Havana Storm

Turn-of-the-century detective Isaac Bell matches wits with a German spy just as the world inches closer to global warfare in this novel in the #1 New York Times-bestselling series. It's 1910 and Chief Investigator Isaac Bell, along with fellow Van Dorn detective, Archie Abbott, is escorting a Wall Street stock swindler to his trial in New York aboard the ocean liner Mauretania. Pair intend to enjoy the open sea and make use of the leisure time to plan Bell's wedding to Miss Marion Morgan, but are forced to change plans when two European scientists are nearly abducted and forced overboard. Bell springs into action just in time to stop the kidnapping, but his new charges are convinced they are still at risk. There's something in their

possession, an historic invention, and there's a German munitions trust that will stop at nothing to steal it. For war clouds are looming, and a ruthless espionage agent has spotted an opportunity to give the German Empire an edge in the coming conflict. What's worse, Bell's already a step behind. He's made the mistake of assuming it's some sort of war machine. But not all weapons are meant for the battlefield...

Inca Gold

Deputy Coroner Clay Edison is juggling a new baby who won't sleep with working the graveyard shift. For once he's trying to keep things simple. When infant remains are found by developers demolishing a local park, a devastating cold case is brought back to light. Clay has barely begun to investigate when he receives a call from a man who thinks the remains could belong to his sister - who went missing 50 years ago. Now Clay is locked in a relentless search that will unearth a web of violence, secrets and betrayal. Because in this town, the past isn't dead. It's very much alive. And it can kill.

Treasure hunting husband-and-wife team Sam and Remi Fargo must protect a discovery that redefines Totelec history in this high-stakes adventure from the #1 New York Times–bestselling author. Baffin Island: Sami and Remi Fargo are on a climate-control expedition in the Arctic, when to their astonishment they discover a Viking ship in the ice, perfectly preserved—and filled with pre-Columbian artifacts from Mexico. How can that be? As they plunge into their research, tantalizing clues about a link between the Vikings and the legendary Toltec feathered serpent god Quetzalcoatl—and a fabled object known as the Eye of Heaven—begin to emerge. But so do many dangerous people. Soon the Fargos find themselves on the run through jungles, temples, and secret tombs, caught between treasure hunters, crime cartels, and those with a far more personal motivation for stopping them. At the end of the road will be the solution to a thousand-year-old mystery—or death.

Odessa Sea

Clive Cussler introduces Sam and Remi Fargo in Spartan Gold. An ancient treasure stolen by Xerxes the Great . . . Discovered by Napoleon Bonaparte . . . The clues to its hidden location lost until now . . . Adventurers and treasure hunters Sam and Remi Fargo are on a wild-goose chase. Up to their waists in the Great Pocomoke Swamp in Maryland, they're hunting for lost gold. What they find instead is a small Second World War German U-boat. Inside the submarine they find a body - and a puzzling, incredibly rare bottle of wine. This bottle was one of twelve taken from Napoleon's 'lost cellar'. But it is also a clue to a fabulous, ancient treasure. One that Hadeon Bondaruk - a half-Russian, half-Persian millionaire - will do anything to get his hands on. For he claims descent from treasure's one-time owner. It will be his, no matter who stands in his way . . . Clive Cussler, author of the celebrated Dirk Pitt novels Arctic Drift and Crescent Dawn, presents his newest series, following the adventures of treasure hunters Sam and Remi Fargo - beginning with Spartan Gold. Treasure of Khan

Marine explorer Dirk Pitt faces off against an elite army from an era gone-by in order to uncover the secrets of an ancient civilization in this #1 New York Times bestselling series. A group of anthropologists uncover strange inscriptions on the wall of a Colorado mine just as an explosion traps them deep within the earth. But their work won't stay buried long. Dirk Pitt is on hand during the blast and quick to initiate a rescue operation. He is then tapped to lead a research crew on behalf of the U.S. National Underwater and Marine Agency to further study these uncanny artifacts. And that's when his ship is set upon and nearly sunk by an impossibility—a vessel that should have died 56 years before. Clearly, another group knows about the relics of this long-forgotten but highly-advanced seafaring culture. And they'll stop at nothing to keep the rest of the world in the dark.

Trojan Odyssey

In this adventure in the #1 New York Times bestselling series, oceanographer Dirk

Pitt is back to find a crucial piece of marine tech that could reshape the United States' defense program. It is the greatest advance in American defense technology in decades—an attack submarine capable of incredible underwater speeds. There is only one problem: A key element of the prototype is missing—and the man who developed it is dead. At the same time, ships have started vanishing mid-ocean, and when a few reappear, bodies are found aboard burned to a crisp. Could these mysterious events be connected to an Italian submarine that itself disappeared in 1943? It is up to NUMA director Dirk Pitt and his team, aided by a beautiful NCIS agent and by Pitt's children, marine engineer Dirk and oceanographer Summer, to go on a desperate international chase to find the truth, from Washington to Mexico, Idaho to Panama. What they discover at the end of it is a much, much greater threat than even they imagined. Filled with breathtaking suspense and extraordinary imagination, *Poseidon's Arrow* is further proof that when it comes to adventure writing, nobody beats Clive Cussler.

Journey of the Pharaohs

Dirk Pitt—“oceanography’s answer to Indiana Jones”^{*}—responds to a Mayday signal from a deserted ship and gets drawn towards a deadly Cold War secret in this thriller in Clive Cussler’s #1 New York Times–bestselling series. Dirk Pitt, the director of the National Underwater and Marine Agency, is on the Black Sea, helping to locate a lost Ottoman shipwreck, when he responds to an urgent

Mayday—"Under attack!"—from a nearby freighter. But when he and his colleague Al Giordino arrive, there is nobody there. Just dead bodies and a smell of sulfur in the air. As Pitt and Giordino explore, a blast from the stern scuttles the ship swiftly, almost taking them with it. The more the two of them search for the secret of the death ship, the deeper they descend into an extraordinary series of discoveries. A desperate attempt in 1917 to preserve the wealth and power of the Romanov Empire. A Cold War bomber lost with a deadly cargo. A brilliant developer of advanced drone technology on an unknown mission. Modern-day nuclear smugglers, determined Ukrainian rebels, a beautiful anti-terrorism agent from Europol—all will combine to present Pitt with the most dangerous challenge of his career. And not only Pitt. His two children, marine engineer Dirk and oceanographer Summer, are exploring a mysterious shipwreck of their own, when they are catapulted into his orbit. The three of them are used to perilous situations—but this time, they may have found their match.

Valhalla Rising

The husband-and-wife treasure-hunting team of Sam and Remi Fargo return in a new adventure as they search for an ancient scroll--which carries a deadly curse--in this thrilling addition to Clive Cussler's bestselling series. In 533 A.D., the last Vandal ruler in North Africa consults an oracle on how to defeat the invading Byzantine army. The oracle tells the king that a high priestess cast a curse upon

the Vandal Kingdom after a sacred scroll was stolen. In order to lift the curse, the scroll must be returned to its rightful home. But the kingdom falls before the scroll is found, leaving its location a great mystery. . . until a current day archeological dig, funded by Sam and Remi Fargo, uncovers some vital clues. The search for the ancient scroll is put on hold when the Fargos learn that a shipment of supplies intended for their charitable foundation's school has been stolen, and they travel to Nigeria to deliver new supplies themselves. But their mission becomes infinitely more complicated when they run afoul of a band of robbers. The group takes Remi and several students hostage, and there are signs that the kidnapping is related to the missing scroll. The Fargos need all their skills to save the lives of the young girls at the school before they uncover the hidden treasure. . . and lift the deadly curse.

Wrath of Poseidon

A Publishers Weekly Summer Reads 2020 Editors' Pick A chilling murder in a prestigious prep school is at the heart of this riveting new novel from acclaimed

author Charlie Donlea, featuring forensic reconstructionist Rory Moore and her psychologist partner, Lane Phillips. Inside the walls of Indiana's elite Westmont Preparatory High School, expectations run high and rules are strictly enforced. But in the woods beyond the manicured campus and playing fields sits an abandoned boarding house that is infamous among Westmont's students as a late-night hangout. Here, only one rule applies: don't let your candle go out—unless you want the Man in the Mirror to find you. . . . One year ago, two students were killed there in a grisly slaughter. The case has since become the focus of a hit podcast, *The Suicide House*. Though a teacher was convicted of the murders, mysteries and questions remain. The most urgent among them is why so many students who survived that horrific night have returned to the boarding house—to kill themselves. Rory, an expert in reconstructing cold cases, is working on *The Suicide House* podcast with Lane, recreating the night of the killings in order to find answers that have eluded the school, the town, and the police. But the more they learn about the troubled students, the chillingly stoic culprit, and a dangerous game gone tragically wrong, the more convinced they become that something sinister is still happening. Inside Westmont Prep, the game hasn't ended. It thrives on secrecy and silence. And for its players, there may be no way to win—or to survive. . . .

Poseidon's Arrow

In his first adventure since the revelation that he's a parent, Dirk Pitt must uncover

the truth behind the myth of another long-lost father-figure, Homer's Odysseus, if he's going to stop a dangerous cult from reshaping the earth in their own image. Fraternal twins, Summer Pitt and Dirk Pitt, Jr., are working to determine the origin of a strange brown tide infesting the ocean off the shore of Nicaragua when two startling things happen: Summer discovers an artifact, something strange and beautiful and ancient. And the worst storm in years boils up out of the sky, heading straight for them and a nearby floating luxury resort hotel called Ocean Wanderer. The peril for everybody concerned is incalculable. And now that Dirk Pitt has learned he's a father, he will stop at nothing to protect his two children. He rushes into the chaos, only to find that what's left in the storm's wake makes the furies of nature pale in comparison. For there is an all-too-human evil at work in that part of the world, and Summer's relic may be the only clue to the man calling the shots. Whoever he is, he's connected to a cult that believes the Celts, also known as the Achaeans, reached the New World millennia before the accepted history suggests. If he's right, his ancestors laid the foundation for the work he will soon complete—and our world will be a very different place. Though if Summer's discovery is to be believed, the world is already a very different place

Vixen 03

Clive Cussler, "The Grand Master of Adventure," sends his intrepid heroes Dirk Pitt and Al Giordino on their wildest, boldest mission into the ancient world, unlocking extraordinary secrets and solving hideous crimes in the twenty-fifth novel in the most beloved series from the #1 New York Times-bestselling author. The murders of a team of United Nations scientists in El Salvador A deadly collision in the waterways off the city of Detroit. . . An attack by tomb raiders on an archaeological site along the banks of the Nilels there a link between these violent events? The answer may lie in the tale of an Egyptian princess forced to flee the armies of her

father three thousand years ago. During what was supposed to be a routine investigation in South America, NUMA Director Dirk Pitt finds himself embroiled in an international mystery, one that will lead him across the world and which will threaten everyone and everything he knows--most importantly, his own family. Pitt travels to Scotland in search of answers about the spread of an unknown disease and the shadowy bioremediation company that may be behind it. Meanwhile, his son and daughter face a threat of their own when the discoveries they have made in an Egyptian tomb put killers on their trail. These seemingly unrelated riddles come together in a stunning showdown on the rocky isles of Ireland, where only the Pitts can unravel the secrets of an ancient enigma that could change the very future of mankind.

Cyclops

Deep sea explorer and NUMA director Dirk Pitt encounters the last direct descendants of the Ottoman dynasty as they prepare to incite a revolution in this novel in the #1 New York Times-bestselling series. In a.d. 327, a Roman galley with an extraordinary cargo barely escapes a pirate attack. In 1916, a British warship mysteriously explodes in the middle of the North Sea. In the present day, a cluster of important mosques in Turkey and Egypt are wracked by explosions. What ties them all together? NUMA director Dirk Pitt and his team are about to find out, as Roman artifacts discovered in Turkey and Israel unnervingly connect to the rise of

a fundamentalist movement determined to restore the glory of the Ottoman Empire. From Washington to London to the treacherous shores of the Near East, dangerous men and desperate acts fill their path, and at the end of it, the most dangerous thing of all: the rumored existence of a mysterious “manifest,” lost long ago, which if discovered again could shed new light on early Christianity and just might change the history of the world as we know it. Filled with breathtaking suspense and extraordinary imagination, *Crescent Dawn* is further proof that when it comes to adventure writing, nobody beats Clive Cussler.

The Striker

Kurt Austin puts the NUMAA team on a case involving a hideous series of medical experiments, an extraordinarily ambitious Chinese criminal organization, and a secret new virus that threatens to set off a worldwide pandemic.

Atlantis Found (A Dirk Pitt Novel)

Oceanographer Dirk Pitt traces a lost ship's mysterious cargo to a scientific discovery that could reverse the dangers of climate change in this novel in the #1 New York Times bestselling action adventure series. When an act of sabotage aims to slow down a technological breakthrough in American clean energy, it puts the

United States on the brink of war with one of its closest allies. Tension boils on the homefront, too, as gas prices surge to an all-time high. To prevent global catastrophe, Dirk Pitt and his children, Dirk Jr. and Summer, must piece together what little records remain of the initial experiment. They may not know how it was done, but they know what their scientists were trying to accomplish: a solution for global warming. Their only real clue might just be a mysterious silvery mineral traced to a long-ago expedition in search of the fabled Northwest Passage. But no one survived from that doomed mission. And if Pitt, his family, and his buddy Al Giordino aren't careful, the very same fate may await them...and the world.

Arctic Drift

Clive Cussler, author of over twenty consecutive New York Times bestsellers, brings back beloved hero Dirk Pitt in this electrifying, edge-of-your-seat thriller that is “a high-tech adventure, a little romance, and a whale of a story” (Richmond Times-Dispatch). Japan, 1945: Two US bombers take off with atomic bombs. Only one gets through. The Pacific, 1993: A Japanese cargo ship bound for the United States is instantly, thunderously vaporized, taking with it a Norwegian vessel. Japanese fanatics have developed a chilling plan to devastate and destroy the Western powers. From the ocean depths to the discovery of cache of lost Nazi loot,

Dirk Pitt is untangling a savage conspiracy and igniting a daring counterattack. While Washington bureaucrats scramble, a brutal industrialist commands his blackmail scheme from a secret island control center. And Dirk, the dauntless hero of Sahara and Inca Gold, is taking on death-dealing robots and a human-hunting descendant of samurai warriors. Pitt alone controls the West's secret ace in the hole: a tidal wave of destruction waiting to be triggered on the ocean floor! "Bulging with gadgetry and undersea delights" (Houston Chronicle), Dragon is "pure fun...Watch out for paper cuts as you turn the pages faster and faster to keep up with Cussler's intense pace" (San Diego Union-Tribune). This is "a page-turning romp that achieves a level of fast-paced action and derring-do that Robert Ludlum might well envy" (Publishers Weekly).

Night Probe!

Detective Isaac Bell tracks a killer across the nation's oilfields in this adventure in the #1 New York Times–bestselling historical series. As Van Dorn private detective Isaac Bell strives to land a government contract to investigate John D. Rockefeller's Standard Oil monopoly, the case takes a deadly turn. A sniper begins murdering opponents of Standard Oil, and soon the assassin—shooting with extraordinary accuracy at seemingly impossible long range—kills Bell's best witness. Then the shooter detonates a terrible explosion that sets the victim's independent refinery ablaze. Bell summons his best detectives to hunt down the mysterious killer. But

the murders—shootings, poisonings, staged accidents—have just begun as Bell tracks his phantom-like criminal adversary from the “oil fever” regions of Kansas and Texas to Washington, D.C., to the tycoons’ enclave of New York, to Russia’s war-torn Baku oil fields on the Caspian Sea, and back to America for a final, desperate confrontation. And this one will be the most explosive of all.

Treasure

Marine explorer Dirk Pitt must rely on the nautical lore of Jules Verne to stop a ruthless oil baron with his sights set on political power in this #1 New York Times-bestselling series. In the middle of its maiden voyage, a luxury cruise ship using revolutionary new engines suddenly catches fire and sinks. Its alarms stay silent; its sprinkler system remains inactive. Nearby NUMA special projects director Dirk Pitt notices smoke and races to the rescue. He's too late to save the engineer behind the ship's new technology, but helps the man's daughter, Kelly Egan, escape with her father's work in a leather briefcase. While Ms. Egan strives to uncover the hidden value in her father's inventions, Pitt is hired on by maritime insurers to investigate the wreckage. Neither are prepared for the mechanical marvels they'll soon be forced to confront. The machines could only be the stuff of legend, described in the tales of Viking explorers or the accounts of Jules Verne. And they may be Pitt and Egan's only hope when an oil tycoon with a plan of his own appears on the scene. Before journey's end, Pitt will take on a power-mad millionaire, tread upon territory previously known only to Verne's illustrious

Captain Nemo, and make shocking discoveries about his own past.

The Eye of Heaven

Renowned marine adventurer Dirk Pitt returns to stem a toxic outbreak in the thrilling novel from the grand master of adventure and #1 New York Times-bestselling author. While investigating an unexplained poisonous spill in the Caribbean Sea that may ultimately threaten the United States, Dirk Pitt unwittingly becomes involved in something even more dangerous--a post-Castro power struggle for the control of Cuba. Meanwhile, Pitt's children, marine engineer Dirk and oceanographer Summer, are on an investigation of their own, chasing an Aztec stone that may reveal the whereabouts of a vast historical Aztec treasure. The problem is, that stone was believed to have been destroyed on the battleship Maine in Havana Harbor in 1898, which brings them both to Cuba as well--and squarely into harm's way. The whole Pitt family has been in desperate situations before . . . but perhaps never quite as dire as the one facing them now.

Crescent Dawn

The world's oil supply is vanishing, the stock market is plummeting, and the key to saving the future seems to be a baffling historical mystery. Can the NUMA crew

crack it in time? Sea of Greed is the suspenseful new NUMA Files novels from the #1 New York Times-bestselling grand master of adventure. After an explosion in the Gulf of Mexico destroys three oil rigs trying to revive a dying field, Kurt Austin and the NUMA Special Projects Team are tapped by the President of the United States to find out what's gone wrong. The trail leads them to a brilliant billionaire in the alternative energy field. Her goal is the end of the oil age; her company has spent billions developing the worlds' most advanced fuel-cell systems. But is she an environmental heroor a rogue genetic engineer? The NUMA crew discovers that the oil fields are infected with bacteria that are consuming the oil before it can be pumped out of the earth--a bacteria originally lost decades ago when two submarines vanished in the Mediterranean. With hired killers on his trail, can Kurt Austin locate a submarine that's remained hidden for more than fifty years? And even if he can, can the biological terror that's been unleashed be stopped?
