Based on Zero Belly Diet, the revolutionary bestselling weight-loss plan from NBC

News health and wellness contributor David Zinczenko, creator of Eat This, Not That!, Zero Belly Cookbook is a groundbreaking collection of recipes that will teach anyone how to cook beautifully, lose weight fast, and get healthier in just minutes a day. SEE THE DELICIOUS DIFFERENCE IN JUST FOURTEEN DAYS! Strip away up to 16 pounds in two weeks with the weight-loss power of gourmet superfoods. Ever since the arrival of David Zinczenko's bestselling Zero Belly Diet—with its proven formula to rev up metabolism, melt away fat, and turn off the genes that cause weight gain—fans have been clamoring for more scrumptious, waist-slimming recipes to add to their weekly menus. Zinczenko answers the call in Zero Belly Cookbook—a collection of more than 150 quick, simple, restaurant-quality meals that will improve how you eat, feel, and live.

- Metabolism-boosting breakfasts: Set your metabolism racing with the all-day fat-burning protein power of Spinach and Onion Strata and the superfood-packed Apple Pie Muffins.
- Flat-belly lunches: Quell hunger with low-calorie, belly-flattening takes on such indulgent favorites as Turkey Meatball Heroes with Onion and Peppers.
- Fat-melting dinners: Celebrate easy, automatic weight loss in gourmet style with Green Tea Poached Salmon with Bok Choy or Steak Frites with Arugula Chimichurri and Asparagus.
- Slimming snacks: Nibble your way slim with Spicy Popcorn, Fresh Figs and Ricotta, and Avocado with Crab Salad.
- Healthy, decadent desserts: Cap off a day of perfect eating with Raspberry Poached Pears, Black Forest Cookies, or Watermelon Wedges with Whipped Cream, Walnuts, and Mint. Including tasty dishes from such celebrated chefs as Jason Lawless, Susan Feniger, Chris Jaeckle, and Anita Lo,

these tantalizing, easy-to-prepare recipes are specifically designed to target the fat that matters most to your health: belly fat. Regardless of your health history, your lifestyle, or even your genes, Zero Belly Cookbook will give you the power to flatten your belly, heal your body, soothe your soul, and live better than ever.

Shawn Phillips is an internationally respected strength and fitness expert who has helped athletes, celebrities, and tens of thousands of others over the past twenty years. Now he's sharing his fresh approach to fitness with everyone. Strength for Life is an easy-to-implement program to help you get in fantastic shape, enjoy abundant energy, and maintain a lean, strong physique—not just for 12 weeks but for the rest of your life. Let's face it, with the demands of family, work, and life, many of us simply don't have the time to stick to a rigorous workout schedule. Through his own life experience, Shawn Phillips has recognized this challenge and

risen to it, literally reinventing fitness with a results-oriented program that you can embrace even with your hectic schedule and do either at home or at the gym. Homing in on the idea of building mental and physical strength rather than just sculpting your body, Shawn has pioneered a technique called Focus Intensity Training™ (FIT), which uses the mind-body connection to yield incredible results. The program features • a workout plan that can take as little as 35 minutes a day, 3 times a week • illustrated exercises with clear step-by-step instructions • 3 workout phases—a 12-day Base Camp pre-training period, a 12-week Transformation Camp, and a year-round continuation plan geared to keep you going strong and vibrant for the rest of your life • a simple eating plan to fuel your body for optimum energy and performance—one that will free you from dieting forever • goal-setting exercises to help you achieve lasting motivation and reach your loftiest visions It's never too late to get in shape. If you're in your twenties or thirties, Strength for Life will show you how to achieve peak levels of fitness year after year. For those forty and beyond, you can look forward to recapturing the energy and vitality you thought you had lost. By following Strength for Life, you will make yourself stronger, leaner, sharper, and more confident. As Shawn writes: "Strength is about being more, doing more, giving more. It's not just surviving; it's thriving. And most important, strength is about having a reserve, a deeper, fuller capacity of body, mind, heart, and soul."

We're fatter, sicker and hungrier than ever, and the diet industry – with its trendy weight-loss protocols and eat-this-not that ratios of fat, carbs and protein – offers only temporary short-term solutions at the expense of our permanent long-term health. As a result, we're trapped in a cycle of food addiction, toxic hunger and overeating. In *The End of Dieting*, Dr Joel Fuhrman, a doctor and the New York Times bestselling author of *Eat to Live* and *The End of Diabetes*, shows us how to break free from this vicious cycle once and for all. Dr Fuhrman lays out in full all the dietary and nutritional advice necessary to eat our way to a healthier and happier life. At the centre of his revolutionary plan is his trademark health formula: $\text{Health} = \text{Nutrients/Calories}$. Foods high in nutrient density, according to Dr Fuhrman, are more satisfying than foods high in calories. They eliminate our cravings for fat, sweets and carbs. The more nutrient-dense food we consume, the more our bodies can function as the self-healing machines they're designed to be. Weight will drop, diseases can reverse course and disappear and overall our lives can be longer and healthier. The core of *The End of Dieting* is an easy to follow programme that kickstarts your new life outside of the diet mill:

- Simple meals for 10 days, to retrain your taste buds and detox
- Gourmet flavourful recipes
- A two-week programme, to flood your body with nutrients

The End of Dieting is the book we have been waiting for – a proven, effective and sustainable approach to eating that lets us prevent and reverse disease, lose weight and reclaim our right to excellent health.

The Stop & Go Fast Food Nutrition Guide

The Ultimate Aktins Diet Guide The Atkins diet limits carbohydrate intake to switch metabolism from using glucose as the energy "fuel" to burning fat stored in the human body. This process, called ketosis (not to be confused with ketoacidosis, which has similar symptoms), is triggered by low insulin levels. In a healthy state, insulin levels are low with low blood glucose (for example, before meals). With ketosis-lipolysis, excess lipids in the cells begin to penetrate the blood gradually, and used as an energy source. Eating simple carbohydrates (for example, glucose or starch, which is a chain of glucose molecules) leads to an increase in sugar levels immediately after eating (for example, in the treatment of diabetes, the daily amount of insulin necessary for the patient is determined by the blood sugar level). Eating low carbohydrate foods has only a negligible effect on insulin and blood sugar levels. In his book, Dr. Atkins' New Dietary Revolution, Atkins put forward a thesis, unexpected at that time, that a low-carb diet provides a metabolic advantage for weight loss - since more calories are consumed in burning fat [than burning carbohydrates], which means that the body loses more calories. He refers to a study in which this advantage is estimated at 950 calories per day. On the other hand, a review by Lancet argues that there is no metabolic advantage, and people on this diet consume fewer calories due to depression. Professor Astrup says, "The monotony and simplicity of this diet leads to loss of appetite and the amount of food consumed." This is a dubious statement, because

the Atkins nutrition system does not actually limit the consumption of foods such as meat, fish, seafood, eggs, salad vegetables, mushrooms. In small quantities, Atkins allows you to eat dairy products, nuts and some other products. However, it does not limit the content of fats in food, which is important for people who are overweight. According to the list of permitted products, the Atkins diet is one of the mildest. In addition, the adrenaline and growth hormone released in sufficient amounts on this diet are themselves "natural antidepressants". Atkins says hunger is the main reason low-fat diets don't pay off. His low-carb diet is much easier to carry - because you can eat as much food as you like. Atkins strictly limits "simple carbohydrates" (that is, easily digestible refined carbohydrates), which lead to a sharp increase in blood sugar. One of the noticeable effects with this limitation is indeed a decrease in appetite. This book gives a comprehensive guide on the following: How does the Atkins diet work? Women are not small men. Stop eating and training like one. Because most nutrition products and training plans are designed for men, it's no wonder that so

many female athletes struggle to reach their full potential. ROAR is a comprehensive, physiology-based nutrition and training guide specifically designed for active women. This book teaches you everything you need to know to adapt your nutrition, hydration, and training to your unique physiology so you can work with, rather than against, your female physiology. Exercise physiologist and nutrition scientist Stacy T. Sims, PhD, shows you how to be your own biohacker to achieve optimum athletic performance. Complete with goal-specific meal plans and nutrient-packed recipes to optimize body composition, ROAR contains personalized nutrition advice for all stages of training and recovery. Customizable meal plans and strengthening exercises come together in a comprehensive plan to build a rock-solid fitness foundation as you build lean muscle where you need it most, strengthen bone, and boost power and endurance. Because women's physiology changes over time, entire chapters are devoted to staying strong and active through pregnancy and menopause. No matter what your sport is—running, cycling, field sports, triathlons—this book will empower you with the nutrition and fitness knowledge you need to be in the healthiest, fittest, strongest shape of your life.

“Dawn makes healthy eating fun and delicious, and the dishes are easy to prepare. This is a must-read for anyone who wants to eat nutritious, joyful food.”—Lyn-

Genet Recitas, New York Times bestselling author of *The Plan* The 4-week plan that beat out all other plans in the ABC weight-loss reality TV show *My Diet Is Better than Yours*. For more than fifteen years, nutritionist Dawn Jackson Blatner has helped hundreds of clients lose their bad eating habits and step up to optimal health. The key? Not deprivation, but a new kind of gratification, which she calls “super swapping”—exchanging fake foods (C.R.A.P.: food with Chemicals; Refined sugar and flour; Artificial sweeteners and colors; and Preservatives) for wholesome high-quality superfoods. A largely plant-based diet rich in fiber, vitamins, and antioxidants stabilizes hunger hormones, speeds metabolism, and fights disease. For each week, Blatner shares simple techniques, with eat/avoid lists, ideas for great lunches, advice on how to read labels to spot healthy-food impostors, and scores of useful infographics. The 100 tempting recipes—many vegetarian, vegan, and gluten free—include Fish Tacos with Crunchy Cabbage Slaw, BBQ Sandwich & Collard Chips, Sprouted Pizza, and Dark Chocolate Cherry Milkshake. Each one comes with a nutrition analysis. “Informative, creative, and fun. She shares sound nutrition advice based on scientific research and years of experience, and she does it in a way that’s both engaging and easy to digest. Filled with practical tips, helpful charts, and delicious recipes, this book definitely deserves a spot on your bookshelf.”—Joy Bauer, MS, RDN, health and nutrition expert for NBC’s *Today Show* and #1 New York Times bestselling author of *From Junk Food to Joy Food*

Mention the name Bill Phillips to any of the people he's helped transform and you will see their faces light up with appreciation and respect. These people include: Hundreds of thousands of men and women who read his magazine for guidance and straightforward information about exercise, nutrition, and living with strength. Elite professional athletes, among them John Elway, Karl Malone, Mike Piazza, and Terrell Davis who have turned to Phillips for clear-cut information to enhance their energy and performance. People once plagued by obesity, alcoholism, and life-threatening ailments who accepted a personal challenge from Bill Phillips and, with his help, have regained control of their bodies and their lives. When you begin to apply the information in this book, you will be proving to yourself that astounding changes are within your grasp too. And, you will discover Body-for-LIFE is much more than a book about physical fitness - it's a gateway to a new and better life, a life of rewarding and fulfilling moments, perhaps more spectacular than you've ever dared to dream before. Within 12 weeks, you too are going to know - not believe, but know : that the transformation you've created with your body is merely an example of the power you have to transform everything else in your world. In language that is vivid and down-to-earth, Bill Phillips guides you, step by step, through the integrated Body-for-LIFE Program, which reveals: How to lose fat

and increase your strength by exercising less, not more; How to tap into an endless source of energy by living with the Power Mindset™; How to create more time for everything meaningful in your life; How to trade hours of aerobics for minutes of weight training with dramatic results; How to make continual progress by using the High-Point Technique™; How to feed your muscles while starving fat with the Nutrition-for-LIFE Method™; How thousands of ordinary people have now become extraordinary and how you can, too; How to gain control of your body and life, once and for all. The principles of the Body-for-LIFE Program are surprisingly simple but remarkably powerful. So allow yourself to experience the force of the information in this book, allow yourself to take your mind, your body, your life to a higher point than you may have ever dreamed you could. All in as little as 12 weeks.

Shawn Baker's Carnivore Diet is a revolutionary, paradigm-breaking nutritional strategy that takes contemporary dietary theory and dumps it on its head. It breaks just about all the "rules" and delivers outstanding results. At its heart is a focus on simplicity rather than complexity, subtraction rather than addition, making this an incredibly effective diet that is also easy to follow. The Carnivore Diet reviews some of the supporting evolutionary, historical, and nutritional science that gives us clues as to why so many people are having great success

with this meat-focused way of eating. It highlights dramatic real-world transformations experienced by people of all types. Common disease conditions that are often thought to be lifelong and progressive are often reversed on this diet, and in this book, Baker discusses some of the theory behind that phenomenon as well. It outlines a comprehensive strategy for incorporating the Carnivore Diet as a tool or a lifelong eating style, and Baker offers a thorough discussion of the most common misconceptions about this diet and the problems people have when transitioning to it.

The Big Picture

Not your typical boring diet book, this is a tart-tongued, no-holds-barred wakeup call to all women who want to be thin. With such blunt advice as, "Soda is liquid Satan" and "You are a total moron if you think the Atkins Diet will make you thin," it's a rallying cry for all savvy women to start eating healthy and looking radiant. Unlike standard diet books, it actually makes the reader laugh out loud with its truthful, smart-mouthed revelations. Behind all the attitude, however, there's solid guidance. Skinny Bitch espouses a healthful lifestyle that promotes whole grains, fruits, and vegetables, and encourages women to get excited about feeling "clean and pure and energized."

Losing weight has never been easier or more fun than with Leslie Sansone's WALK AWAY THE POUNDS. For over twenty-five years, Leslie has helped more women get off the couch and onto their feet than anyone else in the fitness industry. Her secret? If you can walk, you can achieve the weight-loss goals you dream about with none of the intimidation or negative messages that have stopped you from succeeding before. Whether you are a beginner or have been walking with Leslie for years, whether you are a teen or a senior or somewhere in between, you will see results. You will lose real weight, and keep it off—twenty pounds, forty, sixty, or even more. All you need is fifteen minutes a day for starters, two feet, and a willing attitude. There is no fancy equipment to buy, no fad diet to follow, and no fitness club to join. The revolutionary program in WALK AWAY THE POUNDS is designed to keep everybody on the path to success, especially those who have never been able to complete a weight-loss plan before. It's a simpler approach to fitness, one that can change your life. Leslie's step-by-step workbook format sets up the program day by day. You just wake up, flip open the book, and follow the directions. You'll get a combination of in-home walking (that's right, you can do it right from the comfort of your own living room!), simple strength training, motivational breakthroughs, and commonsense advice to help you burn fat, tone muscle, reduce stress, avoid illness, shake off the blues, and boost your energy level sky high. It's never been easier. Women all across America have dropped between 20 and 150 pounds with Leslie Sansone. Now you can too!

Eat Smarter

Pick up that bread! This doctor-approved method lets you keep the carbs and lose the pounds! Fear of the almighty carb has taken over the diet industry for the past few decades--from Atkins to Dukan--even the mere mention of a starch-heavy food is enough to trigger an avalanche of shame and longing. But the truth is, carbs are not the enemy! Bestselling author John A. McDougall and his kitchen-savvy wife, Mary, prove that a starch-rich diet can actually help you lose weight, prevent a variety of ills, and even cure common diseases. By fueling your body primarily with carbohydrates rather than proteins and fats, you will feel satisfied, boost energy, and look and feel your best. Including a 7-Day Sure-Start Plan, helpful weekly menu planner, and nearly 100 delicious, affordable recipes, The Starch Solution is a groundbreaking program that will help you shed pounds, improve your health, save money, and change your life.

2018 James Beard Award Winner: Best American Cookbook Named one of the Best Cookbooks of 2017 by NPR, The Village Voice, Smithsonian Magazine, UPROXX, New York Magazine, San Francisco Chronicle, Mpls. St. Paul Magazine and others Here is real food--our indigenous American fruits and vegetables, the wild and foraged ingredients, game and fish. Locally sourced, seasonal, "clean" ingredients and nose-to-tail cooking are nothing new to Sean Sherman, the Oglala Lakota chef and founder of The Sioux Chef. In his breakout book, The Sioux Chef's Indigenous Kitchen, Sherman shares his approach to creating boldly seasoned foods that are vibrant, healthful, at once elegant and easy. Sherman dispels outdated notions of Native American fare--no fry bread or Indian tacos here--and no European staples such as wheat flour, dairy products, sugar, and domestic pork and beef. The Sioux Chef's healthful plates embrace venison and rabbit, river and lake trout, duck and quail, wild turkey, blueberries, sage, sumac, timsula or wild turnip, plums,

purslane, and abundant wildflowers. Contemporary and authentic, his dishes feature cedar braised bison, griddled wild rice cakes, amaranth crackers with smoked white bean paste, three sisters salad, deviled duck eggs, smoked turkey soup, dried meats, roasted corn sorbet, and hazelnut-maple bites. The Sioux Chef's Indigenous Kitchen is a rich education and a delectable introduction to modern indigenous cuisine of the Dakota and Minnesota territories, with a vision and approach to food that travels well beyond those borders.

Walk Away the Pounds

In The 2 Meal Day, Max Lowery introduces intermittent fasting - eat just two meals a day, either breakfast and lunch or lunch and dinner - to burn fat and get fit fast. Rather than grazing on food all day or having to do complicated calorie calculations for two days of the 5:2 diet, simply eat two meals to lose weight, reduce hunger and feel more energised. Choose your two meals from Max's delicious, nutritious and easy-to-prepare recipes; start the day with Salmon Mini Frittatas or a Breakfast Burrito; Lunch on Thai Green Chicken Curry or Tuna Casserole or enjoy Creamy Mushroom and Parmesan Risotto or Sea Bass Sauce Vierge for Dinner. There are even healthier desserts to satisfy your sweet tooth without over-indulging - choose from Two-Ingredient Chocolate Mousse or Banana Pancakes. Max shows how to combine your 2-meal day with High-Intensity Interval Training (HIIT) - short duration and maximum effort exercises - and resistance

workouts to help you drop fat and get fit quickly. So ditch the calorie-counting and the sugar highs and lows and enjoy two meals a day alongside Max's workouts for a leaner, fitter, healthier body.

The Body Reset Diet, Revised Edition

Bestselling author Dan Buettner reveals how to transform your health using smart nutrition, lifestyle, and fitness habits gleaned from longevity research on the diets, eating habits, and lifestyle practices of the communities he's identified as "Blue Zones"—those places with the world's longest-lived, and thus healthiest, people, including locations such as Okinawa, Japan; Sardinia, Italy; Costa Rica's Nicoya Peninsula; Ikaria, Greece; and Loma Linda, California. With the audacious belief that the lifestyles of the world's Blue Zones could be adapted and replicated in towns across North America, Buettner launched the largest preventive health care project in the United States, The Blue Zones City Makeovers, which has impacted the health of millions of Americans since 2009. In *The Blue Zones Solution*, readers can be inspired by the specific stories of the people, foods, and routines of our healthy elders; understand the role community, family, and naturally healthy habits can play in improving our diet and health; and learn the exact foods—including the 50 superfoods of longevity and dozens of recipes adapted for Western tastes and markets—that offer delicious ways to eat your way to optimum health. Throughout the book are lifestyle recommendations, checklists, and stories

to help you create your own personal Blue Zones solution. Readers will learn and apply the 80/20 rule, the plant slant diet, social aspects of eating that lead to weight loss and great health naturally, cultivating your "tribe" of friends and family, and your greater purpose as part of your daily routine. Filled with moving personal stories, delicious recipes, checklists, and useful tips that will transform any home into a miniature blue zone, *The Blue Zones Solution* is the ultimate blueprint for a healthy, happy life.

Does it feel as if you're fighting your body to lose even one pound—or just to maintain your current weight? Respected health and wellness expert and bestselling author Jillian Michaels has been there, too. So she consulted top experts in the field of metabolism and discovered that she'd inadvertently been abusing her endocrine system for years. After "fixing" her own metabolism, she decided to share what she learned by devising this simple, 3-phase plan that engages all the weight-loss hormones (including the friendly HGH, testosterone, DHEA; and the not-so-friendly: insulin, cortisol, and excess estrogen). In *Master Your Metabolism*, discover how to:

- REMOVE "anti-nutrients" from your diet
- RESTORE foods that speak directly to fat-burning genes
- REBALANCE energy and your hormones for effortless weight loss

Michaels offers a wealth of information throughout, including: shopping lists and online shopping resources, hormone-trigger food charts, how to

eat “power nutrient” foods on a budget, smart strategies for eating out, quick and easy recipes, as well as mini-programs for addressing PMS, andropause, metabolic syndrome, PCOS, and menopause. From the Hardcover edition.

The Hormone Reset Diet

The Dashing Dish is an inspirational cookbook chock-full of healthy, innovative yet simple recipes, most of which are gluten-free, sugar-free, and abundant in whole grains. Like many of us, twenty-four-year-old author Katie Farrell has struggled with her weight and healthy eating. As a teen she went through yo-yo dieting and was prone to eating disorders. But through God and a passion for food and cooking, she hit upon the formula that would transform her from unhealthy girl to confident woman. In warm, accessible language and beautiful photographs, Katie shares 100 recipes for clean eating. Every recipe is simple to make and delicious to eat. Katie uses gluten-free oat flour in place of wheat flour, cottage cheese and yogurt in place of fat, and Stevia in place of sugar. Her tips are practical, her tone inspirational. Anyone looking to eat better for the rest of their life will want to own this book.

The Blue Zones Solution

The Feel Good Effect

Lose weight, boost your metabolism, and start living a happier life with this transformative 30-day plan for healthy eating from the host of the hit podcast The Model Health Show. Food is complicated. It's a key controller of our state of health or disease. It's a social centerpiece for the most important moments of our lives. It's the building block that creates our brain, enabling us to have thought, feeling, and emotion. It's the very stuff that makes up our bodies and what we see looking back at us in the mirror. Food isn't just food. It's the thing that makes us who we are. So why does figuring out what to eat feel so overwhelming? In Eat Smarter, nutritionist, bestselling author, and #1-ranked podcast host Shawn Stevenson breaks down the science of food with a 30-day program to help you lose weight, reboot your metabolism and hormones, and improve your brain function. Most importantly, he explains how changing what you eat can transform your life by affecting your ability to make money, sleep better, maintain relationships, and be happier. Eat Smarter will empower you and make you feel inspired about your food choices, not just because of the impact they have on your weight, but because the right foods can help make you the best version of yourself.

The Lean Muscle Diet

Research shows that although people can lose 5 to 10 percent of their body weight on any given diet, dieting itself is a consistent predictor of future weight gain. Why? At some point, everyone stops dieting. The Lean Muscle Diet solves the sustainability problem while offering immediate results. It's simple: act as if you already have the body you want. If a reader is, say, a 220-pound man who wants to become a muscular 180-pounder, he then uses The Lean Muscle Diet's formula to eat and train to sustain a 180-pound body. The transformation begins immediately, and the results last for life. Lou Schuler, who has sold more than one million copies of his fitness books worldwide, and Alan Aragon, nutrition advisor to Men's Health, have created an eating and "metabolically expensive" exercise plan designed to melt fat while building muscle. the best part? the plan allows readers to eat their favorite foods, no matter how decadent. with full support from Men's Health, The Lean Muscle Diet delivers a simple—and simply sustainable—body transformation plan anyone can use.

Eat, Move, Think is the essential guide to living a longer, more active, and more

fulfilled life—full of answers to your most pressing health and wellness questions. Doctors everywhere have the same goal: healthier and happier lives for their patients. And yet, no two medical professionals give the same advice. How much coffee is too much? What's better for your fitness: cardio or weights? What is mindfulness, and how can you practice it? Finally, there are answers to all of those questions and more. *Eat, Move, Think* breaks down the fundamentals of living a long and healthy life into three sections: nutrition, physical activity, and mental health. Francis addresses the questions that we all grapple with: How much meat should I eat? Is it okay to sit all day if I work out afterwards? How does sleep affect my mental health? Drawing upon the expert advice of world-renowned doctors and medical professionals, this book captures the innovative strategies of the world's highest performers—Navy SEALs, cutting-edge researchers, professional athletes—in one handy illustrated guide to everyday healthy living. Honest, straightforward, and accessible, *Eat, Move, Think* will empower and educate you, showing you the simple, achievable steps you can take to transform your health and your life.

The Starch Solution

The Harvard-educated physician and New York Times bestselling author of The Hormone Cure shows you how to grow new receptors for your seven metabolic hormones, making you lose weight and feel great fast! When it comes to weight loss, most people don't think about hormones. But when you develop resistance to your seven major metabolic hormones—cortisol, thyroid, testosterone, growth hormone, leptin, insulin, and estrogen—your body adjusts by increasingly raising your hormone levels and ultimately slowing down your metabolism. And a slower

metabolism leads to weight gain and difficulty losing weight. The solution, Dr. Sara Gottfried contends, is to reset the efficiency of your hormones by repairing and growing new hormone receptors. Based on leading scientific research, The Hormone Reset Diet is her proven weight loss and energy program to reverse hormone resistance in just three weeks. It will help you: Boost your metabolism and calorie burning by growing new and fresh thyroid receptors; Increase your weight loss by re-balancing estrogen and progesterone receptors; Reverse your aging by resetting glucocorticoid receptors (for better processing cortisol). For the last twenty years, this Harvard-MIT educated physician has helped thousands of women address the root hormonal causes of what bothers them most: excess weight, lack of energy, aging, and illness. Going beyond her bestselling The Hormone Cure, this program is the next generation of her deep understanding of hormonal optimization for rapid weight loss.

Abel James eats like a king, never goes to the gym, and is in the best shape of his life. His plan is simple: eat plenty of whole and naturally edible foods, and be sceptical of manipulated, processed food products. In The Wild Diet, he brings readers a Paleo-inspired 40 day weight loss program, showing how the answer to vibrant health doesn't live in a calorie-restricted diet, a magical fat-blasting pill or a miserable exercise program. The secret is sticking to our roots and knowing where

our food comes from.

FACT: NOTHING IS COSTLIER OR MORE DIFFICULT THAN GETTING A NEW

CUSTOMER. Business owners agree. The referred customer is far superior to the one brought in by 'cold' advertising. Yet most business owners will invest more money to find new customers than getting referrals from current, happy customers. Millionaire maker Dan S. Kennedy and customer retention expert Shaun Buck dare you to stop chasing new customers and keep an iron cage around the ones you already have. Kennedy and Buck present a systematic approach to help you keep, cultivate, and multiply customers so that your entire business grows more valuable and sustainable, and you replace income uncertainty with reliable income through retention and referrals. Learn how to:

- Apply the #1 best retention strategy (hint: it's exclusive)
- Catch customers before they leave you
- Grow each customer's value (and have more power in the marketplace)
- Implement the three-step customer retention formula
- Use other people's events to get more referrals
- Create your own Customer Multiplier System
- Calculate the math and cost behind customer retention

Discover the referral-getting, sales-increasing, battle-tested tactics designed to help you build a thriving business for the long-term.

As a fitness icon and motivational mastermind, Shaun T has helped millions of people transform their bodies and their lives through his Hip Hop Abs, INSANITY, and CIZE workouts. But people who think of Shaun T as just a workout force are

missing something. He has always focused on building inner strength first, then moving to the exterior. And that inner focus started in his own life. He became the man and motivator he is today after escaping from the abuse he suffered as a child, and fighting his way back from a 50-pound weight gain in his early 20s. He knows firsthand that you can't drop weight or enjoy better health until you overcome the mental obstacles that cause bad choices in the first place. In T is for Transformation, Shaun T unveils the 7 transformational principles that guided his progress through life and that are at the core of his incredibly successful workouts. T is for Transformation is a motivational master class as Shaun shows you how to become more flexible and resourceful, give everything you've got, and, most importantly, trust and believe in your path to success. The only real obstacles in life are the mental ones, and T is for Transformation can train you to achieve astonishing results in your own life, just as Shaun T has in his.
