Highways & Road Construction

Building Giant Earthmovers

Transdex Index

The South African Sugar Journal

This directory gives the reader data on railway systems and railway equipment manufacturers across the globe. The text is split into two sections: a country-by-country listing of the railway systems of the world, and the railway manufacturing and services industries.

The Mining Magazine

International Directory of Company Histories

Implement & Tractor Red Book

World Mining

An inside look at the factories that forge the giant machines of today's mining, logging, and construction industries.

The Dock and Harbour Authority

"This colossal reference book documents the timeless urge to reshape the world, and the machines used to do so from the 1088's to today. From utility tractors and loaders up to the largest diggers and bulldozers, every piece of heavy equipment is listed here by model and manufacturer, making this the most exhaustive book on the world's most hard-working vehicles and machines"--Publisher's description.
