The Lying Game #3: Two Truths and a Lie

The drawings which compose *Sketchbook Works Vol. 1 & 2* were developed through painstaking processes of organized mark making within the rigid confines of the grid. The production of these works employ traditional methods of drawing, as well as unconventional modes such as tediously mixing a vast array of custom marker colors for perfect gradients, laser engraving miniature patterns onto pages, and using destructive processes like dissolving imagery with chemical solvents. These drawing processes craft a diverse array of visual experiences derived not only from organized drawing systems, but also from mistakes and destructive actions, whose results were sources of evolution seen in this body of work.

Hide and Seek

While her late twin watches from the afterlife, Emma assumes Sutton's identity to solve the mystery of the latter's murder, an investigation that repeatedly implicates the handsome and mysterious Thayer.
