The Second Coming of Christ

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

Second Coming of Christ

Evidence from Scripture and History of the Second Coming of Christ about the Year 1843, Exhibited in a Course of Lectures

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Life-Study of Revelation

The being whom we call Christ once walked the earth in flesh and blood at the beginning of our era. He will never again return in a physical body, for that was a unique event and will not be repeated. But He will come again in an etheric form in the period I have mentioned. People will learn to perceive Christ by virtue of growing towards him through this etheric perception. Many contemporaries were unaware of Christ's incarnation on earth at the beginning of the modern era. And today, says Rudolf Steiner, many remain ignorant of the most important event of our time: the appearance of Christ in the etheric - or life - realm of the earth. Fundamentalist and millennial groups await a second physical incarnation, while atheists and materialists deny spirit altogether. Nevertheless, an incisive transformation is taking place in the human soul that will lead to an emerging clairvoyance. Just as Paul perceived Christ at Damascus, so may every human

being experience Him today. Also available as an Audio Book

The Second Coming of Christ

Imagined as a sequel to the Old and New Testaments of the Bible, The Last Testament features visual accounts and stories of seven men around the world who claim to be the Second Coming of Jesus Christ. Building on biblical form and structure, chapters dedicated to each Jesus include excerpts of their scriptural testaments, laying out their theology and demands on mankind in their own words. Jonas Bendiksen takes at face value that each one is the true Messiah returned to Earth, to forge an account that is a work of apocalyptic journalism and compelling artistic imagination.

The Second Coming of Christ

LARGER TYPE VERSION newly available! The classic and out-of-print The Second Coming Bible by William E. Biederwolf has been republished with permission by Sarkett & Associates, Inc. A 729-page compendium, it contains every verse in the Bible on the return of Jesus Christ, plus commentary by the author. A pastor, evangelist, and college president, William Biederwolf wrote in his introduction: "The author confesses to a ministry of twenty years without a single reference to the coming of the Lord." He set about to become knowledgeable about this

essential prophecy, and more than made amends with this text, saying "it has been at times difficult and laborious, but it has proven so richly remunerative that he has been already more than repaid." We trust the modern reader will be too. Background on William E. Biederwolf Born of German parentage, September 29, 1867, in Monticello, Indiana, William Biederwolf was an energetic boy. He would often walk up the Tippecanoe River, and then swim back down to his starting point, some three miles. He made it look easy (it wasn't). One Halloween, someone took apart a wagon, and re-assembled in on the top of the county court house. The chief suspect: William Biederwolf. Young William had a distinctly spiritual side, as well. He aspired to become a Christian. Wikipedia tells the story this way: "Early in life he vowed to become a Christian. However, it did not happen until he was twenty years of age. By then he was teaching for a living. A Sunday school class began praying for him and each of the kids wrote him a letter, urging him to come out on the side of Christ. One boy even hooked up his mule team and drove over to invite Edward to church and offer him a ride. Edward went, and made the decision to use his life for Jesus. He attended Wabash College, a prestigious liberal arts college in Indiana, and from there gained admittance to Princeton, where he played football. From there he upped the academic ante even further, studying next at the University of Berlin, and following that, at the Sorbonne. He next served in the Spanish-American war as a chaplain. The thoughtful young man's very first book was the history of his regiment. From 1900 on, he devoted his energies to evangelism. Competitive there just as on the gridiron, he imagined himself as directly pitted against Satan for the souls of the unconverted, and gave everything he had to prevail. While a pastor, he wrote *The Second Coming Bible*, originally published in 1924, then reprinted again in 1972 by Baker House, Grand Rapids, Michigan. Biederwolf eventually became president of Winona College, directed the Winona Lake Bible School of Theology, and founded the Family Altar League. Having lived a thoroughly remarkable and productive life, in service of others, he passed on, September 3, 1939, age 71. The night before, he said to his wife Ida, "I am soon going to exchange my cross for a crown." Having studied the matter in great depth, his assurance was rock solid. Sarkett & Associates, Inc. also publishes: *After Armageddon A SHORT BOOK OF BIBLE PROPHECY: 77 Predictions on USA, Russia, Islam, Iran, Iraq, Syria, Israel, Mideast War, Global Warming, and more Strangest Stories in the Bible: and what they mean to you.* as well as the *Extraordinary Comebacks* series. Behold! the Second Coming of Jesus Christ Is Near

One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world's most-

respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.

The Hope of Christ's Second Coming: how is it Taught in Scripture? and Why?.

The Second Coming of Jesus Christ by Jeffrey Samuel Steinman, PhD takes a unique approach toward making sense of biblical prophecy about future end-times. Dr. Steinman uses his extensive experience in mathematical physics, supercomputing, aeronautical engineering, statistical data analysis, game theory,

and artificial intelligence to form a set of rational and easy-to-understand rules for interpreting prophecy. Based on these fundamental rules and common sense interpretation of prophetic biblical passages, he then lays out a rational timeline of events leading up to the Second Coming. This book makes a very strong (and perhaps controversial) claim that the pretribulation theory of the rapture and Second Coming of Christ cannot possibly be correct. The pretribulation position believes that Jesus raptures his church before a future seven-year tribulation time period begins, and then he later returns once again at the end of the tribulation during the final battle of Armageddon to establish his millennial thousand-year kingdom. In contrast to the pretribulation position, this book makes an overwhelmingly strong case for the pre-wrath position, which claims that Jesus returns to rapture his church at some unknown time after the midpoint of the seven-year time period, but at least five months prior to its end. This book repeatedly shows how the Bible universally supports this more straightforward and literal view with absolutely no contradictions or internal inconsistencies between scriptural passages. So the question is why has the mainstream church widely embraced the pretribulation position and not the pre-wrath position? To answer this question, Dr. Steinman devotes several chapters in his book to discuss learning and forming worldviews, rational rules for interpreting prophecy, and how the church needs to rethink its views on what it means to equip the saints. The world appears to be accelerating toward Armageddon just as the Bible foretold. The only hope for mankind is for Jesus to return, rescue his people from the coming persecution, judge the wicked, and establish his millennial kingdom. Jesus must return to save the world before it self-destructs. The Bible teaches Christians in no uncertain terms to wake up and pay attention, for the time is near!

Signs Of The Second Coming

The Millennial Kingdom is a comprehensive biblical and historical treatment of the doctrine of the millennium written for the pastor, students, scholar, or layperson. The three leading millennial views -- postmillennialism, amillennialism, and premillennialism -- are presented in the context of their history, their theology, and their biblical interpretation. Dr. Walvoord presents postmillennialism first and then discusses amillennialism. However, the subject of premillennialism forms the main body of the work. The author introduces premillennialism with a survey of its historical background in the Old and New Testaments and in the history of the church. Its theological setting and methods of interpretation are discussed. A presentation of the character of the millennium concludes the volume.

The Second Coming of Christ

The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1918 work outlines exactly what the Bible predicts for the end of mankind's reign on Earth, and the return of the Christian savior, with a special emphasis on who is to be saved, and why. Numerous charts and illustrations depict the "Judgment Seat of Christ," "The Stages of the Second Coming," the "Failure of Man," and more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He

wrote extensively and popularly on a wide range of Biblical and theological matters.

The Book of Signs

The Second Coming of Jesus Christ is close at hand. The last 2000 years has been the Tribulation. Soon in our generation, especially in my lifetime Jesus is coming back. I met Jesus on August 10th 2012. And I have a drawing that looks like Jesus that the Lord helped me to draw. It is a copy of Adolfo Simeione's work, an artist from Italy who was born in 1880 , he drew a real picture of Jesus without knowing it. Since I met Jesus, I drew a picture of Him using Adolfo Simeiones work. THE PICTURE ON THE COVER OF THIS BOOK PROVES TO THE WORLD THAT I MET JESUS AND ALL 50 OF MY BOOKS ARE ABOUT HIM- JESUS CHRIST, THE INTERGALACTIC SUPERSTAR- THE STARCHILD. When Jesus comes back, and if He looks like the picture on the cover of this book, that would prove that I met Him personally. There is no Rapture or war before the Second Coming. Isaiah chpt 22 put a curse on the visions of the Second Coming. Read this book to see the error that Theologians have made with the help of Satan in the last 500 years. Satan has been telling people when Jesus appears, that He will be the enemy. That's Satan entire defense. He does not want people to worship Jesus when He appears. Insane Theologians have been feeding the public with the wrong gospel of a preTribulation, Midtribulation, Post tribulation web of lies. Also Satan other defense against the Church is the pedophile scandal, that Jesus warned us about in Mathew chpt 18. Also the birth of Israel in 1948 proves that this is the last generation before the end where 1/3 of the human race is "Taken" to hell (psalm 110:6, Revelation chpt 9). Jesus will appear with all of His Angels and the Saints. He will at first live in The King David Hotel in Jerusalem. The Dome on the Rock will be removed and the Angels of Jesus Christ will rebuild the new Temple .. Mother Church and Jesus Christ will rule all the nations. The Star of David on the Israeli flag is really a Crown of Thorns.

The Second Coming

Over the centuries, God has revealed to His prophets clues to the upcoming events of the end times. Such prophetic language often differs from other parts of Scripture, employing highly figurative details. God in His wisdom has imparted these clues to various prophets spanning centuries of time, civilizations and social levels, thus providing the modern-day reader a highly complex, yet complete prophetic puzzle pointing us forward to final days in earth's history. Therefore, a complete study is necessary to understanding Bible prophecy as the act of overlooking one prophet or vision will render an incomplete understanding. William Miller was a simple New York farmer when God called him to become one of the cornerstones of the great revival movement that eventually formed the foundation of the Seventh-day Adventist church. A self-proclaimed agnostic, Miller had little to do with God or the bible for much of his adult life. However, as the Holy Spirit worked on his heart, Miller began an extensive study of the Scriptures where he found Christ as his personal friend and Saviour. Evidence From Scripture and History explores into the heart of many Bible prophecies both known and ambiguous. Backing up all claims with Scripture and references, Miller takes the reader on an exhaustive study of Bible prophecy in this modern-day reprinting of an

Return of Christ

What Happens at the Second Coming of Jesus Christ?

Some Christians do not understand the difference between the Rapture of the Church and the Second Coming of Jesus Christ. The Bible teaches that Jesus Christ will descend from heaven with a blast of a trumpet. All Christians on earth will be caught up into the clouds to meet Jesus and to be with Him throughout eternity. The Bible teaches that a 7-year period of time will occur where God will pour out His wrath on the unbelievers who have rejected the sacrifice of His Son Jesus Christ. This period of time is called the Tribulation. We believe that the Tribulation will occur immediately after the Rapture. We believe that the Second Coming of Christ will occur at the end of the Tribulation. When Jesus returns to earth, all Christians will return with Him. At that time a 1,000-year period of time called the Millennium will commence. During the Millennium, the earth will be in perfect peace. In this book we give a simple and easy-to-understand explanation of the Rapture, the Tribulation, the Second Coming of Christ and the Millennium.

Gospel Principles

And, behold, I come quickly; and my reward is with me, to give to every man according as his work shall be. —Revelation 22:12 KJV Are you prepared for the return of Jesus Christ? People have talked about it, read, wrote, sung, joked, and made movies about it. In March 2006, author Sarah A. Jones heard a voice in her dream say to her, "Let your testimony be: 'Jesus Christ is Coming!' The people must be told so that they can be prepared upon His arrival." Therefore she has written this book about His return; what we can do according to God's word to be prepared for this inevitable event; and what will happen to those who are not prepared. A MUST READ! I pray that this book will bless you, enlighten, and inspire you to seek God, and draw closer to Him in hope that you will be prepared for Jesus' arrival. Allow God to speak to your heart as you read with expectation to hear and receive from Him. You will be amazed, and your life will never be the same. We guarantee it! Time is running out. Believe it or not; prepared or not; Jesus Christ is coming! For He is coming, for He is coming to judge the earth. He shall judge the world with righteousness, and the peoples with His truth. —Psalm 96:13 NJKV
