Zymurgy: Best Articles

Was it the water or the quality hops? The deep-rooted appreciation of saloon culture? How did Portland, Oregon, become one of the nation's leaders in craft beer cultivation and consumption, with more than fifty breweries in the city limits? Beer writer and historian Pete Dunlop traces the story of Rose City brewing from frontier saloons, through the uncomfortable yoke of temperance and Prohibition, to the hard-fought Brewpub Bill and the smashing success of the Oregon Brewers Festival. Meet the industry leaders in pursuit of great beer--Henry Weinhard, McMenamins, Bridgeport, Portland Brewing, Widmer and more--and top it off with a selection of trivia and local lore. Bringing together interviews and archival materials, Dunlop crafts a lively and engaging history of Portland's road to Beervana.

Draught Beer Quality Manual

Men's Health The Big Book of Uncommon Knowledge combines thousands of DIY tips, bits of advice, how-to articles, and other skills a modern man must master to be the best he can be—and have a good laugh while doing it. The ultimate insider's guide to everything, this book is a treasure trove of career advice; sex tips; and instructions for mastering the power handshake, losing 15 pounds, wooing a girl (or a rainbow trout), surviving a bear attack (or a nasty divorce), dressing for success, cooking the perfect steak, paddling a canoe straight, curing a hangover, troubleshooting a car, changing a diaper with one hand, and more!

Margrit Mondavi's Vignettes

As craft brewing continues to go from strength to strength across the world, World Atlas of Beer is the definitive and essential guide to beer. Understand the rich, multi-faceted traditions of Belgium, the Nordic legend that is Finnish Sahti, the relatively new phenomenon of the New England hazy IPA, and why Australia's lower-strength beers are one of its great successes. With thousands of breweries

now operating around the globe, and more opening every day, this is the expert guide to what is really worth drinking. Country by country the book considers a vast range of brewing techniques, beer styles and traditions. Detailed maps describe crucial trends in major territories and features such as matching beer with food and how to pour different kinds of beer complete the picture. Now in a fully updated third edition, this book is the perfect companion to help you explore the best beers the world has to offer. Praise for the second edition of *World Atlas of Beer*: 'Written with authority and wit the perfect guide to the rapidly changing beer scene' - the Guardian

How to Marry a Cowboy

"Hoptopia argues that the current revolution in craft beer is the product of a complex global history that converged in the hop fields of Oregon's Willamette Valley. What spawned from an ideal environment and the ability of regional farmers to grow the crop rapidly transformed into something far greater because Oregon farmers depended on the importation of rootstock, knowledge, technology, and goods not only from Europe and the Eastern United States but also from Asia, Latin America, and Australasia. They also relied upon a seasonal labor supply of people from all of these areas as a supplement to local Euroamerican and indigenous communities to harvest their crops. In turn, Oregon hop farmers reciprocated in exchanges of plants and ideas with growers and scientists around the world, and, of course, sent their cured hops into the global marketplace. These global exchanges occurred not only during Oregon's golden era of hop growing in the late nineteenth and early twentieth centuries, but through to the present in the midst of the craft beer revival. The title of this book, Hoptopia, is a nod to Portland's title of Beervana and the Willamette Valley's claim as an agricultural Eden from the mid-nineteenth century onward. But the story is fundamentally about how seemingly niche agricultural regions do not exist and have never existed independently of the flow of people, ideas, goods, and biology from other parts of the world. To define Hoptopia is to define the Willamette Valley's hop and beer industries as the culmination of all of this local and global history. With the hop itself as a central character, this book aims to connect twenty-first century consumers to agricultural lands and histories that have been forgotten in an era of industrial food production"--Provided by publisher.

Session Beers

Trial. Error. Better Beer. When most brewers think of an experimental beer, odd creations come to mind. And sure, in this book you can learn how to brew with ingredients like bacon, chanterelle mushrooms, defatted cacao nibs, and peanut butter powder. However, experimental homebrewing is more than that. It's about making good beer--the best beer, in fact. It's about tweaking process, designing solid recipes, and blind evaluations. So put on your goggles, step inside the lab, and learn from two of the craziest scientists around: Drew Beechum and Denny Conn. Get your hands dirty and tackle a money-saving project or try your hand at an off-the-wall technique. Freeze yourself an Eisbeer, make a batch of canned starter wort, fake a cask ale, extract flavors with distillation, or sit down at the microscope and do some yeast cell counting. More than 30 recipes and a full chapter of open-ended experiments will complete your transformation. Before you

realize it, you'll be donning a white lab coat and sharing your own delicious results!

The Software Paradox

Succinct and concise, this textbook covers all the procedural and substantive aspects of EU competition law. It explores primary and secondary law through the prism of ECJ case law. Abuse of a dominant position and merger control are discussed and a separate chapter on cartels ensures the student receives the broadest possible perspective on the subject. In addition, the book's consistent structure aids understanding: section summaries underline key principles, questions reinforce learning and essay discussion topics encourage further exploration. By setting out the economic principles which underpin the subject, the author allows the student to engage with the complexity of competition law with confidence. Integrated examples and an uncluttered writing style make this required reading for all students of the subject.

Riding the Roller Coaster

Since 1978, Zymurgy magazine, official journal of the American Homebrewers Association, has served homebrewers with recipes, practical tips, debates, lore and entertainment. Now Charlie Papazian, founder of the magazine and first name in homebrewing, has combed through classic issues of Zymurgy for this unprecedented collection, packed with popular, timeless homebrewing wisdom for beginners and advanced homebrewers alike-- Award-winning homebrew recipes, and recipes that use your brew as a cook ingredient Whats in your water--and why finding out can make all the difference to your beer How to make exotic brews like stone beer, Swedish gotlandscrika or Dusseldorf Altbier Switching to gain brewing--all you need to know about malts and malt extract How to make authentic English bitters and serve it properly at home How to construct a homemade bottle filler Experimenting wit herbs, spices and different strains of yeast for new tastes in your home brew And, much, much more!

Portland Beer

From the Chrysler Six of 1924 to the front-wheel-drive vehicles of the 70s and 80s to the minivan, Chrysler boasts an impressive list of technological "firsts." But even though the company has catered well to a variety of consumers, it has come to the brink of financial ruin more than once in its seventy-five-year history. How Chrysler has achieved monumental success and then managed colossal failure and sharp recovery is explained in *Riding the Roller Coaster*, a lively, unprecedented look at a major force in the American automobile industry since 1925. Charles Hyde tells the intriguing story behind Chrysler-its products, people, and performance over time--with particular focus on the company's management. He offers a lens through which the reader can view the U.S. auto industry from the perspective of the smallest of the automakers who, along with Ford and General Motors, make up the "Big Three." The book covers Walter P. Chrysler's life and automotive career before 1925, when he founded the Chrysler Corporation, to 1998, when it merged with Daimler-Benz. Chrysler made a late entrance into the industry in 1925 when it emerged from Chalmers and Maxwell, and further grew when it absorbed Dodge

Brothers and American Motors Corporation. The author traces this journey, explaining the company's leadership in automotive engineering, its styling successes and failures, its changing management, and its activities from auto racing to defense production to real estate. Throughout, the colorful personalities of its leaders-including Chrysler himself and Lee Iacocca-emerge as strong forces in the company's development, imparting a risk-taking mentality that gave the company its verve.

The Cowboy's Christmas Baby

Grand Times in Grand Rapids

Book 3 of Cowboys & Brides From New York Times and USA Today-bestselling author Carolyn Brown comes a contemporary Western romance filled to the brim with sexy cowboys, gutsy heroines, and genuine down-home Texas twang. Emily Cooper promised her dying grandfather that she'd deliver a long-lost letter to a woman he once planned to wed. Little does adventurous Emily know that this simple task will propel her to places she never could have imagined with a cowboy who's straight out of her dreams. When sexy rancher Greg Adams discovers his grandmother Clarice has installed Emily on their ranch as her assistant, he decides to humor the two ladies. He figures Emily will move on soon enough. In the meantime, he intends to keep a close eye on her-he doesn't quite buy her story of his grandmother as a mail-order bride. A lost letter meant a lost love for Clarice, but two generations later, maybe it's not too late for that letter to work its magic. Fans of Linda Lael Miller and Diana Palmer will thrill to this charming story of a sexy Texas rancher and the mail order bride who brought him to one knee. Hoptopia

"The Draught Beer Quality Manual provides detailed information on draught line cleaning, system components and design, pressure and gas balance, proper pouring, and glassware sanitation. Covers both direct- and long-draw draught systems, important safety tips, and visual references. Written for draught system installers, beer wholesalers, retailers, and brewers"--

The Cowboy's Mail Order Bride

COULD HE BE HER HERO? Hope, Montana, is no longer home to Andy Granger, who sold his piece of the family ranch to developers. He's only back to run a cattle drive in his brother's stead. But the community can't forgive him for selling out. And Dakota Mason, the beautiful cowgirl he hired, has every reason to hate him... Ranching is in Dakota's blood. And now the developers have cut off water her neighboring ranch desperately needs. She's only on the ride for a paycheck—not to turn her back on her community. And definitely not to fall for some overly protective urban cowboy. But Andy may surprise everyone...including himself.

Red, White, and Brew

The use of wooden vessels for storage, transportation, fermentation or aging of beer is deeply rooted in history. Brewing luminaries Dick Cantwell and Peter Bouckaert explore the many influences of wood as a vehicle for contributing tremendous complexity to beers fermented and aged within it. Brewers are innovating, experimenting and enthusiastically embracing the seemingly mystical complexity of flavors and aromas derived from wood. From the souring effects of microbes that take up residence in the wood to the character drawn from barrels or foeders, *Wood & Beer* covers not only the history, physiology, microbiology and flavor contributions of wood, but also the maintenance of wooden vessels.

Urban Outcasts

Mastering Homebrew

A revolution in cooking Sous vide is the culinary innovation that has everyone in the food world talking. In this revolutionary new cookbook, Thomas Keller, America's most respected chef, explains why this foolproof technique, which involves cooking at precise temperatures below simmering, yields results that

other culinary methods cannot. For the first time, one can achieve short ribs that are meltingly tender even when cooked medium rare. Fish, which has a small window of doneness, is easier to finesse, and shellfish stays succulent no matter how long it's been on the stove. Fruit and vegetables benefit, too, retaining color and flavor while undergoing remarkable transformations in texture. The secret to sous vide is in discovering the precise amount of heat required to achieve the most sublime results. Through years of trial and error, Keller and his chefs de cuisine have blazed the trail to perfection—and they show the way in this collection of never-before-published recipes from his landmark restaurants—The French Laundry in Napa Valley and per se in New York. With an introduction by the eminent food-science writer Harold McGee, and artful photography by Deborah Jones, who photographed Keller's best-selling *The French Laundry Cookbook*, this book will be a must for every culinary professional and anyone who wants to up the ante and experience food at the highest level.

A Home for the Heart (The Journals of Corrie Belle Hollister Book #8)

Everything needed to brew beer right the first time. Presented in a light-hearted style without frivolous interruptions, this authoritative text introduces brewing in a easy step-by-step review.

Batman Ruled Pocket Journal

How To Brew

From globally heralded beer-brewing authority Randy Mosher comes the ultimate guide to the craft for beginners and advanced brewers alike. Featuring plain-speaking, fun-to-read instructions, more than 150 colorful graphics and illustrations of process and technique, and 100 recipes for classic and popular brews, this handbook covers everything any brewer could ever want, from choosing ingredients and equipment to mashing, bottling, tasting, and serving. Mosher simplifies the complexities, inspiring and teaching today's burgeoning new league of home brewers.

The Jordan Rules

Beautiful Messages of Hope, Love, and Healing Sent from Spirits to the Loved Ones They Left Behind When a powerful spiritual presence directed Roland Comtois to write down the messages he receives from the other side, Roland decided to do just that and the results have been astonishing. *Signs of Spirit* presents the heartwarming stories of people who have received Roland's Purple Papers and confirmed that the messages are from their loved ones in spirit. You will feel the immense gratitude and relief that comes when messages reveal that loved ones in spirit are safe and at peace. In the Purple Papers, broken relationships are repaired and emotional turmoil is released

as one of the world's most remarkable mediums delivers breathtaking messages from loved ones who passed away too soon. You will also discover many photos of the most powerful Purple Papers, as well as messages that haven't yet found their recipient—one of them could even be for you.

Under Pressure

Sharing a beer or two with friends after work or play is one of life's many joys. Session beers, whose mild strength invites more than one round, adhere to high quality standards and are dedicated to balance and drinkability above all. Some naturally low-alcohol beer styles were “sessionable” long before that word was coined, but brewers have reinvented traditionally stronger classic beer styles to make them, too, well-suited to casual drinking sessions. Responsible consumption of these high-quality, easy-drinking beers gives beer lovers the freedom to celebrate community and friendship while consuming less alcohol. Such beers can be challenging to brew, but they present many opportunities to showcase skill, flavor, and refreshment. *Session Beers* explores the history behind some of the world's greatest session beers, past and present. Learn about the brewing processes and ingredients to master recipe development. Explore popular craft session beer recipes from some of the best brewmasters in America, and discover why beer drinkers enjoy exploring and drinking session beers.

Men's Health: The Big Book of Uncommon Knowledge

A perfect gift for connoisseurs of the most popular drink enjoyed in American pubs, *Red, White, and Brew* is the ultimate beer run across the United States, during which Brian Yaeger visits fourteen breweries of various sizes and talks to founders, owners, brewmasters, consumers, and anyone else he meets on his odyssey and who enjoys the making, tasting, and appreciating of brews. *Red, White, and Brew* pursues the roots of brewers who brought their craft with them from their homeland and investigates how the tradition is faring today and where it may head in the future. Covering everything from fifth-generation family-run brewing companies to first-wave microbreweries, this book is a travelogue, guide, and genealogical study of beer families and homebrewers from Portland, Maine, to Portland, Oregon. It is filled with eclectic characters and shrewd businesspeople who populate an industry as old as the New World, and who produce liquid philanthropy, one keg at a time.

Experimental Homebrewing

“The Italian word for Chutzpah is audacia, but it might as well be Sam Calagione.” —*Forbes* magazine “Let one of the beer industry's most irrepressible brewers lead you to extremes in your kitchen. Do try this at home—you'll be glad you did.” —Michael Jackson, *The Beer Hunter*, author of *World Guide to Beer* “Should inspire nonbrewing beer fans to start brewing and homebrewers or commercial brewers to push the envelope a bit.” —*Northwest Brewing News* “Extreme Brewing is not just about radical brewing, it is about appreciating and living great beers.” —*Ale Street News* “Finish Extreme Brewing and you will be a better-informed homebrewer than most amateurs are.” —*Mid-Atlantic Brewing News* Sam Calagione's authoritative

primer Extreme Brewing, long required reading for any serious homebrewer, is now revised and expanded. Extreme Brewing

As a journalist spurred by curiosity and thirst, Lucy Burningham made it her career to write about craft beer, traveling to hop farms, attending rare beer-tasting parties, and visiting as many taprooms, breweries, and festivals as possible. With this as her introduction, Lucy decided to take her relationship with beer to the next level: to become a certified beer expert. As Lucy studies and sips her way to becoming a Certified Cicerone, she meets an eclectic cast of characters, including

brewers, hop farmers, beer sommeliers, pub owners, and fanatical beer drinkers. Her journey into the world of beer is by turns educational, social, and personal—just as enjoying a good beer should be.

Constructional Change in English

Book 4 of Cowboys & Brides From New York Times and USA Today-bestselling author Carolyn Brown comes a contemporary Western romance filled to the brim with sexy cowboys, gutsy heroines, and genuine down-home Texas twang. Texas rancher Mason Harper's daughters want a new mama in the worst way, and when a beautiful woman in a tattered wedding gown appears on their doorstep, the two little girls adopt her—no ifs, ands, or buts about it. Mason isn't sure about taking in a complete stranger, but Lord knows he needs a nanny, and Annie Rose Boudreau stirs his heart in long-forgotten ways Annie Rose is desperate, and when a tall, sexy cowboy offers her a place to stay, she can't refuse. After all, it's just for a little while. As she settles in deeper, her heart tells her both Mason and her role as makeshift mama suit her just fine. But will Mason feel the same way once her nightmare past catches up with her? Fans of Linda Lael Miller and Diana Palmer will thrill to this moving story of a lonely cowboy and his two little girls finding the family of their dreams. Cowboys & Brides Series: Billion Dollar Cowboy (Book 1) The Cowboy's Christmas Baby (Book 2) The Cowboy's Mail Order Bride (Book 3) How to Marry a Cowboy (Book 4) Praise for Bestselling Contemporary Western Romances by Carolyn Brown: "Sizzling Brown imbues her lively story with lots of heart."-Publishers Weekly "Hilarious a great, entertaining read."-Fresh Fiction "Writing so expressive I could almost hear the country drawl."-Night Owl Reviewer Top Pick, 4 stars

World Atlas of Beer

Software is more important than ever today and yet its commercial value is steadily declining. Microsoft, for instance, has seen its gross margins decrease for a decade, while startups and corporations alike are distributing free software that would have been worth millions a few years ago. Welcome to the software paradox. In this O'Reilly report, RedMonk's Stephen O'Grady explains why the real money no longer lies in software, and what it means for companies that depend on that revenue. You'll learn how this paradox came about and what your company can do in response. This book covers: Why it's growing more difficult to sell software on a standalone basis How software has come full circle, from enabler to product and back again The roles that open source, software-as-a-service, and subscriptions play How software developers have become the new kingmakers Why Microsoft, Apple, and Google epitomize this transition How the paradox has affected other tech giants, such as Oracle and Salesforce.com Strategies your software firm can explore, including alternative revenue models

Brewing Better Beer

Craft beer is about innovation, discovery and interpretation. Homebrewing is about all that and more! As the beer scene evolves, so do the beer styles we know and love. In Modern Homebrew Recipes, Grandmaster Beer Judge and author Gordon

Strong takes you on a guided journey of brewing discovery that includes information about some of the latest BJCP style changes. Following a primer on specific mashing and hopping techniques, recipe formulation fundamentals and how to adapt recipes to your system, Strong shares more than 100 distinctive recipes. Strong also provides specific advice and sensory profiles for each beer. Strong's recipes are provided as-brewed, with delicious variations to get the creative juices flowing. *Modern Homebrew Recipes* is more than a book of recipes; it's a book that sets brewers on the path to discovering what's new in the world of homebrewing.

Signs of Spirit

The Civil War is finally over, and it has been more than two years since Corrie Belle Hollister left her home and family in Miracle Springs, California, to travel across the country at President Lincoln's invitation. Her writing skills and reporting experience have made their own contribution to the Union's success, and now she is on her way home . . . back to the community where she grew to maturity, back to the family she loves. But Corrie is returning a different young woman than the one who left with her journal tucked into her suitcase and the dream of being a writer tucked into her heart. She feels restless as she tries to settle back into the pace of a small town, and the latest letter from Christopher only creates more questions. Perhaps the most relentless among them: Where will she find a home for her heart?

How to Brew

Make your own dry-cured pork delicacies at home with the know-how you'll learn from this book. Over the centuries, dry-cured pork has evolved as a food of the changing seasons. Its flavors are truly a taste of the landscape and climate, and they have served as a crucial, long-lasting food source for many cultures. Dry-cured pork is the ultimate slow food. It doesn't need to be complicated but it's important to have clear, step-by-step instructions. That's where Hector Kent comes in. Kent, a science teacher by trade, has written the book he wished he'd had when he made his first prosciutto: One that brings together the critical components of curing in the simplest form possible, with photographs and illustrations to assure the reader of safe and delicious results. In addition to basic recipes, Kent offers readers interviews, advice, and recipes from several trend-setting dry-curing operations across the country.

Wood & Beer

Breaking with the exoticizing cast of public discourse and conventional research, *Urban Outcasts* takes the reader inside the black ghetto of Chicago and the deindustrializing banlieue of Paris to discover that urban marginality is not everywhere the same. Drawing on a wealth of original field, survey and historical data, Loïc Wacquant shows that the involution of America's urban core after the 1960s is due not to the emergence of an 'underclass', but to the joint withdrawal of market and state fostered by public policies of racial separation and urban abandonment. In European cities, by contrast, the spread of districts of 'exclusion'

does not herald the formation of ghettos. It stems from the decomposition of working-class territories under the press of mass unemployment, the casualization of work and the ethnic mixing of populations hitherto segregated, spawning urban formations akin to 'anti-ghettos'. Comparing the US 'Black Belt' with the French 'Red Belt' demonstrates that state structures and policies play a decisive role in the articulation of class, race and place on both sides of the Atlantic. It also reveals the crystallization of a new regime of marginality fuelled by the fragmentation of wage labour, the retrenchment of the social state and the concentration of dispossessed categories in stigmatized areas bereft of a collective idiom of identity and claims-making. These defamed districts are not just the residual 'sinkholes' of a bygone economic era, but also the incubators of the precarious proletariat emerging under neoliberal capitalism. *Urban Outcasts* sheds new light on the explosive mix of mounting misery, stupendous affluence and festering street violence resurging in the big cities of the First World. By specifying the different causal paths and experiential forms assumed by relegation in the American and the French metropolis, this book offers indispensable tools for rethinking urban marginality and for reinvigorating the public debate over social inequality and citizenship at century's dawn.

Dinosaurs Magnetic Design Set

In a frightening discovery, researchers from Massachusetts found a steady decline in male testosterone levels at a rate of about 1.2% each year, independent of age. Odds are that your testosterone levels are far lower than your father's were at your age, and lower still than your grandfather's. Lower testosterone levels: - Increase your likelihood for experiencing low energy and depression, - Your risk of heart disease and certain cancers, - Your likelihood of being overweight and obese, - While making it more likely that you experience impotence. This decline in manhood, however, does not have to be a part of your story. In *The Man Diet* you'll learn how to regain the virility that was once the norm. It's a method of eating that you can follow for the remainder of your life, enjoying what you eat rather than confining yourself to the unreasonable restrictions that are the foundation of most diets. *The Man Diet* is backed by 91 studies that will show you how to increase your testosterone levels naturally, and reduce your estrogen and cortisol levels (the two primary disruptors of testosterone). This book is for guys who want to be healthier, stronger, and manlier. If you don't want to be a part of this decline in masculinity, if you want to be elite, virile, and powerful, then *The Man Diet* is your guide. Join author Chad Howse in this quest to eat like a man, and live a more powerful life.

My Beer Year

The New York Times Bestseller, Now in eBook Format and Updated With a New Introduction This is the 20th anniversary of the explosive bestseller that changed the way the world viewed one of the greatest athletes in history, revealing for the first time Michael Jordan's relentless drive to win anything and everything, at any cost. NBA Hall of Fame columnist Sam Smith had unlimited access to the team and its players during their championship 1991-92 season, which he details in the new introduction, along with candid revelations about his sources, and the reaction from Michael, his teammates, the media, and the fans when the book blasted onto

the bestseller lists in 1992 (where it stayed for three months). With more than a million copies in print, and just published for the first time in eBook format, *The Jordan Rules* remains the ultimate inside look at one of the most legendary teams in sports history.

The Man Diet

Fully revised and expanded, *How to Brew* is the definitive guide to making quality beers at home. Whether you want simple, sure-fire instructions for making your first beer, or you're a seasoned homebrewer working with all-grain batches, this book has something for you. Palmer adeptly covers the full range of brewing possibilities—accurately, clearly and simply. From ingredients and methods to recipes and equipment, this book is loaded with valuable information for any stage brewer.

Billion Dollar Cowboy

Extreme Brewing is a recipe-driven resource for aspiring home brewers who are interested in recreating these specialty beers at home, but don't have the time to learn the in-depth science and lore behind home-brewing. As such, all recipes are malt-syrup based (the simplest brewing method) with variations for partial-grain brewing. While recipes are included for classic beer styles -- ales and lagers -- *Extreme Brewing* has a unique emphasis on hybrid styles that use fruit, vegetables, herbs and spices to create unique flavor combinations. Once their brew is complete, readers can turn to section three, *The Rewards of Your Labor*, to receive guidance on presentation, including corking, bottle selection and labeling as well as detailed information on food pairings, including recipes for beer infused dishes and fun ideas for themed dinners that allow the reader to share their creations with family and friends.

The Cowboy's Christmas Bride

Book 1 of *Cowboys & Brides* From New York Times and USA Today-bestselling author Carolyn Brown comes a contemporary Western romance filled to the brim with sexy cowboys, gutsy heroines, and genuine down-home Texas twang. Colton Nelson was twenty-eight years old when he won the Texas Lottery and went from ranch hand to ranch owner overnight. Now he's desperate to keep the gold diggers away. It shouldn't be too hard to find a pretty girl and hire her to pretend to be his one-and-only. Laura Baker's got mixed feelings about this-she's on the ranch to work, not to be arm candy. On the other hand, being stuck for a while in the boondocks with a gorgeous cowboy isn't half-bad. What neither Colton nor Laura expects are the intensely hard lessons they have to learn about the real cost of love Fans of Linda Lael Miller and Diana Palmer will thrill to this moving story of a marriage of convenience between a cowboy who has it all and the woman he could never have enough of. *Cowboys & Brides* Series Order: *Billion Dollar Cowboy* (Book 1, *Cowboys & Brides*) *The Cowboy's Christmas Baby* (Book 2, *Cowboys & Brides*) *The Cowboy's Mail Order Bride* (Book 3, *Cowboys & Brides*) *How to Marry a Cowboy* (Book 4, *Cowboys & Brides*) Praise for Bestselling Contemporary Western Romances by Carolyn Brown: "An old-fashioned love story told well A delight."-RT

Book Reviews, 4 Stars "Sizzling hot and absolutely delectable."-Romance Junkies
"Funny, frank, and full of heart One more welcome example of Brown's Texas-size talent for storytelling."-USA Today Happy Ever After "Alive with humor Another page-turning joy of a book by an engaging author."-Fresh Fiction
