Art is a hard mistress, and there is no art quite so hard as that of being a wife. So begins this entertaining and enlightening booklet of Don'ts for Wives. Discussing such categories as "How to Avoid Discord," "Financial Matters," "Food," and "Evenings at Home," Don'ts for Wives is full of advice for ways in which a proper and loving wife should behave toward her husband. Each chapter is comprised of a list of "don'ts" that wives should follow if they wish to run a successful home and keep their husbands happy. While much of the advice is outdated, a surprising number of her recommendations are still applicable today. A delightful glimpse into turn-of-the-century British life, Don'ts for Wives is for anyone interested in etiquette, sociology, or who is just looking for a laugh. Also part of this series are Don'ts for Husbands and Don'ts for Mothers, available from Cosimo Classics.

sexual act. F\*ck him in this case is not physical, it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, "Well, f\*ck him!" a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings.

Nevertheless, most women I've coached have had men seem very interested only to disappear suddenly. These women are left standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked them just not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the high-value woman. You know her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, "How does she do it? What do they see in her? What

does she know that I don't?" You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, "He doesn't know what he's missing." What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way around men. She knows how to mentally f\*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding. There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat, even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!

In *The Ethics of Rhetoric*, Richard M. Weaver evaluates the ethical and cultural role of rhetoric and its reflection on society. Weaver draws upon classical notions of rhetoric in Plato's *Phaedrus*, and he examines the effectiveness and implications of the manipulation of language in the works of Lincoln, Burke, and Milton. In this collection of essays, Weaver examines how different types of rhetoric persuade, their varying levels of effectiveness and credibility, and how one's manner of argumentation and style of persuasion are indicative of character. Ultimately, Weaver argues that the cultivation of pure language creates pure people. Initially published in 1953, *The Ethics of Rhetoric* remains timeless in its evaluation of rhetoric's role in society.

when, why, or how insights are formed-or what blocks them. In *Seeing What Others Don't*, Gary Klein unravels the mystery. Klein is a keen observer of people in their natural settings-scientists, businesspeople, firefighters, police officers, soldiers, family members, friends, himself-and uses a marvelous variety of stories to illuminate his research into what insights are and how they happen. What, for example, enabled Harry Markopolos to put the finger on Bernie Madoff? How did Dr. Michael Gottlieb make the connections between different patients that allowed him to publish the first announcement of the AIDS epidemic? How did Martin Chalfie come up with a million-dollar idea (and a Nobel Prize) for a natural flashlight that enabled researchers to look inside living organisms to watch biological processes in action? Klein also dissects impediments to insight, such as when organizations claim to value employee creativity and to encourage breakthroughs but in reality block disruptive ideas and prioritize avoidance of mistakes. Or when information technology systems are "dumb by design" and block potential discoveries. Both scientifically sophisticated and fun to read, *Seeing What Others Don't* shows that insight is not just a "eureka!" moment but a whole new way of understanding.

more complicated, and men and women are experiencing unprecedented levels of stress. To add to the increasing tension, most men and women are also completely unaware that they are actually hardwired to react differently to the stress. It's a common scenario: a husband returns home from work stressed out and eager to kick back on the couch and watch television. A wife returns home from work stressed out and wants to talk about it with her husband. What happens? Neither is on the same page, anger and resentment set in, and Mars and Venus collide. Using his signature insight that has helped millions of couples transform their relationships, John Gray once again arms the inhabitants of Mars and Venus with information that will help them live harmoniously ever after. In *Why Mars and Venus Collide*, Gray focuses on the ways that men and women misinterpret and mismanage the stress in their daily lives, and how these reactions ultimately affect their relationships. "It's not that he's just not into you; he needs to fulfill a biological need," Gray explains. "And it's not that she wants to henpeck you; she also has a biological drive." He shows, for instance, how a husband's withdrawal is actually a natural way for him to replenish his depleted testosterone levels and restore his well-being, and how a woman's need for conversation and support helps her build her own stress-reducing hormone, oxytocin. Backed up by groundbreaking scientific research, Gray offers a clear, easy-to-understand program to bridge the gap between the two planets, providing effective communication strategies that will actually lower stress levels. Whether in a relationship or single, this book will help both men and women understand their

What to Text Him Back to Keep Him Hooked and Make Him BEG to See You Again Did you know that men secretly use texting as a way to "pre-screen" a woman's romantic value? A woman's texting habits can reveal a lot about her self-worth, confidence, intelligence, and even her level of class and emotional maturity. Because guys covertly appraise a woman's relationship potential this way, many women often have no idea that the way they communicate via text is actually sending the wrong message and thus, they unknowingly end up chasing men away. Discover the Secrets of Texting Men to Effortlessly Stand Out from EVERY Other Woman Men have their own unique way of interpreting a woman's communication attempts. Therefore, although many women mean well, they often do things when texting men that sometimes makes them appear too easy, too needy, too bossy, or too boring even if these things aren't necessarily true about them. Texting is the one medium of communication in which a great guy can easily get the wrong idea about you. And as these wrong ideas pile up inside his mind, they usually coalesce into a single romance-killing thought: That he can do better than you. So, what's a girl supposed to do then? Simple really. All she needs to do is understand exactly how men appraise female texting habits and how to use this knowledge to differentiate herself as being a high-value woman. Doing so will make it easy for her to stand out from EVERY other woman who texts him. How to Use Texting to Tease, Flirt, and Entice Your Way into Becoming His TOP Priority If you want to arouse the kind of long-term desire in a man that makes him eager to pursue you for dates, romance, commitment, and more, you must take advantage

of texting and use it to make subtle and seductive displays of your high-status, and thus, your high-value. Fortunately, this is exactly what you're going to learn in, *Texts So Good He Can't Ignore!* In this fun and insightful dating book, you'll learn the texting habits of high-value women and gain access to a vast collection of irresistible, man-melting text messages that make men EAGER to text you back and desperate to see you again. And because this in-depth guide focuses on how men think (unlike most dating books for women), it will give you a distinct advantage over your peers when it comes to texting men. Here's what you're going to learn inside: Exactly what to text a guy when he's stringing you along and only doing the BARE MINIMUM to keep you interested. How to use mischievous "Feisty Girl" texts to get a man to finally ask you out (or ask you out AGAIN), while making it seem like it was all HIS idea. What to do (and what NOT to do) if a guy suddenly stops texting you or starts responding to your texts less and less. How to get him to CALL YOU instead of texting all the time. What to text a man to "let him down easy" but KEEP him interested whenever he sends an inappropriate or overly sexual text. Exactly what to text a guy who keeps "coming BACK from the DEAD" and suddenly starts taking an interest in you again. (Hint: These cheeky little texts can end his mind games for GOOD!) A simple method for starting conversations that IMMEDIATELY grabs his attention and makes him EAGER to text you back. What to text a guy you know and like to initiate his "Chase Mode" and make him see you as MORE than "just-a-friend." "[R]eading this book has given me a whole host of new ideas about working with complex and dissociative clients Clear and engaging, peppered with relevant case histories, this book would make an important addition to anyone's EMDR-related book collection." -- Dr. Robin Logie, EMDR UK & Ireland This book is the first to bring together in one volume an overview of the principal issues in treatment of dissociative disorders in complex PTSD, and a description of the integration of specific EMDR-related interventions or "tools" with other psychotherapeutic treatments. These tools can significantly extend the therapeutic power of EMDR-related methods. Each intervention is examined in detail with accompanying transcripts illustrating the nuances and variations in how the intervention is applied. It is written by a highly esteemed EMDR scholar, trainer, international speaker, and author who is an EMDRIA-designated "Master Clinician." The book discusses how the concepts and vocabulary of other models of dissociation (particularly the Theory of Structural Dissociation of the Personality, and the Internal Family Systems model) translate directly into EMDR's Adaptive Information Processing language. It presents detailed descriptions of specific EMDR-related

tools that are useful in facilitating and safely accelerating therapeutic progress with clients suffering from Complex PTSD. These include such standard EMDR procedures as Trauma Processing and Resource Installation, several conceptual/cognitive/phenomenological models of dissociative personality structures and symptoms, and specific EMDR interventions for resolving dysfunctionally stored post-traumatic elements. The book will be of great value to therapists who wish to extend their use of basic EMDR with "easier" clients to using it effectively with more complex clients. Key Features: Provides a theoretical framework to guide assessment and treatment of clients with Complex PTSD Serves as a "hands-on" resource for using specific EMDR procedures Describes each intervention in detail, illustrating the nuances and variations in different applications Includes specific "AIP" tools, actual therapy scripts, and client drawings Covers DSM-V PTSD criteria

This paperback edition includes an exclusive conversation between Bill and Giuliana Rancic, hosts of NBC's Ready for Love, and Tracy McMillan, one of its expert matchmakers. This new relationship show features three of America's most eligible guys searching for their soul mates. If you're looking to get married and you're not, there's most likely a very good reason: you. Hey, you're certainly not a bad person! You just haven't yet become the woman you need to be in order to have the partnership you want. That's where this book comes in. Based on her wildly popular Huffington Post article, Tracy McMillan's Why You're Not Married . . . Yet dishes out no-holds-barred practical wisdom for women hoping to head down the aisle. And this new edition features even more candid advice and sisterly insight. McMillan points out the behaviors that might be in your blind spot and shows you how to adjust them to get the relationship you deserve. Do any of these chapter headings sound familiar? • You're a Bitch: How defensiveness can hide behind a tough exterior, and why being nice is never a sign of weakness. • You're a Liar: How to stop lying to men—and get honest with yourself—about the kind of relationship you really want. • You're Selfish: The big secret about marriage: It's about giving something, not getting it. A funny, insightful guide, Why You're Not Married . . . Yet will change your life and the way you think about relationships, and it may very well lead you down the aisle. "Very wise . . . Magazine's Culture List In all your years of schooling, did you ever take a single class that explained how to navigate the hurt, drama, and fear that come with living? Tina Lifford sure didn't. She learned the hard way—through experience as both a Hollywood actress and as the founder of the personal development network The Inner Fitness Project. Now, she brings together her own hard-won insights as well as those of her clients in this helpful and transformative guide. A blend of personal anecdotes and meaningful, practical—and most important, actionable—advice, *The Little Book of Big Lies* is the life skills class you need to nurture the inner you and move beyond the past. In fourteen raw, personal stories, Tina teaches you how to change your self-perception—to see yourself in the best possible light, to love and honor what you see, and to forge a new sense of what's possible in every aspect of your life. But make no mistake, *The Little Book of Big Lies* is not a “rah-rah” quick fix for fear and pain. Like physical fitness, building and maintaining emotional strength requires continued effort. This invaluable book is the foundation you need to start building inner health and well-being so you can thrive. Tina guides you on a journey of self-discovery that will help you turn shame into self-acceptance, self-rejection into self-love, blame into freedom, and old hurt into power. Wise and powerful, *The Little Book of Big Lies* will completely change how you think and live.

### **Why Men Love Bitches**

'Funny, kind, generous and smart - I could have done with the wisdom of Flo Perry far sooner' Dolly Alderton We talk about feminism in the workplace and we talk about dating after #MeToo, but women's own patriarchal conditioning can be the hardest enemy to defeat. When it comes to our sex lives, few of us are free of niggling fears and body image insecurities. Rather than enjoying and exploring our bodies uninhibited, we worry about our bikini lines, bulging tummies and whether we're doing it 'right'. Flo broaches everything from faking it to consent, stress to kink, and how losing your virginity isn't so different to eating your first chocolate croissant. Her mission is to get more people talking openly about what they do and don't want from every romantic encounter.

Amanda Pressley and both wanted something only one of them could have. All it took was her pretty little mouth uttering the words “prostate massager” during a sales pitch at his family’s Green Mountain Country Store in Butler, Vermont, to make Landon’s heart stop and other parts of him jump to attention. Unfortunately, his brother felt the same—or at least he did. Now Lucas is head over heels for Dani and her daughter Savannah, and the path is clear for Landon and Amanda. Except that even with her staying with him, nothing is happening, and Landon isn’t sure how to change the status quo. Amanda is making a list and checking it twice. Nearly dying in the fire at the Admiral Butler Inn has left her with tons of regret and a new lust for life. Topping the list of things she wants to do with her second chance are two key items—fall in love and have an orgasm with a man. The last person she expects to check all her boxes is the world-renowned player named Landon Abbott. She might've made the mistake of saying yes to dates with both brothers once upon a time, but only one of them makes her heart pound. Too bad she can’t figure out how to move off the starting line toward something more than friendship with the ridiculously handsome firefighter. When she needed a place to stay after the fire, Landon was first in line to offer his home, and now that she’s sleeping in his bed, he’s determined to show Amanda only one Abbott brother is capable of helping her achieve her goals. Things are heating up in Butler this spring as Landon and Amanda find just what they’ve been missing on the road to happily ever after. But like mud season in Vermont, that road is full of potholes as a long-buried secret from Amanda’s past and Landon’s plethora of female admirers

### **Seeing What Others Don't**

You know what? It all started With the cavemen In the old days, a caveman grabbed his club, snatched a hold of his cave woman, yanked her by her hair, grunted and hauled her off for wild sex. And now, thousands of years later the world you live in, has not changed much. Because of the media portraying men as pussies or worse yet sissies, and women dictating how you act, you never knew that acting like a "caveman" is what women really want. After years of failed relationships and volumes of "Dear John" letters, the convoluted, confused and sometimes insane thinking of women suddenly descrambled in my brain. Does Your Lover Trample You? If you just nodded your head "yes," then it's time to TAME THE BITCH. Attitude analysis Does she really want a sensitive-lover-with-a-smooth-touch or does she want a strong-but-silent man who'll take command and control (the answer to this might surprise you) 14 key components of your appearance and behavior that will make you irresistible. Improve your life and end the "pussification" she instills in you. Little known ways to end her looking at you as a "big dumb provider." Discover the courage to grab your "stones" back. Surprising fact: Nerds are the new Marlon Brando of the next generation. Uncover the secrets
