Boundary Crossed

In this riveting, “gory, and action-packed” (Jonathan Maberry) survival thriller, set in the expansive world of Robert Kirkman’s *The Walking Dead* series, three people from different walks of life in China must join forces against the typhoon of undead as chaos sweeps over Asia. In the aftermath of the zombie virus outbreak, what

remains of the Chinese government has estimated that one billion walkers (called jiangshi) are currently roaming through the country. Across this dramatic landscape, large groups of survivors have clustered together for safety in villages and towns that have been built vertically as a means of protection against the unceasing wave of jiangshi. Before this devastation, Zhu was one of the millions of poor farmers who left their rural roots for the promise of consistent employment in one of China's booming factory towns. Elena was an American teaching English in China while on a gap year before beginning law school. Hengyen was a grizzled military officer of some renown, and a passionate believer in his nation's ability to surmount any obstacle. But with the settlement's 3,000 mouths to feed and the scavengers having to travel further and further in search of food, Zhu ends up at his home village, where he is shocked to find survivors. Does he force them to join the settlement or keep their existence a secret? Meanwhile, Hengyen is tasked with the impossible: fortifying the Beacon against a 100,000-strong "typhoon" of walkers heading their way. Even though he realizes that the Beacon hardly stands a chance, Hengyen is a believer and will stand with his compatriots to the very last, bringing him into conflict with Zhu, who intends to flee the path of the typhoon and make for the safety of China's dramatic mountain ranges before it's too late. Given "two decaying thumbs up," (Jonathan Mayberry, author of *Rot & Ruin*), this book is sure to get your heart racing and leave you wanting more!

The Best Kept Secret in MMA What do an NFL star, a United States Secret Service Agent, Sylvester Stallone's bodyguard, and Muhammad Ali's sparring partner all have in common? They were all characters cast in America's original "anything goes" reality fighting drama, an "open call" that led to the birth of a new sport--MMA. Long before the Octagon was in vogue or Royce Gracie made his pay-per-view debut; decades before the UFC became a household brand and while the likes of Dana White were still in elementary school; two martial artists, Bill Viola and Frank Caliguri, set out to prove once and for all who the world's greatest fighter was by creating a radical new "sport" in 1979. Godfathers of MMA reveals the clandestine plot to subvert the "first" mixed martial arts revolution in American history, one poised to challenge boxing as the king of combat sports. Confounded by corruption, a massive struggle ensued over money, power, and respect between boxing's gentry and an upstart MMA company (CV Productions) from Pittsburgh, Pennsylvania. The legendary story, buried by rhetoric for years, casts a wide net reeling in everyone from politicians to mobsters, all with ulterior motives; all with eyes on a billion dollar blueprint. From boxing's "Holy Territory," the home of Rocky Balboa, to a bizarre connection with the Supreme Court that led to the first legal precedent for MMA--ever, this is the ultimate inside look. Godfathers of MMA is a testosterone-laced whirlwind tale of "what might have been" told by the trailblazers who fought for it. Relive the epic adventure of the "Tough Guys" later known as Super Fighters (the first mixed martial arts league in history). Thirty

years before the UFC gained a mainstream audience; the media embraced mixed martial arts: KDKA-TV dubbed CV's new sport, "Organized, Legalized, Street fighting," while the Philadelphia Journal proclaimed, "No holds barred as Superfighters take over." Take a journey back in time to the "Iron City" and meet the fighters, the foes, and the visionaries who created the modern sport of MMA.

Boxing's Greatest Fighters

Whether you're at home, in the classroom, or running a clinical practice, these conversation cards are meant to get people thinking and talking about who they are, what they like, and how they interact with the world around them. Each question targets different skills and areas of life, but all the questions have one primary purpose: to get you discussing the important fundamentals of an emotionally balanced, mindful and compassionate way of living.

Intuitive Life-coaching Oracle

The monster Goketsu appears at the martial arts tournament, and in an attempt to turn its participants into monsters, he gives them monster cells. Tournament champ Suiryu fights the newly monsterized fighters one after another, until a certain hero rushes to his side to help! -- VIZ Media

One-Punch Man

Easily the most enduring of all sports questions is "Who was/is the best . . . ?" Perhaps in no sport is the question more asked and argued over than in boxing. And in boxing perhaps none is more qualified to answer the question than Bert Randolph Sugar. In *Boxing's Greatest Fighters*, not only does the former publisher of *Ring Magazine* tell us who the best fighters were, he lists them in order. Could Sugar Ray Robinson have beaten Muhammad Ali? Could Sugar Ray Leonard have beaten Sonny Liston? The answer, most experts agree, would be "no." But what if, as Bert Sugar has done here, one were to take all the boxers and reduce them in the mind's eye to the same height, the same weight, and the same ring conditions? The answers would be quite different. And while some fans may express outrage that Rocky Marciano barely makes the top twenty, and Marvin Hagler staggers into the top seventy-five, others will nod eagerly when they read that Harry Greb and Benny Leonard were better than just about anybody. So whether you read *Boxing's Greatest Fighters* cover to cover, pick your favorites at random, or simply browse through the many rare photographs, "at the bell, come out arguing."

Fight Sports and American Masculinity

This is a story of the battle for the control of the Internet. In November 1999, at the

height of the e-commerce gold rush, an extraordinary hearing took place in a Los Angeles courtroom. On one side, the billion-dollar darling of Wall Street, eToys.com, the brain child of Toby Lenk. On the other side, etoy.com, a group of cutting-edge European artists, hungry for fame, who used the Internet as their canvas. The ensuing battle sharply focused attention on the conflict at the very heart of the Internet: was it for the joy of the many or the exponential profit of the few? Was cyberspace a revolutionary public space or was the new frontier an extension of the shopping mall?

One-Punch Man

Drinkin' with Lincoln

Detective Scott Graves will do anything to protect his family even bargain away his soul. Now, the only thing to fear isn't New York's worst criminals, but what's already raging inside of him. After all, what's the cost of your soul when it's already damaged? Created by ROBERT KIRKMAN, this vigilante answers to no man, only the demon within. Collects DEMONIC #1-6
