Frau Lou

Lou Gramm rose from humble, working-class roots in Rochester, New York, to become one of rock's most popular and distinctive voices in the 1970s and '80s, singing and cowriting more than a dozen hits with the band Foreigner. Songs such as "Cold As Ice," "I Want to Know What Love Is," "Waiting for a Girl Like You," "Double Vision," "Urgent," and "Midnight Blue" are among 20 Gramm songs that achieved Top 40 status on the Billboard charts and became rock classics still played often, nearly three decades after they first hit the airwaves and the record store shelves. "Juke Box Hero: The My Five Decades in Rock 'n' Roll" chronicles, with remarkable candor, the ups and downs of this popular rocker's amazing life--a life which saw him achieve worldwide fame and fortune, then succumb to its trappings before summoning the courage and faith to overcome his drug addiction and a life-threatening brain tumor. Gramm takes the reader behind the scenes--into the recording studio, back stage, on the bus trips and beyond--to give an insider's look into the life of the man "Rolling Stone" magazine referred to as "the Pavarotti of rock."

The Gift

An inspiring, hilarious memoir about learning to resist the pressures of conformity, love yourself for who you are, embrace your flaws, and unlock your true potential. Now cohost of Fox's *The Real* and SiriusXM's *Café Mocha*, Loni Love hasn't taken the typical path to becoming America's favorite straight-talking girlfriend and comedian. She was not the child of Hollywood legends and she never wore a size 00. Rather, she grew up in housing projects in Detroit, more worried about affording her next meal than going on a diet. When she moved to Hollywood after graduating college with an engineering degree, seeking to break out in the entertainment world, there was nothing that would convince her to eat the kale salads and quinoa bowls that her colleagues introduced her to, which looked to Love like "weeds my grandma used to pay me a dollar to pull from her yard." Still, despite the differences that set her apart in the status-driven world of entertainment where being thin, young, blond, and bubbly is sometimes considered a talent, Love spent years trying to fit in -- trying to style her hair just so, dieting, dating the men she thought she was supposed to be with. In this book, she tells the uproariously funny story of how she overcame the trap of self-

improvement and instead learned to embrace who she was. As Love writes, "There's a saying a lot of people live by: 'Fake it till you make it.' For me, it's always been 'fake it, and then have the whole thing blow up in your face.'" I Tried to Change So You Don't Have To explores all of the embarrassing mistakes, terrifying challenges, and unexpected breakthroughs that taught her how, by committing ourselves to our own path, we can take control of our destiny.

Gray

When Jesse Sienna's elderly father moves in with him after being unable to live alone following the death of his wife, the thirty-two-old finds he has much to learn from his father's reminiscing.

The Last Summer of Us

DIVA cultural studies account of America during the 1930s as seen through Key West, Harlem, Hollywood, and Reno./div

Lou Gehrig

Hailed by the New Yorker as "a superlative study of a president and his presidency," Lou Cannon's President Reagan remains the definitive account of our most significant presidency in the last fifty years. Ronald Wilson Reagan, the first actor to be elected president, turned in the performance of a lifetime. But that performance concealed the complexities of the man, baffling most who came in contact with him. Who was the man behind the makeup? Only Lou Cannon, who covered Reagan through his political career, can tell us. The keenest Reagan-watcher of them all, he has been the only author to reveal the nature of a man both shrewd and oblivious. Based on hundreds of interviews with the president, the First Lady, and hundreds of the administration's major figures, President Reagan takes us behind the scenes of the Oval Office. Cannon leads us through all of Reagan's roles, from the affable cowboy to the self-styled family man; from the politician who denounced big government to the president who created the largest peace-time deficit; from the statesman who reviled the Soviet government to the Great Communicator who helped end the cold war.

The Trump Century

The Integumentary System, by Bryan E. Anderson, MD, takes a concise and highly visual approach to illustrate the basic sciences and clinical pathology of the skin, hair and nails. This newly added, never-before-published volume in The Netter Collection of Medical Illustrations (formerly the CIBA "Green Books") captures current clinical perspectives on the integumentary system - from normal anatomy and histology to pathology, dermatology, and common issues in plastic surgery and wound healing. Using classic Netter illustrations and new illustrations created in the Netter tradition, as well as a great many cutting-edge histologic micrographs and diagnostic images, it provides a vivid, illuminating, and clinically indispensable view of this body system. Gain a rich, holistic clinical view of every structure by seeing classic Netter anatomic illustrations, cutting-edge histologic images and

diagnostic imaging studies side by side. Visualize the most recent topics in cutaneous pathology such as sporothrix and cutaneous t-cell lymphoma as well as classic problems like alopecia and neurofibromatosis, informed by the latest developments in molecular biology and histologic imaging. See current dermatologic concepts captured in the visually rich Netter artistic tradition via major new contributions from Netter disciple Carlos Machado, MD - making complex concepts easy to understand and remember through the precision, clarity, detail, and realism for which Netter's work has always been known. Get complete, integrated visual guidance on the skin, hair, and nails in a single source, from basic sciences and normal anatomy and function through pathologic conditions. Adeptly navigate current controversies and timely topics in clinical medicine with guidance from the Editor and informed by an experienced international advisory board.

Dodging Africa

New York Times bestselling author Cecelia Ahern spins a witty, warm, and wise modern-day fable of love, regret, hope, and second chances. extremely successful executive, Lou Suffern is always overstretched, immune to the holiday spirit that delights everyone around him. The classic workaholic who never has a moment to spare, he is always multitasking while shortchanging his devoted wife and their adorable children. And ever since he started competing for a big promotion, he has barely seen his family at all. One frigid morning in an uncharacteristic burst of generosity, he buys a cup of coffee for Gabe, a homeless man huddled outside his office building. Inspired by his own unexpected act of kindness, Lou decides to prolong his charitable streak and contrives to get Gabe a job in his company's mailroom. But when Gabe begins to meddle in Lou's life, the helping hand appears to be a serious mistake. Gabe seems to know more about Lou than Lou does about himself, and, perhaps more disturbingly, Gabe always seems to be in two places at once. With Lou's personal and professional fates at important crossroads and Christmas looming, Gabe resorts to some unorthodox methods to show his stubborn patron what truly matters and how precious the gift of time is. But can he help him fix what's broken before it's too late?

November Road

The moving story of the author's adopted Rottweiler mix, Lou, a free-thinking heroic dog who changed his life forever Born of guard dogs on a secret marijuana farm in Mendicino County, Lou truly was one dog in a million. On the winter day that the ailing, tick-infested feral pup was rescued by Steve Duno, neither dog nor man had a clue as to what they were getting into, or where the relationship would lead. Last Dog on the Hill tells the story of an indigent young Rottweiler mix who, after abandoning his pack and the hills of his birth, went on to change the lives of hundreds of people and dogs, including the author's, whose career as a behaviorist and writer was made possible through Lou's extraordinary intelligence and heart. Lou won the respect of gang members, foiled an armed robbery, caught a rapist, fought coyotes and kidnapers, comforted elderly war veterans and Alzheimer patients in their final days, taught ASL to kids, learned scores of unique behaviors and tricks, amassed a vocabulary of nearly 200 words, helped rehabilitate hundreds of aggressive dogs and saved them from euthanasia. He was also a clown, consummate performer and Steve's best friend for sixteen years. His story

will make readers laugh and cry in equal measures.

Koala Lou

For one 1970's family, the center may not hold, but it certainly does fold. In 1978 Jimmy Carter mediates the Camp David Accords, Fleetwood Mac tops charts with Rumours, Starsky fights crime with Hutch, and twelve-year-old Lou Cove is uprooted from the Upper West Side of Manhattan to Salem, Massachusetts- a backwater town of witches, Puritans, and sea-captain wannabes. After his eighth move in a dozen years, Lou figures he should just resign himself to a teenage purgatory of tedious paper routes, school bullies, and unrequited lust for every girl he likes. Then one October morning an old friend of Lou's father, free-wheeling (and free-loving) Howie Gordon arrives at the Cove doorstep from California with his beautiful wife Carly. Howie is everything Lou wants to be: handsome as a movie star, built like a god and in possession of an unstoppable confidence. Then, over Thanksgiving dinner, Howie drops a bombshell. Holding up an issue of Playgirl Magazine, he flips to the center and there he is, Mr. November in all his natural glory. Howie has his eye on becoming the next Burt Reynolds, and a wild idea for how to do it: win Playgirl's Man of the Year. And he knows just who should manage his campaign. As Lou and Howie canvas Salem for every vote in town - little old ladies at bridge club, the local town witch, construction workers on break and everyone in between - Lou is forced to juggle the perils of adolescence with the pursuit of Hollywood stardom. Man of the Year is the improbable true story of Lou's thirteenth year, one very unusual campaign, and the unexpected guest who changes everything.

Forever And A Day

In the mid-sixties, a young woman and a young man meet and begin the romance that will define their lives throughout the decades. In the early nineties, two young men meet and forge a friendship that will propel both into newfound worlds. Today, those same two men face a reality that could change the course of the world . . . and a fantasy that both have only dared to imagine. How these three stories come together is the driving pulse of BIRTH RIGHT, a novel about despots and rulers, spouses and lovers, friendship and brotherhood. Playing out at once on the most global and the most intimate of stages, it is a story about the power one is born into and the power one earns and, at its very heart, the power of love. "Differential Equations is a fascinating character study that digs deep into individuals in different eras but tied together by the colors emulating from others." - Genre Go Round Reviews "Like eating a fresh lime sorbet with saltwater in your (sex-tousled) hair." - Smallgood Hearth on Differential Equation "This novel is a phenomenal read. It is a book that I could never get tired of reading. This wonderful book, with its natural beauty, has got to be one of the best I have read this entire year." - A Book a Day on Differential Equations

No Witnesses

A dense black cloud boiled up in the southeastern sky. It rose high and fast, like a time-lapse movie of the birth of a thunderhead. But it was no rain cloud. Wholly

black, it reached up and up until it loomed over her, blocking out the sun. Somehow, she knew, it was Death coming for her. Three months have passed since the mysterious event transformed life on Earth. The air grows colder, the days shorter, the snow deeper, and Coral and Benjamin struggle to find food enough to keep them on their feet. Moving on to warmer climes seems their only long-term hope, but travel means a terrible danger: encountering other people. The rule of law is gone, the old morality is crumbling, and Coral needs all her wits and skill to survive in this brutish new world. (Gray is a trilogy.)

Me Before You

The rich and fascinating life of Lou Andreas-Salomé (1861-1937) has been reconstructed by Professor Binion on a vast documentary basis, and his findings contradict all earlier versions of her life. Frau Lou was a woman of prodigious intellect, a woman of letters, and a powerful personality. She was closely linked with many of the great cultural figures of the time, often before they achieved recognition. This was the case with Nietzsche, Rilke, Freud, Ferdinand Tönnies, Gerhart Hauptmann, Arthur Schnitzler, and Martin Buber. Frau Lou not only relates but interprets Lou's life, and the point of the book is to discover how the works of the mind, whether scientific or imaginative, arise out of personal experience. Contents: I. Father and Father-God. II. God's Vicar, Gillot. III. After Gillot. IV. The Unholy Trinity. V. From Pillar to Post. VI. "A Pity Forever." VII. Lou Without Nietzsche. VIII. The Wayward Disciple. IX. Rites of Love. X. Super-Lou and Raincr. XI. Russia In, Raincr Out. XII. Idly Busy. XIII. At Freud's Elbow. XIV. A Personalized Freudianism. XV. Theorizing for Freud. XVI. Living for Freud. XVII. Aside from Freud. XVIII. Revamping the Past. XIX. "Homecoming." XX. A Retrospect. XXI. Beyond Frau Lou. Bibliography. Index. Originally published in 1968. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Blood and Feathers

"When people say they want to read a really good novel, the kind you just can't put down, this is the kind of book they mean. Exceptional." —STEPHEN KING NAMED A BEST BOOK OF THE YEAR BY Entertainment Weekly • Washington Post • AARP • Newsweek • Dallas Morning News • South Florida Sun-Sentinel • Chicago Public Library • Real Book Spy • CrimeReads • Litreactor • Library Journal • LitHub • Booklist Winner of the Barry, Macavity, and Anthony Awards, the Hammett Prize, the Left Coast Crime "Lefty" Award for Best Mystery Novel, and the Oklahoma Book Award for Best Fiction Novel! Set against the assassination of JFK, a poignant and evocative crime novel that centers on a desperate cat-and-mouse chase across 1960s America—a story of unexpected connections, daring possibilities, and the hope of second chances from the Edgar Award-winning author of *The Long and Faraway Gone*. Frank Guidry's luck has finally run out. A loyal street lieutenant to New Orleans' mob boss Carlos Marcello, Guidry has learned that everybody is

expendable. But now it's his turn—he knows too much about the crime of the century: the assassination of President John F. Kennedy. Within hours of JFK's murder, everyone with ties to Marcello is turning up dead, and Guidry suspects he's next: he was in Dallas on an errand for the boss less than two weeks before the president was shot. With few good options, Guidry hits the road to Las Vegas, to see an old associate—a dangerous man who hates Marcello enough to help Guidry vanish. Guidry knows that the first rule of running is "don't stop," but when he sees a beautiful housewife on the side of the road with a broken-down car, two little daughters and a dog in the back seat, he sees the perfect disguise to cover his tracks from the hit men on his tail. Posing as an insurance man, Guidry offers to help Charlotte reach her destination, California. If she accompanies him to Vegas, he can help her get a new car. For her, it's more than a car— it's an escape. She's on the run too, from a stifling existence in small-town Oklahoma and a kindly husband who's a hopeless drunk. It's an American story: two strangers meet to share the open road west, a dream, a hope—and find each other on the way. Charlotte sees that he's strong and kind; Guidry discovers that she's smart and funny. He learns that she determined to give herself and her kids a new life; she can't know that he's desperate to leave his old one behind. Another rule—fugitives shouldn't fall in love, especially with each other. A road isn't just a road, it's a trail, and Guidry's ruthless and relentless hunters are closing in on him. But now Guidry doesn't want to just survive, he wants to really live, maybe for the first time. Everyone's expendable, or they should be, but now Guidry just can't throw away the woman he's come to love. And it might get them both killed.

Not Bad People

Abused It Is What It Is

A fourteen-year-old girl tries to reconcile her dreams and hopes for the future with the harsh realities of life in the black ghetto.

Berry & Kohn's Operating Room Technique - E-Book

The essential biography of one of music's most influential icons: Lou Reed As lead singer and songwriter for the Velvet Underground and a renowned solo artist, Lou Reed invented alternative rock. His music, at once a source of transcendent beauty and coruscating noise, violated all definitions of genre while speaking to millions of fans and inspiring generations of musicians. But while his iconic status may be fixed, the man himself was anything but. Lou Reed's life was a transformer's odyssey. Eternally restless and endlessly hungry for new experiences, Reed reinvented his persona, his sound, even his sexuality time and again. A man of contradictions and extremes, he was fiercely independent yet afraid of being alone, artistically fearless yet deeply paranoid, eager for commercial success yet

disdainful of his own triumphs. Channeling his jagged energy and literary sensibility into classic songs - like "Walk on the Wild Side" and "Sweet Jane" - and radically experimental albums alike, Reed remained desperately true to his artistic vision, wherever it led him. Now, just a few years after Reed's death, Rolling Stone writer Anthony DeCurtis, who knew Reed and interviewed him extensively, tells the provocative story of his complex and chameleonic life. With unparalleled access to dozens of Reed's friends, family, and collaborators, DeCurtis tracks Reed's five-decade career through the accounts of those who knew him and through Reed's most revealing testimony, his music. We travel deep into his defiantly subterranean world, enter the studio as the Velvet Underground record their groundbreaking work, and revel in Reed's relationships with such legendary figures as Andy Warhol, David Bowie, and Laurie Anderson. Gritty, intimate, and unflinching, Lou Reed is an illuminating tribute to one of the most incendiary artists of our time.

The Soul Brothers and Sister Lou

Tremblay's penetrating analysis of a Quebec family unit. Cast of 3 women and 1 man.

The Netter Collection of Medical Illustrations - Integumentary System E-Book

CENTER COURT STING Trash talking leads to trouble on the basketball court. Forward Daren McCall is quick with an insult, quick to take offense, and quick to blame anyone but himself for his troubles. So when center Lou Bettman accuses him first of bad-mouthing him, then of vandalism, Daren turns the tables and insists that Lou is out to get him. The team splits into two camps, those who believe in Daren's innocence and those who take Lou's side. The fight heats up when Daren falls victim to an outrageous act. But did Lou retaliate, as Daren suspects, or is someone else trying to teach Daren a lesson?

Center Court Sting

From the imagination of actor Lou Diamond Phillips (La Bamba, Prodigal Son) comes an epic and unforgettable Science Fiction Fantasy tale. Two worlds at war will bring them together or tear them apart Everson didn't want to be a soldier. His parents forced him to serve, as all good Indiran men should. The only problem? His first battle against their mortal enemies goes horribly wrong and he winds up stranded on the enemy planet. Now, Everson has to survive in this strange new land where everyone is out to get him. Not to mention, the planet Mano is covered in unforgiving desert. And he's the target of traitors who want to use him in a dastardly plot to overthrow their mad king, Xander the Firm, by having him retrieve a piece of mysterious and powerful ancient technology known as the Tinderbox. But everything changes during a chance encounter with the king's daughter, Allegra. Despite her station, she's in as grave of danger from her own people as Everson is. And though their peoples have been at odds for centuries, an unlikely spark forms between them. As their worlds come crashing down around them, their forbidden love might be the only chance to end this war forever. Or, it

might just be the doom of everyone Imagine the intrigue of Game of Thrones mixed with the star-crossed romance of Romeo and Juliet but in space! Inspired by Hans Christian Andersen's famous fairy tale of the same name, Soldier of Indira is perfect for fans of Dune, Aurora Rising, and Stardust.

Man of the Year

Lou finds it confusing and difficult to be thirteen, especially with her mother and Richard's romance heating up, being separated from her best friend Mina at school, and getting another letter from Paul when she never answered the first one.

Juke Box Hero

An internationally revered cultural anthropologist and marketing expert reveals techniques, perfected over three decades of working with Fortune 100 companies, that can help companies decode the most powerful symbols within a culture, and understand why each culture behaves the way they do. Reprint. 25,000 first printing.

Forever Is the Worst Long Time

This is a psychological love story about John Solomon, a private investigator from New York, who falls in love with a beautiful female operative named Helen. At first, their relationship is strictly professional. But in time, Solomon cannot resist her beauty and charms. He is led down a dark path of intrigue, lust, and murder. Extremely candid and surprisingly shocking, Forever And A Day will capture the reader's attention from the very first page. This psychological drama never ceases to amaze the reader with its complex structure and shocking turn of events. Lou DeCaro has once again crafted a novel that is an absolute must read. - Ray Buurma

Birth Right

For over 50 years, Berry & Kohn's Operating Room Technique, 13th Edition has been the text of choice for understanding basic surgical principles and techniques. Highly readable, accurate, and comprehensive, it clearly covers the "nuts and bolts" of surgical techniques in a step-by-step format that makes it easy to effectively apply basic principles to clinical practice. Expert author Nancymarie Phillips emphasizes the importance of teamwork throughout, with practical strategies and examples of how cooperation among perioperative caregivers contributes to positive patient care outcomes. With a strong focus on the physiologic, psychologic, and spiritual considerations of perioperative patients, this updated and expanded new edition gives students the knowledge they need to plan and implement comprehensive, individualized care. Detailed information on the fundamentals of perioperative nursing and surgical technology roles enhances your understanding of basic surgical principles and techniques. Emphasis on teamwork among perioperative caregivers encourages cooperation in attaining positive patient care outcomes. In-depth discussions of patients with special needs

related to age or health status help you learn how to develop a plan of care tailored to the unique care parameters of all patients. Focus on the physiologic, psychologic, and spiritual considerations of perioperative patients gives you the knowledge you need to plan and implement comprehensive, individualized care. Content on perioperative patient care for both inpatient and ambulatory procedures highlights key considerations for each setting, as well as for individual surgical procedures. Chapter outlines with page numbers, chapter objectives, and key terms and definitions help you quickly find important information and focus your study time. New illustrations reflect new and changing perioperative procedures, and provide you with key safety information like how to maintain a sterile field, gown, and glove. Enhanced TEACH manual and extensive Evolve resources maximize classroom learning. All Evolve materials are highlighted within the text. Step-by-step coverage of the foundations of surgical techniques enables you to effectively apply basic principles to practice. Additional and updated tables and boxes call attention to the most important concepts from the text. References highlight the evidence-based practice approach used throughout the text.

Lou Reed

In the Spring of 1992 five days of rioting laid waste to South Central Los Angeles, took scores of lives, cost the city more than 900 million in property damages and captured the attention of horrified people worldwide. Lou Cannon, veteran journalist, combines extensive research with interviews from hundreds of survivors, offering the only definitive story behind what happened and why. Official Negligence takes a hard look at the circumstances leading up to the riots. Cannon reveals how the videotape of the brutal beating of Rodney King had been sensationally edited by a local TV station, how political leaders required LAPD officers to carry metal batons despite evidence linking them to the rising toll of serious injury in the community, and how poorly prepared the city was for the violence that erupted.

Down in the Dumps

A clever, compelling debut novel with a unique premise of what happens when three best friends engage in what seems to be a harmless act, but instead results in tragedy, leading the women to confront buried resentments, shattering secrets, dark lies, and the moral consequences that could alter their lives forever. Three friends, thirty years of shared secrets, one impulsive gesture...and a terrible accident. When friendship goes bad, someone has to pay. It's New Year's Eve. Three thirty-something women—Aimee, Melinda and Lou—best friends for decades, let off sky lanterns filled with resolutions: for meaning, for freedom, for money. As the glowing paper bags float away, there's a bright flare in the distance. It could be a sign of luck—or the start of a complete nightmare that will upend their friendships, families, and careers. The day after their ceremony, the newspapers report a small plane crash—two victims pulled from the wreckage, one a young boy. Were they responsible? Aimee thinks they are, Melinda won't accept it, and Lou has problems of her own. It's a toxic recipe for guilt trips, shame, obsession, blackmail, and power games. They're not bad people. But desperate times call for desperate measures.

Down in the Dumps

The lost memoir from baseball icon Lou Gehrig—a sensational discovery, published for the first time as a book. At the tender age of twenty-four, Lou Gehrig decided to tell the remarkable story of his life and career. He was one of the most famous athletes in the country, in the midst of a record-breaking season with the legendary 1927 World Series-winning Yankees. In an effort to grow Lou's star, pioneering sports agent Christy Walsh arranged for Lou's tale of baseball greatness to syndicate in newspapers across the country. Until now, those columns were largely forgotten and lost to history. Lou comes alive in this inspiring memoir. It is a heartfelt rags-to-riches tale about a dirt poor kid from New York who became one of the most revered baseball players of all time. Fourteen years after his account, Lou would tragically die from ALS, a neuromuscular disorder now known as Lou Gehrig's Disease. His poignant autobiography is followed by an insightful biographical essay by historian Alan D. Gaff. Here is Lou—Hall of Famer, All Star, and MVP—back at bat.

The Forever Year

"What's the first thing you think of when I say 'angel'?" asked Mallory. Alice shrugged. "I don't know guns?" Alice isn't having the best of days - late for work, missed her bus, and now she's getting rained on - but it's about to get worse. The war between the angels and the Fallen is escalating and innocent civilians are getting caught in the cross-fire. If the balance is to be restored, the angels must act - or risk the Fallen taking control. Forever. That's where Alice comes in. Hunted by the Fallen and guided by Mallory - a disgraced angel with a drinking problem he doesn't want to admit to - Alice will learn the truth about her own history and why the angels want to send her to hell. What do the Fallen want from her? How does Mallory know so much about her past? What is it the angels are hiding - and can she trust either side?

The Kingdom of Back

"When struggling novelist James Hernandez meets poet Louisa "Lou" Bell, he's sure he's just found the love of his life, but she's engaged to his oldest friend, Rob. So James toasts their union and swallows his desire in this wry, heartfelt exploration of love and loss"--

I Tried to Change So You Don't Have To

Growing up in an abusive home lead me to marry an abusive man. I never knew I was a victim. I have been there and done that and I do NOT wish it on anyone. Victims need to know they aren't alone, that they don't have to be alone, that there is help out there and that they no longer need to be or to feel like victims. I want my story to make a difference to others, to show them they aren't alone and they CAN get help. I gave up my "victim" status and took back my "Power"! You can too!

The Culture Code

Limpet, Steffan and Jared. Three best friends crammed into a clapped-out rust bucket of a car on a whirlwind road trip to forget their troubles and see out the end of the summer. But no matter how far they drive, they can't escape the hidden secrets and slow-burning romance that could upset the balance of their friendship – perhaps forever. "A perfect summer read Harcourt brilliantly captures the feeling of being sixteen and on the edge of the rest of your life." - The Bookseller

The Perfect Summer

Product tampering. Innocent lives. Nice suburban homes. A Seattle food company is victim to an ingenious extortion that has the FBI two steps behind. Seattle's veteran homicide sergeant, Lou Boldt, and police psychologist Daphne Matthews approach the case from opposite ends: one undearthing microscopic evidence, the other putting together a chilling psychological profile of a man willing to contaminate and kill if necessary. The cop Daphne Matthews secretly loves is being destroyed by the extortion. Boldt sees his department cracking. As the high-tech manhunt builds to a furious crescendo, Boldt and Matthews are jolted again: the madman they're hunting may not be working alone . . .

Last Dog on the Hill

How did Donald Trump almost single-handedly reverse America's decline? As the 21st Century began, the world's only superpower was economically adrift, policing the world at the expense of American lives and trillions of dollars, weighed down by one-sided trade and security agreements with Europe and China ratified in a different era. Elites of both political parties battled over who would manage America's decline from preeminent world power. In *The Trump Century*, the indomitable Lou Dobbs explains how Trump has steered the debate every day he has been in politics, greatly expanding what Washington thinks is possible. By 2016, the globalist elites demanded no one speak about limiting illegal immigration or securing our borders. The elites told you communist China would soon be like us, and the PC orthodoxy told you what you could or could not say. You were told America's Middle Class could never grow again and wages would be stagnant into perpetuity. Trump reversed all of that as radical Democrats and the Deep State conspired to overthrow his Presidency, as the deadly pandemic raged, and orchestrated street protests and violent riots dominated news headlines. He has not only made America great again but created a new standard for all future Presidents and likely has set the American agenda for the next hundred years. *The Trump Century* opens a window into Trump's thinking on the economy, foreign policy, and border security and will energize his allies when they realize the future they've shaped.

President Reagan

A young koala, longing to hear her mother speak lovingly to her as she did before other children came along, plans to win her distracted parent's attention.

Elapse

Includes excerpt from the author's novel After you and readers guide.

Gray

A dense black cloud boiled up in the southeastern sky. It rose high and fast, like a time-lapse movie of the birth of a thunderhead. But it was no rain cloud. Wholly black, it reached up and up until it loomed over her, blocking out the sun. Somehow, she knew, it was Death coming for her. Pre-med student Coral is on vacation in Idaho when something terrible happens. The black cloud is followed by a wildfire and searing heat that lasts for days. She survives deep in a cave but emerges days later to find the world transformed, with blackened trees, an ash-filled sky, and no living creatures stirring--except for her. So begins her desperate journey: to find water, and food, and other survivors and the answer to the mystery of what happened. Gray I is the first novel in a series.

Official Negligence

During a semester in the wilderness, sixteen year- old Sib expects the tough outdoor education program and the horrors of dorm life, but friendship drama and love that gets complicated? That will take some navigating. New girl Lou has zero interest in fitting in, or joining in. Still reeling from a loss that occurred almost a year ago, she just wants to be left alone. But as she witnesses a betrayal unfolding around Sib and her best friend Holly, Lou can't help but be drawn back into the land of the living. In this tender, funny story of first love, good friendship, and going a little bit wild, Fiona Wood introduces two unforgettable girls who discover that before you can be true to yourself, you have to figure out exactly who you are.

Wildlife

Meet the new Lou! She's thirteen years old, so it's time to stop mooning over the guy who used to be the guy next door. Instead she's heading for a dreamy seaside village with her friends Mina, Mary Emily, and Karen. Let the boy hunt begin! But the first cute boy she spots is Tristan, the guy next door himself! It's the perfect opportunity to rekindle their romance. So why is Lou giving Tristan the cold shoulder? And why can't Tristan strike up a conversation that doesn't end with his foot in his mouth? It doesn't help that Mary Emily is making the moves on Tristan herself. And things get really messy when Lou's mom shows up with a surprise: Lou's old pal Paul! But Paul is just a friend, nothing more, right?

Tinderbox

"Desperate to be forever remembered for her music, Nannerl Mozart makes a dangerous pact with a mysterious stranger from a magical land, which may cost her everything"--

Yankees Fans eBook Gift Set

I thought our love was infinite, unbreakable. After six years together, butterflies would still take flight in my stomach every time he walked into a room. With just

one smile I was putty in his hands. He promised me forever with every touch of his lips. Too late, I realized that I was being kept in an illusion made of glass; only to have him smash it apart and disappear before he could see it shatter around me in perfect ruins. With a tiny life held in the palm of my hands, I'm haunted by the man who abandoned us. And then there was him. Immersing himself within the dust and debris as I was slowly opening my eyes to this new reality. He says he wants forever, but how can I believe him when love lies and forevers don't truly exist.

Forever Yours, Marie-Lou

Dodging Africa parallels the experiences and transformation of Willa and Nora Dodge, two sisters raised apart, one in Africa, the other Boston. The novel shifts rapidly, and sometimes shockingly, between the sisters
