Nutrition Counseling and Education Skill Development

The Duke and the Stars explores science and medicine as studied and practiced in fifteenth-century Italy, including how astrology was taught in relation to astronomy. It illustrates how the “predictive art” of astrology was often a critical, secretive source of information for Italian Renaissance rulers, particularly in times of crisis.

Software Engg Concepts

Brill's Companion to Ancient Geography is the first collection of studies on historical geography of the ancient world that focuses on topics considered crucial for understanding the development of geographical thought.

The Block Party

Written by curriculum and specification experts, this Student Book supports and extends students through the new course while delivering the breadth, depth, and skills needed to succeed in the new AS and beyond. It develops true subject knowledge while also developing essential exam skills.

Writers' & Artists' Yearbook 2014

People from different cultures eat many different foods, but everyone eats pizza! Cultural diversity can be seen around the world and also in our immediate communities.

Zemire und Azor

Using a broad definition of the Durkheimian tradition, this book offers the first systematic attempt to explore the Durkheimians' engagement with art. It focuses

on both Durkheim and his contemporaries as well as later thinkers influenced by his work. The first five chapters consider Durkheim's own exploration of art; the remaining six look at other Durkheimian thinkers, including Marcel Mauss, Henri Hubert, Maurice Halbwachs, Claude Lévi-Strauss, Michel Leiris, and Georges Bataille. The contributors-scholars from a range of theoretical orientations and disciplinary perspectives-are known for having already produced significant contributions to the study of Durkheim. This book will interest not only scholars of Durkheim and his tradition but also those concerned with aesthetic theory and the sociology and history of art.

Lurps

Izzy struggles to retain her private investigator's license after a pseudo engagement and her fourth arrest, a challenge that is further complicated by David's marriage to Petra, and by Rae's teenage angst.

Introducing Translation Studies

A Speaker's Guidebook is the best resource for public speaking in the classroom, on the job, and in the community. Praised for connecting with students who use it (and keep it!) year after year, this tabbed, comb-bound text covers all the topics typically taught in the introductory course and is the easiest-to-use public speaking text available. In every edition, including this one, hundreds of instructors have helped with the book focus on overcoming the fundamental challenges of the public speaking classroom. Print and digital tools converge in this edition to help students with every aspect of the speech building process A new, gorgeous collection of speech videos, accompanied by questions, model speech techniques while the adaptive quizzing program, LearningCurve,creates a personalized learning experience adjusted to each individual.

German for Beginners

This text does for reporting what Tim Harrower's The Newspaper Designer's Handbook has previously done for design: make it fun and accessible to newcomers. Harrower is an award-winning editor, designer and columnist who has previously taught at Portland State University and currently conducts journalism workshops. The second edition of Inside Reporting continues to emphasize the basics but also provides a wealth of information on online reporting and packaging stories in more visual, interactive ways. It also includes more useful information on feature writing--from stories to reviews and column-writing--than any other text in the field.

Concepts of Biology

From Frankenstein to futuristic feminist utopias, Decoding Gender in Science Fiction examines the ways science fiction writers have incorporated, explored, and revised conventional notions of sexual difference. Attebery traces a fascinating history of men's and women's writing that covertly or overtly investigates conceptions of gender, suggesting new perspectives on the genre.

Frogs

Durkheim, in his very role as a 'founding father' of a new social science, sociology, has become like a figure in an old religious painting, enshrouded in myth and encrusted in layers of thick, impenetrable varnish. This book undertakes detailed, up-to-date investigations of Durkheim's work in an effort to restore its freshness and reveal it as originally created. These investigations explore his particular ideas, within an overall narrative of his initial problematic search for solidarity, how it became a quest for the sacred and how, at the end of his life, he embarked on a project for a new great work on ethics. A theme running through this is his concern with a modern world in crisis and his hope in social and moral reform. Accordingly, the book concludes with a set of essays on modern times and on a crisis that Durkheim thought would pass but which now seems here to stay.

Brill's Companion to Ancient Geography

Set in the Welsh marches in the year 1199, *The Seeing Stone* is a uniquely contemporary take on the Arthurian legends. It is an enthralling story of secrets and mysteries in the life of young Arthur Caldicot, who discovers his namesake, the boy King Arthur, in his seeing stone. *The Seeing Stone* brilliantly evokes the earthy, uncomfortable reality of daily life in the Middle Ages, and of a whole community - from Gatty, the reeve's daughter to Tanwen the chamber-servant, from Oliver the priest to Lady Alice, keeper of a terrible secret - facing the conflicts and uncertainties of a new century.

Effective Learning

Fought on July 28, 1864, the Battle of Ezra Church was a dramatic engagement during the Civil War's Atlanta campaign. Confederate forces under John Bell Hood desperately fought to stop William T. Sherman's advancing armies as they tried to cut the last Confederate supply line into the city. Confederates under General Stephen D. Lee nearly overwhelmed the Union right flank, but Federals under General Oliver O. Howard decisively repelled every attack. After five hours of struggle, 5,000 Confederates lay dead and wounded, while only 632 Federals were lost. The result was another major step in Sherman's long effort to take Atlanta. Hess's compelling study is the first book-length account of the fighting at Ezra Church. Detailing Lee's tactical missteps and Howard's vigilant leadership, he challenges many common misconceptions about the battle. Richly narrated and drawn from an array of unpublished manuscripts and firsthand accounts, Hess's work sheds new light on the complexities and significance of this important engagement, both on and off the battlefield.

Durkheim, the Durkheimians, and the Arts

"Christina Moore uses her talent for storytelling to create a more narrative-like tale. An attractive offering for listening centers and for young children interested in nature and science." -School Library Journal

Curse of the Spellmans

Turbopumps for Liquid Rocket Engines

This pack contains everything needed to start learning Spanish, including Spanish for Beginners - a lively and entertaining guide for complete beginners, an illustrated workbook with exercises, a pocket dictionary/wordbook with 120 stickers, and 50 illustrated flashcards to test vocabulary.

Braxton Bragg

Humorous illustrations demonstrate hundreds of everyday phrases with tips on pronunciation and grammar. Includes recommended websites to interactive lessons, pronunciation guides, quizzes and exercises. Also available with audio CD or cassette with recordings of the words and phrases on each double page of the book. Ideal for complete beginners.

Sirius, the Hero Dog Of 9/11

This Is A New Release Of The Original 1886 Edition.

Journal of Discourses by Brigham Young, His Two Counsellors, the Twelve Apostles, and Others

Fragments of Horror

`This is a rare find, a book that manages to turn educational theory into accessible practice. It will appeal to teachers, managers, support staff and anyone interested in how we learn. This is a book relevant to everyone involved in education as it gets right to the heart of what makes us achieve: motivation. An empowering read - don't miss it!' - Support for Learning `As the title suggests, motivation is a key theme, and this is explored with reference to theoretical perspectives on learning and how these can be translated into practice. A real strength of the book lies in its emphasis on the importance of managing learning and developing effective whole-school approaches to improving the motivation of pupils! - SENCO Update Help all your students become better learners! This book tells you how to recognise and meet the individual needs of different kinds of learners, and provides adaptable strategies for helping every learner develop their own successful approach to learning. Packed full of advice, the book contains: o ideas for ways to motivate all pupils o a chapter on learning styles in the early years o advice on how to create the best learning environment possible o questionnaires, memory games and organizational charts o key practice points o visual summaries at the end of each chapter The practical ideas offered in this book will be invaluable to all class teachers, trainee teachers and SENCOs.

Inside Reporting

Dieses Werk ist Teil der Buchreihe TREDITION CLASSICS. Der Verlag tredition aus

Hamburg veröffentlicht in der Buchreihe TREDITION CLASSICS Werke aus mehr als zwei Jahrtausenden. Diese waren zu einem Grossteil vergriffen oder nur noch antiquarisch erhaltlich. Mit der Buchreihe TREDITION CLASSICS verfolgt tredition das Ziel, tausende Klassiker der Weltliteratur verschiedener Sprachen wieder als gedruckte Bücher zu verlegen - und das weltweit! Die Buchreihe dient zur Bewahrung der Literatur und Forderung der Kultur. Sie trägt so dazu bei, dass viele tausend Werke nicht in Vergessenheit geraten

The Battle of Ezra Church and the Struggle for Atlanta

As a leading Confederate general, Braxton Bragg (1817-1876) earned a reputation for incompetence, for wantonly shooting his own soldiers, and for losing battles. This public image established him not only as a scapegoat for the South's military failures but also as the chief whipping boy of the Confederacy. The strongly negative opinions of Bragg's contemporaries have continued to color assessments of the general's military career and character by generations of historians. Rather than take these assessments at face value, Earl J. Hess's biography offers a much more balanced account of Bragg, the man and the officer. While Hess analyzes Bragg's many campaigns and battles, he also emphasizes how his contemporaries viewed his successes and failures and how these reactions affected Bragg both personally and professionally. The testimony and opinions of other members of the Confederate army--including Bragg's superiors, his fellow generals, and his subordinates--reveal how the general became a symbol for the larger military failures that undid the Confederacy. By connecting the general's personal life to his military career, Hess positions Bragg as a figure saddled with unwarranted infamy and humanizes him as a flawed yet misunderstood figure in Civil War history.

Spanish for Beginners

Comprehensive pack with everything a beginner needs to start learning French, including a book, simple dictionary, flashcards and an audio CD or cassette. Colourful book introduces vocabulary, everyday phrases and simple grammar. Audio CD or cassette has phrases spoken by native French speakers. Includes links to recommended websites with quizzes, exercises, pronunciation guides, games and more.

Fashionably Dead

The Dramatic Imagination

A new collection of delightfully macabre tales from a master of horror manga. An old wooden mansion that turns on its inhabitants. A dissection class with a most unusual subject. A funeral where the dead are definitely not laid to rest. Ranging from the terrifying to the comedic, from the erotic to the loathsome, these stories showcase Junji Ito's long-awaited return to the world of horror. -- VIZ Media

Advancing Biology for OCR

This is the definitive guide to the theories and concepts that make up the dynamic field of translation studies. Providing an accessible and fully up-to-date overview of key movements and theorists within an expanding area of study, this textbook has become a key source for generations of translation students on both professional and university courses. New features in this third edition include: the latest research incorporated into each chapter, including linguistic precursors, models of discourse and text analysis, cultural studies and sociology, the history of translation, and new technologies a new chapter with guidelines on writing reflective translation commentaries and on preparing research projects and dissertations more examples throughout the text revised exercises and updated further reading lists throughout a major new companion web site with video summaries of each chapter, multiple-choice tests, and broader research questions. This is a practical, user-friendly textbook that gives a comprehensive insight into how translation studies has evolved, and is still evolving. It is an invaluable resource for anyone studying this fascinating subject area.

Liabilities

Sophie's Heart

Motivating Learners in the Classroom

After the tragic death of his wife, Alec Riley struggles to put his life back together. He and his three children are lost in their grief until Sophie walks unexpectedly into their lives. Having left her native Czechoslovakia, Sophie has discovered the land which seemed so bright with promise is far from her dream. A highly educated woman, Sophie now finds herself keeping house for Alec and his family. How can Sophie find peace in her new job? Will God use her gentle spirit to help heal Alec's broken heart?? From the author of "The Visitor" and "Bamboo and Lace" comes a warm contemporary story of God's tender mercies and loving intervention in the life of one family.

The Arts: World Themes

A fresh approach to the interdisciplinary humanities course that takes a strong multicultural approach to the visual and performing arts. Organized thematically, the text covers painting, printmaking, sculpture, camera arts, architecture, music, and drama. History is taught from the perspective of the individual - artists come alive as students discover the artists' backgrounds and where they fit in the social history and cultural context. The text builds an appreciation for the language of the arts with discussion of techniques, vocabulary, and definitions.

Introduction To Computers (Sie)

NUTRITION COUNSELING AND EDUCATION SKILL DEVELOPMENT, 3rd Edition, is a step-by-step guide to help entry-level practitioners through the basic components involved in changing food behavior and improving nutritional status. This book provides nutritional professionals with a solid foundation of counseling and education principles, opportunities to practice new skills, and knowledge of evaluation methodologies in an organized, accessible, and engaging approach. The authors' clear style helps readers translate theoretical perspectives on nutrition counseling into actual effective dialogues between client and counselor to influence client knowledge, skills, and attitudes. In addition, since the goals and objectives of nutrition counselors and educators complement each other, the scope of this text has expanded to include elements unique to nutrition education. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Seeing Stone

The second edition of this book brings together the knowledge, skills and attitudes of specialists in both respiratory and palliative medicine to focus on the palliative care of patients with respiratory diseases. It deals not only with end of life care but also with symptom control and supportive care to improve the quality of life of those living their lives with advanced progressive lung disease. Integrated Palliative Care of Respiratory Disease builds on the previous edition introducing new models of care for patients with advanced lung disease. These models emphasize the introduction of palliative and supportive care at an earlier stage in the disease, and running disease-modifying and palliative treatments in parallel. There is a new chapter on the role of palliative care in lung transplantation'. The book highlights significant new research into key respiratory diseases and some on-going controversies about issues such as best models of care for different diseases and advance care planning. This book is an invaluable reference for doctors, trainees and clinical nurse specialists in respiratory and palliative medicine, and is of interest to anyone who wishes to gain a better understanding of the complex nature of palliative care in respiratory disease.

Family Violence: A Canadian Introduction

First Published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

French for Beginners

Rosie the hen decides to take a walk around the farm, not realizing that she is being followed by a hungry fox

The Duke and the Stars

Spenser's Minor Poems

A Speaker's Guidebook

This practical guide provides teachers with ideas for stimulating effective learning in the classroom. It is designed to help teachers reflect on effective learning and highlight the learning experiences of students. One of the key themes of the book is to help students develop independent learning skills so they can become self-sufficient in learning at school, at home, and, importantly, beyond school.

A Durkheimian Quest

Trying to put distance between her and Kalen won't be easy for Bailey. She doesn't expect that her life will get more complicated when she heads home. At first glance, she knows she's made a calculated mistake. Turner is everything he had been and more. With her heart out of balance, she risks becoming a liability to everyone surrounding her.

Rosie's Walk-Big Book

Lurps is the revised edition of the memoir of a juvenile delinquent who drops out of ninth grade to chase his dream of military service. After volunteering for Vietnam, he joins the elite U.S. Army LRRP/Rangers—small, heavily armed long-range reconnaissance teams that patrol deep in enemy-held territory. It is 1968, and the Lurps find themselves in some of the war's hairiest campaigns and battles, including Tet, Khe Sanh, and A Shau. Readers witness all the horrors, humor, adrenaline, and unexpected beauty through the eyes of a green young warrior. Gone are the heroic clichés and bravado as compelling narrative and realistic dialogue sweep the reader along with a powerful sense that this is actually happening. This poignant coming-of-age story explores the social background that shaped the protagonist's thinking, his uncertain quest for redemption through increased responsibility, the brotherhood of comrades in arms, women and sexual awakening, and the baffling randomness of who lives and who dies.

Integrated Palliative Care of Respiratory Disease

When Astrid tries to stop smoking she ends up a member of the undead. She had never believed in vampires before, but now she knows that they do exist no matter what she thought before.
