Todd Dobson, computer honcho from New York City, is in the small town of Willowdale to install a computer system in Hiram Paige's library. He falls head over heels in love with the library assistant. Todd proposes right then and there and, to her own surprise, Harriet invites him home to face her family. Confronted with Harriet's almost engaged to boyfriend Mitch, sister Judith Ann's casseroles, grandmother Hortense who has her eye on Hiram, and a mother who never smiles, Todd realizes this isn't going to be easy. This lighthearted comedy about love in the computer age reminds us that laughter makes love sweet, that there are still large pleasure in small town life, and that a loving family can still make the most important word in the world "home." --From publisher's description.

When Judith G. Coffin discovered a virtually unexplored treasure trove of letters to Simone de Beauvoir from Beauvoir's international readers, it inspired Coffin to explore the intimate bond between the famed author and her reading public. This correspondence, at the heart of Sex, Love, and Letters, immerses us in the tumultuous decades from the late 1940s to the 1970s—from the painful aftermath of World War II to the horror and shame of French colonial brutality in Algeria and through the dilemmas and exhilarations of the early gay liberation and feminist movements. The letters also provide a

glimpse into the power of reading and the power of readers to seduce their favorite authors. The relationship between Beauvoir and her audience proved especially long, intimate, and vexed. Coffin traces this relationship, from the publication of Beauvoir's acclaimed *The Second Sex* to the release of the last volume of her memoirs, offering an unfamiliar perspective on one of the most magnetic and polarizing philosophers of the twentieth century. Along the way, we meet many of the greatest writers of Beauvoir's generation—Hannah Arendt; Dominique Aury, author of *The Story of O*; François Mauriac, winner of the Nobel Prize and nemesis of Albert Camus; Betty Friedan; and, of course, Jean-Paul Sartre—bringing the electrically charged salon experience to life. *Sex, Love, and Letters* lays bare the private lives and political emotions of the letter writers and of Beauvoir herself. Her readers did not simply pen fan letters but, as Coffin shows, engaged in a dialogue that revealed intellectual and literary life to be a joint and collaborative production. "This must happen to you often, doesn't it?" wrote one. "That people write to you and tell you about their lives?"

To tickle the humor of today's audiences, Volpone has been moved from 17th century Venice to turn of the century San Francisco. Volpone is now called Foxwell J. Sly and he is the same scheming, rapacious miser bent on extracting fortunes from a trio of rich, greedy opportunists. Sly, pretending to be on his death bed, says he will name each of the three as his sole heir. The extent that the trio will go to acquire Sly's fortune knows no bounds. One goes so far as to disinherit his only son; another offers up his wife to the lecherous Sly. Sly is aided and abetted by his conniving servant in grabbing the other men's gold.

Is sex wasted on the young? Marj Thoburn thinks it might be. This complete guide to sex, loving and relationships for the 50s-80s age group is a positive, constructive and celebratory guide which suggests that life - and loving sex - BEGIN at 50+. Inside every older person is a young person trying to come to terms with ageing. This book looks at the physical and psychological changes that may present challenges to older couples and provides practical exercises and strategies for coping, and learning, together. For example: How do you maintain your self-esteem when your body stops responding the way it used to? What can you do if your partner seems more attracted to people who are younger than you? How do you begin a new relationship if you find yourself divorced, separated, widowed or single in later life? How do you begin to get to know each other again once the children have left home? Written with understanding and humour, and drawing on a wide

Life Is Too Short for Long Stories

Harper's Weekly

Foreword by Actress Kim Coles. The U.S. boasts the highest divorce rate of any country in the world and some of the highest relationship dissatisfaction rates. Yet, despite the endless amounts of advice and experts available to us, we continue to experience increasing levels of frustration, conflict, emotional breakdown, and failure in our relationships. What are we missing? What continues to elude us? What is inherently wrong with our understanding of what makes love relationships work? Debrena Jackson Gandy, two-time national best-selling author and founder of The Love Academy addresses these questions and the root causes of this massive breakdown in relationships in our country. Most of the advice and models given to American women only address the symptoms of this epidemic, usually applying simplified how-to techniques that tend to lead to more confusion than resolution. These are band-aids, and ineffective ones at that. The Love Lies delves deeper to unearth ten toxic beliefs that have been instilled in women since pre-school, influencing us through a

The Love Lies sets women free from chronic cycles of dissatisfaction and disappointment and offers a proven process to dismantle the lies, heal the mind and heart, and transform the American relationship paradigm forever.

Some church leaders assert that same-sex practices are incompatible with Christian teaching. The issues threaten to divide our churches and our nation. Michael B. Regele explores current scientific findings in biological brain research, psychology, and sociology, which he compares with scriptural teaching from the Bible, to show that a faithful reading of the Scriptures is consistent with Christian teaching that affirms same-sex love leading to same-sex marriage and full participation of LGBT people in church leadership. Regele offers compelling research and well-supported answers to common-place questions such as: Is sexual orientation a choice that individuals make? Is same sex attraction sinful in itself? Is it true that lesbian, gay, bi-sexual, and transgender (LGBT) people are more promiscuous than heterosexual people? Is it true that same-sex relationships do not last as long as hetero-sex relationships? Is abstinence for life the only choice for a Christian LGBT person? Or can they enter into intimate and sexual relationships and still be active participants in a Christian community? Is same-gender marriage acceptable from a Christian standpoint?

La Ronde

The River King

At forty-three, Myriam has been a wife, mother, and lover—but never a restaurateur. When she opens Chez Moi in a quiet neighborhood in Paris, she has no idea how to run a business, but armed only with her love of cooking, she is determined to try. Barely able to pay the rent, Myriam secretly sleeps in the dining room and bathes in the kitchen sink, while struggling to come to terms with the painful memories of her past. But soon enough her delectable cuisine brings her many neighbors to Chez Moi, and Myriam finds that she may get a second chance at life and love. Redolent with the sights, smells, and tastes of Paris, Chez Moi is a charming story that will appeal to the many readers who fell in love with Joanne Harris's *Chocolat* and Laura Esquivel's *Like Water for Chocolate*.

Love by the Numbers

For the Puritan separatists of seventeenth-century New England, "godliness," as manifested by the body, was the sign of election, and the body, with its material demands and metaphorical significance, became the axis upon which all colonial activity and religious meaning turned. Drawing on literature, documents, and critical studies of embodiment as practiced in the New England colonies, Martha L. Finch launches a fascinating investigation into the scientific, theological, and cultural conceptions of corporeality at a pivotal moment in Anglo-Protestant history. Not only were settlers forced to interact bodily with native populations and other "new world" communities, they also fought starvation and illness; were whipped, branded, hanged, and murdered; sang, prayed, and preached; engaged in sexual relations; and were baptized according to their faith. All these activities shaped the colonists' understanding of their existence and the godly principles of their young society. Finch focuses specifically on Plymouth Colony and those who endeavored to make visible what they believed to be God's divine will. Quakers, Indians, and others challenged these beliefs, and the constant struggle to survive, build cohesive communities, and regulate behavior forced further adjustments. Merging theological, medical, and other positions on corporeality with testimonies on colonial life, Finch brilliantly complicates our encounter with early Puritan New England.

Just as he used the latest brain science to help tens of thousands reverse the effects of aging and achieve lasting weight loss, Dr. Eric Braverman now uses the most up-to-date research on hormones and the brain to explain how great sex contributes to great health, and vice versa. He explains that sexuality plays a huge role in keeping us young, fit, and healthy—helping with everything from cognitive function to stress reduction to appetite control. It has even been shown to increase levels of hormones that protect against infections and cancer. Furthermore, preserving a good sex life is an important factor in maintaining a loving relationship and curbing the urge to stray that can lead to unfaithfulness and disappointment. Beginning with a discussion of the brain and an explanation of sex codes, or how individuals personally view and approach sex, and a quiz to help each reader determine her specific sex code, Braverman looks closely at the major hormones involved with sexual activity and explains how to make permanent changes to four main areas affected by the aging process: libido, creativity, stamina, and satisfaction—for an additional 7-10 years of great sex. With information and advice to address the health concerns of men and women alike, *Younger (Sexier) You* will help every couple achieve greater pleasure and intimacy; showing them that the most effective way to remain young and sexy just might be the most pleasurable.

The Mediterranean Love Plan unveils the “7 Secrets of Passion” from some of the most romantic countries in the world: Italy, France, Spain, Greece and Israel. Most couples marry in a flurry of passion, but soon find themselves wondering “How do we keep love interesting, fun and romantic? How do we keep the spark growing for decades?” Steve and Misty Arterburn offer unique, ground-breaking answers to these age-old questions. Romance is much more than a date night out or a week away. A passionate, long-lasting love requires two people who are sensually in love with life and each other. In this fascinating book, the authors explore research on seven activities that prompt passion, then describe how Mediterranean cultures practice these secrets in everyday life. Steve and Misty also share how these fun-to-apply secrets have taken their own marriage from confused to confident, from discouraged to delighted– and how you can do it too. The Mediterranean Love Plan will help couples become more playful, creative, connected and romantic -- burning with passion that stands the test of time.

the film featured both Klein and Lindalee Tracey, an activist, performance artist, and stripper, as they toured the seamier fringes of pornography and sex work in Montreal, Toronto, New York, and San Francisco. Censored in Ontario upon its release in 1981, *Not a Love Story* collided with the escalating “Porn Wars” that contributed to the tearing apart of the second-wave feminist movement. Using interviews with members of the crew and extensive archival research into the production process, Rebecca Sullivan delves into the creation and reception of *Not a Love Story* to explore the issues of censorship, sexual labour and performance, and documentary practice that the film raised. An insightful analysis not just of the film itself but of the issues which surround feminist analyses of pornography as a genre, Bonnie Sherr Klein’s “*Not a Love Story*” offers a fresh assessment of Canada’s women’s movement and the politics of feminist filmmaking during a volatile era.

Vondell Prince's collection of short stories expresses her vivid imagination of true and fictional characters using humor to its fullest. Her first work, *Life Is Too Short For Long Stories: Light-hearted Tales of Sex, Love and Life and Lots of Humor* is a hilarious view of clippings from life. Good reading for the heart, the soul and laughing out loud. “Mullgillcutty Sisters” captures the essence of delightful scenarios of three sisters shopping around for the perfect man. Clotilda tiptoes into a romance that quickly turns into a sad love song, while Wilmeda experiences the thrill of her life and Lou Ann seductively tells her man that she hopes he is wearing black draws for their tryst. In “Replaced by two “C” Batteries” Grace tells Tom that what she has will whiten his teeth and freshen his breath. “Never Underestimate a Woman with Plans” immerses the reader in the exploits of that “infamous couple” after having been expelled from Eden and their special son a “chip off the old ass-kicking block”. Discover in *Life Is Too Short For Long Stories: Light-hearted Tales of Sex, Love, Life and Lots of Humor* reflections of the lighter side of life.

The Social Organization of Sexuality

An essential exploration of why and how women’s sexuality works—based on groundbreaking research and brain science—that will radically transform your sex life into one filled with confidence and joy. Researchers have spent the last decade trying to develop a “pink pill” for women to function like Viagra does for men. So where is it? Well, for reasons this book makes crystal clear, that pill will never be the answer—but as a result of the research that’s gone into it, scientists in the last few years have learned more about how women’s sexuality works than we ever thought possible, and *Come as You Are* explains it all. The first lesson in this essential, transformative book by Dr. Emily Nagoski is that every woman has her own unique sexuality, like a fingerprint, and that women vary more than men in our anatomy, our sexual response mechanisms, and the way our bodies respond to the sexual world. So we never need to judge ourselves based on others’

Read Online Love Life Too Little Sex Too Much Sex Love And Heartbreak These Stories Will Improve Your Relationship

experiences. Because women vary, and that's normal. Second lesson: sex happens in a context. And all the complications of everyday life influence the context surrounding a woman's arousal, desire, and orgasm. Cutting-edge research across multiple disciplines tells us that the most important factor for women in creating and sustaining a fulfilling sex life, is not what you do in bed or how you do it, but how you feel about it. Which means that stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it. Once you understand these factors, and how to influence them, you can create for yourself better sex and more profound pleasure than you ever thought possible. And Emily Nagoski can prove it.

"This riveting family drama is a classic of the modern theatre. Oswald Alving returns for the dedication of the orphanage to his father's memory and has a flirtation with the family maid who, it turns out, is his father's illegitimate daughter. As the long-suppressed truths collide, the orphanage is destroyed by fire, the maid deserts the family in disgust when she learns her true parentage, and Mrs. Alving is left alone to care for her hopelessly insane son who has fallen prey to the social disease that killed his father. The role of Mrs. Alving, considered one of the greatest in the modern repertoire, has been played by Liv Ullman, Geraldine Page, Eva Le Galliene, Mrs. Fiske, Alla Nazimova and Eleonora Duse." --Publisher description.
