Star Wars Storyboards

As the phenomenon dawned in 1977, Marvel Comics published the very first STAR WARS comic-book series. Now, the House of ideas is re-presenting those original adventures in its wampa-sized Omnibus format! It's the return of the Jedi to Marvel in an opening volume that begins with A NEW HOPE and ends with THE EMPIRE STRIKES BACK. In between, the Rebels face a wealth of new perils--from space pirate Crimson Jack to the bounty hunter Beilert Valance, as well as a surprisingly svelte Jabba the Hut (one "t"). Luke goes back to Tatooine, Leia battles alone, Han and Chewie play the deadly Big Game, and Darth Vader hunts for answers! With all your old favorites and plenty of new faces--hello, Jaxxon!--there's no doubt, the Force is strong with this one! COLLECTING: STAR WARS 1-44, Annual 1

Star Wars : the Original Trilogy

Relive the events of A NEW HOPE, THE EMPIRE STRIKES BACK and RETURN OF THE JEDI as the timeless saga of Luke Skywalker and his rebel allies battling the Empire and its ruthless enforcer Darth Vader unfold in action-packed style - including scenes that never made the silver screen! Travel from the desert world of Tatooine, to the ice planet Hoth, to the forest moon of Endor on an unforgettable journey across the galaxy - one that's far, far away and a long time ago! May the Force be with you, in the mighty Marvel manner! COLLECTING: STAR WARS (1977) 1-6, 39-44; STAR WARS: RETURN OF THE JEDI (1983) 1-4

Shadow Fall (Star Wars)

THE SUNDAY TIMES BESTSELLER Grand Admiral Thrawn and Darth Vader team up against a threat to the Empire in this thrilling novel from bestselling author Timothy Zahn. “I have sensed a disturbance in the Force.” Ominous words under any circumstances, but all the more so when uttered by Emperor Palpatine. On Batuu, at the edges of the Unknown Regions, a threat to the Empire is taking root—its existence little more than a glimmer, its consequences as yet unknowable. But it is troubling enough to the Imperial leader to warrant investigation by his most powerful agents: ruthless enforcer Lord Darth Vader and brilliant strategist Grand Admiral Thrawn. Fierce rivals for the emperor’s favor, and outspoken adversaries on Imperial affairs—including the Death Star project—the formidable pair seem unlikely partners for such a crucial mission. But the Emperor knows it’s not the first time Vader and Thrawn have joined forces. And there’s more behind his royal command than either man suspects. In what seems like a lifetime ago, General Anakin Skywalker of the Galactic Republic, and Commander Mitth’raw’nuruodo, officer of the Chiss Ascendancy, crossed paths for the first time. One on a desperate personal quest, the other with motives unknown . . . and undisclosed. But facing a gauntlet of dangers on a far-flung world, they forged an uneasy alliance—neither remotely aware of what their futures held in store. Now, thrust together once more, they find themselves bound again for the planet where they once fought side by side. There they will be doubly challenged—by a test of their allegiance to the Empire . . . and an enemy that threatens even their combined might.

Star Wars Legends Epic Collection

The Princess Diarist

Luke Skywalker dreamed of adventures out among the stars and alien worlds. But when he intercepted a message from a beautiful captive princess, he got more than he had bargained for—and that was how the adventure of his life began. . . . Forty years after the groundbreaking movie *Star Wars: A New Hope* first hit the silver screen, *Star Wars* remains one of the most beloved sagas ever told. Together, the three original *Star Wars* movies *A New Hope*, *The Empire Strikes Back*, and *Return of the Jedi* told one epic: a heroic tale of innocence lost and wisdom gained, of downfall and redemption, of the never-ending fight between the forces of good and evil. Read the story of the movies in one paperback volume and rediscover the wonder of the legend that begins: A long time ago, in a galaxy far, far away . . .

Alphabet Squadron's hunt for the deadliest TIE fighters in the galaxy continues in this Star Wars adventure! News of the New Republic's victory still reverberates through the galaxy. In its wake, the capital ships of the newly legitimized galactic government journey to the farthest stars, seeking out and crushing the remnants of imperial tyranny. But some old ghosts are harder to banish than others. And none are more dangerous than Shadow Wing. Yrica Quell's ragtag Alphabet Squadron still leads the search for Shadow Wing, but they're no closer to their goal—and the pressure to find their quarry before it's too late has begun to shake them apart. Determined to finish the fight once and for all, Quell works with New Republic

Intelligence's contentious Caern Adan and the legendary General Hera Syndulla to prepare the riskiest gambit of her starfighting career—a trap for Shadow Wing that could finish the chase once and for all. But in the darkness, their enemy has evolved. Soran Keize, last of the Imperial aces, has stepped into the power vacuum at the head of Shadow Wing, reinvigorating the faltering unit in their hour of need. Once adrift in the aftershocks of the war, Keize has found meaning again, leading the lost soldiers of his unit through to safety. The only thing standing in his way? The most mismatched squadron in the New Republic Navy, led by his former mentee: the traitor Yrica Quell.

Star Wars

Moth was a beautiful planet, the only one with wings -- two great golden clouds suspended in space around it. Here was a wide-open world for any venture a man might scheme. The planet attracted unwary travelers, hardened space-sailors, and

merchant buccaneers -- a teeming, constantly shifting horde that provided a comfortable income for certain quick-witted fellows like Flinx and his pet flying snake Pip. With his odd talents, the pickings were easy enough so that Flinx did not have to be dishonest most of the time. In fact, it hardly seemed dishonest at all to steal a starmap from a dead body that didn't really need it anymore. But Flinx wasn't quite smart enough. He should have wondered why the body was dead in the first place From the Paperback edition.

Star Wars

NEW YORK TIMES BESTSELLER • Set between the events of Return of the Jedi and The Force Awakens, the never-before-told story that began with Star Wars: Aftermath continues in this thrilling novel, the second book of Chuck Wendig's bestselling trilogy. It is a dark time for the Empire. . . . The Emperor is dead, and the remnants of his former Empire are in retreat. As the New Republic fights to restore a lasting peace to the galaxy, some dare to imagine new beginnings and new destinies. For Han Solo, that means settling his last outstanding debt, by helping Chewbacca liberate the Wookiee's homeworld of Kashyyyk. Meanwhile, Norra Wexley and her band of Imperial hunters pursue Grand Admiral Rae Sloane and the Empire's remaining leadership across the galaxy. Even as more and more officers are brought to justice, Sloane continues to elude

the New Republic, and Norra fears Sloane may be searching for a means to save the crumbling Empire from oblivion. But the hunt for Sloane is cut short when Norra receives an urgent request from Princess Leia Organa. The attempt to liberate Kashyyyk has carried Han Solo, Chewbacca, and a band of smugglers into an ambush—resulting in Chewie’s capture and Han’s disappearance. Breaking away from their official mission and racing toward the Millennium Falcon’s last known location, Norra and her crew prepare for any challenge that stands between them and their missing comrades. But they can’t anticipate the true depth of the danger that awaits them—or the ruthlessness of the enemy drawing them into his crosshairs. Praise for *Aftermath: Life Debt* “Star Wars: *Aftermath: Life Debt* has found its place at the top of all the new canon works. Simply, outstandingly great Star Wars.”—Star Wars Post “[Chuck] Wendig once again strikes gold, offering a sweeping narrative with plenty of insight into both the state of the galaxy at large and beloved characters both new and old.”—Alternative Nation “With an intense plot, political intrigue and great characterization, Wendig’s *Aftermath: Life Debt* is an excellent read.”—Flickering Myth Praise for Chuck Wendig’s *Aftermath* “Star Wars: *Aftermath* [reveals] what happened after the events of 1983’s *Return of the Jedi*. It turns out, there’s more than just the Empire for the good guys to worry about.”—The Hollywood Reporter “The Force is strong with *Star Wars: Aftermath*.”—Alternative Nation “The Star Wars universe is fresh and new again, and just as rich and mysterious as it always was.”—Den of Geek From the Hardcover edition.

Star Wars: The Original Trilogy Stories ((Storybook Collection))

Reviewers exhaust superlatives when it comes to the science fiction of Peter F. Hamilton. His complex and engaging novels, which span thousands of years—and light-years—are as intellectually stimulating as they are emotionally fulfilling. Now, with *The Dreaming Void*, the first volume in a trilogy set in the same far-future as his acclaimed Commonwealth saga, Hamilton has created his most ambitious and gripping space epic yet. The year is 3589, fifteen hundred years after Commonwealth forces barely staved off human extinction in a war against the alien Prime. Now an even greater danger has surfaced: a threat to the existence of the universe itself. At the very heart of the galaxy is the Void, a self-contained microuniverse that cannot be breached, cannot be destroyed, and cannot be stopped as it steadily expands in all directions, consuming everything in its path: planets, stars, civilizations. The Void has existed for untold millions of years. Even the oldest and most technologically advanced of the galaxy’s sentient races, the Raiel, do not know its origin, its makers, or its purpose. But then Inigo, an astrophysicist studying the Void, begins dreaming of human beings who live within it. Inigo’s dreams reveal a world in which thoughts become actions and dreams become reality. Inside the Void, Inigo sees paradise. Thanks to the gaiafield, a neural entanglement wired into most humans, Inigo’s dreams are shared by hundreds of millions—and a religion, the Living Dream, is born, with Inigo as its prophet. But then he vanishes. Suddenly there is a new wave of dreams. Dreams broadcast by an unknown Second Dreamer serve as the inspiration for a massive Pilgrimage into the Void. But there is a chance that by attempting to enter the Void, the pilgrims will trigger a catastrophic expansion, an accelerated

devourment phase that will swallow up thousands of worlds. And thus begins a desperate race to find Inigo and the mysterious Second Dreamer. Some seek to prevent the Pilgrimage; others to speed its progress—while within the Void, a supreme entity has turned its gaze, for the first time, outward. . . . BONUS: This edition includes an excerpt from Peter F. Hamilton's *The Temporal Void*.

Life Debt: Aftermath (Star Wars)

The famous sequels Once a movie is a big hit, directors and producers get greedy and we see more and more sequels. Some are successful, others not so much. This book is all about the Star Wars original trilogy including Star Wars Episode IV: A New Hope, Star Wars Episode V: The Empire Strikes Back, and Star Wars Episode VI: Return of the Jedi. The book will also discuss the cast and characters as well as the themes around Star Wars. This book was created and put into distribution by a team of dedicated editors using open source and proprietary publishing tools. One of the advantages to the way we publish books is that our content is up to date and written by dedicated subject matter experts from all over the world. By adding a layer of screening and curatorial attention to this material, we are able to offer a book that is relevant, informative and unique.

Star Wars: Original Trilogy Graphic Novel

Experience the Star Wars saga reimagined as an Elizabethan drama penned by William Shakespeare himself, complete with authentic meter and verse, and theatrical monologues and dialogue by everyone from Rey to Chewbacca. As the noble Resistance clashes with the vile First Order, Rey, Finn, Poe Dameron, Kylo Ren, and BB-8 are pulled into a galaxy-wide drama. The romance of Han Solo and Leia Organa takes a tragic turn that Shakespeare would approve of. Authentic meter, stage directions, reimagined movie scenes and dialogue, and hidden Easter eggs throughout will entertain and impress fans of Star Wars and Shakespeare alike. Every scene and character from the film appears in the play, along with twenty woodcut-style illustrations that depict an Elizabethan version of the Star Wars galaxy.

William Shakespeare's The Force Doth Awaken

This enhanced eBook transforms The Making of Star Wars into an immersive multimedia experience worthy of the original film. It features exclusive content pulled from the Lucasfilm archives by author J. W. Rinzler: • 26 minutes of rare behind-the-scenes video* • 29 minutes of rare audio interviews with the cast and crew • New bonus photos and artwork not found in the print edition After the 1973 success of American Graffiti, filmmaker George Lucas made the fateful decision to pursue a longtime dream project: a space fantasy movie unlike any ever produced. Lucas envisioned a swashbuckling SF saga inspired by the Flash Gordon serials, classic American westerns, the epic cinema of Japanese auteur Akira Kurosawa, and

mythological heroes. Its original title: *The Star Wars*. The rest is history, and how it was made is a story as entertaining and exciting as the movie that has enthralled millions for more than thirty years—a story that has never been told as it was meant to be. Until now. Using his unprecedented access to the Lucasfilm Archives and its trove of “lost” interviews, photos, production notes, factoids, and anecdotes, Star Wars scholar J. W. Rinzler hurtles readers back in time for a one-of-a-kind behind-the-scenes look at the nearly decade-long quest of George Lucas and his key collaborators to make the “little” movie that became a phenomenon. It’s all here:

- the evolution of the now-classic story and characters—including “Annikin Starkiller” and “a huge green-skinned monster with no nose and large gills” named Han Solo
- excerpts from George Lucas’s numerous, ever-morphing script drafts
- the birth of Industrial Light & Magic, the special-effects company that revolutionized Hollywood filmmaking
- the studio-hopping and budget battles that nearly scuttled the entire project
- the director’s early casting saga, which might have led to a film spoken mostly in Japanese—including the intensive auditions that won the cast members their roles and made them legends
- the grueling, nearly catastrophic location shoot in Tunisia and the subsequent breakneck dash at Elstree Studios in London
- the who’s who of young film rebels who pitched in to help—including Francis Ford Coppola, Steven Spielberg, and Brian DePalma

But perhaps most exciting, and rarest of all, are the interviews conducted before and during production and immediately after the release of *Star Wars*—in which George Lucas, Mark Hamill, Harrison Ford, Carrie Fisher, Sir Alec Guinness, Anthony Daniels, composer John Williams, effects masters Dennis Muren, Richard Edlund, and John Dykstra, Phil Tippett, Rick Baker, legendary production designer John Barry, and a host of others share their fascinating tales from the trenches and candid opinions of the film that would ultimately change their lives. No matter how you view the spectrum of this phenomenon, *The Making of Star Wars* stands as a crucial document—rich in fascination and revelation—of a genuine cinematic and cultural touchstone. *Video may not play on all readers. Please check your user manual for details.

Star Wars

Discover Thrawn’s origins within the Chiss Ascendancy in the first book in an epic new *Star Wars* trilogy from bestselling author Timothy Zahn. Beyond the edge of the galaxy lies the Unknown Regions: chaotic, uncharted, and near impassable, with hidden secrets and dangers in equal measure. And nestled within its swirling chaos is the Ascendancy, home to the enigmatic Chiss and the Nine Ruling Families that lead them. The peace of the Ascendancy, a beacon of calm and stability, is shattered after a daring attack on the Chiss capital that leaves no trace of the enemy. Baffled, the Ascendancy dispatches one of its brightest young military officers to root out the unseen assailants. A recruit born of no title, but adopted into the powerful family of the Mitth and given the name Thrawn. With the might of the Expansionary Fleet at his back, and the aid of his comrade Admiral Ar’alani, answers begin to fall into place. But as Thrawn’s first command probes deeper into the vast stretch of space his people call the Chaos, he realizes that the mission he has been given is not what it seems. And the threat to the Ascendancy is only just beginning.

The Topps Star Wars trading cards were originally released in 1977 after the first Star Wars movie hit theatres that May. No one expected the movie to become an instant classic, but as licensors scrambled to satisfy the huge demand for kids of all ages looking to own images of their favourite characters and scenes, Topps was the first Star Wars licensee. The trading card series proved so popular that five different series were released in the same year. Almost forty years later, the popularity of the Star Wars franchise shows no sign of slowing down. Now, for the first time, all five classic trading card series are being reprinted in book form--in a deluxe volume of 516 pages. Each series consisted of 66 cards and 11 stickers. The backs of each card contain additional content including Movie Facts, Plot Summaries, Actor Profiles and Puzzle Cards. That's a total of 330 cards; 55 stickers; 110 Facts, Stories and Profiles; and 44 puzzle cards--505 images in all! Also includes four exclusive bonus collectible trading cards and an introduction by Gary Gerani, the original editor of the 1977 series of Topps trading cards.

The Tar-aiym Krang

Luke Skywalker lived and worked on his uncle's farm on the remote planet of Tatooine, but he yearned to travel beyond the farthest reaches of the universe to distant, alien worlds. Then Luke intercepted a cryptic message from a beautiful, captive princess . . . and found himself catapulted into the adventure of a lifetime. Luke Skywalker, proud Princess Leia, and headstrong Han Solo . . . merciless Darth Vader, wise Obi-Wan Kenobi, loyal droids R2-D2 and C-3PO, and the inscrutable Yoda . . . Chewbacca the Wookiee, shifty Lando Calrissian, and the vile Jabba the Hutt . . . all the vivid characters from the "Star Wars" universe spring to life in these thrilling pages. The "Star Wars Trilogy" is a must-read for anyone who wants to relive the excitement, the magic, and the sheer entertainment of this legendary saga--now and forever.

Star Wars Trilogy: A New Hope

George Lucas spent nearly ten years bringing his dream project to life: a ground-breaking space fantasy movie. It would be a swashbuckling sci-fi saga inspired by vintage Flash Gordon serials, classic American westerns, and mythological heroes. Its original title: The Star Wars. The rest is history. Yet its production is a story as entertaining and exciting as the film itself. Now, recounted in the words of those who were there, it is finally being told, for the first time. During the years 1975 to 1978, over fifty interviews were conducted with key members of the cast and crew. Remarkably these interviews have sat, undisturbed, in the Lucasfilm Archives for three decades. Until now. The interviews are fresh, candid and – above all – more accurate than many other reported accounts. George Lucas, Mark Hamill, Harrison Ford, Carrie Fisher, Anthony Daniels, composer John Williams, legendary production designer John Barry, and a host of others share their fascinating tales of overcoming obstacles – storms, crises, technical limitations, high stress and bitter disappointment – while displaying real ingenuity, heroism and creativity. Using his unprecedented access to the Lucasfilm Archives and this trove of never-before-published ‘lost’ interviews, photographs, production notes, factoids and anecdotes, J. W. Rinzler hurtles readers back in time for a definitive look at the making of Star Wars. For the first time, it’s all here: * The evolution of the now-classic story and characters – including ‘Annikin Starkiller’ and a ‘huge green-skinned monster with no nose and large gills’ named Han Solo * Excerpts from George Lucas’s numerous, ever-morphing script drafts * The birth of Industrial Light & Magic, the special-effects company that revolutionised Hollywood film-making * The studio-hopping and budget battles that nearly derailed the entire project * The director’s early casting saga * The gruelling, nearly catastrophic location shoot in Tunisia and the following breakneck dash to Elstree Studios in London Lavishly illustrated with hundreds of images spanning the creation of the film, *The Making of Star Wars* is a piece of cinema history. It is the true story of human endeavour and creativity that led to the production of one of the most outstanding and innovative movies of all time.
