Is there an e in judgment? When do you imply rather than infer? The only resource that answers both these questions is The McGraw-Hill Dictionary of Misspelled and Easily Confused Words. It's the only book that includes commonly misspelled words and a comprehensive usage guide in one handy volume. Featured are 7,000 of the most commonly misspelled words with their incorrect and correct spellings and a guide to demystifying homophones (cite vs. site), grammatically troublesome words (can vs. may), and subtly different words (imply vs. infer).

A Writer's Resource

Invention and Craft: A Guide to College Writing offers a new approach to teaching and learning in the first-year writing classroom. Invention and Craft draws on the relationship between the writing process and the creative process model and teaches a problem-solving, insight-driven approach to writing clearly and effectively in all genres. Its emphasis on knowledge transfer instructs students to recognize the patterns that occur within and across genres and to apply what they know to each new writing assignment. Invention and Craft offers special promise for casting students in the role of meaning-makers by pinpointing strategies for transferring knowledge—the hallmark of successful expository prose. ConnectComposition offers four years of access to comprehensive and reliable instruction in writing and research along with the text and a brief handbook.

Reading Wonders, Grade 5, Your Turn Practice Book

Read, Reason, Write unites instruction in critical reading and analysis, argument, and research strategies with a rich collection of readings that provide both practice for these skills and new ideas and insights for readers. Through all of its years, this text has been committed to showing students how reading, analytic, argumentative, and research skills are interrelated and how these skills combine to develop each student's critical thinking ability.

One for the Comprehensive edition and one for the Tabbed edition. Personal Learning Plan (PLP) Through an intuitive, continually adaptive diagnostic that assesses proficiencies in five core areas of grammar and mechanics, students generate a personalized learning plan tailored to address their needs within the timeframe students determine what they want to study. The personalized program includes contextualized grammar and writing lessons, videos, animations, and interactive exercises and provides immediate feedback on students' work and progress. Based on metacognitive learning theories, the PERSONAL LEARNING PLAN continually adapts with each interaction, while built-in time management tools keep students on track to ensure they achieve their course goals. The Personal Learning Plan is designed to improve student writing, allow classroom instruction to focus on critical writing processes, and support the goals of writing programs and individual instructors with reports that present data related to progress, achievement, and students who may be at risk. Writing Matters unites research reasoning,

documentation, grammar, and style into a cohesive whole, helping students see the conventions of writing as a framework of responsibilities. The responsibilities writers have to other writers. Writing Matters clarifies the responsibility writers have to one another whether they are collaborating in an online peer review or drawing on digital and print resources in a research project to treat information fairly and accurately and to craft writing that is fresh and original their own. -to the audience. Writing Matters stresses the importance of using conventions appropriate to the audience, to write clearly, and to provide readers with the information and interpretation they need to make sense of a topic. -to the topic. Writing Matters emphasizes the writer's responsibility to explore a topic thoroughly and creatively, to assess sources carefully, and to provide reliable information at a depth that does the topic justice. -to themselves. Writing Matters encourages writers to take their writing seriously and to approach writing tasks as an opportunity to learn about a topic and to expand their scope as writers. Students are more likely to write well when they think of themselves as writers rather than as error-makers. By explaining rules in the context of responsibility, Writing Matters addresses composition students respectfully as mature and capable fellow participants in the research and writing process.
