### Sylvia Beach and the Lost Generation

L.J. Davis's 1971 novel, *A Meaningful Life*, is a blistering black comedy about the American quest for redemption through real estate and a gritty picture of New York City in collapse. Just out of college, Lowell Lake, the Western-born hero of Davis's novel, heads to New York, where he plans to make it big as a writer. Instead he finds a job as a technical editor, at which he toils away while passion leaks out of his marriage to a nice Jewish girl. Then Lowell discovers a beautiful crumbling mansion in a crime-ridden section of Brooklyn, and against all advice, not to mention his wife's will, sinks his every penny into buying it. He quits his job, moves in, and spends day and night on demolition and construction. At last he has a mission: he will dig up the lost history of his house; he will restore it to its past grandeur. He will make good on everything that's gone wrong with his life, and he will even murder to do it. From the Trade Paperback edition.

### Loving Picasso

Françoise Gilot met Picasso during the German occupation of Paris, she was twenty-one, he was sixty-two. For nearly a decade, Gilot shared her life with this giant of the art world, giving birth to two of his children, working as his model, and sharing his world. This uniquely candid and vivid memoir takes readers behind the Picasso legend to meet the man.

### Picasso, Women

The text was originally published with other illustrations in 1983 by Harry N. Abrams Inc. Here it is repackaged with reproductions of over 65 paintings by Françoise Gilot (the paintings were created independently--not expressly for the

book). Neither the text nor the artwork are conventional explications of how the gods were understood by the Greeks, but rather, both writer and artist offer personal interpretations of each god's character, power, and meaning. Annotation copyright by Book News, Inc., Portland, OR

WINNER OF THE 2019 NATIONAL BOOK AWARD FOR FICTION • “Electrifying” (People) • “Masterly” (The Guardian) • “Dramatic and memorable” (The New Yorker) • “Magic” (TIME) • “Ingenious” (The Financial Times) • “A gonzo literary performance” (Entertainment Weekly) • “Rare and splendid” (The Boston Globe) • “Remarkable” (USA Today) • “Delicious” (The New York Times) • “Book groups, meet your next selection” (NPR) In an American suburb in the early 1980s, students at a highly competitive performing arts high school struggle and thrive in a rarified bubble, ambitiously pursuing music, movement, Shakespeare, and, particularly, their acting classes. When within this striving “Brotherhood of the Arts,” two freshmen, David and Sarah, fall headlong into love, their passion does not go unnoticed—or untold—by anyone, especially not by their charismatic acting teacher, Mr. Kingsley. The outside world of family life and economic status, of academic pressure and of their future adult lives, fails to penetrate this school’s walls—until it does, in a shocking spiral of events that catapults the action forward in time and flips the premise upside-down. What the reader believes to have happened to David and Sarah and their friends is not entirely true—though it’s not false, either. It takes until the book’s stunning coda for the final piece of the puzzle to fall into place—revealing truths that will resonate long after the final sentence. As captivating and tender as it is surprising, Susan Choi's Trust Exercise will incite heated conversations about fiction and truth, and about friendships and loyalties, and will leave readers with wiser understandings of the true capacities of adolescents and of the powers and responsibilities of adults.

### **Picasso's Ghost**

One of *Vogue's* Best Books of 2019 “Incisive, funny, and tinged with melancholy, the timely novel follows two lost but clever souls desperate for connection.” —*Entertainment Weekly* June Bloom is twenty-nine, broke, and an aspiring comedy writer. Hugo Best is a beloved late-night TV icon and notorious womanizer who invites her to his mansion for Memorial Day weekend. This is the story of their four days together, a “zippy...magnificent...devilishly fun ride” (*Vogue*). When June Bloom, an assistant on the late-night comedy show, *Stay Up with Hugo Best*, runs into Hugo himself at an open mic

following his unexpected retirement, she finds herself fielding a surprising invitation: Hugo asks June to come to his mansion in Greenwich for the long Memorial Day weekend. “No funny business,” he insists. “Incisive, funny, and tinged with melancholy, this timely novel follows two lost but clever souls desperate for connection” (Entertainment Weekly). June, in need of a job and money, but harboring the remains of a childhood crush on the charming older comedian and former role model, is confident she can handle herself. She accepts. As the weekend unfolds and the enigmatic Hugo gradually reveals appealingly vulnerable facets to his personality, their dynamic proves to be much more complicated and less predictable than June imagined. “A witty and subtle commentary on sex, power, and social politics” (Refinery 29) and “an outstanding comedic debut” (Kirkus Reviews, starred review), *Stay Up with Hugo Best* announces a gloriously irreverent, bold, and winning new voice in fiction.

## **Picasso & Lump**

“[A] spirited and deeply researched project. [Benkemoun’s] affection for her subject is infectious. This book gives a satisfying treatment to a woman who has been confined for decades to a Cubist’s limited interpretation.” — Joumana Khatib, *The New York Times* Merging biography, memoir, and cultural history, this compelling book, a bestseller in France, traces the life of Dora Maar through a serendipitous encounter with the artist’s address book. In search of a replacement for his lost Hermès agenda, Brigitte Benkemoun’s husband buys a vintage diary on eBay. When it arrives, she opens it and finds inside private notes dating back to 1951—twenty pages of phone numbers and addresses for Balthus, Brassai, André Breton, Jean Cocteau, Paul Éluard, Leonor Fini, Jacqueline Lamba, and other artistic luminaries of the European avant-garde. After realizing that the address book belonged to Dora Maar—Picasso’s famous “Weeping Woman” and a brilliant artist in her own right—Benkemoun embarks on a two-year voyage of discovery to learn more about this provocative, passionate, and enigmatic woman, and the role that each of these figures played in her life. Longlisted for the prestigious literary award Prix Renaudot, *Finding Dora Maar* is a fascinating and breathtaking portrait of the artist. This work received support from the French Ministry of Foreign Affairs and the Cultural Services of the French Embassy in the United States through their publishing assistance program.

## **Picassos Women**

The author sets out to capture Picasso's early life in this biography, exploring the originality of his art and ambition. At the heart of the interpretation is Picasso's first great love, Fernande Olivier, with whom the artist lived for seven years - a period which included his most revolutionary works. Fernande is given her own voice by way of excerpts from her candid memoirs. Including the artist's friendships with Apollinaire and Gertrude Stein, the book evokes the atmosphere of bohemian life in Paris in the early 1900s.

## **Trust Exercise**

A collection of memorabilia brings together the art of the Surrealist photographer and artist while documenting her seven-year affair with Pablo Picasso and considering her role as a friend and sexually unconventional woman.

## **Interface**

A tribute to the renowned Picasso biographer Sir John Richardson (1924-2019), whose intimate account of the artist's life forever changed the understanding of Picasso's art. "The inspiration of nearly all his work comes from his daily life," the acclaimed Picasso biographer John Richardson wrote of the artist in 1962. This was nowhere more true than in Picasso's portraits of women. This volume traces the artist's depictions of eight women who played a prominent role in the artist's life and art: Fernande Olivier, Olga Khokhlova Picasso, Sara Murphy, Marie-Thérèse Walter, Dora Maar, Françoise Gilot, Sylvette David, and Jacqueline Roque Picasso. Each woman served as a catalyst for experiments in color and form that would continue to change as the contours of the relationship shifted. It is through this process that Picasso's work was constantly reinvented and renewed. Published in association with an exhibition organized in honor of the late art historian and biographer, this book features reproductions of thirty-six paintings and sculptures; an extensive two-part newspaper article by Richardson written in 1962, "Picasso in Private"; and an illustrated chronology of the extraordinary exhibitions of Picasso's work curated by Richardson at Gagosian between 2009 and 2018.

## **Matisse and Picasso**

Winner of the 2016 Marfield Prize In 1902, Rainer Maria Rilke—then a struggling poet in Germany—went to Paris to research and write a short book about the sculptor Auguste Rodin. The two were almost polar opposites: Rilke in his twenties, delicate and unknown; Rodin in his sixties, carnal and revered. Yet they fell into an instantaneous friendship. Transporting readers to early twentieth-century Paris, Rachel Corbett's *You Must Change Your Life* is a vibrant portrait of Rilke and Rodin and their circle, revealing how deeply Rodin's ideas about art and creativity influenced Rilke's classic *Letters to a Young Poet*.

## **A Life of Picasso**

Pablo Picasso called Françoise Gilot "The Woman Who Says No." Tiny, talented, and feisty, and an accomplished artist in her own right, Gilot left Picasso after a ten-year relationship, the only woman to escape his intense attentions unscathed. From 2012 to 2014, German journalist and author Malte Herwig dropped by her ateliers in Paris and New York to chat with her about life, love, and art. She shared trenchant observations, her sharp sense of humor, and over ninety years of experience, much of it in the company of men who changed the world: Picasso, Matisse, and her second husband, the famous virologist Jonas Salk, developer of the polio vaccine. Never one to stand in the shadows, Gilot engaged with groundbreaking artists and scientists on her own terms, creating from these vital interactions an artistic style all her own, translated into an enormous collection of paintings and drawings held by private collectors and public museums around the world. In her early nineties, she generously shared her hospitality and wisdom with Herwig, who started out as an interviewer but found himself drawn into the role of pupil as Gilot, whom he called "a philosopher of joy," shared with him different ways of seeing the world.

## **About Women**

A captivating meditation on the power of the sentence by the author of *Essayism*, a 2018 New Yorker book of the year. In *Suppose a Sentence*, Brian Dillon, whom John Banville has called “a literary flâneur in the tradition of Baudelaire and Walter Benjamin,” has written a sequel of sorts to *Essayism*, turning his attention to the oblique and complex pleasures of the sentence. A series of essays prompted by a single sentence—from Shakespeare to James Baldwin, John Ruskin to Joan Didion—this new book explores style, voice, and language, along with the subjectivity of reading. Both an exercise in practical criticism and a set of experiments or challenges, *Suppose a Sentence* is a polemical and personal reflection on the art of the sentence in literature.

## **Life with Picasso**

Picasso's Ghost tells the amazing true story of author, actress and model Carole Mallory, who fell in love with Picasso's son Claude as he whirled her around a Manhattan dance floor, her heart lost in the rhythm of Gloria Gaynor's "I Will Survive." This up-and-down relationship coincided with her career as a supermodel gracing the covers of Cosmopolitan, New York Magazine, and her work in such iconic films as The Stepford Wives and Looking for Mr. Goodbar. Her adventures in Hollywood, New York and Paris with such stellar lovers as Peter Sellers, Robert de Niro, Rod Stewart, Richard Gere and Norman Mailer make for an exciting and erotic read that will make the reader cheer for Mallory's eventual happy ending. "The blow Carole suffered, the lobotomization of her once bright and charming father, could not have been more severe. It takes more than courage to survive a horror on that scale. I suggest that she was gifted as well, as an actress and as a keen observer, too, as a potential journalist and social commentator," Kurt Vonnegut

## **The Vanishing Sky**

For readers of Warlight and The Invisible Bridge, an intimate, harrowing story about a family of German citizens during World War II. Included in the New York Times Book Review's Summer Reading Guide for Historical Fiction "There was no shelter without her sons." In 1945, as the war in Germany nears its violent end, the Huber family is not yet free of its dangers or its insidious demands. Etta, a mother from a small, rural town, has two sons serving their home country: her elder, Max, on the Eastern front, and her younger, Georg, at a school for Hitler Youth. When Max returns from the front, Etta quickly realizes that something is not right—he is thin, almost ghostly, and behaving very strangely. Etta strives to protect him from the Nazi rule, even as her husband, Josef, becomes more nationalistic and impervious to Max's condition. Meanwhile, miles away, her younger son Georg has taken his fate into his own hands, deserting his young class of battle-bound soldiers to set off on a long and perilous journey home. The Vanishing Sky is a World War II novel as seen through a German lens, a story of the irreparable damage of war on the home front, and one family's participation—involuntary, unseen, or direct—in a dangerous regime. Drawing inspiration from her own father's time in the Hitler Youth, L. Annette Binder has crafted a spellbinding novel about the choices we make for country and for family.

Picasso: L'Époque Françoise presents for the first time several of Gilot's paintings and

drawings from the period alongside Picasso's when the young painter was maturing while the elder continued to change the face of modern art. The fully illustrated catalogue includes a historic dialogue between Richardson and Gilot celebrating Picasso's innovation in every medium during the postwar years of renewal.

## **The Picasso Book**

Marina Picasso remembers being six years old and standing awkwardly in front of the gates of Picasso's grand house near Cannes. She was there with her father and eight-year-old brother to collect from her grandfather the weekly allowance that Picasso grudgingly gave his eldest son to support his family. Sometimes they were sent away and on other occasions, the gates would be opened and they would walk into the intimidating, exciting chaos of Picasso's studio to face the man himself and his unpredictable moods. Looking back, Marina can understand why Picasso had so little interest in his grandchildren; but at the time, she and her brother longed for him to love and understand them. Just a few miles away down the Côte d'Azur, they led a hand-to-mouth existence. Her father was a weak man, reliant on his father for everything and her mother lived in her own fantasy world; the family were therefore utterly dependent on Picasso. People assumed they were rich and privileged because they were Picassos and they were to live their lives under the burden of these assumptions. It was this that caused Marina's brother to commit suicide and when her father died Marina found herself in the ironic position of being one of the major heirs to Picasso's estate.
