Je suis commissionnaire en cafés, et je demeure, Canal des Lauriers, n°. 37. Il n'est pas dans mes habitudes d'écrire des romans ou autres choses de la même farine. J'ai donc longuement réfléchi, avant de me résoudre à commander deux rames de papier de plus qu'à l'ordinaire, et à commencer l'ouvrage que vous avez en mains,

cher lecteur.Cet ouvrage, il vous faudra le lire, que vous soyez commissionnaire en cafés, vous-même, ou n'importe quoi.

In a world that views absolute truth, right and wrong, and salvation as being subject to individual interpretation, the Bible's unwavering proclamations and miraculous stories seem obsolete in modern times. But it is not God's Word that has changed. Indeed, its relevancy and its power to transform lives are intact. What has changed is the number of people who consult it. Now more than ever the need to read the Bible, to understand the big picture of its storyline, and to grasp the relevance this has for your life is critical. As with its companion volume, For the Love of God-Volume 2, this devotional contains a systematic 365-day plan, based on the M'Cheyne Bible-reading schedule, that will in the course of a year guide you

through the New Testament and Psalms twice and the rest of the Old Testament once. In an effort to help preserve biblical thinking and living, D.A. Carson has also written thought-provoking comments and reflections regarding each day's scriptural passages. And, most uniquely, he offers you perspective that places each reading into the larger framework of history and God's eternal plan to deepen your understanding of his sovereignty and the unity and power of his Word.

### **Character**

'One of the most entertaining and profound philosophical novels ever written' Washington Post On a cold night in Holland two men meet and change each other's lives forever. Max Delius - a hedonistic, yet brilliant astronomer who loves fast cars, nice clothes and beautiful women - picks up Onno Quist, a cerebral chaotic philologist who cannot bear the ordinariness of everyday life. Despite their differences, they fast become great friends. And when they learn they were conceived on the same day, it is clear that their meeting is no coincidence. As the pair fall into and out of love with the same woman - Ada - so their lives become further intertwined. For all three are on a mysterious journey destined to shape human history. The Discovery of Heaven is internationally recognized as a masterpiece. Rich in philosophical, psychological, historical and theological enquiry, it is an extravagant, bold and satisfying novel of ideas. 'Sparkling, irresistible . . . you'll learn a lot from this novel' The Times 'Anyone who reads The

Discovery of Heaven will come away enlightened, challenged and entertained' Wall Street Journal 'Written carefully and ingeniously by a novelist who is also a poet' John Updike, New Yorker

### **Myths & Legends of the Celtic Race**

Full of her trademark mix of unforgettable characters and heart-breaking secrets, The Butterfly Room is a spellbinding, second-chance-at-love story from #1 International bestseller Lucinda Riley. Posy Montague is approaching her seventieth birthday. Still living in her beautiful family home, Admiral House, set in the glorious Suffolk countryside where she spent her own idyllic childhood catching butterflies with her beloved father, and raised her own children, Posy knows she must make an agonizing decision. Despite the memories the house holds, and the exquisite garden she has spent twenty-five years creating, the house is crumbling around her, and Posy knows the time has come to sell it. Then a face appears from the past - Freddie, her first love, who abandoned her and left her heartbroken fifty years ago. Already struggling to cope with her son Sam's inept business dealings, and the sudden reappearance of her younger son Nick after ten years in Australia, Posy is reluctant to trust in Freddie's renewed affection. And unbeknown to Posy, Freddie - and Admiral House - have a devastating secret to reveal?

## **The Butterfly Room**

### **Seeking Allah, Finding Jesus**

Winner of the inaugural French Voices Award: “[A] masterfully conceived debut, a relentless tale, intricately and irresistibly told” (La Quinzaine Littéraire). Only once in a great while does a new novel come along that takes a literary scene by storm, demonstrating real innovation in the craft of storytelling. Julia Deck provides this force in *Viviane*—the first debut novel in a generation to be released by the most prestigious literary publisher in Paris, Les Éditions de Minuit. This breakthrough novel—nominated for the Prix Femina, the Prix du Livre Inter, and the Prix du Premier Roman and already a bestseller in France—is sure to become a contemporary classic. *Viviane* is both an engrossing murder mystery and a gripping exploration of madness, a narrative that tests the shifting boundaries of language and the self. For inspiration, Deck read the work of Samuel Beckett,

because, as she says, “he positions himself within chaos and gives it coherence.” How can we say that we are who we say we are? What determines our actions, and are we really responsible for them? For Viviane Élisabeth Fauville, these are not abstract questions to be left for philosophers; they will decide whether she will get away with murder. Translated by one of the most celebrated literary translators working in French and written in irresistible, lucid prose, Viviane takes us to the knife’s edge of sanity. This gem of a novel does what only great literature can do: turn us inside out. “Written with a delirious and intimate urgency . . . A remarkable and troubling portrait of murder and madness.” —Lily Tuck, National Book Award-winning author

### **The Hadith**

William Shepard, an experienced teacher in the field, traces the history of Islam, from its early environment and origins in the life and career of Mohammed, through its classical expressions to its interactions with the West in the modern world. Shepard devotes a chapter each to important topics such as The Qur'an, Islamic law, Islamic theology, and the Sufi movement. In addition to this, four chapters are devoted to studies of Islam in individual countries: Turkey, Iran, Egypt and Indonesia, and Shepard explores Islamic civilization through discussion of Islamic art and culture, and community rituals. -- Back cover.

## **Into the Wild**

When Emilia de Wit ran away to New York City, she planned everything to a T. Plane ticket, purchased. Cute apartment, rented online. Subway map, printed and highlighted. This was no ordinary trip -- this was Emilia's declaration of independence. Her chance to escape the disaster her life has become. To get away from the horrible scandal that has rocked Amsterdam, the scandal that is all her dad's fault. To see if her mom, the glamorous, world-famous artist, will even notice. New York steals Emilia's heart at first sight -- even though absolutely nothing goes to plan. She didn't plan to end up homeless on a stranger's doorstep. She didn't plan to make friends with Seth, Abby, and Jim. And she could never have known that Hurricane Sandy would be barreling up the coast, straight for the city. All she wanted was to get away from her parents, her problems, her life but when the storm hits and the power goes out, Emilia feels farther from home than she could have imagined.

## **Hero Tales and Legends of the Serbians**

What is mysticism? What does sufism mean today? William C. Chittick, the leading scholar in the field, offers a compelling insight into the origins, context, and key themes of this fascinating movement. After a general overview of the tradition, he

draws upon the words of some of the greatest Sufi writers - among them Ibn Arabi, Baha Walad and Rumi himself - to give a fresh and revealing perspective on the teachings and beliefs of Sufism and its proponents. Fresh and authoritative, this sympathetic book will be appreciated by anyone interested in Sufism, from complete beginners to students, scholars and experts alike.

### **A Hundred Hours of Night**

Pluck has a little red tow truck. He drives it all over town looking for a place to live. Then Dolly the pigeon tells him that the tower of the Pill Building is empty. In the Pill Building, Pluck meets Mr. Penn and Zaza the cockroach. Pluck makes lots more friends and solves all kinds of problems. But the biggest problem is Dove Grove. It used to be a garden with tall trees, but it has been neglected and gone wild. Grown-ups never go there, but the kids from the Pill Building love playing there. But now the Park Superintendent has decided to chop down the trees to make a paved square. Pluck and his friends try to save Dove Grove. But first he has to rescue Longmount from the canal.

### **The Discovery of Heaven**

The Syntax of Dutch will be published in at least seven volumes in the period

2012-2016 and aims at presenting a synthesis of the currently available syntactic knowledge of Dutch. It is primarily concerned with language description and not with linguistic theory, and provides support to all researchers interested in matters relating to the syntax of Dutch, including advanced students of language and linguistics. The volume Adpositions and Adpositional Phrases discusses the internal make-up and the distribution of adpositional phrases. Topics that are covered include complementation and modification of adpositional phrases, as well as their predicative, attributive and adverbial uses. A separate chapter is devoted to the formation and the syntactic behavior of pronominal PPs like erop `on it, which also includes a more general discussion of the syntax of so-called R-words like er `there.

## **Frog is a Hero**

INSTANT NEW YORK TIMES BESTSELLER. "The Sapiens of 2020."---The Guardian From the author of the New York Times bestseller Utopia for Realists comes "the riveting pick-me-up we all need right now" (People), the #1 Dutch bestseller Humankind, which offers a "bold" (Daniel H. Pink), "extraordinary" (Susan Cain) argument that humans thrive in a crisis and that our innate kindness and cooperation have been the greatest factors in our long-term success on the planet. "Humankind made me see humanity from a fresh perspective." ---Yuval Noah Harari, author of the #1 bestseller Sapiens If there is one belief that has united the left and the right, psychologists and philosophers, ancient thinkers and modern ones, it is the tacit assumption that humans are bad. It's a notion that drives newspaper headlines and guides the laws that shape our lives. From Machiavelli to Hobbes, Freud to Pinker, the roots of this belief have sunk deep into Western thought. Human beings, we're taught, are by nature selfish and governed primarily

by self-interest. But what if it isn't true? International bestseller Rutger Bregman provides new perspective on the past 200,000 years of human history, setting out to prove that we are hardwired for kindness, geared toward cooperation rather than competition, and more inclined to trust rather than distrust one another. In fact this instinct has a firm evolutionary basis going back to the beginning of Homo sapiens. From the real-life Lord of the Flies to the solidarity in the aftermath of the Blitz, the hidden flaws in the Stanford prison experiment to the true story of twin brothers on opposite sides who helped Mandela end apartheid, Bregman shows us that believing in human generosity and collaboration isn't merely optimistic---it's realistic. Moreover, it has huge implications for how society functions. When we think the worst of people, it brings out the worst in our politics and economics. But if we believe in the reality of humanity's kindness and altruism, it will form the foundation for achieving true change in society, a case that Bregman makes convincingly with his signature wit, refreshing frankness, and memorable storytelling.

#1 New York Times Bestseller A Reese Witherspoon x Hello Sunshine Book Club Pick "I can't even express how much I love this book! I didn't want this story to end!"--Reese Witherspoon "Painfully beautiful."--The New York Times Book Review "Perfect for fans of Barbara Kingsolver."--Bustle For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. Perfect for fans of Barbara Kingsolver and Karen Russell, Where the

Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

### **Revive Your Heart**

Giving to God examines the everyday practices of Islamic giving in post-revolutionary Egypt. From foods prepared in Sufi soup kitchens, to meals distributed by pious volunteers in slums, to almsgiving, these acts are ultimately

about giving to God by giving to the poor. Surprisingly, many who practice such giving say that they do not care about the poor, instead framing their actions within a unique non-compassionate ethics of giving. At first, this form of giving may appear deeply selfish, but further consideration reveals that it avoids many of the problems associated with the idea of “charity.” Using the Egyptian uprising in 2011 and its call for social justice as a backdrop, this beautifully crafted ethnography suggests that “giving a man a fish” might ultimately be more revolutionary than “teaching a man to fish.”

### **Viviane**

In *Seeking Allah, Finding Jesus*, now expanded with bonus content, Nabeel Qureshi describes his dramatic journey from Islam to Christianity, complete with friendships, investigations, and supernatural dreams along the way. Providing an intimate window into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in the world’s greatest religions. Engaging and thought-provoking, *Seeking Allah, Finding Jesus* tells a powerful story of the clash between Islam and Christianity in one man’s heart?and of the peace he eventually found in Jesus. "I have seldom seen such

genuine intellect combined with passion to match truly a 'must-read' book."—Ravi Zacharias

A gripping and fast-paced adventure story about one boy's life-threatening mission to support the secret resistance in Nazi-occupied Netherlands, based on the author's own childhood in Holland during World War II. It's the winter of 1944-45, and Michiel's country has been at war since he was eleven. Now he's fifteen, and his country is under Nazi occupation, including the town where Michiel lives and where his father is the mayor. No longer able to attend school, Michiel spends his days running urgent errands on his bicycle, avoiding Allied bombers and German soldiers alike. Then one day, his friendship with Dirk, the neighbor's older son and a member of the secret underground, involves him in the care of a wounded British pilot. When a German soldier is found murdered and the townspeople are blamed for his death, Michiel's already-risky mission turns life-threatening. *Winter in Wartime* is a fast-paced and exciting novel, which has never been out of print in the Netherlands since it was first published, nearly fifty years ago. Based on the author's own boyhood in wartime Holland, the action and adventure of Michiel's mission makes for a gripping read, while the anguish of his experience underscores the ultimate anti-war tenor of the novel.

### **Ramadan Mubarak**

Inger was a little girl but she was a bad person. This was obvious even when she was very small: she enjoyed catching insects and tearing off their wings without any pity for the poor creatures. When she was a bit bigger, her parents sent her to

the country to a good family. Here, she became very refined and, going to visit her parents, decided to walk on her bread rather than in the marsh so she would not dirty her shoes. And this is where her real story begins Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

## **The Book of Rumi**

Mohammed's actions and words are called the Sunna. They are found in the Traditions of Mohammed called the Hadith. The Koran commands all Muslims to follow the perfect example of Mohammed's life. The Hadith has all that is needed to practice Islam and is an easy place to begin cultivating an understanding of Islamic doctrine.

## **Camera Obscura**

Philip Pullman, author of 'His Dark Materials' trilogy, has remarked that "after nourishment, shelter, and companionship, stories are the thing we need most in the world." This new collection of Rumi stories fills that need. This fresh prose translation of 105 short teaching stories by Rumi, which form the core of the six-volume Masnavi, explores the hidden spiritual aspects of everyday experience. Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as "Angel of Death," "The Sufi and His Cheating Wife," "Moses and the Shepherd," "Chickpeas," and "The Greek and Chinese Painters" as well as the less commonly

quoted parables: "The Basket Weaver," "The Mud Eater," and "A Sackful of Pebbles." Rumi's voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi's translations delicately reflect the nuances of Rumi's poetry while retaining the positive tone of all of Rumi's writings, as well as the sense of suspense and drama that mark the essence of the Masnavi.
