Walk! Menorca

Anna had never liked the idea of Mallorca, thinking it was for the disco and beerswilling fraternity. That was until her sister hired an au pair from a rural part of the island who said it was the most beautiful place on earth. On a visit, Anna impulsively decided to buy a ruined farmhouse. Despite her fear of flying, she kept a foot in both camps and commuted to Central London to manage her PR company. But she found herself drawn away from the bustle, stress, and the superficial media world towards the tranquil life. She soon realized that her new existence was more enriching and fulfilling. She was learning to live life for its moments rather than race through it in the fast lane. A Lizard in My Luggage explores Mallorca's fiestas and traditions, as well as the ups and downs of living in a rural retreat. It is about learning to appreciate the simple things and take risks in pursuit of real happiness. Most importantly, it shows that life can be lived between two places.

Balearic Islands Travel Guide (Spain)

Minorca or Menorca (official name) is the second largest of the Balearic Islands, located to the northeast of Mallorca and is the least overrun and most tranquil of the Balearics. Due to its unspoilt beauty, it allows the more adventurous the opportunity to discover new charms and experiences. Despite its smaller size among other Spanish islands, the number of beaches that Menorca has equals the number of beaches that can be found in Mallorca and Ibiza combined. The possibility of having a beautiful beach largely to yourself in the summer, combined with alfresco dining and peaceful holiday resorts, makes Minorca a highly desirable place to visit. Wink Travel Guides introduce you to the best world travel destinations, in a clear and concise way, illustrated by photos.
