayari Jones (An American Marriage), Rebecca Walker (Black, White and Jewish), and Barbara Smith (Home Girls: A Black Feminist Anthology) Whether it's learning about the complexities of femalehood from Zora Neale Hurston and Toni Morrison, finding a new type of love in *The Color Purple*, or using mythology to craft an alternative black future, the subjects of each essay remind us why we turn to books in times of both struggle and relaxation. As she has done with her book club-turned-online community *Well-Read Black Girl*, in this anthology Glory Edim has created a space in which black women's writing and knowledge and life experiences are lifted up, to be shared with all readers who value the power of a story to help us understand the world and ourselves. Advance praise for *Well-Read Black Girl* "This book is a star chart, a map readers can use to navigate the world via the minds of brilliant black women writers. The essays extol us all to regard--and to celebrate--the written word anew."--Angela Flournoy, author of *The Turner*

House "An eloquently provocative anthology . . . Candid and thoughtful from start to finish, [Glory] Edim's collection amply celebrates the many paths black women have traveled on the road to self-definition. . . . In each essay, the contributor discusses her relationships to reading, books, and the world, yet each bears the unique experiential imprint of the woman who wrote it."--Kirkus Reviews

### **Demon Lord, Retry! (Manga) Volume 1**

In his first-ever collaboration, New York Times bestselling author James Rollins combines his skill for cutting-edge science and historical mystery with award-winning novelist Rebecca Cantrell's talent for haunting suspense and sensual atmosphere in a gothic tale about an ancient order and the hunt for a miraculous book known only as . . . The Blood Gospel. An earthquake in Masada, Israel, kills hundreds and reveals a tomb buried in the heart of the mountain. A trio of investigators—Sergeant Jordan Stone, a military forensic expert; Father Rhun Korza, a Vatican priest; and Dr. Erin Granger, a brilliant but disillusioned archaeologist—are sent to explore the macabre discovery, a subterranean temple holding the crucified body of a mummified girl. But a brutal attack at the site sets the three on the run, thrusting them into a race to recover what was once preserved in the tomb's sarcophagus: a book rumored to have been written by Christ's own hand, a tome that is said to hold the secrets to His divinity. The enemy who hounds them is like no other, a force of ancient evil directed by a leader of impossible ambitions and

incalculable cunning. From crumbling tombs to splendid churches, Erin and her two companions must confront a past that traces back thousands of years, to a time when ungodly beasts hunted the dark spaces of the world, to a moment in history when Christ made a miraculous offer, a pact of salvation for those who were damned for eternity. Here is a novel that is explosive in its revelation of a secret history. Why do Catholic priests wear pectoral crosses? Why are they sworn to celibacy? Why do the monks hide their countenances under hoods? And why does Catholicism insist that the consecration of wine during Mass results in its transformation to Christ's own blood? The answers to all go back to a secret sect within the Vatican, one whispered as rumor but whose very existence was painted for all to see by Rembrandt himself, a shadowy order known simply as the Sanguines. In the end, be warned: some books should never be found, never opened—until now.

A journey through the otherworldly science behind Christopher Nolan's award-winning film, *Interstellar*, from executive producer and Nobel Prize-winning physicist Kip Thorne. *Interstellar*, from acclaimed filmmaker Christopher Nolan, takes us on a fantastic voyage far beyond our solar system. Yet in *The Science of Interstellar*, Kip Thorne, the Nobel prize-winning physicist who assisted Nolan on the scientific aspects of *Interstellar*, shows us that the movie's jaw-dropping events and stunning, never-before-attempted visuals are grounded in real science. Thorne shares his experiences working as the science adviser on the film and then moves on to the science itself. In chapters on wormholes, black holes, interstellar travel, and much more, Thorne's scientific insights—many of them triggered during the actual scripting and shooting of *Interstellar*—describe the physical laws that govern our universe and the truly

astounding phenomena that those laws make possible. Interstellar and all related characters and elements are trademarks of and © Warner Bros. Entertainment Inc. (s14).

### **Before Sunrise & Before Sunset**

"There is no writer quite like Dolly Alderton working today and very soon the world will know it."--Lisa Taddeo, author of #1 New York Times bestseller *Three Women* "Dolly Alderton has always been a sparkling Roman candle of talent. She is funny, smart, and explosively engaged in the wonders and weirdness of the world. But what makes this memoir more than mere entertainment is the mature and sophisticated evolution that Alderton describes in these pages. It's a beautifully told journey and a thoughtful, important book. I loved it."--Elizabeth Gilbert, New York Times bestselling author of *Eat, Pray, Love* and *City of Girls* The wildly funny, occasionally heartbreaking internationally bestselling memoir about growing up, growing older, and learning to navigate friendships, jobs, loss, and love along the ride When it comes to the trials and triumphs of becoming an adult, journalist and former Sunday Times columnist Dolly Alderton has seen and tried it all. In her memoir, she vividly recounts falling in love, finding a job, getting drunk, getting dumped, realizing that Ivan from the corner shop might just be the only reliable man in her life, and that absolutely no one can ever compare to her best girlfriends. *Everything I Know About Love* is about bad dates, good friends and—above all else— realizing that you

are enough. Glittering with wit and insight, heart and humor, Dolly Alderton's unforgettable debut weaves together personal stories, satirical observations, a series of lists, recipes, and other vignettes that will strike a chord of recognition with women of every age—making you want to pick up the phone and tell your best friends all about it. Like *Bridget Jones' Diary* but all true, *Everything I Know About Love* is about the struggles of early adulthood in all its terrifying and hopeful uncertainty.

Selection \* Rhode Island Teen Book Award Nominee

"Echoing the premise and structure of Flowers for Algernon, this frank and inspiring novel shows how a teen's life changes after he is given an experimental medication to treat symptoms of schizophrenia."

--Publishers Weekly, STARRED REVIEW "A brutal, beautiful book that sits right beside The Perks of Being a Wallflower and I'll Give You the Sun."

--Jennifer Longo, author of Up to This Pointe "This book reminds me of A Monster Calls. I saved the final twenty pages for the next day because I didn't want Adam's story to end."

--Peter Brown Hoffmeister, author of This Is the Part Where You Laugh "Despite heavy subject matter, Adam is hilarious and infinitely lovable, and the ending is hopeful and realistic rather than happily-ever-after and contrived." --The Hub, YALSA

## **Gordon Ramsay Quick and Delicious**

A NEW YORK TIMES Bestseller! Presented for the first time with stark, stunning new coloring by Brian Bolland, BATMAN: THE KILLING JOKE is Alan Moore's unforgettable meditation on the razor-thin line between sanity and insanity, heroism and villainy, comedy and tragedy. According to the grinning engine of madness and mayhem known as the Joker, that's all that separates the sane from the psychotic. Freed once again from the confines of Arkham Asylum, he's out to prove his deranged point. And he's going to use Gotham City's top cop, Commissioner Jim Gordon, and the Commissioner's brilliant and beautiful daughter Barbara to do it.

## **Love from A to Z**

The New York Times bestseller is now a major motion picture starring Emma Roberts and Dave Franco, in theaters this July! A high-stakes online game of dares turns deadly When Vee is picked to be a player in NERVE, an anonymous game of dares broadcast live online, she discovers that the game knows her. They tempt her with prizes taken from her ThisIsMe page and team her up with the perfect boy, sizzling-hot Ian. At first it's exhilarating--Vee and Ian's fans cheer them on to riskier dares with higher stakes. But the game takes a twisted turn when they're directed to a secret location with five other players for the Grand Prize round. Suddenly they're playing all or nothing, with their lives on the line. Just how far will Vee go before she loses NERVE? Debut author Jeanne Ryan delivers an un-putdownable suspense thriller.

## **Batman: The Killing Joke**

In this psychological thriller, Alex North weaves a multi-generational tale of suspense, as a father and son are caught in the crosshairs of an investigation to catch a serial killer preying on a small town. After the sudden death of his wife, Tom Kennedy believes a fresh start will help him and his young son Jake heal. A new beginning, a new house, a new town. Featherbank. But the town has a dark past. Twenty years ago, a serial killer abducted and murdered five residents. Until Frank Carter was finally caught, he was nicknamed "The Whisper Man," for he would lure his victims out by whispering at their windows at

night. Just as Tom and Jake settle into their new home, a young boy vanishes. His disappearance bears an unnerving resemblance to Frank Carter's crimes, reigniting old rumors that he preyed with an accomplice. Now, detectives Amanda Beck and Pete Willis must find the boy before it is too late, even if that means Pete has to revisit his great foe in prison: The Whisper Man. And then Jake begins acting strangely. He hears a whispering at his window

### **Algebra and Trigonometry**

From William C. Morris Award Finalist S.K. Ali comes an unforgettable romance that is part *The Sun Is Also a Star* mixed with *Anna and the French Kiss*, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb's teacher, who won't stop reminding the class how "bad" Muslims are. But Zayneb, the only Muslim in class, isn't bad. She's angry. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt's house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, "nicer" version of herself in a place where no one knows her. Then her path crosses with Adam's. Since he got diagnosed with multiple sclerosis in November, Adam's stopped going to

classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam's also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing roles for others, keeping their real thoughts locked away in their journals. Until a marvel and an oddity occurs...  
Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting.

### **The Art of Frozen**

### **What Mummy Makes**

A NEW EDITION UPDATED IN 2020 • Why is it so hard to say "I made a mistake" — and really believe it? When we make mistakes, cling to outdated attitudes, or mistreat other people, we must calm the cognitive dissonance that jars our feelings of self-worth. And so, unconsciously, we create fictions that absolve us of responsibility, restoring our belief that we are smart, moral, and right—a belief that often keeps us on a course that is dumb, immoral, and wrong. Backed by decades of research, *Mistakes Were Made (But Not by*

Me) offers a fascinating explanation of self-justification—how it works, the damage it can cause, and how we can overcome it. Extensively updated, this third edition has many recent and revealing examples, including the application of dissonance theory to divisive social issues such as the Black Lives Matter movement and he said/she said claims. It also features a new chapter that illuminates how cognitive dissonance is playing a role in the currently polarized political scene, changing the nation's values and putting democracy itself at risk. "Every page sparkles with sharp insight and keen observation. Mistakes were made—but not in this book!" —Daniel Gilbert, author of *Stumbling on Happiness* "A revelatory study of how lovers, lawyers, doctors, politicians—and all of us—pull the wool over our own eyes . . . Reading it, we recognize the behavior of our leaders, our loved ones, and—if we're honest—ourselves, and some of the more perplexing mysteries of human nature begin to seem a little clearer." —Francine Prose, *O, The Oprah Magazine*
