Mystery man, recluse, finance guru... Virgin. I was a shut-in for a reason. With too many secrets, too much to hide, and way too much at stake, I spent years in my mansion in the woods, never trusting a soul. So, when a stranger showed up at my door, with her plans to save the world, I should have sent her away, like I'd always done. From the second she arrived, I couldn't resist Veronica Cruz. She was everything I'd been missing—passionate, generous, and so damned sexy. I let her into my life, gave her everything—including my heart. Now, the one thing she wants is the truth. The question is, will she still love me when she knows my secret? Loving the Secret Billionaire is a sexy standalone novella in the Love at Last series, featuring a virgin hero and a slightly older woman. Originally published in the Rogue Desire anthology, this edition has been expanded with new material.

We skipped right over the whole fiancée thing and went straight from girlfriend to wife. At least, I think that's what happened. I woke up after my brother's Vegas wedding reception with my luscious girlfriend in bed with me. We're both wearing wedding rings. So is her coworker, Josh. And our Vegas chauffeur, Geordi. Who the hell am I married to? Unraveling this mystery will be as difficult as figuring out why Amanda and I are having panic attacks over the thought of being husband and wife. Or, whoever we're actually married to. Oh, ^%\$#. It's true that what happens in Vegas stays in Vegas, with one exception: If she's my wife, we'll make it work. If she's not? I'll make it happen. \*\*\*\*\* REVIEWS "Move over Sophie Kinsella and make way for Julia Kent. Don't get me wrong — I'm not about forever — I see what I want and I find a way to get it but it's always a temporary fix. No amount of money in the world can fix what's broken inside me — and I should know, I'm fucking loaded — so don't even try. I'm damaged. Broken to the core. I can get everything I need to know about you with the push of a button. Financial records are the easiest." He paused only to punctuate his point. "Is my intel wrong? Do you have a secret stash of cash in your mattress that you're holding onto for a rainy day?" No, he wasn't wrong — Gage knew how precarious my situation was and he had zero qualms about using the information to his advantage. Indignation aside could I afford to refuse his offer? Damn him, he knew I couldn't.

You know what's even better than marrying a billionaire? Having his baby. We're ready. We've studied and planned, read all the birth and labor books, researched parenting classes, consulted our schedules, and it's time. And by we I mean me. Declan's just ready for the "have lots of sex" part. More than ready. But there's just one problem: my husband and his brother have this little obsession with competition. And by little, I mean stupid. That's right. We're not just about to try to bring a new human being into the world. We have to do it better, Faster, Stronger. Harder. McCormick men don't just have babies. They engage in competitive billionaire Babythons. I thought the hardest part about getting pregnant would be dealing with my grandchild-crazed mother, who will go nuts shopping for a billionaire's baby. Wrong. Between conception issues, my mother's desire to talk to the baby through a hoo-haw cam, a childbirth class led by a drill sergeant and a father-in-law determined to sign the kid up for prep school before Declan even pulls out, my pregnancy has turned out to be one ordeal after the other. But it's nothing -- nothing -- compared to the actual birth. Shopping for a Billionaire's Baby

## Marrying Her Asian Billionaire

All of our best dates end up in the emergency room. I planned the perfect proposal. Plenty of lobster, caviar, champagne and--her favorite--tiramisu. The perfect setting. The perfect woman. The perfect everything. Dad gave me my late mother's engagement ring, platinum and diamonds galore. Shannon wouldn't care if I slid a giant hard-candy ring on her finger instead of a three-carat diamond designed to impress. But my future mother-in-law, Marie, will pass out when she sets eyes on that rock, which will give us two minutes of blessed silence. That woman talks more than Kim Kardashian flashes her naked backside on the internet. I was going to make it perfect, from the color of the tablecloth to the freshness of the roses. And it was perfect. Until Shannon swallowed the ring. \* \* \* Shopping for a Billionaire's Fiancée gives near-billionaire Declan McCormick the chance to tell his story in this continuation of the New York Times and USA Today bestselling Shopping for a Billionaire series. \*\*\*\*\* REVIEWS "Move over Sophie Kinsella and make way for Julia Kent. ## **WANTED**

He is addicted to his phone and his new role as CEO. I'm addicted to getting some on my own honeymoon. One of these things is not like the other. I am pretty sure a serial killer's lair is the only place in the world where I could stash my new husband so he can't manage the acquisition of our new company. And that seems a little drastic. But only a little All I want is one week alone with him. Hours in bed, legs tangled together in ecstasy, room service and long walks on the beach in Hawaii. Not vying for his kisses around a Bluetooth microphone. The Borg aren't sexy in real life. So I'm taking matters into my own hands and hitting "reboot" on our honeymoon. We're going to a place so remote that no one can find us. Not even my mother. ## What the Prince Wants

Snowbound. Sounds so romantic, with visions of cuddling before a roaring fire, hot chocolate spiked with brandy, and a secret elopement. Wait. What? My fiancé's father won't stop trying to turn our pending wedding into a three-ring media circus so he can get free publicity for his family's Fortune 500 company. My mother has decided she's done with All Things Wedding and asks her teacup Chihuahua for mother-of-the-bride advice. They've all gone certifiably mad. Then the stress from the wedding puts my mother in the hospital, I scream at my future father-in-law in front of a camera crew and the video goes viral, and the romantic wedding that started with Andrew's grand Pride and Prejudice proposal looks less like Jane Austen and more like Dostoyevsky. So what do you do when you're a fixer and you can't fix something? You give up on it. Not on Andrew, silly. The wedding. Shopping for a CEO's Wife is the 12th book in Julia Kent's New York Times bestselling Shopping series. As Shannon and Declan enjoy their newlywed bliss, Andrew's father wants to exploit Amanda and Andrew's nuptials, much to Amanda's chagrin. Can she learn to stand up to her future father-in-law and fight for what's right? But the real question is: will Spritzzy the teacup Chihuahua end up being a flower girl?
