Speak up Speak Out - A new book for the speaking professional, presented by CAPS, Vancouver Chapter. CAPS Vancouver chapter has brought together 14 of Canada's leading speakers to present 'Speak up Speak out', a book offering down to earth advice and tips on running and developing a professional speaking business. For the seasoned professional or novice speaker, the book is Jam-packed

with "how to's on all topics regarding the speaking profession, something can be learned from every chapter. An easy read, 'Speak up Speak out' is a book for both the avid and casual reader, whatever your preference, reading cover to cover or just picking out individual chapters of interest, there's something in it for everyone. Easily slipped into a briefcase, it's a resource that can travel with you. Flowing seamlessly from beginning to end, the authors offer the benefit of their experience, from managing a speaking business, to marketing and selling your services. There are over 50 platform tips, how to add stories, ideas on how speakers use the Internet, the physical and mental prep as well as moving from training to keynotes and much, much more. The business of speaking is about entertaining the audience as much as imparting information. A little levity can go a long way to enhancing the success of a presentation. For a talented few, humour comes naturally, the rest of us have to work on it. David Granirer shows how stand up comedy can be used to captivate your audience. After reading this chapter you could have them rolling in the aisles. How many speakers talk about writing a book, but never quite get round to it? Best selling author Frances McGuckin shows how. Frances goes through the stages from concept to publishing and marketing your masterpiece. Whether to self publish or use a publishing house. The value of the information offered by this talented group of authors is incalculable. This book puts their experience and expertise within the grasp of us all, whenever we may need it.

Scales describing language proficiency in a series of levels can provide orientation for educational programmes, criteria for assessment, and reporting to stakeholders. However, in most cases such instruments are produced just by expert opinion. A scale of language proficiency actually implies a descriptive scheme related to theory but usable by practitioners. It also implies a methodology for scaling content to different levels. This book describes the use of both qualitative and quantitative techniques to develop scales for the «Common
