Manual of Temporomandibular Disorders, Third Edition, provides comprehensive, evidence-based information on temporomandibular disorders (TMD). Focusing on clinically relevant information throughout, the book allows dentists to diagnose TMD accurately, rule out disorders that mimic TMD, and provide effective therapy for most patients. Useful features, such as frequently asked questions, quick consults, technical tips, and focal points are integrated to help the clinician find precise answers with ease. Case scenarios provide the reader with a way to enhance their clinical reasoning skills, with a focus on solving TMD problems at chairside. Offering comprehensive coverage in a highly-illustrated, compact

package, Manual of Temporomandibular Disorders is the ideal source for dentists dealing patients suffering from TMD.

Interest in sustainable, green building practices is greater than ever. Whether concerned about allergies, energy costs, old-growth forests, or durability and long-

term value, homeowners and builders are looking for ways to ensure that their homes are healthy, safe, beautiful and efficient. In these pages are descriptions and manufacturer contact information for more than 1,400 environmentally preferable products and materials. All phases of residential construction, from sitework to flooring to renewable energy, are covered. Products are grouped by function, and each chapter begins with a discussion of key environmental considerations, and what to look for in a green product. Over 40% revised, this updated edition includes over 120 new products. Categories of products include: Sitework and landscaping Outdoor structures Decking Foundations, footers and slabs Structural systems and components Sheathing Exterior finish and trim Roofing Doors and windows Insulation Flooring and floor coverings Interior finish and trim Caulks and adhesives Paints and coatings Mechanical systems/HVAC Plumbing, electrical and lighting Appliances Furniture and furnishings Renewable energy Distributors and retailers An index of products and manufacturers makes for easy navigation. There is no more comprehensive resource for both the engaged homeowner and those who design and build homes.
