Roll of Thunder, Hear My Cry Making Cross-Curricular Connections

Winner of the Newbery Medal, this remarkably moving novel has impressed the hearts and minds of millions of readers. Set in Mississippi at the height of the Depression, this is the story of one family's struggle to maintain their integrity, pride, and independence in the face of racism and social injustice. And it is also Cassie's story—Cassie Logan, an independent girl who discovers over the course of an important year why having land of their own is so crucial to the Logan family, even as she learns to draw strength from her own sense of dignity and self-respect. * "[A] vivid story. Entirely through its own internal development, the novel shows the rich inner rewards of black pride, love, and independence."—Booklist, starred review

Song of the Trees

A richly imagined and stunningly inventive literary masterpiece of love, art, and betrayal, exploring the genesis of evil, the unforeseen consequences of love, and the ultimate unreliability of storytelling itself. Paris in the 1920s shimmers with excitement, dissipation, and freedom. It is a place of intoxicating ambition, passion, art, and discontent, where louche jazz venues like the Chameleon Club draw expats, artists, libertines, and parvenus looking to indulge their true selves. It is at the Chameleon where the striking Lou Villars, an extraordinary athlete and scandalous cross-dressing lesbian, finds refuge among the club's loyal denizens, including the rising Hungarian photographer Gabor Tsenyi, the socialite and art patron Baroness Lily de Rossignol; and the caustic American writer Lionel Maine.

As the years pass, their fortunes—and the world itself—evolve. Lou falls desperately in love and finds success as a race car driver. Gabor builds his reputation with startlingly vivid and imaginative photographs, including a haunting portrait of Lou and her lover, which will resonate through all their lives. As the exuberant twenties give way to darker times, Lou experiences another metamorphosis—sparked by tumultuous events—that will warp her earnest desire for love and approval into something far more.

The National Book Award Finalist from acclaimed New York Times bestselling author Francine Prose—now the major motion picture Submission “Screamingly funny ... Blue Angel culminates in a sexual harassment hearing that rivals the Salem witch trials.” —USA Today It's been years since Swenson, a professor in a New England creative writing program, has published a novel. It's been even longer since any of his students have shown promise. Enter Angela Argo, a pierced, tattooed student with a rare talent for writing. Angela is just the thing Swenson needs. And, better yet, she wants his help. But, as we all know, the road to hell is paved with good intentions Deliciously risqué, Blue Angel is a withering take on today's academic mores and a scathing tale that vividly shows what can happen when academic politics collides with political correctness.

Southern Horrors: Lynch Law in All Its Phases

The saga of the Logan family--made famous in the Newbery Medal-winning Roll of Thunder, Hear My Cry--concludes in a long-awaited and deeply fulfilling story. In her tenth book, Mildred Taylor completes her sweeping saga about the Logan family of Mississippi, which is also the story of the civil rights movement in America of the 20th century. Cassie Logan, first met in Song of the Trees and Roll of Thunder, Hear My Cry, is a young woman now, searching for her place in the world, a journey that takes her from Toledo to California, to law school in Boston, and, ultimately, in the 60s, home to Mississippi to participate in voter registration. She

is witness to the now-historic events of the century: the Great Migration north, the rise of the civil rights movement, preceded and precipitated by the racist society of America, and the often violent confrontations that brought about change. Rich, compelling storytelling is Ms. Taylor's hallmark, and she fulfills expectations as she brings to a close the stirring family story that has absorbed her for over forty years. It is a story she was born to tell.

The Penderwicks on Gardam Street

Another powerful story in the Logan Family Saga and companion to Mildred D. Taylor's Newbery Award-winning *Roll of Thunder, Hear My Cry*. For David Logan, a time of distress means taking the higher road. During a drought, the Logan family shares their well water with their neighbors, black and white alike. But David's brother Hammer finds it hard to share with Charlie Simms, who torments them because they are black. Hammer's pride and Charlie's meanness are a dangerous combination, and tensions between the boys build and build—until they explode. * "A compelling novel about prejudice and the saving power of human dignity."—School Library Journal, starred review

Written by Mildred D. Taylor, Roll of Thunder, Hear My Cry is one of a series of novels set in the U.S South during the Depression. Based on stories from the author's own family history, the series explores issues of prejudice, family bonds, and the value of education. The Logan family is one of the few black families in the area that owns their own land; they bought it during Reconstruction and have used it for farming for many years. Now it's the Depression, and they're struggling to pay the property taxes on their land. A wealthy local landowner would love to acquire the Logans' land (his family owned it before the Civil War). Roll of Thunder, Hear My Cry chronicles the Logans struggle to hold onto their land, their dignity, and their freedom.
