This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

## **Mirages of the Mind**

Don't miss Country Proud, the second book in Linda Lael Miller's Painted Pony Creek series about three best buddies whose strength, honor and independence exemplify the Montana land they love. There's something missing from Eli Garrett's life. He loves being the sheriff of Painted Pony Creek, Montana, so it's not his job. He's had the same two best friends since he was a kid and he's grateful for them, so it's not that, either. But ever since his buddy Cord's recent marriage, Eli has a nagging suspicion that he wants what Cord has. And there's a beautiful woman who has caught his eye--someone who's returned to town that he can't get off his mind. Brynne Bailey is spirited and compassionate, and being with her makes Eli feel alive again. But he suspects there's more to her than she is letting on, and he is determined to get to the bottom of it.

## **India Wins Freedom**

Rarely does a biography of a popular historical figure offer all the qualities that make for a good read: lively writing, a fresh perspective, significant insight, and a compelling narrative. Carwardine does all this and more There is simply no other Lincoln biography like it. -- Tom Schwartz, the Abraham Lincoln Presidential Library The publication of this beautifully written book, which makes use of the earliest evidence and the latest insights, marks a high point in a decade that has been particularly rich in Lincoln scholarship. No one seriously interested in Lincoln can afford to ignore Carwardine's judicious work.-- Daniel Walker Howe, Oxford University and The Huntington LibraryThe Atlantic can serve as a wonderful clarifying prism. Oxford don Richard Carwardine looks across it and paints a remarkable picture of the greatest of the Americans who fused the secular and the sacred.-- Gabor S. Boritt, Director, Civil War Institute, Gettysburg College As a staunch defender of national unity, a successful war-leader, and the emancipator of the slaves, Abraham Lincoln lays compelling claim to being the greatest of America's presidents. This fresh political biography exami

## **Programmed Statistics (Question-Answers)**

Fifty years after living in a remote Pakistan village as a Peace Corps volunteer, Leslie Noyes Mass returns to discover a much-changed Pakistan—and a village that still remembers her. Mass captures the heart and attention of the reader with her story of Pakistanis in 1962 and those of a new generation, engaged in building a sustainable educational system for their country's forgotten children.

## **Alone in the Dark**

A horse of nineteenth century England tells his life story from his early home through many masters and experiences, both good and bad.

## **The Federal Cabinet of Pakistan, 1947-1977**

An excellent presentation of the many complex factors which stem from the Kashmir dispute between India and Pakistan. The author as the original Czech member of the United Nations Commission for India and Pakistan, brings to his narrative first-hand experience. Originally published in 1954. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

## **The Study of Language**

The Book Also Provides A Good Number Of Numerical Problems, Each Of Which Requires Fresh Thinking For Its Solution. It Will Also Facilitate The Teachers To A Great Extent In Teaching A Large Number Of Courses, As One Will Get A

Plethora Of Matter At One Place About Any Topic In A Systematic And Logical Manner. The Book Can Also Serve As An Exhaustive Text.

### **Empire and Islam**

This book explores the role of the Federal Cabinet of Pakistan in the decision-making and policy formulation processes from 1947 to 1977. It challenges the common perception that the Federal Cabinet was a voiceless institution, and only the military and civil bureaucracies played a pivotal role in the decision-making process. The book also highlights how all three institutions including the civil bureaucracy, the military bureaucracy, and the cabinet were effective besides a few prominent individuals, especially while dealing with political and economic matters. The book utilizes newly-declassified cabinet files, which include minutes of cabinet meetings, decisions taken by various cabinets, and the working papers and summaries presented to them by ministries on many important issues, to conclude that the role of the cabinet as an institution in strengthening democracy in the country was a mixed one. The cabinet strengthened democracy by allowing ministers, representing different shades of opinion and social groups, to share power by coming to a consensus on vital issues with the head of the government, but its undemocratic decisions such as the use of the military or dismissal of the provincial governments and governors weakened democracy.

### **Sirat Un Nabi the Life of the Prophet**

Donna Tartt, winner of the 2014 Pulitzer Prize for her most recent novel, *The Goldfinch*, established herself as a major talent with *The Secret History*, which has become a contemporary classic. Under the influence of their charismatic classics professor, a group of clever, eccentric misfits at an elite New England college discover a way of thinking and living that is a world away from the humdrum existence of their contemporaries. But when they go beyond the boundaries of normal morality their lives are changed profoundly and forever, and they discover how hard it can be to truly live and how easy it is to kill.

### **Danger in Kashmir**

### **The Weary Generations**

### **The Secret History**

Former Army Ranger Marcus O'Bannion and homicide cop Scarlett Bishop have met only briefly but when Scarlett receives a phone call in the middle of the night, she immediately recognises the hauntingly smooth voice asking her to meet him in one of Cincinnati's roughest areas. On arriving, Scarlett finds the body of a seventeen-year-old Asian girl and Marcus injured. A fierce champion of victims' rights, Marcus claims the young woman was working for an affluent local family and the last time he saw her she was terrified, abused, and clearly in need of help. Having agreed to meet her, both Marcus and the young woman were targeted for death. As they investigate, Scarlett and Marcus are pulled into the dangerous world of human trafficking where they soon realise they are going to have to become as ruthless as those they are hunting. Because if they don't, how many other girls may end up alone in the dark?

### **Quantum Theory of Materials**

The Corporate Governance Landscape of Pakistan is a story told by the pioneers of corporate governance in the country for the benefit of those who will take it to the next level of policy advocacy and enforcement. It provides a comprehensive guide to the existing policy frameworks, principles, and practices of corporate governance in Pakistan today. It attempts to capture the essence of the corporate environment of Pakistan that existed on the eve of the introduction of the first Code of Corporate Governance. It reveals, through subsequent policy additions, the sea change in mindsets the first set of policy reforms facilitated. The book is meant both as a historical anthology of work already accomplished under the realm of corporate governance as well as a reference book for future regulators, educators, and practitioners. It recognizes the fact that immense effort-some of which remains under-appreciated-has already gone into enhancing the corporate governance environment of the country.

## **The Conduct of the Allies**

Comprehensive Prep for GRE Math. Every year, students pay \$1,000 and more to test prep companies to prepare for the math section of the GRE. Now you can get the same preparation in a book. Although the GRE math section is difficult, it is very learnable. GRE Math Prep Course presents a thorough analysis of GRE math and introduces numerous analytic techniques that will help you immensely, not only on the GRE but in graduate school as well. Features: \* Comprehensive Review: Twenty-three chapters provide complete review of GRE math. \* Practice: Includes 164 examples and more than 600 exercises! Arranged from easy to medium to hard to very hard. \* Diagnostic Test: The diagnostic test measures your strengths and weaknesses and directs you to areas you need to study more. \* Duals: These are pairs of similar problems in which only one property is different. They illustrate the process of creating GRE questions. \* If your target is a 700+ score, this is the book!

## **Mcqs In Economics For Ca-Cpt**

Why does God exist? How have the three dominant monotheistic religions—Judaism, Christianity, and Islam—shaped and altered the conception of God? How have these religions influenced each other? In this stunningly intelligent book, Karen Armstrong, one of Britain's foremost commentators on religious affairs, traces the history of how men and women have perceived and experienced God, from the time of Abraham to the present. The epic story begins with the Jews' gradual transformation of pagan idol worship in Babylon into true monotheism—a concept previously unknown in the world. Christianity and Islam both rose on the foundation of this revolutionary idea, but these religions refashioned 'the One God' to suit the social and political needs of their followers. From classical philosophy and medieval mysticism to the Reformation, Karen Armstrong performs the near miracle of distilling the intellectual history of monotheism into one superbly readable volume, destined to take its place as a classic. Praise for History of God “An admirable and impressive work of synthesis that will give insight and satisfaction to thousands of lay readers.”—The Washington Post Book World “A brilliantly lucid, splendidly readable book. [Karen] Armstrong has a dazzling ability: she can take a long and complex subject and reduce it to the fundamentals, without oversimplifying.”—The Sunday Times (London) “Absorbing . . . A lode of learning.”—Time “The most fascinating and learned study of the biggest wild goose chase in history—the quest for God. Karen Armstrong is a genius.”—A.N. Wilson, author of Jesus: A Life

## **Introduction to Partial Differential Equations**

The tensions inherent in the structure and ideology of colonial organization thus provide the backdrop for the study. Gilmartin's extensive use of private papers, biographies, and autobiographies of prominent as well as less prominent political leaders helps give this study a balanced viewpoint. He also draws on a range of popular and private Urdu materials that lend the book an authentic voice."--Jacket.

## **Black Beauty**

## **Management**

Published ahead of Paul Scott's Raj Quartet and long before Midnight's Children, Abdullah Hussein's ambitious saga of social struggle The Weary Generations was a bestseller in Urdu. Published in 1963 and now beyond its 40th edition, it has never been out of print. A vivid depiction of the widespread disillusionment and seismic upheavals of the Partition era that lead to the creation of Pakistan and Bangladesh, there has never been a more opportune time to discover one of the most important writings about the post-colonial trauma in the region. Naim, son of a peasant, marries Azra, the daughter of a rich landowner. Fighting for the British during World War I he loses an arm. Invalided home, he becomes angered at the subjugation of his countrymen under the Raj and aligns himself with the opposition. His ideals are swept away after Independence in 1947 when he realizes that, as Muslims, his family is no longer safe in their Indian home and that they must migrate to the newly created Pakistan. Regarded as one of the half-dozen most influential novels dealing with Partition or post-colonial malaise, this is an immensely powerful novel in its own right and is essential reading for English language readers seeking to comprehend the historical origins of the tensions in the Indian subcontinent.

## **All Quiet on the Western Front**

This best-selling textbook provides an engaging and user-friendly introduction to the study of language. Assuming no prior

knowledge in the subject, Yule presents information in short, bite-sized sections, introducing the major concepts in language study – from how children learn language to why men and women speak differently, through all the key elements of language. This fourth edition has been revised and updated with twenty new sections, covering new accounts of language origins, the key properties of language, text messaging, kinship terms and more than twenty new word etymologies. To increase student engagement with the text, Yule has also included more than fifty new tasks, including thirty involving data analysis, enabling students to apply what they have learned. The online study guide offers students further resources when working on the tasks, while encouraging lively and proactive learning. This is the most fundamental and easy-to-use introduction to the study of language.

### **The Ultimate IQ Book**

As Information Secretary and the author of the phrase "Decade of Reforms," Altaf Gauhar was privy to information and writes about Ayub's authoritarian system of government and his attempt to lead the young nation towards modernization. This is the first insider account of Ayub Khan's 10 year rule in Pakistan.

### **Country Proud**

### **General Knowledge\_2019**

From the author of the award-winning *Moth Smoke* comes a perspective on love, prejudice, and the war on terror that has never been seen in North American literature. At a café table in Lahore, a bearded Pakistani man converses with a suspicious, and possibly armed, American stranger. As dusk deepens to night, he begins the tale that has brought them to this fateful meeting. . . Changez is living an immigrant's dream of America. At the top of his class at Princeton, he is snapped up by Underwood Samson, an elite firm that specializes in the "valuation" of companies ripe for acquisition. He thrives on the energy of New York and the intensity of his work, and his infatuation with regal Erica promises entrée into Manhattan society at the same exalted level once occupied by his own family back in Lahore. For a time, it seems as though nothing will stand in the way of Changez's meteoric rise to personal and professional success. But in the wake of September 11, he finds his position in his adopted city suddenly overturned, and his budding relationship with Erica eclipsed by the reawakened ghosts of her past. And Changez's own identity is in seismic shift as well, unearthing allegiances more fundamental than money, power, and perhaps even love. Elegant and compelling, Mohsin Hamid's second novel is a devastating exploration of our divided and yet ultimately indivisible world. "Excuse me, sir, but may I be of assistance? Ah, I see I have alarmed you. Do not be frightened by my beard: I am a lover of America. I noticed that you were looking for

something; more than looking, in fact you seemed to be on a mission, and since I am both a native of this city and a speaker of your language, I thought I might offer you my services as a bridge.” —from *The Reluctant Fundamentalist*

### **The Corporate Governance Landscape of Pakistan**

Maulana Azad is considered one of the greatest Urdu writers of the 20th century. He has written many books including *India Wins Freedom*, *Ghubar-e-Khatir*, *Tazkirah*, *Tarjumanul Quran*, etc. It is often said that his book *India Wins Freedom* is about his political life and *Ghubar-e-Khatir* deals with his social and spiritual life.

### **Towards Understanding Islam**

An accessible overview of the concepts and tools essential to the physics of materials, with applications, exercises, and color figures.

### **A History of Prostitution from Antiquity to the Present Day**

Ear, Nose and Throat (ENT) surgery has traditionally been a difficult and specialised topic in undergraduate medicine and for junior doctors. Many textbooks are too detailed for undergraduate use, or lack self assessment questions to help those wishing to underpin their learning. This concise and easy-to-read self-assessment guide aims to clarify the topic, and find and fill gaps in understanding. The multiple choice questions (MCQs) contained cover all levels of knowledge and the learning objectives of most of the UK medical school curricula, aiding preparation for end of unit, module and final exams for ENT. This book will be a valuable companion for clinics and teaching sessions and an indispensable revision primer for graduate entry medical curricula. 'An excellent means of preparation for medical undergraduate examinations as gaps in core knowledge are quickly revealed. Further, this text is a good guide for students to identify those subject areas requiring more focused study, especially when time is short.' - From the Foreword by Samir Soma

### **Zoology**

A hilarious and nostalgic account of twentieth-century Muslim life on the Indian subcontinent. Basharat and his family are Indian Muslims who have relocated to Pakistan, but who remain deeply steeped in the nostalgia of pre-Partition life in India. Through *Mirages of the Mind's* absurd anecdotes and unforgettable biographical sketches—which hide the deeper unease and sorrow of the family's journey from Kanpur to Karachi—Basharat emerges as a wise fool, and the host of this unique sketch comedy. From humorous scenes in colonial north India, to the heartbreak and homesickness of post-colonial life in

Pakistan, Mirages of the Mind forms an authentic portrait of life among South Asia's Urdu speakers, rendered beautifully into English by Matt Reeck and Aftab Ahmad.

## **Ayub Khan**

Considered by many the greatest war novel of all time, All Quiet on the Western Front is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review
