Tennessee Coal Mining, Railroading & Logging in Cumberland, Fentress, Overton & Putnam is a fascinating look back at life in the early 1900s in four counties of the northern Cumberland Plateau area of Tennessee. Featured inside is a wealth of old photographs--more than 200 in the book's 120 oversize glossy pages--maps, and descriptions. Emphasis is placed primarily on the coal camps such as Wilder in Fentress County, with great detail concerning the railroads that served the coal mining communities.
