Wartime Sexual Violence

Sex and World Peace unsettles a variety of assumptions in political and security discourse, demonstrating that the security of women is a vital factor in the security of the state and its incidence of conflict and war. The authors compare micro-level gender violence and macro-level state peacefulness in global settings, supporting their findings with detailed analyses and color maps. Harnessing an immense amount of data, they call attention to discrepancies between national laws protecting women and the enforcement of those laws, and they note the adverse effects on state security of abnormal sex ratios favoring males, the practice of polygamy, and inequitable realities in family law, among other gendered aggressions. The authors find that the treatment of women informs human interaction at all levels of society. Their research challenges conventional definitions of security and democracy and shows that the treatment of gender, played out on the world stage, informs the true clash of civilizations. In terms of resolving these injustices, the authors examine top-down and bottom-up approaches to healing wounds of violence against women, as well as ways to rectify inequalities in family law and the lack of parity in decision-making councils. Emphasizing the importance of an R2PW, or state responsibility to protect women, they mount a solid campaign against women's systemic insecurity, which effectively unravels the security of all.

Healing the Sexual Soul

Hillary Rodham Clinton was the first Secretary of State to declare the subjugation of women worldwide a serious threat to U.S. national security. Known as the Hillary Doctrine, her stance was the impetus behind the 2010 Quadrennial Diplomatic and Development Review of U.S. foreign policy, formally committing America to the

proposition that the empowerment of women is a stabilizing force for domestic and international peace. Blending history, fieldwork, theory, and policy analysis while incorporating perspectives from officials and activists on the front lines of implementation, this book is the first to thoroughly investigate the Hillary Doctrine in principle and practice. Does the insecurity of women make nations less secure? How has the doctrine changed the foreign policy of the United States and altered its relationship with other countries such as China and Saudi Arabia? With studies focusing on Guatemala, Afghanistan, and Yemen, this invaluable policy text closes the gap between rhetoric and reality, confronting head-on what the future of fighting such an entrenched enemy entails. The research reports directly on the work being done by U.S. government agencies, including the Office of Global Women's Issues, established by Clinton during her tenure at the State Department, and explores the complexity and pitfalls of attempting to improve the lives of women while safeguarding the national interest.

The Hillary Doctrine

This book is written for those who were sexually abused and were not able not get help or adequate help. It is also recommended for family members of those who were sexually abused and those professionals who worked with the sexually abused.

Fighting Sexual Temptation

"This updated edition of Bornstein's formative *My Gender Workbook* (1997) provides an invigorating introduction to contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein's other work, has influenced an entire generation of trans writers and artists. This revised and expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader's life and in the broader culture while arguing for the dismantling of all forms of oppression. For fans of the original, Bornstein's new material merits a fresh read"--Publishers Weekly, starred review Cultural theorists have written loads of smart but difficult-to-fathom texts on gender theory, but most fail to provide a hands-on, accessible guide for those trying to sort out their own sexual identities. In *My Gender Workbook*, transgender activist Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, complete with quizzes, exercises, and puzzles, Bornstein gently but firmly guides readers toward discovering their own unique gender identity. Since its first publication in 1997, *My Gender Workbook* has been challenging, encouraging, questioning, and helping those trying to figure out how to become a "real man," a "real woman," or "something else entirely." In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With new quizzes, new puzzles, new exercises, and plenty of Kate's playful and provocative style, *My New Gender Workbook* promises to help a new generation create their own unique place on the gender spectrum.

The Cultural Politics of European Prostitution Reform

As the nations of Earth collapse into chaos amid a steadily worsening environmental catastrophe, Iris makes the choice to leave her dying world behind and seek refuge on the far-off planet of TraoX39, where human females are in high demand as brides. But upon her arrival, she soon realizes that her new life will be far different than she was led to believe. Though she was promised the right to refuse any match, when Iris dares to reject a rich, decadent oaf who fancies her, she finds herself in deep trouble. After a humiliating public punishment, she is brought to a remote settlement inhabited by the rugged, battle-hardened Trogarian tribe and given as a gift to their chieftains. The two huge, handsome Trogarian warriors waste no time in making it clear that Iris is to be their obedient, submissive bride, and when she defies them she quickly discovers that there are punishments much more shameful than a mere bare-bottom spanking. Yet in spite of everything, their mastery of her body sets Iris on fire with passion in a way she has never experienced, and before long she is delighting in being shared by her fierce, dominant mates. But the Trogarians have powerful enemies, and soon her adopted people are caught up in the scheming of foes as cunning as they are evil. Can Iris help set things right and save the men she has grown to love before it is too late? Publisher's Note: Bride of the Trogarians includes spankings and sexual scenes. If such material offends you, please don't buy this book.

Wishbone

"Food, Sex & Peace of Mind" will keep any man happy, but in a relationship, everyone's happiness should be considered. This book will help women tap into their true power as a woman, understand the way men think, and attract a quality man of substance. Life & Relationship Coach "AskCheyB" has taken the questions asked by countless women about living single, dating, relationships, marriage, men and more, and has provided answers to help them achieve relationship success. Food, Sex & Peace of Mind is a great source for hope; Hope for the happy, healthy, and loving relationship that is highly sought out by people all over the world.

Male Roles, Masculinities and Violence

These days too many people are missing out on rewarding relationships and a fulfilling sex life. Yet they often suffer in silence. According to relationship expert Oberdan Marianetti, this unnecessary suffering is largely driven by lack of information and misplaced expectations. People usually don't know the right questions to ask or whose answers to trust. In "Unleash Your Inner Pleasure," a fun and informative book based on the experience of many years' study and counselling with clients, he encourages people to ask the right questions about relationships, sexuality and life. He shows that making it "normal" and easy to speak about sex means people can gain a more positive and realistic sense of being sexual and enjoy more relaxed and fulfilling relationships. Readers will come away from this book tickled by what they read, comfortable addressing their questions with those around them and curious to explore more.

Let There Be Blood

Jasmine-Kim Westendorf's discomfiting book investigates sexual misconduct by military peacekeepers and abuses perpetrated by civilian peacekeepers and non-UN civilian interveners. Based on extensive field research in Bosnia, Timor-Leste, and with the UN and humanitarian communities, she uncovers a brutal truth about peacebuilding as she investigates how such behaviors affect the capacity of the international community to achieve its goals related to stability and peacebuilding, and its legitimacy in the eyes of local and global populations. As *Violating Peace* shows, when interveners perpetrate sexual exploitation and abuse, they undermine the operational capacity of the international community to effectively build peace after civil wars and to alleviate human suffering in crises. Furthermore, sexual misconduct by interveners poses a significant risk to the perceived legitimacy of the multilateral peacekeeping project, and the UN more generally, with ramifications for the nature and dynamics of UN in future peace operations. Westendorf illustrates how sexual exploitation and abuse relates to other challenges facing UN peacekeeping, and shows how such misconduct is deeply linked to the broader cultures and structures within which peacekeepers work, and which shape their perceptions of and interactions with local communities. Effectively preventing such behaviors is crucial to global peace, order, and justice, and so *Violating Peace* also identifies how policies might be improved in the future, based on an account of why they have failed to date.

The Sexual Abuse Victim's Guide to Recovery

While fat sexual bodies are highly visible as vehicles for stigma, there has been a lack of scholarly research addressing this facet of contemporary body politics. *Fat Sex: New Directions in Theory and Activism* seeks to rectify this, bringing debates about fat sex into the academic arena and providing a much-needed critical space for voices from across the spectrum of theory and activism. It examines the intersection of fat, sex and sexuality within a contemporary cultural landscape that is openly hostile towards fat people and their perceived social and aesthetic transgressions. Acknowledging and engaging with some of the innovative work being done by artists, activists, and academics around the issue of fat sex, this collection both challenges preconceptions regarding fatness and sexuality, but also critiques and debates various aspects of the fat activist approach. It draws on a wide range of disciplinary perspectives, bringing together work from the UK, US, Europe, and Australia to offer a wide-ranging examination of the issues of size, sex, and sexuality. A cutting-edge exploration not only of fat sex, but of identity politics, neoliberalism and contemporary body activism in general, *Fat Sex: New Directions in Theory and Activism* will be of interest to scholars of sociology, cultural studies, geography, porn studies and literary studies working on questions of gender, sexuality and the body.

Christian Sex

Fiction. In this fast-paced new novel, Gil A. Waters introduces us to an America warped by biological terrorism and a cast of characters scraping by on sex, drugs, and ammo. Rik was stuck in a dead-end office job, relying on copious amounts of weed to make it through each day. His affair with his boss was the only highlight in his otherwise miserable existence. Then a terrorist group released a vicious, highly contagious virus—and everything changed. When Rik becomes infected, he finds

himself on the run from a government that ruthlessly hunts down anyone who might be sick. He soon learns that narcotics dull the symptoms, and that sex with another infected person gets him higher than he's ever been. He hooks up with a beautiful ex-government agent, Dez, who is also infected. Together, they seek sanctuary in a mysterious underground organization: NEUROVONT, INCORPORATED. What they find will blow their minds Gil A. Waters' brisk and spare future perfect story imagines a world where getting infected means that you are chased by the government as bio terrorists, and the only people that can help do so through an underground network of sex- and drug-fueled safe houses. As a beacon of hope, NEUROVONT, INCORPORATED turns the cryptic anonymous corporation into a safe place where people in trouble can disappear to discover the true meaning of the infection that's sweeping America in the near future. The writing is light and cheery as Gil Waters keeps the sex, drugs, and jokes zinging faster than the five ball bonus on the best pinball game ever. What are people saying about it? "Constant sex, mind-blowing drugs, and the plague—who could ask for anything more?" "A sure-fire crowd pleaser for those who like their sex hookups hot and random and their drugs heavy." "The Matrix for the AIDS generation." "More sex than Cafe Flesh—more drugs than Naked Lunch—more killing than Natural Born Killers—NEUROVONT, INCORPORATED is f'ing awesome."

Violating Peace

First published in 1992. One of the issues of particular interest to political psychologists centers around how foreign policy decisions are made. The psychological phenomena that political psychologists examine have to do with how individuals perceive, interpret, feel about, and react to their environment. The political factors have to do with the activities involved in governing or the making of public policy—that is, with how the material and human resources of a collectivity are allocated. The research presented in this volume addresses 6 key questions that link psychological and political processes, and the chapters are organized around three conceptual clusters: perception studies, personality studies, and studies of group dynamics.

Claire and Her Sister

The Cultural Politics of European Prostitution Reform traces case studies of four European Union countries to reveal the way anxieties over globalization translates into policies to recognize sex workers in some countries, punish prostitutes' clients in others, and protect victims of human trafficking in them all.

Gendering Global Conflict

Tantra for the Modern-Day Lover

What is "ordinary but extraordinary" sex? Imagine the basics. Foreplay, taking the clothes off, handjobs, blowjobs, and plain ole' no-crazy-positions sex. That's what we're talking about here. Just the normal stuff. Nothing crazy. Nothing too extravagant or complicated. We're just talking about the basics. But we're going to

File Type PDF Sex And World Peace Sex Death And Hierarchy In A Chinese City

explain how to make the basics, better. How to make them the best versions of themselves. How to have the best foreplay, take your clothes off in the sexiest way, give the most teasing hand job, tantalizing blowjob, and finish the night with the best possible sex. This is your guide to the best ordinary sex you'll ever have.

Wear You Down

Is Jack the Ripper alive today? Jessie is happy leading a hedonist lifestyle, with plenty of women to enjoy in or out of her bed. When Jessie's friend asks for help in finding her missing lover, Jessie is reluctant, however as increasing numbers of women go missing in the East End of London, she is forced into action. Jessie barely starts her investigation when she realises that she is being watched by a mysterious figure. With the help of her friends, and a ghostly visitation from her Aunt, Jessie learns that there is a connection with these recent disappearances, and the unsolved mystery of Jack the Ripper. Jessie meets beautiful Rachel, who also wants to solve the mystery. However this new woman carries secrets of a mysterious Sisterhood who may be responsible for these disappearances. Both Jessie and Rachel find themselves hunted by members of this secret society, who want them silenced at any cost. Jessie has to trust her instincts in order to stop the bigger evil who threatens the lives of anyone who gets in their way. Jessie receives help from unexpected sources, including a bounty-hunter, a horny librarian, a sex-starved police officer, and an army of prostitutes. These women enable Jessie to face the Sisterhood, and in doing so, she is also able to reveal the secret identity of the notorious Jack the Ripper!

Baby You Should Wait Awhile

In the American Empire, kill or be killed is the only true law of the land. Nanshe Jones, former streetgun-turned-traitor needed a way out of New Cal, a place to shake her drug habit, and her reputation. Sokanon Lee, a military special ops sniper before the Fall, is a killer for hire, or at least she was. Now all she wants to do is retire and get out. Compelled by desperation, both women find Alexandria, a girl on the run with a secret worth fifty billion, one that killers are just waiting to eat her alive for. In this fast-paced erotic techno fantasy that's one part Mad Max, one part Kill Bill, with a dash of Delta of Venus, five strangers will face hell, lust, and their shared destiny, one that will change the world forever. Mari Kurisato is a mom, wife in a lesbian marriage, artist recovering shut-in recluse, and future cyborg. This is her first novel. For more information, please visit MariKurisato.com

The First Political Order

Synopsis of The Monogamy Curse. The fires of hot, sexual passion die too quickly alongside dreams of love everlasting. Blind-sided by marital monogamy, a chain reaction of personal doubt and neglect often unfurls. Couples no longer feel 'in play, 'lose incentive to maintain their health and appearance, and start 'going-to-seed.' The simplest cure for failing marriages and premature aging is to reject monogamy, and regain sexual freedom. Originally imposed to force Christianity on people, monogamy is contrary to human nature, yet we've made it habitual. This book explains how and why we can conquer the curse

Sex-love, and Its Place in a Free Society

The highly demanded next book in the First Things series. Wear You Down reveals the scintillating story of Emma, a character from the bestselling romance, All My Life. Emma Paes has had a very Dickensian start to her life. She was born in a dumpster, rescued by a missionary and caged in a convent kind. Over the years, fueled by her love for sitcoms and classics, Emma dreams of visiting the land of Gilmore Girls, becoming a governess and maybe even finding her very own Mr. Rochester. When she bumps into Harry Colt while backpacking in Paris, she starts wondering if she's finally found him. But Harry doesn't fit into any of Emma's fictional cut-outs. He is neither a beautiful bastard nor a walking disaster. Dammit, he doesn't even have fangs popping out during sexy times! Driven by circumstances, they share a hotel room and spend two loquacious nights together in Paris. But then Harry does something which breaks Emma's heart and she runs away without saying goodbye. It takes a whole year for them to meet again. But things are different this time. Emma is no longer the naive girl Harry met in Paris. She's become the reigning Samba queen of Rio and doesn't need the crutches of fictional or real heroes to lead her life. And not all the sexy v's and smoldering eyes in the world can make her change her mind. Undaunted and undeterred, Harry summons all his courage and charm to pursue Emma and convince her that he is worthy of winning her heart back. But will she let him? ***** Contemporary Romance. HEA ending. 18+ *Wear You Down unravels the story of a side-character from All My Life and can be read as a stand-alone novel.*

Extraordinary Sex

This book is based on an expert group meeting entitled 'Male Roles and Masculinities in the Perspective of a Culture of Peace', which was organised by UNESCO in Oslo, Norway in 1997, the first international discussion of the connections between men and masculinity and peace and war. The group consisted of researchers, activists, policy makers and administrators and the aim of the meeting was to formulate practical suggestions for change. Chapters in the book consist of both regional case studies and social science research on the connections of traditional masculinity and patriarchy to violence and peace building. The Culture of Peace initiatives in this book show how violence is ineffective, and the book contests the views in the socialisation of boy-children that aggressiveness, violence and force are an acceptable means of expression.

Transcendent Sex

When historian Patrick Muldoon stops by the small Pennsylvania town of Dunsmuir on his way to Washington, D.C., he has no idea he would be utterly smitten with a young owner of a pet store, Claire Monahan. Patrick decides to relocate to Dunsmuir, and along the way he meets Claire's older sister Sophie, a timid creature who seems to have suffered some unspecified trauma as a teenager. As Patrick further explores the bodies and psyches of Claire and her sister-as well as of their mother, Margaret-he learns of the tragedies that have marred all three lives, and he does his best to help them. This moving novel of love and intimacy shows how an unorthodox relationship between a man and three women can seem

natural and inevitable-if it is founded on love, sensitivity, and respect.

Everything You Always Wanted to Know about Sex

An m/m erotic fantasy/science fiction romance. Sir is a shih-aan merchant living in Bronlyn Harbor to maintain trade with the humans his people fought to a standstill in a bloody war twenty years earlier. The humans consider him a demon to be feared and avoided. But he is exactly what Wishbone needs. Wishbone has a risky life as a human male prostitute in a world where homosexual acts are criminal. But when one of the shih-aan buys him for a night, he learns of true danger for the first time. Under Sir's hand Wishbone will learn many other lessons—of love, loyalty, and power. And he will learn Sir is a spy. This is a revised author's preferred edition of Wisbone. (Previously published by Torquere Press in 2010.)

Food, Sex and Peace of Mind

Laura Sjoberg positions gender and gender subordination as key factors in the making and fighting of global conflict. Through the lens of gender, she examines the meaning, causes, practices, and experiences of war, building a more inclusive approach to the analysis of violent conflict between states. Considering war at the international, state, substate, and individual levels, Sjoberg's feminist perspective elevates a number of causal variables in war decision-making. These include structural gender inequality, cycles of gendered violence, state masculine posturing, the often overlooked role of emotion in political interactions, gendered understandings of power, and states' mistaken perception of their own autonomy and unitary nature. *Gendering Global Conflict* also calls attention to understudied spaces that can be sites of war, such as the workplace, the household, and even the bedroom. Her findings show gender to be a linchpin of even the most tedious and seemingly bland tactical and logistical decisions in violent conflict. Armed with that information, Sjoberg undertakes the task of redefining and reintroducing critical readings of war's political, economic, and humanitarian dimensions, developing the beginnings of a feminist theory of war.

Neurovont, Incorporated

All the ancient occult and esoteric fraternities, organizations, and schools agreed upon one point-the Universality of Sex. They realized that the Sex principle was manifest through all the Cosmos, and that it was in activity throughout all the universe. The Phallic Cross symbol is found in use in nearly every occult organization or body, and signifies the teaching that the male and female principles are immanent in each and every form of nature's activities and manifestations.

Deep Waters

Jasmine May thought everything in life was going fine until, around age 40, she began to have flashbacks of extensive sexual abuse while growing up in Asia. The shocking recollections, and their accompanying emotional and physical distress, thrust her into a dark season of her life. In the process, she wrestled with many

raw emotions and challenging questions. She confronted her own inner dividedness and, eventually, her abusers. Throughout the journey, Jesus met her in the places of deepest hurt and moved her towards healing and wholeness.

Ripper's Redemption

Reports of sexual violence in armed conflict frequently appear in political discussions and news media, presenting a stark contrast to a long history of silence and nonrecognition. Conflict-related sexual violence has transitioned rapidly from a neglected human rights issue to an unambiguous security concern on the agendas of powerful states and the United Nations Security Council. Through interviews and primary-source evidence, Kerry F. Crawford investigates the reasons for this dramatic change and the implications of the securitization of sexual violence. Views about wartime sexual violence began changing in the 1990s as a result of the conflicts in the former Yugoslavia and Rwanda and then accelerated in the 2000s. Three case studies—the United States' response to sexual violence in the Democratic Republic of Congo, the adoption of UN Security Council Resolution 1820 in 2008, and the development of the United Kingdom's Preventing Sexual Violence in Conflict Initiative—illustrate that use of the weapon of war frame does not represent pure co-optation by the security sector. Rather, well-placed advocates have used this frame to advance the antisexual violence agenda while simultaneously working to move beyond the frame's constraints. This book is a groundbreaking account of the transformation of international efforts to end wartime sexual violence.

Bride of the Trogarians

Sexual Freedom? the Monogamy Curse

Linda Cullen, one of Canada's funniest women, gives you the best of her weekly columns. Here's what some of her many devoted readers have said; "I pick up the 24Hrs every day on my way to work and I gotta say you are hilarious (Although I'm sure you are told that all the time)! I'm a fan! All the Best Alex" "I have been meaning to email you ever since I started reading 24 Hours as you are so hilarious. No matter what kind of a crappy day it is, after reading your column I feel 100% better. Tracy" "This email is long overdue - I'm a huge fan of yours absolutely love reading your articles - missing them on Wednesdays is not an option. Based on the truth but mixed with humour. I suddenly realized I'm not the only one who enjoys reading your articles - traveling home on the bus this PM I sat next to a lady who started reading your column today, "The Duck Whisperer" - well this woman was laughing so loud that tears were beginning to roll down her face she had to stop reading to compose herself. I smiled and turned to her and said, "Her columns are great aren't they?" She simply nodded her head, wiped her tears and continued reading. Keep them coming Linda they're greatttt! Diane"

5,378 Tips for a Better Life, Hotter Sex, Fresher Breath, Thicker Hair, Thinner Thighs and Cleaner Laundry!

A groundbreaking exploration of how women artists of the 1970s combined art and protest to make sexual violence visible, creating a new kind of art in the process.

Unleash Your Inner Pleasure: 21 Secrets of Being Comfortable about Your Sexuality, Having Better Relationships and Enjoying Sex More

What really is the hurt in our souls and can it be healed? In this booklet, the author suggests our fundamental pain lies in our imbalance with our eternal other half. Our task is to correct this imbalance.

Fat Sex: New Directions in Theory and Activism

Global history records an astonishing variety of forms of social organization. Yet almost universally, males subordinate females. How does the relationship between men and women shape the wider political order? The First Political Order is a groundbreaking demonstration that the persistent and systematic subordination of women underlies all other institutions, with wide-ranging implications for global security and development. Incorporating research findings spanning a variety of social science disciplines and comprehensive empirical data detailing the status of women around the globe, the book shows that female subordination functions almost as a curse upon nations. A society's choice to subjugate women has significant negative consequences: worse governance, worse conflict, worse stability, worse economic performance, worse food security, worse health, worse demographic problems, worse environmental protection, and worse social progress. Yet despite the pervasive power of social and political structures that subordinate women, history—and the data—reveal possibilities for progress. The First Political Order shows that when steps are taken to reduce the hold of inequitable laws, customs, and practices, outcomes for all improve. It offers a new paradigm for understanding insecurity, instability, autocracy, and violence, explaining what the international community can do now to promote more equitable relations between men and women and, thereby, security and peace. With comprehensive empirical evidence of the wide-ranging harm of subjugating women, it is an important book for security scholars, social scientists, policy makers, historians, and advocates for women worldwide.

Making it Personal

IT'S NOT JUST SEX. IT'S NOT JUST LOVE. IT'S SOMETHING MORE. But what could be better than sex? How about lovemaking that sweeps people into new realities, producing altered states of consciousness a thousand times more powerful than the most earth-shattering orgasm? Lovemaking so spectacular that it truly is a religious experience? Transcendent Sex is not about the "Tantric method." It is about the best-kept secret in human history: that ordinary people, with no special training, can find themselves in different spiritual realms when making love -- an experience so profound that nothing will ever be the same. It is about sex that triggers episodes identical to the highest spiritual states -- as described in the annals of shamanism, yoga, Buddhism, Christianity, Judaism, and Islam -- including visions, channeling, reliving past lives, transcending the laws of physics, and

seeing the face of God. This revealing book tells of lovers who engaged in sex as usual and suddenly found the veil between the worlds torn open. Transcendent Sex, like any other spiritual awakening, changes lives. Atheists have become believers; long-standing psychological wounds have been healed; and the sexually abused have become whole. These are the inspiring, incredible true stories of people who experienced an ecstasy and fulfillment beyond the borders of this world.

The Arcane IV: the Mystery of Sex Or Sex Polarity

The perfect guide for beginners to tantric practice! Sexuality is one of the most important aspects of our lives, yet often our sexual lives are fraught with disappointments and dissatisfaction. Where do we go to learn more about the sacred art of loving? This is the first book to take the basics of modern tantric teachings and distill them into bite-size pieces for the everyday lover a practice book for real world playtime! The exercises presented are concise and simple to follow, yet time-tested and effective for expanding your bandwidth for pleasure, connection and intimacy. Julia holds nothing back in relating her own real, personal and often humorous story. Be amused and inspired by her fascinating tantric journey!

Sex and War

Backed up by a detailed analysis, tables and color maps, the authors argue that violence against women adversely affects all levels of society, and ultimately the security of a nation, and offer ways to heal the wounds of violence against women on both a micro and macro level.

Political Psychology And Foreign Policy

"You have heard that it was said, You shall not commit adultery. But I say to you that anyone who looks at a woman with lustful intent has already committed adultery with her in his heart." - Matthew 5:27-28 When Jesus spoke these words he moved the offense from the bedroom to the heart. Jesus reminded us that with sexual sin it is not just the result that matters, but even more so the intentions. And if sin is going to be curbed it has to begin with a curbing of the intentions; a changing of the heart. Sexual temptations are all around us. There is no avoiding it. When sex is not just in the city, but in the country, the prairie, the desert, and everywhere in between, how are Christians suppose to navigate their way to a faithful testimony of God's grace and purity? In this booklet, Pastor Tony looks at the words of Jesus Christ from Matthew 5:27-30 and seeks to help us navigate the minefield of sexual temptation in this world. Though this treatment is brief, yet like our Lord's words it is careful to attack the issue right where the battle is won or loss - in the heart.

Sex and World Peace

While touring Pemberley, Elizabeth Bennet overhears something about Fitzwilliam Darcy that provokes a surge of jealousy. Fleeing her worst nightmare, she is

caught in a storm. He searches his estate for the woman of his dreams. When he finds her in a folly identical to the one of his rejected proposal, passions ignite. Her anger and his fear for her health provoke an unplanned revelation. Forbidden lust explodes in a secret cottage Mr Darcy has prepared for clandestine liaisons with the love of his life. It appears all misunderstandings are resolved with a betrothal—or are they?WARNING This is a sexually explicit telling of a 'Pride and Prejudice' what if.

Unspeakable Acts

Combining exhaustive research and rich personal experience, *Sex and War* shows that war, terrorism slavery and the subjugation of women have common roots deep in humans' biological history. Evolution is not destiny, however, and the authors, with the crucial contributions of Martha Campbell, show how relatively simple strategies can help the biology of peace win out over the biology of war. In doing so, they lay out a rational roadmap to make war less likely in future and less brutal when it does occur. Now available in paperback.

Guns of Penance

Christians today find themselves caught between a church that doesn't talk much about sex and a culture that talks about it constantly, but which has stripped it of any real meaning. After exploring how our culture lost its sexual moorings and how the early church fathers misunderstood sex, Francis Leeman paints a biblical picture of the glory of sex and shows how what we share physically is meant to both teach us about, and express, what we share relationally. With both clarity and vulnerability the author conveys what it looks like for a man and woman to bless each other, such that in the end this book about sex is really a book about love. *Christian Sex* also addresses difficult issues couples struggle with, as well as questions most people are afraid to ask or talk about. At the end of the book there are His/Hers Self-Assessment Tools to help couples begin to have important conversations about both their marriage and their intimate life.

Mr Darcy's Cottage of Earthly Delights

My New Gender Workbook

"You need to be focusing right now. Focus on your goals, dreams, and ambitions. Focus on your health, your relationship with God, your recreational time, your rest, your schooling, and everything else. It is important for you to truly "do you." What is the rush anyway?" Destiny Robbins' "Baby, You Should Wait Awhile," is an empowering and easy-to-read book meant to speak to young girls about the importance of being careful and intentional about sex. In a world where young girls are relentlessly pressured into sex from a young age by their peers and the media, Ms. Robbins' book is more than timely. She thoroughly outlines the benefits of waiting to have sex in a way that will be fun and entertaining to young readers. She keeps an older sister-like tone throughout the book that will compel her readers to really think through what she's telling them and she uses her own

personal experiences to ensure that the book is down-to-earth and relatable. It's a must read for young girls and for the adults who deeply care for them. -Danielle Procope Content: The book talks about sex, sexual health, and domestic violence. The intro contains explicit lyrics- remember the songs are songs that your youth has likely listened to.

Sex and World Peace

Author's Warning: This novel is intended for mature readers 18 and over because of its explicit content. It contains erotic situations, M/F BDSM, M/M sex, graphic scenes of torture and rape. If you are under 18 or are uncomfortable with any or all of these situations depicted in this book, please do not purchase. Aaron Brooks is the star of the highly successful TV show, Let There Be Blood. He attends glamorous parties, wears the finest clothes, and can have any woman he wants. Aaron Brooks has the world at his fingertips. Every night, he is tormented by the same reoccurring nightmare. Every day he tries to forget by immersing himself into his work and celebrity obligations. When he is reunited with his estranged best friend, his life settles into comfortable normalcy. Aaron's torture subsides. Then his cast mates start being murdered around him. The nightmares aren't over. They're just beginning.
