Can't Let Go

What's a duke to do, when the girl who's perfectly wrong becomes the woman he can't live without? Griffin York, the Duke of Halford, has no desire to wed this season—or any season—but his diabolical mother abducts him to "Spinster Cove" and insists he select a bride from the ladies in residence. Griff decides to teach her a lesson that will end the marriage debate forever. He chooses the serving girl. Overworked and struggling, Pauline Simms doesn't dream about dukes. All she wants is to hang up her barmaid apron and open a bookshop. That dream becomes a possibility when an arrogant, sinfully attractive duke

offers her a small fortune for a week's employment. Her duties are simple: submit to his mother's "duchess training"... and fail miserably. But in London, Pauline isn't a miserable failure. She's a brave, quick-witted, beguiling failure—a woman who ignites Griff's desire and soothes the darkness in his soul. Keeping Pauline by his side won't be easy. Even if Society could accept a serving girl duchess—can a roguish duke convince a serving girl to trust him with her heart?

Now a Netflix Mandarin original drama! From the New York Times bestselling author of *The Night Tiger*, a Reese's Book Club pick Yangsze Choo's stunning debut, *The Ghost Bride*, is a startlingly original novel infused with Chinese folklore, romantic intrigue, and unexpected supernatural twists. Li Lan, the daughter of a respectable Chinese family in colonial Malaysia, hopes for a favorable marriage, but her father has lost his fortune, and she has few suitors. Instead, the wealthy Lim family urges her to become a "ghost bride" for their son, who has recently died under mysterious circumstances. Rarely practiced, a traditional ghost marriage is used to placate a restless spirit. Such a union would guarantee Li Lan a home for the rest of her days, but at what price? Night after night, Li Lan is drawn into the shadowy parallel world of the Chinese afterlife, where she must uncover the Lim family's darkest secrets—and the truth about her own family. Reminiscent of Lisa See's *Peony in Love* and Amy Tan's *The Bonesetter's*

Raymond doesn't exactly have a choice when he decides to put out an Ad for a mail order bride, excluding the major detail of his six children. With the dire need of proper feeding, care and love that his children are in, he would much rather lie to a woman than lose his children to starvation. Making Khushi Mine

A Bride for Us

Khushi, a vibrant 21 year old was the sunshine of her bade papa and buaji's existence. Add to it a close set of friends and love for arts and her life was complete. She was beautiful inside out, with her doe-like olive green eyes mature beyond their years. Her life was not perfect but she was not the one to complain for she lived it to the fullest. She made the best out of the situations and believed in moving on. Her smiles and chitter chatter were the life of Raizada Mansion. Everyone loved her dearly. Everyone, but Avish Singh Raizada. He arrived in her world claiming his stake on two things that Khushi held very dear to her heart. Her home and her bade papa's love. Sharing was an alien concept to that cynical arrogant man, who was unhappy with pretty much everything around him. And unfortunately Khushi became one more reason of his displeasure. Forgetting her own sadness, she tried to be reasonable and friendly towards him but he refused to warm up to her. So like any other intelligent being she decided to pretend that he does not exist and went on with her life. It worked, but not for long. The people and the ties binding them were very important, very strong, whether they liked it or not. Their lives touched each other's on daily basis. So overtime, living under the same roof, sharing the same family forced them into an understanding, a friendship of the sorts. But like it happened with other people, Avish too found his life revolving around Khushi one fine day. She was not someone you can resent for long and he had understood that slowly. The way she saw his pain through the facade of anger broke his resolve to stay away from her. Her heart warming smiles that he had started discreetly

capturing in his camera, thawed his frozen heart bit by bit. But his silent admiration and complex nature did not help the matter. To add to his woes, Khushi was obviously happy in her own world, where Avish was her friend, just a friend. She sincerely believed in love, but for others not herself. He had always mocked the idea of love, but it was his only salvation now. Second chances are rare in life but he got one, and thus began his quest to bridge the distances between himself and her, distances created by the society, distances created by the age difference, but most importantly distances created by themselves. To make her his for eternity, only his.

Asking For Trouble

The powerful story of a CIA whistleblower and political prisoner who refused to give up on his American dream In 2015, Jeffrey Sterling was sentenced to prison, convicted of violating the Espionage Act. Sterling grew up in a small, segregated town in Missouri and jumped at the chance to broaden his world and serve his country, first in law school and later in the CIA. After an impressive career, Sterling's progress came to a sudden halt: he was denied opportunities because of his race and was pushed out of the Agency. Later, Sterling courageously blew the whistle on the CIA's botched covert operation in Iran to Senate investigators. After a few quiet years in Missouri with his wife, he was arrested suddenly and charged with

espionage. Unwanted Spy is an inspiring account of one man's uncompromising commitment to the truth and a reminder of the principles of justice and integrity that should define America.
