### **Wicked Cravings**

Lily Hinsdale spends her California days designing extravagant hotels for Utopia Resorts. Her nights are filled with the glitz and glamour of upscale parties. Until her grandmother dies and leaves Lily property in wretched Vermont. The woods mean only one thing to Lily—nightmares. When Utopia wants the land for development, Lily is forced to travel to a place she'd rather forget. Rick Stannard makes maple syrup and builds barns in the peace and quiet of picturesque Vermont. Noisy New York City nearly killed him a few years back, and now he lives a calm, simple life with his coyote, Poe, and his beloved book collection. It's the only way he's guaranteed to wake up each morning. When Lily marches her expensive boots onto Rick's land and proposes turning it into a mega resort, the serenity of the woods is shattered. Lily always closes a deal. Rick never intends to sell. They'll need to compromise, or someone else will do it for them. Someone who is not afraid of the woods or the city. Or spilling a little blood.

"Schone tests the boundaries of romance fiction." --The Literary Times Even Desire Has Its Price. . . Thirty-six year old Anne Aimes is a spinster whose only attraction is her wealth. But her plain looks mask a passionate woman who yearns to know a man's intimate caresses. Michel des Anges--Michael of the Angels--is renowned for his ability to bring women to pleasure. All it will cost her is ten thousand pounds. . . Driven by vengeance, ravaged by tragedy, Michael seeks to lose himself in a woman who will demand only physical pleasure. A woman who won't suspect his own aching needs--or his true motive for accepting her terms. Unable to resist the lure of Anne's guileless desire, he plunges her into a deadly web of deception and revenge where the price of carnal ecstasy is life itself. . . Praise for Robin Schone's The Lady's Tutor "Takes the reader on a sweeping adventure into the very heart of sensuality and the nature of passion." --RT Book Reviews "Be prepared for romantic erotica the way it should be written. . .truly captivating." --theromancereader.com, 5 Hearts 125,000 Words

Twelve-year-old Amy Candler is perfect in every way. She has superhuman powers: Amy can perform like an Olympic gymnast, she knows the answer to every question in her classes, and she can see and hear things from a distance out of range for a normal person. But the one thing Amy cannot do is remember anything about her past. All she knows is that she keeps having a recurring nightmare that seems almost too real. She has a birthmark she is certain wasn't there yesterday, a strange man is taking pictures of her, and she keeps getting anonymous warnings to keep her talents to herself. Amy is in a race against time to piece together her identity before it is too late!

An Unconventional Wallflower... Clarissa Ruthven was born to be a proper lady, but she's never wanted to live up to the

expectations her late father set. Determined to use her inheritance to help the less fortunate women of London, she's devastated to learn that she won't be inheriting anything until she marries, a fate she has no interest in. Unwilling to let go of her plans, Clary works at Ruthven Publishing for Gabriel Adamson, a man who's always hated her. She's always returned the feeling, but as she begins to turn her family's publishing company upside down, she finds herself unable to forget her handsome boss. Never Follows the Rules... Gabriel Adamson believes in order. He certainly doesn't believe Clary should be sticking her nose in the publishing company, and she definitely has no business invading his every thought. But Gabe soon finds he can't resist Clary's sense of freedom or her passionate kisses and he starts to crave everything she's willing to give him. Especially When It Comes to Love... When Gabe's dark past comes back to haunt him, he'll do anything to make sure that Clary isn't hurt...even if it means giving up the only woman he's ever loved.

At the world's most exclusive law school, there's a secret society rumored to catapult its members to fame and fortune. Everyone is dying to get in . . . Jeremy Davis is the rising star of his first-year class. He's got a plum job with the best professor on campus. He's caught the eye of a dazzling Rhodes scholar named Daphne. But something dark is stirring behind the ivy. When a mysterious club promises success beyond his wildest dreams, Jeremy uncovers a macabre secret older than the university itself. In a race against time, Jeremy must stop an ancient ritual that will sacrifice the lives of those he loves most and blur the lines between good and evil. In this extraordinary debut thriller, Danny Tobey offers a fascinating glimpse into the rarefied world of an elite New England school and the unthinkable dangers that lie within its gates. He deftly weaves a tale of primeval secrets and betrayal into an ingenious brain teaser that will keep readers up late into the night. Packed with enigmatic professors, secret codes, hidden tunnels, and sinister villains, *The Faculty Club* establishes Danny Tobey as this season's most thrilling new author.

Rethinking the category of aesthetics in light of recent developments in literary theory and social criticism, the contributors to this volume showcase the interpretive possibilities available to those who bring politics, culture, ideology, and conceptions of identity into their critiques. Essays combine close readings of individual works and authors with more theoretical discussions of aesthetic theory and its relation to American literature. In their introduction, Weinstein and Looby argue that aesthetics never left American literary critique. Instead, the essay casts the current "return to aesthetics" as the natural consequence of shortcomings in deconstruction and new historicism, which led to a reconfiguration of aesthetics. Subsequent essays demonstrate the value and versatility of aesthetic considerations in literature, from eighteenth-century poetry to twentieth-century popular music. Organized into four groups -- politics, form, gender, and theory -- contributors revisit the canonical works of Henry James, Nathaniel Hawthorne, and Stephen Crane, introduce the overlooked texts of Constance Fenimore Woolson and Earl Lind, and unpack the complexities of the music of The Carpenters. Deeply rooted in

an American context, these essays explore literature's aesthetic dimensions in connection to American liberty and the formation of political selfhood. Contributors include Edward Cahill, Ivy G. Wilson, June Ellison, Dorri Beam, Christopher Castiglia, Christopher Looby, Wendy Steiner, Cindy Weinstein, Trish Loughran, Jonathan Freedman, Elisa New, Dorothy Hale, Mary Esteve, Eric Lott, Sianne Ngai

For years, wolf shifter Jaime Farrow has harbored a not-so-secret crush on gorgeous Dante Garcea. But the time has come for Jaime to face facts: despite her best efforts, Dante just isn't interested. And that's probably for the best. The last thing Jaime needs is for anyone--particularly Dante--to find out about her little "problem"--the one that haunts her past and threatens to destroy her and everyone she loves. As the pack Beta, workaholic Dante Garcea is responsible for the protection and safety of his entire pack and doesn't have time for distractions--especially the kind promised by Jaime Farrow. It's all he can do to keep her at arm's length and his own desire at bay. Yet when her flirtations abruptly end, Dante becomes suspicious. If a wolf is hiding something that could endanger the others, it's his business to know about it. And she is hiding something, something big, and unless he can convince her to trust him, their entire pack could be in danger. But after years of keeping her--and his desire--at arm's length, he is forced to confront the danger she poses to their pack and the passion smoldering between them. He knows hot-headed Jaime will resist him but Dante never takes no for an answer.--

Anjali Bose's prospects don't look great. Born into a traditional lower-middle-class family, she lives in a backwater town with only an arranged marriage on the horizon. But her ambition, charm, and fluency in language do not go unnoticed by her charismatic and influential expat teacher Peter Champion. And champion her he does, both to powerful people who can help her along the way and to Anjali herself, stirring in her a desire to take charge of her own destiny. So she sets off to Bangalore, India's fastest-growing metropolis, and soon falls in with an audacious and ambitious crowd of young people, who have learned how to sound American by watching shows like Seinfeld in order to get jobs in call centers, where they quickly out-earn their parents. And it is in this high-tech city where Anjali — suddenly free of the confines of class, caste, and gender — is able to confront her past and reinvent herself. Of course, the seductive pull of life in the New India does not come without a dark side . . .

World Bank Discussion Paper No. 302. Presents an alternative way of financing development in Sub-Saharan Africa in order to address the shortcomings of past investment lending. This study discusses sector investment programs (SIPs) as an alternative way of financing development in Sub-Saharan Africa in order to address the shortcomings of past investment lending in the region. The report examines the nature and features of SIPs by drawing on the limited experience with such operations in a number of countries to date, including Bangladesh, Mozambique, Pakistan, Tanzania, and Zambia. A SIP is

distinguished by its comprehensive sector coverage, by close coordination among all parties, including stakeholders and donors, and by the requirement that it be formulated under local ownership and management

The history of the Mercedes provides the thread for this book that narrates the early history of automobile racing from the beginnings in 1895 until the First World War in 1915 when racing temporarily ceased. The book focuses on the races themselves, the drivers and mechanics, the engineers in the background and the technical progress of the cars. Automobile racing had its origins in Paris, and French marques and the Automobile Club de France were dominating the scene. But in 1901 a foreign troublemaker emerged, the Mercedes. This German machine was to play a leading role, its career and evolution becoming an image of the whole period. The individuals who built and drove these early racers laid the foundation of a new industry, conceived the modern, high-performance engine, and gave magic to a series of races, which drew ever more spectators and thrilled entire nations. This richly illustrated history answers many questions from this time in automotive history. Early chapters discuss the marketing of the original Daimler engine in France, the position and influence of Emil Jellinek and Wilhelm Maybach, and the great town-to-town and Gordon Bennett races. Later chapters focus on the French Grand Prix, the great crisis of 1909, the voiturette movement, the Mercedes and Benz successes in America, including the record attempts of the Blitzen Benz, and the role of Ernest Henry in the development of the revolutionary Peugeot. Final chapters describe the career of the 4.5-litre Mercedes and its impact on future designs.

This book is an attempt to read the poems of Gaius Valerius Catullus in his own context; to look at the poet and his works against the cultural realities of the first century BC as recent advances in historical research allow us to understand them. Catullus' own social background, the circumstances of the literary life of his time, the true extent of his works and the

variety of audiences he addressed - these and other questions are explored by Professor Wiseman with new and startling results. Contemporary high society and politics are illustrated through Clodia and Caelius Rufus, considered not as mere adjuncts to Catullus' story but as significant historical personalities in their own right. A final chapter on nineteenth- and twentieth-century interpretations of Catullus' world shows how anachronistic preconceptions have prevented a proper understanding of it, and made this radical reappraisal necessary. Anyone with a serious interest in Latin literature or Roman history will want to read this book. Students in the upper levels of school or at university will find it essential background reading to their work on Catullus and Cicero's Pro Caelio.

Graphic Violence provides an innovative introduction to the relationship between violence and visual media, discussing how media consumers and producers can think critically about and interact with violent visual content. It comprehensively surveys predominant theories of media violence and the research supporting and challenging them, addressing issues ranging from social learning, to representations of war and terrorism, to gender and hyper-masculinity. Each chapter features original artwork presenting a story in the style of a graphic novel to demonstrate the concepts at hand. Truly unique in its approach to the subject and medium, this volume is an excellent resource for undergraduate students of communication and media theory as well as anyone interested in understanding the causes and effects of violence in media.

## **Nasty People**

Tracing its distant origins to the villa of the Roman emperor Hadrian in the second century AD, the eccentric phenomenon of the ornamental hermit enjoyed its heyday in the England of the eighteenth century. It was at this time that it became highly fashionable for owners of country estates to commission architectural follies for their landscape gardens. These follies often included hermitages, many of which still survive, often in a ruined state. Landowners peopled their hermitages either with imaginary hermits or with real hermits - in some cases the landowner even became his own hermit. Those who took employment as garden hermits were typically required to refrain from cutting their hair or washing, and some were dressed as druids. Unlike the hermits of the Middle Ages, these were wholly secular hermits, products of the eighteenth century fondness for 'pleasing melancholy'. Although the fashion for them had fizzled out by the end of the eighteenth century, they had left their indelible mark on both the literature as well as the gardens of the period. And, as Gordon Campbell shows, they live on in the art, literature, and drama of our own day - as well as in the figure of the modern-day garden gnome. This engaging and generously illustrated book takes the reader on a journey that is at once illuminating and whimsical, both through the history of the ornamental hermit and also around the sites of many of the surviving hermitages themselves, which remain scattered throughout England, Scotland, and Ireland. And for the real enthusiast, there is even a comprehensive checklist, enabling avid hermitage-hunters to locate their prey.

When committed agnostic Gabriel Stone's wife dies in an unlikely airline disaster, he pours himself into the writing of a story that has haunted him since his youth--a novel his devout wife had warned him never to finish. Inspired by a visit to the island of Patmos, he is fascinated with the visions beheld there by St. John The Divine while in political exile for his beliefs. Those visions included terrifying events delivered by what John described as "seven thunders," which he was instructed to withhold, to seal up and "write them not" (Revelation 10:4). As Stone becomes entrenched in his speculative interpretation of what those visions might have been, an embedded code within the Book of Revelation itself reveals startling connections to covert operations that are about to tear the world's political landscape to shreds, perhaps signaling the beginning of the prophesied end of times. As Stone's novel nears publication, he finds himself the pawn in a war between superpowers and supernatural forces, each hoping to control the book, each driven by hidden agendas beyond Stone's comprehension. Facing choices that are at once spiritual and life-dependent, with global stakes pivoting on his ability to accept the unbelievable and stop the unthinkable, *The Seventh Thunder* is a secular thriller that stops at nothing short of our very souls hanging in the balance, while ringing frighteningly relevant to today's headlines. Winner of the 2010 Next Generation Indie Book Award for best novel in the SUSPENSE/THRILLER category.
