## Social Studies | New York State Education Department

In the United States education system, social studies is the integrated study of multiple fields of social science and the humanities, including history, geography, and political science. The term was first coined by American educators around the turn of the twentieth century as a catch-all for these subjects, as well as others

which did not fit into the traditional models of lower education in

### **Social Studies Guide**

Social studies is composed of deep and enduring understandings, concepts, and skills from the disciplines. From studying questions like “Who makes up a community?” to grappling with bigger issues like “Can one person change the world?”, the acquisition of both content knowledge and skills is essential.
