Shepherd's Notes: Ezekiel

Teacher's Notes on Lives of the Old Testament Worthies

The Former Prophets of the Hebrew Bible includes the books of Joshua through 2 Kings, a narrative of ancient Israel's history of some seven hundred years from the "conquest" of Canaan to the exile, when Israel lost the land. From a critical perspective the narrative is a composite document incorporating many different literary sources from different times; seen

as a whole, the result is a compelling example of ancient historiography as well as an impressive artistic achievement. Included are fascinating (and often horrifying) stories of war, religious fanaticism, terror, and disaster, as well as stories of deep personal loyalty, friendship, and faith. Many characters in the books of The Former Prophets are at once virtuous and villainous, such as King David: slayer of giants, writer of therapeutic songs, and builder of empire, who is also a permissive parent, a rapist, an adulterer, and a murderer. The books of the Former Prophets feature a witch who is far from wicked, and a religious reformer who slaughters the unorthodox. Even God makes an appearance as an evil spirit! Not only have such vivid personages inspired works of art and motivated groups, including the Pilgrims, who came to America to found communities like New Canaan. The Former Prophets also present parallels--often uncomfortable ones--to events in our own history from ethnic cleansing to tyrannical oppression. Yet the Former Prophets also picture the dream of a just and peaceful community that has motivated people of goodwill for thousands of years. Through it all the Former Prophets raise perennial questions: What is the relationship between divine sovereignty and human political institutions? How does a culture identify "insiders" and "outsiders"? In what sense are historical events the result of human acts and also of divine Providence? How does a nation come to terms with its failures as well as its triumphs?

The Ladies' Home Journal

The Holy Bible With a General Introduction and Short Explanatory Notes, by B. Boothroyd

The National Baptist Sunday School Lesson Commentary of the International Lessons for 1908

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999
Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, *David* is the creation of a literary artist comparable to the Shakespeare of the history plays.
