Stuart's Cape

Jacqueline Woodson is the 2018-2019 National Ambassador for Young People's Literature WINNER OF A CORETTA SCOTT KING HONOR AND THE JANE ADDAMS PEACE AWARD! Each kindness makes the world a little better This unforgettable book is written and illustrated by the award-winning team that created The Other Side and the Caldecott Honor winner Coming On Home Soon. With its powerful anti-bullying message and striking art, it will resonate with readers long after they've put it down. Chloe and her friends won't play with the new girl, Maya. Every time Maya tries to join Chloe and her friends, they reject her. Eventually Maya stops coming to school. When Chloe's teacher gives a lesson about how even small acts of kindness can change the world, Chloe is stung by the lost opportunity for friendship, and thinks about how much better it could have been if she'd shown a little kindness toward Maya.

Read Pam Allyn's posts on the Penguin Blog The books to read aloud to children at the important moments in their lives. In What to Read When, award-winning educator Pam Allyn celebrates the power of reading aloud with children. In many ways, books provide the first opportunity for children to begin to reflectively engage with and understand the world around them. Not only can parents entertain their child and convey the beauty of language through books, they can

also share their values and create lasting connections. Here, Allyn offers parents and caregivers essential advice on choosing appropriate titles for their children—taking into account a child’s age, attention ability, gender, and interests— along with techniques for reading aloud effectively. But what sets this book apart is the extraordinary, annotated list of more than three hundred titles suitable for the pivotal moments in a child’s life. With category themes ranging from friendship and journeys to thankfulness, separations, silliness, and spirituality, *What to Read When* is a one-of-a-kind guide to how parents can best inspire children through reading together. In addition, Pam Allyn includes an indispensable “Reader’s Ladder” section, with recommendations for children at every stage from birth to age ten. With the author’s warm and engaging voice throughout, discussion questions to encourage in-depth conversations, as well as advice on helping kids make the transition to independent reading, this book will help shape thoughtful, creative, and curious children, imparting a love of reading that will last a lifetime. These Penguin Young Reader's Books are referenced in *What to Read When* Sylvia Jean: Drama Queen by Lisa Campbell Ernst (Penguin Young Reader’s Group: 2005) *Two Is For Twins*, by Wendy Cheyette Lewison, illustrations by Hiroe Nakata (Penguin Young Readers: 2006) *Remember Grandma?* by Laura Langston (Penguin Group (USA): May 2004) *Soul Looks Back in Wonder* compiled by Tom Feelings (Puffin Books) *Time of Wonder* by Robert McCloskey (Penguin Books USA, Incorporated: December 1957) *When I was Young in the Mountains* by Cynthia Rylant illustrated by Diane Goode (Penguin Young Readers Group: January 1993) *Nana Upstairs and Nana Downstairs* by Tomie DePaola (Puffin Books, an imprint of Penguin Books, Inc.:1973) *Good Night, Good Knight* by Shelly Moore Thomas, illustrations by Jennifer Plecas (Penguin Young Readers Group: 2002)

Stuart Little [by] E.B. White

In this fascinating, moving autobiography, Lois Lowry explores her rich history through personal photographs, memories, and recollections of her childhood. Lowry’s writing often transports readers into other worlds. Now, we have the rare opportunity to travel into a real world that is her own—her life. This new edition features a refreshed design, an introduction by New York Times best-selling author Alice Hoffman, and original material from Lois as she shares memories from the past twenty years of her life, including the making of the film, *The Giver*. Readers will find inspiration and insight in this poignant trip through a legendary writer’s past.

The Killer Angels

While most children learn to read fairly well, there remain many young Americans whose futures are imperiled because they do not read well enough to meet the demands of our competitive, technology-driven society. This book explores the problem within the context of social, historical, cultural, and biological factors. Recommendations address the identification of groups of children at risk, effective instruction for the preschool and early grades, effective approaches to dialects and bilingualism, the importance of these findings for the professional development of teachers, and gaps that remain in our understanding of how children learn to read. Implications for parents, teachers, schools, communities, the media, and government at all levels are discussed. The book examines the epidemiology of

reading problems and introduces the concepts used by experts in the field. In a clear and readable narrative, word identification, comprehension, and other processes in normal reading development are discussed. Against the background of normal progress, Preventing Reading Difficulties in Young Children examines factors that put children at risk of poor reading. It explores in detail how literacy can be fostered from birth through kindergarten and the primary grades, including evaluation of philosophies, systems, and materials commonly used to teach reading.

Stuart Goes to School

In this read-along picture book, a classroom full of young dinosaurs plays with toys, does art projects, and reads books. But each activity is another opportunity for the over-enthusiastic Tyrannosaurus Rex to wreak havoc. Parents and young children will love the call-and-response nature of the book, and young dinosaur fans will appreciate the listing (and pronunciation guide) for a dozen different dino species. The format is extra vertical in order to accommodate T. Rex's biggest messes. Praise for Tyrannosaurus Wrecks "Punchy writing, an equally in-your-face palette, and Ohora's characteristically brash painting style make this as much a stompalong as a readaloud." --Publishers Weekly "Along with the pleasure of pronouncing those multisyllabic dino names, young audiences may find food for thought in the behavioral dynamics on display." --Kirkus Reviews "Warmly colored with childlike bodies and emotive faces, Ohora's dinosaurs are among the cutest you will come across in children's books." --Booklist "The brief rhyming text, which scans well, tells a story with child appeal. There is a good balance of two-to-three word sentences with large, uncluttered illustrations, making the book a good choice for reading aloud. In their simplicity, the brightly colored pictures have the look of children's art, but they enhance the classroom setting appropriately with interesting details." --School Library Journal "The shapely dinos, whose rough charcoal-style outlines and strong colors vividly contrast with the white or sometimes black backgrounds, are chunky and friendly in an eight-crayon-box color scheme and snazzy Peanuts-reminiscent outfits." --Bulletin of the Center for Children's Books "Together the chanting rhythm, ragged lines, and setting of an unchaperoned dinosaur class create a satisfyingly high-energy, primal read-aloud strongly reminiscent of Bob Shea's 'Dinosaur vs.' series." --The Horn Book Magazine

Secrets at Sea

Here's the first book in the hilarious Moxy Maxwell series, which includes *Moxy Maxwell Does Not Love Writing Thank-you Notes* and *Moxy Maxwell Does Not Love Practicing the Piano*. It wasn't as if Moxy hadn't tried to do her summer reading. She and Stuart Little had been inseparable all summer, like best friends. If Stuart Little wasn't in her backpack, it was in her lap . . . or holding up the coffee table . . . or getting splashed when Moxy went swimming. But now it's the end of August—the day before fourth grade. And if Moxy doesn't read all of *Stuart Little* immediately, there are going to be "consequences." It may look like Moxy is doing nothing, but actually she is very busy with a zillion highly crucial things—like cleaning up her room (sort of) and training her dog and taking a much-needed rest in the hammock. Just look at the pictures her twin brother Mark takes to document it all—they're scattered throughout—and you'll see why it's so difficult to make time for a book about a mouse. Of course our heroine does manage to finish her book, falling so in love with it that she finds herself reading under the covers with a flashlight, late into the night. From the Hardcover edition.

A Guide for Using The Mouse and the Motorcycle in the Classroom

A quick, inventive chapter book featuring an unusual hero--an eight-year-old worrier. We meet Stuart pressed against a rainy window, worried and bored. Worried, because hundreds of things could go wrong in a new house, a new town, a new school. Bored, because he has no one to play with and because his collection of Valuable Things disappeared during the move. He really needs an adventure. In one fateful moment, it all becomes clear: Stuart realizes that in order to have adventure, he needs a cape! After all, don't all those superheroes have capes? Each day the cape brings a different and unexpected adventure. He entertains a gorilla, a horse, and a dinosaur in his bedroom.

Story of the Treasure Seekers Comprehension Guide

IT'S THE DAWN OF AN IMPORTANT NEW DAY IN AMERICA. YOUNG READERS, GRAB THE REINS AND JOIN RUSH REVERE, LIBERTY THE HORSE, AND THE WHOLE TIME-TRAVELING CREW IN THIS PATRIOTIC HISTORICAL ADVENTURE THAT TAKES YOU ON AN EXCITING TRIP TO THE PAST TO SEE OUR REMARKABLE NATION'S MOST ICONIC SYMBOLS UP CLOSE AND PERSONAL! "Rush Revere here, along with my chatty horse, Liberty! Wait a minute . . . Liberty? Where did he go?" "Reporting for duty, Captain Revere!" "Liberty, where did you get that spinach smoothie?" *Slurp* Well, he certainly didn't get it from 1787—that's where we're rush, rush, rushing off to next with our enthusiastic young friends in the Time-Traveling Crew (but not before causing a major security incident at the National Archives in Washington, D.C.!) A funny case of mistaken identity and a wild chase through the busy streets of Philadelphia will lead us to the famously introverted Father of our Constitution, James Madison, and the heated secret debates over the Constitution and the Bill of Rights. Fast-forward a few years, and we'll help his brave wife, Dolley, risk her life to save an important portrait from the White House as the British set Washington afire! What greater symbol of our exceptional nation's hard-won freedoms than the Star-Spangled Banner, sewn by American icon Betsy Ross? Perhaps Francis Scott Key can explain what inspired him to pay tribute to our glorious flag by writing our beautiful national anthem. But watch out for the bombs bursting in air, because when we reach 1814, we'll be front and center at a major battle to defend our liberty. Jump back in the saddle with me, Rush Revere, and the Time-Traveling Crew, as my trusty horse, Liberty, takes us on another flying leap through American history into a past teeming with heroes and extraordinary citizens who have so much to teach us about patriotism. All you need to bring is your curiosity about the birth of our democracy—I've got plenty of tricornered hats for everyone!

A Little History of the World

"Dogs have lessons for us all. In *Beloved Dog*, renowned artist and author Maira Kalman illuminates our cherished companions as only she can. From the dogs lovingly illustrated in her acclaimed children's books to the real-life pets who inspire her still, Kalman's *Beloved Dog* is joyful, beautifully illustrated, and, as always, deeply philosophical."--

Little Women Comprehension Guide

Ben is taken to Mexico by his nemesis in the hopes that he'll finally be able to take down SPYDER in this latest addition to the New York Times bestselling *Spy School* series. Thirteen-year-old Ben Ripley has been caught in the snares of SPYDER more than once and knows well enough to be suspicious of anything that seems too good to be true—despite needing special tutoring in advanced survival techniques. So when Murray Hill finally breaks his silence with an offer to hand over the

SPYDER elite, Ben knows that there must be something going on. But his hesitation doesn't stop the assignment. The Mission: Follow Murray Hill to an undisclosed location with no one else but Erica Hale to identify SPYDER leadership. Once found, contact the CIA to sweep in and finish the job. DO NOT CONTACT SPYDER DIRECTLY. However, as Ben suspected, nothing goes as planned, and what should be an easy mission quickly turns deadly. Now, Ben and Erica will have to face rogue agents, trained killers, and even very hungry crocodiles in a race against the clock to find out what SPYDER is up to this time—and thwart their evil plans.

Little House in the Big Woods Comprehension Guide

The fourth book in the beloved Poppy series by Newbery Medal-winning author Avi, with illustrations from Caldecott Medal-winning artist Brian Floca, is available as an ebook for the first time! Erethizon Dorsatum—better known as Ereth, the self-centered, foul-tempered old porcupine—is having a birthday. And he fully expects his best friend Poppy, a deer mouse, to help him celebrate in a grand manner. But Poppy has gone off somewhere with her husband, Rye, and it appears she has forgotten all about it. "Belching Beavers," says Ereth, "I am not angry!" (Though, perhaps he is—and more than just a little.) Ereth knows his special occasion deserves a special treat—even if he has to get it for himself. And what treat could be more special than tasty salt? But the nearest salt is located deep in the forest, in a cabin occupied by fur hunters, who have set out traps to capture the Dimwood Forest animals. In one of the traps, Ereth finds Leaper the Fox—who, with her dying breath, begs the prickly porcupine to take care of her three boisterous young kits, Tumble, Nimble, and Flip. "Jellied walrus warts!" Ereth exclaims, but reluctantly agrees. Certainly this day is not going as he planned—and it's only just the beginning! Not only does Ereth suddenly have a rambunctious new family to take care of, but he's being stalked by Marty the Fisher, the one creature in Dimwood Forest who can do him harm. And Bounder, the father of the three little foxes, remembers all too well the nose full of quills he got a while back from the grumpy old animal who now fancies himself the leader of the den. He too sets out to show Ereth who's boss. Throw in an unexpected snowstorm, and all in all, it adds up to one birthday Ereth the porcupine is never going to forget, not even if he lives to be a hundred and twenty-two!

Rush Revere and the Star-Spangled Banner

E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new

index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

Spy School Goes South

In this humorous and relatable novel from Newbery Medal-winning author Beverly Cleary, a girl must overcome her rebellious attitude toward learning cursive. At first, Maggie is just feeling stubborn when she declares she won't learn cursive. What's wrong with print, anyway? And she can easily type on a computer, so why would she need to know how to read those squiggly lines? But soon all her classmates are buzzing about Maggie's decision, especially after her teacher, Mrs. Leeper, says Maggie's cursive is so sloppy that her name looks like "Muggie." With "Muggie Maggie" ringing in her ears, Maggie absolutely, positively won't back down until she's appointed class mail messenger. All the letters that Mrs. Leeper sends to the office are in cursive, and Maggie thinks they are written about her. But there's only way to know for sure so what's Maggie going to do? For generations, Beverly Cleary has captivated readers of all ages with beloved characters such as Ramona Quimby, Henry Huggins, Ribsby, and Ralph S. Mouse. Muggie Maggie follows suit with what School Library Journal calls "a likable, funny heroine whom readers will want to know."
