International development efforts aimed at improving girls' lives and education have been well-intended, somewhat effective, but ultimately short-sighted and incomplete. This is because international development efforts often operate under a reductive understanding of the term 'gender' and how it influences the lives of girls and boys. Gender is more commonly conceived by international efforts as characteristics which are ascribed to girls as norms for behaviour. In particular, the analysis in Gender Trouble Makers focuses on the social constructions of

gender and the ways in which gender was reinforced and maintained through a case study in rural Nepal. In developing countries like Nepal, promoting access to and participation in existing formal education programme is clearly necessary, but it is not, in itself, sufficient to transform gender power relations in the broader society. When gender is properly addressed as a process, then all stakeholders involved - researchers, governmental officials, and community members - can begin to understand and devise more effective ways to increase both girl and boy students' enrollment, participation, and success in school.

Abandoned in the jungle of the Nepalese Borderlands, two-year-old Nandu is found living under the protective watch of a pack of wild dogs. From his mysterious beginnings, fate delivers him to the King's elephant stable, where he is raised by unlikely parents—the wise head of the stable, Subba-sahib, and Devi Kali, a fierce and affectionate female elephant. When the king's government threatens to close the stable, Nandu, now twelve, searches for a way to save his family and community. A risky plan could be the answer. But to succeed, they'll need a great tusker. The future is in Nandu's hands as he sets out to find a bull elephant and bring him back to the Borderlands. In simple poetic prose, author Eric Dinerstein brings to life Nepal's breathtaking jungle wildlife and rural culture, as seen through the eyes of a young outcast, struggling to find his place in the world.

The powerful, poignant, bestselling National Book Award Finalist gives voice to a young girl robbed of her childhood yet determined to find the strength to triumph. Lakshmi is a thirteen-year-old girl who lives with her family in a small hut on a mountain in Nepal. Though she is desperately poor, her life is full of simple pleasures, like playing hopscotch with her best friend from school, and having her mother brush her hair by the light of an oil lamp. But when the harsh Himalayan monsoons wash away all that remains of the family's crops, Lakshmi's stepfather says she must leave home and take a job to support her family. He introduces her to a glamorous stranger who tells her she will find her a job as a maid in the city. Glad to be able to help, Lakshmi journeys to India and arrives at "Happiness House" full of hope. But she soon learns the unthinkable truth: she has been sold into prostitution. An old woman named Mumtaz rules the brothel with cruelty and cunning. She tells Lakshmi that she is trapped there until she can pay off her family's debt-then cheats Lakshmi of her meager earnings so that she can never leave. Lakshmi's life becomes a nightmare from which she cannot escape. Still, she lives by her mother's words-Simply to endure is to triumph-and gradually, she forms friendships with the other girls that enable her to survive in this terrifying new world. Then the day comes when she must make a decision-will she risk everything for a chance to reclaim her life? Written in spare and evocative vignettes by the co-author of *I Am Malala* (Young Readers Edition), this powerful

novel renders a world that is as unimaginable as it is real, and a girl who not only survives but triumphs.

Nestling in the foothills of the Himalayas, Nepal is a land of contrasts and incongruities—not least in the variety of its cultural, ethnic, and religious weave. The Nepalese attitude to life is essentially religious. Hindu and Buddhist values predominate and help to maintain social harmony despite the divisions between rich and poor, urban and rural, highlands and lowlands. Culture Smart! Nepal sets out to explain the complexities of Nepalese life, from home, to business, and the marketplace.
