### **GPR for Utility Locating Offers Safety, Efficiency, and**

1 You will have to pay for the azure function app subscription, but many orgs will have one already so might be very low.. 2 I marked this as medium if you are doing basic stuff, but if you want to do stuff like set page size and orientation, you are having to edit code directly so could be classified as High.. Now for my real use-case, I would likely use one of the commercial offerings, but

### **Getting pics to SharePoint from PowerApps is getting**

By Peter Masters Residential and commercial inspectors, plumbing and utility contractors, and electricians are finding the use of ground penetrating radar (GPR) provides a host of safety, efficiency, and revenue benefits. Rather than relying solely on the national 811 call-before-you-dig phone number to avoid unintentional digging into an underground utility line, general contractors
